Maybe the Broke Hustler is thinking of another rabbit story, synonymous with last Thursday's hockey match at Iroquois Falls. Anyhow, if the 'rabbits' simply had to win this time, they won easily and with a sure edge on the game all the night and with Porcupine fans there "en masse" to cheer them on. Over 300 went on the special train from South End with a goody sprinkling from Timmins, Schumacher and Connaught. Four coaches were necessary to take the Porcupine Hockey Club and their supporters to Iroquois Falls. They were also accompanied by the Porcupine Goldfields Band, which enlivened the trip by several of their selections in each coach, on the way down. Some say they won the game. Anyway the boys went on the ice with a confident stride, and from the minute that Saunders, assisted by Jemmett, made the first goal with another one by Spence following fast, their supporters were wild in their applause and their confidence of the outcome was never shaken. The Falls team did not seem to get past centre ice and their long shots were so closely watched and shied off that they did no harm. The only qualm the fans had was when Spence's skate broke and he was out of the game till the next period. "What would happen without Gordie there!" But the others held the fort and the period ended 2-0 favour of Porcupine Hockey Club. Soon after the start of the 2nd period Wimperis scored a nice one for the Falls. Things were getting interesting but in eleven minutes, Saunders assisted by Gagnon and Jemmett scored another; then Jemmett from a face-off near the goal got one for himself. Scarcely a minute had elapsed when Murray got the rubber and went in on Powers. The Falls people never knew before how much noise Porcupine could make. By the time the uproar subsided the spasm was over to a tune of 5-1, in favour of Porcupine. The third period found the Porcupine team well-massed on the defensive, the Falls boys working hard and in nice combination, which dwindled sadly at the blue line of the Porcupine defence area. Saunders, Gagnon and Murray broke away and got the rubber through once more for Porcupine. Soon Huggins for the Falls got in a surprise one on Thornton. The gong sounded with the score 6-2 favour Porcupine. Fans of the week before say that the platform was crowded there with Falls people, many of whom "booded" the losers as their train pulled out. Last Thursday two lone Falls citizens stood quietly on the platform as the happy throng departed on the special. The game was well-handled by K. Buchan, of North Bay, as referee. The penalties were for Porcupine:—Cain, 1; Murray, 1; for Eskimos, Cybulski, 2; Mason, 1. Line-up:—Porcupine—goal, Thornton; defence, Cain and Murray; centre, Jemmett; wings, Saunders and Spence; subs., Gagnon. Iroquois Falls—goal, Powers; defence, Mason and Fraser; centre, Cybulski; wings, Wimperis and Chirooski; subs., Wilson and Huggins.

The Bridge Club met on Wednesday last at the home of Mrs. G. A. Rowe, Dome Mines. Mrs. Rowe and Mrs. J. McCaffrey being joint hostesses. The prizes were potted hyacinths in bloom.

Mrs. W. Wilson and Mrs. W. Taylor each winning a first; and Mrs. H. Hall, and Miss A. Sullivan winning the consolation prizes, which were single hyacinths. A very enjoyable time was spent, there being many out from town as well as guests from the surrounding mines.

Mrs. Dupont, of the Ankerite Mine, is now able to be out of the hospital here.

Mrs. Ross Dixon, of Connaught, was a visitor in town this week.

Mrs. Heath, of Kirkland Lake, spent the week-end with Miss B. M. C. Shaw.

In Curling Circles—the rink skipped by W. Brooks has won the Gallagher Cup but he is not yet in possession of it. The formal presentation will take place later. In the semi-finals, H. Boyle's rink defeated Dr. Russell's, which in turn was defeated by that of Brooks, consisting of the following:—skip, Brooks; vice-skip, J. Gallagher; second, R. Cameron; lead, L. Taylor.

Play has been started for the Lang Shield and is to consist of a number of sudden-death games.

Mrs. F. Laforest left for Toronto on Sunday to visit with her daughter, Alma.

The Porcupine Goldfields Band wish to thank the Schumacher Fire Department for coming in and with the Porcupine Fire Brigade helping to make their carnival a success. They are also indebted to a number of merchants for prizes. The Porcupine Goldfields Band has been helping much to make the times at the rink pleasant and it was good to see them so well supported in their carnival. Three exhibition matches are being planned for the following week, the band being in attendance at all:—Toronto Canoe Club, Friday; C.C.M. of Toronto on Tuesday, and Kapuskasing, date unsettled. They also give their services gratis once a week for skating night at the rink.

On Monday evening, January 30th, Porcupine Juniors met Timmins Juniors, in the arena here. They lined-up as follows:—Porcupine—goal, Lloyd; defence, McLean and Dupuis; wings, Sullivan and H. Michaelson; centre, McNab; subs., F. Taylor, Mahoney, Banning. Timmins—goal, Bouley; defence, Krupka and Emard; centre, O'Connor; wings, Hudson and Giallonardo; subs., Ostrowsky and Laflamme. In the first two periods the Porcupine boys had the best of the battle but in the third they seemed to tire while the Timmins boys seemed to be just waking up to what they could do. Their practices with Iroquois Falls Juniors have certainly

given them stamina, and two or three of them are remarkably fast. Mahoney scored the first goal for Porcupine and McNab the second; Timmins also getting a counter; that stanza ended 2-1 favour the home team. In the second period the Porcupine defence seemed much stronger than that of the visitors and they kept their goalie better protected. McNab at centre secured the puck for Mahoney and Banning who took it forward, Banning making the counter, the period ending 3-1 favour of Porcupine still. Then came the third attack. In less than a minute Giallonardo notched one for the visitors. Things looked better for them and they lived-ed considerably and got down to some pretty combination work. Some of their passes from behind were cleverly worked. Anyway in short order they piled up three more goals making the final score 5-3 favour of Timmins. One goal looked very doubtful to the fans but the goal umpire claimed it had crossed the fatal line and the referee allowed it, so 'nuff sed! O'Connor certainly starred for Timmins with Giallonardo and Hudson giving him good support. Krupka also did some classy work at times. For the home team McNab starred and seemed better able to stay on the job right through than some of the others who weakened towards the last. Lloyd put up a great game in goal or there would have been a greater deficit for the home boys. The game was ably refereed by Jimmie Jamieson. Only two players on each team were penalized. The Timmins boys accounting for goals were Krupka, O'Connor and Giallonardo.

CANADA THE BEST OF ALL

(By Geo. Straatman)

Praise in songs your California, Italy's coast or Florida.

Where in the mountains grows the maple, I sing in praise of Canada.

Beautiful land of lakes and rivers, Snowpiked mountains in the west, Hunting-grounds, romantic sceneries, Where is the land more nature-blessed?

The golden wheat grows in your prairies, Beside your shores the oceans flow, When gentle breezes sweep your forests

Their perfume sets my heart aglow. Praise in songs the Mississippi, Or the bonny Doon;

Look upon our sport Niagara, Jumping, tumbling, night and noon.

See his falling water masses Powerful in their harmony, Speeding light in thousand flashes, Driving wheels of industry.

Look upon the golden North Land, Look on Western harvest time! And upon th' Annapolis Valley

When the blossoms in their prime. Look upon the grand St. Lawrence, And its name in history's page, Swimming castles, friendly racing, To and fro from age to age.

Canada, the land of plenty, Plenty in the east and west, Wealth by millions lightly hidden

In the North Land's treasure chest. Praise in songs your California, Italy's coast or Florida!

Under the maple leaf, my challenge, "The best of all is Canada."
