No More Pretty Shoes—for Dorothy

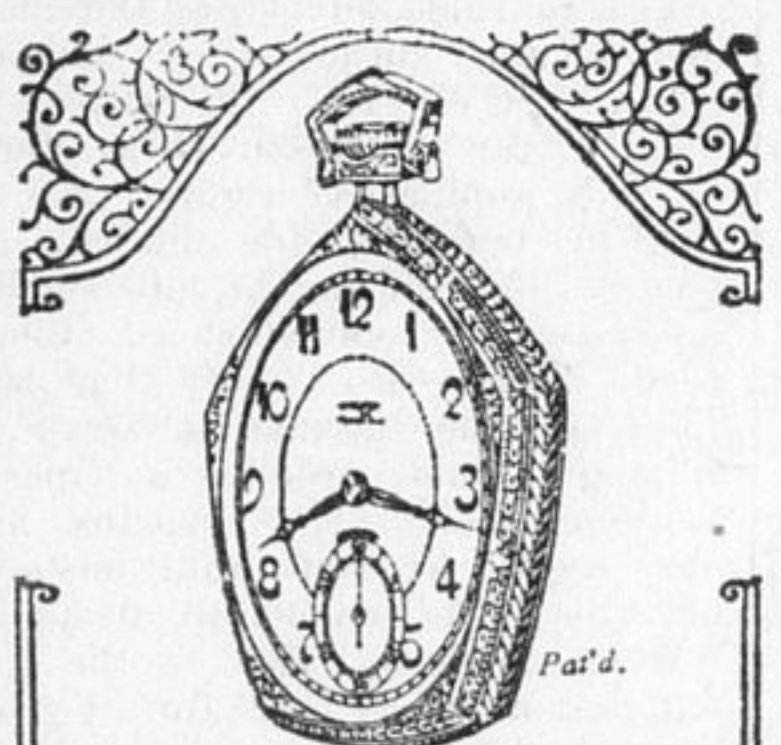

Dorothy peeps shyly at you through a tangle of pretty dark curls. If you are a man, she is hoping against hope that you might be her Daddy, because he used to come and see her and bring her pretty shoes, but he doesn't come any more.

Dorothy cannot understand why, if you are a lady she knows you can't belong to her because the nurse says her mother died years ago. It's hard for a wee girl of five to understand all this, and why she shouldn't have the joys that other little girls always have, and, above all, why she should be in the tiresome bed so much!

But the kindly doctors and nurses at the Queen Mary Hospital are very patient with helpless little Dorothy and hope to fight off the dreaded consumption and make her sound and well.

Wouldn't you like to help this work? Your gift to the Hospital will be gratefully received.

Contributions may be sent to Hon. W. A. Charlton, President, 223 College Street, Toronto 2, Ontario.

McCaffrey of the Dome Mines won the consolation. At Mrs. Sy's Mrs. Farrant won the first, the consolation going to Mrs. E. G. Britton. Next week Mrs. F. C. Evans and Mrs. Farrant will be joint hostesses to both clubs at the home of Mrs. Evans.

Great preparations are being made for the Pirates' Fair in the Masonic hall on Saturday, Nov. 26th. It promises to be a real novelty in the way of entertainment.

The bridge and euchre given at the home of Mrs. H. Miller on Wednesday evening was a real success, thirty-two dollars being added, thereby, to the funds of the building of the Oddfellows' hall. Mrs. Miller and Mrs. W. Rayner were joint hostesses. The lucky ones in bridge were—

ladies, Mrs. Farrant; gents, Mr. A. Caron; euchre, ladies, Mrs. H. Blood; gents, Mr. Leonard Smith. The Consolation awards were shared by Mrs. H. Owens, Miss Mabel Burke, Mr. S. Sky and Mr. M. Donovan. An abundant and most delicious lunch was served.

Don't forget the cantata, "Rolling Season," being given in the United Church on Friday evenings this week. It is a real musical treat to those attending. There will also be a miscellaneous concert given, outside talent helping.

Mr. Clark, of Toronto, visited the Furness Mines this week. He is one of the directors and was accompanied by their consulting engineer, Mr. J. Houston, of Haileybury.

Mr. Harry Owens left this week on a business trip to North Bay and Toronto.

Mr. Byron, of Kapuskasing, was a visitor in town recently.

The marriage took place on Tuesday, November 22nd, of Miss Amelia Heikala to Mr. Gusti Heikala, of the Beaumont Mines. Rev. Cushing, of Timmins, tied the nuptial knot. Having no relatives in this country, the bride has been making her home with Mrs. John Maki. The happy couple will reside on Strachan avenue.

At police court on Thursday Archie Grainger, alias Martin was found guilty of stealing goods from the store of S. Bucovetsky, Schumacher and sentenced to two years in Kingston penitentiary. The police are being strongly commended for their prompt action in this case.

On Tuesday morning about six-thirty there was a small stabbing affray at the Dome Mines, the result of which is one Russian in the hos-

pital and the other in jail. So far as we can glean the facts, it seems that there were two men who delighted in tantalizing a fellow countryman who was not of the same belief as themselves. According to report he was a quiet inoffensive man who seldom took a drink. This morning he had obtained a drink somewhere, it seems after coming off shift, and when the other man said provoking things to him he retaliated by attacking him with a knife. It is said that the man who was knifed had not been nearly so aggravating as the man he was with but that in attempting to stop the infuriated man from striking his friend he got the full force of the blade himself. It is thought, that if complications do not set in he may be able to appear in court on Thursday to give evidence against his assailant.

On Tuesday evening November 22nd, Mr. and Mrs. E. P. Pullin celebrated the tenth anniversary of their marriage which took place at Brakpan, South Africa, in 1917. It was a war wedding. Mr. Pullin had been invalided from the front but upon recovery had rejoined that time with the Royal Army Medical Corps. Getting orders to go back overseas with his company a special license was obtained and the nuptial knot tied by Rev. Mr. Tonkin, the Anglican clergyman of that place. Immediately after the ceremony the bride went with her husband to say good-bye to his friends, then bidding her young husband farewell, he left for France and she did not see him again for three years. Mr. Pullin is also a veteran of the South African War being one of the thirty-two who came out of Delville Wood alive, a place where four thousand entered. He lay in the woods a week before he was rescued. During their stay in South Africa Mr. and Mrs. Pullin were through the revolution there, their place of residence, being one of the centres of turmoil. In conversation with your correspondent, they stated that their three years' stay in South Porcupine had been the happiest period of their lives. We join their many friends in wishing them many happy and prosperous years together.

Mr. Plewman, secretary of the Boys' Work Board of Ontario, gave an address at the United Church on Sunday evening. His address was an unusually impressive one. One of his striking thoughts was that the trouble with the young people of to-day was really traceable to the example set by adults who had lost their moorings to true character and upright citizenship.

H.S.B. AND HOLLY RECS WINNING AT BASKETBALL

Two Sparkling Games During the Past Week. High School B Team Won One and Lost One

On Wednesday, Nov 16th, the Arrow Club met the High School B. in the H. S. gymnasium. After a whirlwind game and a thrilling last quarter, the B. team came out on top with a score of 19-16.

The line-ups were as follows:—Arrow Club—Brown, W. Alton, Hudson, Abrams and Wadsworth. H. S. B.—Craig, D. Houle, R. Houle, Kinnari, Charette, Patry and Paice.

Referee—Len Cavaney. Timekeeper—P. Nielson. Scorekeeper—W. Shields.

In the first period, the play was quite muddled. There was little or no combination on either side. Kinnari rung up a field goal and Houle netted a foul throw for the B team, and Hudson scored one field goal for the Arrow. Score at end of period, 3-2, B. favour.

The second and third periods were faster, the B team showing more skill in passing and combination. The combination play of their guards assisted materially in holding their opponents. The score at the end of the third period was 13-10 in favour of the H.S.B.

In the last period, the Arrow Club got a lead of three points but did not hold it. The young fellows set out for victory in no half-hearted manner, and at the close of the game the B. team was up with a score of 19-16.

On November 21st, the Holly Rees. and the H. S. B. mixed it in the gym. The Holly Rec. got the game by one field goal only and their playing was slow and fumbling in comparison with that of the B. team.

The line-ups were:—Holly Rees.—McLean, Webb, Roberts, Studor, Mair, Morin, Kausisto and Kay.

H. S. B.—D. Houle, R. Houle, Patry, Charette, Craig, Kinnari, Wallingford and Shields.

Referee—Harry Boyd. Timekeeper—H. Chittenden. Scorekeeper—Len Cavaney.

The game opened very slowly and it was soon seen that the Rec. boys had no soft job on. They were completely out in the rain when the B. team started up. Kinnari scored the first goal for the B. team. The score at the end of the period was a tie 4-4.

In the second period, the Rees. found out for certain that they had some opposition. They did their utmost to break away but were unsuccessful. Webb made three field goals for the Rees, Patry two for the B. team.

Score 10-8 in Rees. favour. The Rees. broke away in the third quarter and got a six point lead, but that did not deter the young fellows noticeably. They were on the short end of the score, 18-12.

In the last quarter, the Holly boys never scored a basket; in fact the ball only came to the school ring about three times, only to miss. The play never got past the centre line; it was all in Rec. territory. The B. team worked until they were one field goal behind the Rees. until two minutes before time. At this period of the game, one Rec. player showed his lack of idea by deliberately batting the ball out of bounds twice, from a toss-up. The score at the end of the game was 18-16, Rees. favour.

In the game, the B. team showed that they are a team to be reckoned with, on any floor. They are fast, play fine combination, and do not give up if they are at the wrong end of the score.
