

The Newest in Merchandise at the Lowest Prices

When you pay us a visit, you will more readily grasp the meaning of this statement. We are constantly enlarging our stock and adding new departments, and here you will find easy answers to your Christmas Gifts Problems. Our Eastern connection with one of Canada's leading stores, gives us the enviable privilege of placing small orders, thus keeping our stocks "Style-Right." It is only through this connection that we are able to offer the same low prices which prevail in the Big Cities, on the new things as they appear on the market. We advise you to visit us often—Shop and compare, we will let you be the judge and abide by your decision.

Novel Pirates' Fair at South Porcupine was Big Success

Unusually Attractive Type of Bazaar. South Porcupine Rebekahs Elect Officers for Ensuing Year. Masonic at Home at South Porcupine. Accident to One of the Big Buses. Charging Batteries Interfering with Radio Reception for Dome Extension.

South Porcupine, Nov. 29th. Special to The Advance.

Mr. and Mrs. A. A. McIntosh, of North Bay, are the guests of the former's brother, Mr. G. McIntosh, and Mrs. McIntosh.

Little Miss Elaine Knutson, daughter of Mr. and Mrs. M. Knutson, of the March Gold Mines, celebrated her fourth birthday on Wednesday, November 23rd, by inviting a number of little friends to a party at their home there.

Mr. Albert Collins, of the Dome Mines, left on Thursday, for a holiday in Cornwall, after five years in this country.

Mr. H. Dennis, of the Dome Mines has accepted a position with the Beaumont Mines, we hear.

There was election of officers for the ensuing term at the Kitchener Rebekah Lodge on Friday evening. The following are taking office next year: Noble Grand, Sister Eva Ewing; Vice-Grand, Sister Verna Raymer; Secretary, Sister Isabel McWilliams; Financial Secretary, Sister Rupert Orr; Treasurer, Sister R. Costain.

Mr. Glenwood Short, brother of Mrs. Toye, of the Dome Extension, left on Thursday for a holiday in Cornwall, England.

One of Dalton and Cunningham's big buses went into the ditch on the Dome road this week in meeting another car where there was not much room. Although the bus was packed full no one was seriously hurt, only a few minor scratches being received and everyone getting a good shaking up, but no one is the worse for it.

On Thursday evening the Masons of A. F. and A. M., No. 506, were "At Home" to their friends in the Masonic hall, South Porcupine. A most enjoyable evening was spent with cards and music. In the eulogy, Mrs. J. Blood won the ladies' first prize, and Mr. J. Costain the gents' while in bridge the honours went to Mrs. C. B. Morgan for the ladies and Lewis Taylor for the gents.

Consolation awards were given to Messrs M. Clark and G. A. Rowe. A most interesting entertainment was given by various artists. As a conjurer, Mr. Nixon, of Timmins, kept everybody guessing. Miss Sayles, also of Timmins, is always heard with pleasure here, so her solo was a treat. Mr. W. Sharp, of the Dome Mines, proved himself to be a tenor soloist whom we hope to hear more often in the future. A very amusing skit was given by Messrs George Cole, George Starling and R. McWilliams. The catering for the event, done by the Rebekah Lodge, was of an excellence for which that lodge is noted. All who were present are indebted to the Masons for a most delightful evening.

Mrs. Tripp, Sr., of Renfrew, has come to spend the winter with her son, H. Tripp, of the Dome Mines, and Mrs. Tripp.

Mrs. Fell, of the Dome Mines, we are sorry to report, has been on the sick list with a severe attack of sciatica.

One of the most successful affairs ever given in South Porcupine was the "Pirates' Fair" held in the Masonic hall under the auspices of the Women's Auxiliary of the Anglican church. All those taking part were dressed in the picturesque costume of the pirates of ancient days, turned down goshaws taking the place of top boots. The home cooking and candy booth, in charge of Mesdames Johns and Stevenson and Miss Andrew was arranged to represent a huge ship. The Treasure Island, where the kiddies took chances in digging for their treasures, was the source of great enjoyment to them. It was in charge of Mrs. Seaman. Two fortune-tellers in fantastic caves told you all about the future if you crossed their palms with silver. They were kept busy all the time. Capt. Kidd's treasure chest carefully guarded by the Captain himself, (alias Miss K. Webster), contained some wonderful treasures sent in by outside friends of the Guild. The fancy work booth in charge of Mrs. Rowe and Mrs. Andrew, exhibited many dainty and useful gifts for the Christmas buyer. The tea room was looked after by Mrs. Humphreys and Miss Shaw, assisted by a bevy of pretty brigands. Jesse James, conspicuous for his large black, waxed moustache was here, there and everywhere doing his bit. We believe we have seen this same character in the vicinity of the Bank of Toronto, but no doubt Manager Britton will keep a watchful eye over the doings of this bandit and his small accomplice. Mrs. Jesse James, (alias Mrs. Barry), acquired a goodly sum from the sale of a pretty electric light fixture in the form of a dainty colonial dame. Mrs. Rowe of the Dome, finally took the dame home as her possession. A roast chicken, as a prize, was won by Mrs. W. Johns. A pretty electric light shade was won by Mrs. Lindsay Foss, of the Dome. Those who worked so hard in connection with this affair have good reason to be satisfied for as the result of their piratical deeds a goodly sum will be available towards the debt on their church.

The two bridge clubs met at the home of Mrs. F. C. Evans, Connaught Hill, on Thursday last, Mrs. Farrant and Mrs. Evans being joint hostesses. The lucky ones for the evening were Mrs. S. Sky and Miss Ann Sullivan while the consolation awards went to Mrs. Gordon Cross and Mrs. A. McLellan. Next week Mrs. Jamieson and Mrs. J. Alexander will be the hostesses.

We are told that the many radio owners at the Dome Extension are much annoyed some evenings by some resident who persists in using a battery charger at an hour when it conflicts considerably with their pleasure in listening to their radios. We believe there are some thirty radios at the Dome Extension, so the number of persons being made uncomfortable by this battery-charger is quite an item to think about.

The medals are being presented this evening to the members of the St. John Ambulance Corps of the Dome Mines. The team consists of S. H. Phillips, H. Bunting, H. Costain and Fred Richards. After having received silver medals (for first place) for two years in succession this year the Dome team are having to be satisfied with bronze ones, having tied with the Timmins team for second place. Captain Debney, of Toronto, Superintendent of the St. John Ambulance Brigade of Ontario, will present the medals, the event taking place at the old school house at the Dome Mines, which place no doubt will be filled to overflowing, as this is a work which everybody feels should be encouraged.

Another ardent hockey fan has arrived in South Porcupine in the form of a small daughter at the home of Mr. and Mrs. A. Thorlor, on Saturday, November 26th. Mr. Thornton is goal-keeper for Porcupine Hockey Club.

Mr. L. A. Marlin, I.P.S., was in town this week on an official visit to the public school.

The fire brigade were called out just at noon on Monday to a fire at the home of Mrs. Turton, on Connaught hill. It proved to be only a chimney fire and was soon under control.

Born—To Mr. and Mrs. Gordon Countryman, on Sunday, November 20th, in South Porcupine,—a daughter.

Rev. F. Bain was in Hearsst on Sunday, taking charge of the anniversary services of the United Church there. He was also to give an address and some violin solos at their concert on Monday night. His work here on Sunday was quite efficiently taken charge of by Miss Quick, Deaconess of the district.

At police court on Thursday, Harry Patussnik, the Russian who stabbed a fellow countryman at the Dome on the previous Tuesday, was remanded, his victim not yet being considered sufficiently recovered to give evidence. Before that six children having done damage to public property were ordered to pay all costs. On this coming Thursday it is said that there are some cases of interest in regard to the breaking of the Ontario Liquor Act, which act the government is making efforts to have rigidly obeyed.

Mrs. S. Kennedy and Mrs. C. Kavanagh spent the week-end with Mrs. Kavanagh's sister, Mrs. R. Sullivan, Cochrane, Ontario.

FAMOUS REX BEACH FILM COMING TO GOLDFIELDS

Next Monday and Tuesday the special at the Goldfields theatre will be "The Barrier," based on the story of the same name by Rex Beach. This picture is featured by the lure of the unknown, thrills such as seldom felt, tragedy, adventure, interest, at the snow-covered roof of the world. One press notice says that Rex Beach's mighty novel, now a film epic, will carry you to the land of red-blooded romance,—gold, fighting, men of iron, beauties caught in the gilded web of the Yukon. It is the thrilling story of a man who goes to the Klondyke, and there, amid amazing adventures, finds love and gold. Norman Kerry, Lionel Barrymore, Henry B. Walthall and other noted artists are in the all-star cast in "The Barrier" which will be shown at the Goldfields theatre on Monday and Tuesday, Dec. 5th and 6th.

Port Hope, Guide:—Nothing jars an invalid more than to wake up suddenly feeling splendid, and then to remember that he is sick.
