**DOUGLAS MUTCH TO SURVEY  
 APEX MINE PROPERTIES**

An important announcement to the effect that Mr. Douglas A. Mutch will immediately survey the properties of Apex Mines, Ltd., was made following a meeting of the directors of the company in Toronto.  
 Mr. Mutch will proceed to examine the holdings of the company in the Township of Tisdale, in the Porcupine camp, and the Townships of Dufresnoy and Rouyn, in the Rouyn area. On the completion of the survey he will make a report to the directors, which will include an outline of plans for the development of the properties.

The stingy farmer was scoring the hired man for carrying a lighted lantern when he went calling on his girl. "The idea," he exclaimed, "when I was courtin' I never carried no lantern; I went in the dark."  
 "Yes," said the hired man sadly, "and look what you got."

**PEMBROKE POSTMASTER  
 MYSTERIOUSLY DISAPPEARS**

A. J. McCool Missing Since Dec. 10th. Son of Late Chas. McCool, M.P. for Nipissing

In Eastern Ontario there is great puzzlement and interest at present in the mysterious disappearance of A. J. McCool, of Pembroke, postmaster at that place. He left Pembroke on Dec. 10th, saying that he was going to Ottawa on business. The following day he wired his wife that he would not be home for a day. Since then no trace or track of him has been found, though diligent search has been made. When the Christmas rush started in the Pembroke post office his wife became anxious, and general enquiries were made. It was found that he had not registered at any of the Ottawa hotels and no track of him can be found in that city. Thinking that he might have gone on to Montreal that city was also searched but without any encouraging results. He appears to have simply dropped out of sight. Last week the report of his disappearance was sent to the post office authorities at Ottawa. Mr. McCool has been suspended as postmaster, and Mr. Wm. Butts has been appointed as acting postmaster. It is reported that all the affairs of the missing man are in correct condition, and that no clue to his disappearance is furnished by his financial standing. In Pembroke belief persists that the missing postmaster, in a mental aberration, headed for Montreal. The Montreal police have been given an excellent description of Mr. McCool and have been sent his picture so that they may make a thorough search for him. Mrs. McCool is heart-broken at the blow which has struck her family and is on the verge of a nervous breakdown. When last seen, Mr. McCool was wearing a grey fedora hat, dark overcoat and grey tweed business suit.

**CHRISTMAS PARTY AT  
 MR. PERCY YOULTON'S**

Mr. and Mrs. Youlton, 66 Third avenue, entertained a number of friends to a happy Christmas party on Monday evening and all present had a delightful time. The evening was spent in dancing, games and other social pleasures. Music for the occasion was pleasingly given by banjo and gramophone. Miss Jame delighted all with the effective recitation given. There were about twenty five or thirty present, and all found the evening a most enjoyable one. Among the guests were:—Mr. Mat Donovan, Miss Bray, Mr. and Mrs. J. Bray and son, Mr. J. Corey, Mr. and Mrs. Milton and family, Mr. J. Morrish, Miss Fellows, Mr. W. Studder and "Shorty" Harvey, the latter being the star of the party, whose comedy stunts added much to the pleasure of the evening.

**PLAYING HOCKEY THESE  
 DAYS IN THE ROUYN CAMP**

Hockey is a very popular sport in Rouyn these days. The North Bay Nugget, in its sporting page last week made extended reference to hockey at Rouyn. The Nugget said:—  
 "The inhabitants of the Rouyn mining district have something other than gold digging to engage their attention. For instance they have a four-team hockey group and according to press reports of the games they are no pink-tea parties. The teams are the Huskies, Firemen, Canadiens and Norandas and they rate in that order in the group standing. "Mickey" Burns of New Liskeard, Haileybury and North Bay fame, guards the twine for the Firemen, and Ernie Fink, formerly of Mattawa, is the mentor of the team. Here's how they describe the material that is used by the various teams: "Good defence men are plentiful, both of the kind that tinkle the steerage fans with bumps to an opponent, and the kind that somehow stop the rush without anyone seemingly able to describe the method employed afterwards. There are even bigger varieties among the forwards strutting their stuff, when one thinks of the long range shooting wizards, the bewildering stick handlers, the shoot and follow-in pests, and the artists who seem to be able to make the goalie dance, in every situation. But the diversity among the goal-keepers is the least, they all try to get in front of the puck with something, and more than four of them could be named for regular berths." Sunday is the favourite day for the games."

**SKI CLUB HOUSE TO BE  
 OPENED ON JANUARY 5th**

It is expected that the Porcupine Ski Club will have the formal opening of their new club house at Dalton's Park on Thursday of next week, Jan. 5th. The members of the club and their friends are asked to meet at the Rex Parlours at 7.45 and proceed to the club house. It is intended to hold a ban supper at the new club house on the occasion. Not only members of the club but all interested in skiing are invited to the formal opening of the club house. Great interest has been shown this season in skiing and it is expected that with the new club house to provide needed accommodation the interest will be still further increased and extended.
