Carnival at South Porcupine Attractive and Successful

Maple Leafs and Timmins High Put on Fine Hockey at South Porcupine. Special Trail Rangers' Service at South End. Bishop of Moosonee Visits the Camp. Cornish Welcome Club Event.

South Porcupine, Feb. 1st. Special to The Advance.

Mr. and Mrs. W. C. Sharp were in New Liskeard during the past week where they attended the golden wedding of Mr. Sharp's parents, Prof. and Mrs. Sharp, of Lake Shore Road, New Liskeard.

Mrs. T. Parsons, of the Dome, has been called West owing to the sickness of her daughter, Ina, who has to undergo an operation for appendicitis.

The carnival held in the arena on Wednesday evening, January 25th, under the auspices of Porcupine Goldfields Band, was a genuine success. The ice was in splendid shape and skating to the fine music supplied by the band was the chief attraction during the evening. Besides the prize-winners there were quite a number of noteworthy costumes. Marion Myers and Gladys Forster were prettily clad as two little girls in blue; Isabel Wilson and Armita McJanet were Maggie and dJiggs, Maggie carrying the well-known rolling-pin; Allan Pearce, Jr., was a burly policeman with ruddy hair as well as ruddy complexion; Bill Skinner was a seaman, dressed as a present-day flapper. There were races and a broomball match also. The winners of the races were: boys under 15 years, Carlo Cattarello; prize, a watch; girls under 15 years, Mary Miller, prize, box of chocolates; men's open race (hockey players barred) Jimmie Burns, shaving set; ladies' open race, Miss Martha Michaelson, vase; hockey players' race, Gordon Spence, flask. The prize-winners for the costumes were:—ladies' fancy dress, Mrs. A. Ewing; gent's fancy dress, A. Ewing; ladies' comic, Miss Donlevy, as a snow-man; gent's comic H. Miller as Weary Willie; most original costume, Miss Eddington as "Pocohontas"; girls' fancy (under 15 years), Ivy Forster; boys' fancy, Joe Mitchell; girls' comic, Ada Wilson; boys' comic, Mike Vyronek.

The broomball match between Schumacher and South Porcupine Fire departments was a draw and all were given suckers. In the tug-of-war Schumacher won and the successful participants each received cigars. The broomball match in comic costume was just one laugh after another. It was refereed by "Paddy" Gallagher in a very one-sided manner, with one skate on and one skate off. To be as up-to-date as the hockey regulations the ends were ordered to be sawed off some of the brooms. When all got into a fight the red-haired "policeman" was called on to settle it but he said, "Let them fight, they'll settle it... Then the whole fighting mass, ball and all, was swept down to the goal while the onlookers were convulsed with laughter. Then when all that bunch were penalized the other side got a goal, hence the tie. There was a much larger attendance at this carnival than heretofore and the costumes were more varied and original, Mrs. Rayner and Mrs. Hanaberry as "Satan and his Imp," were exceedingly good. The Gold Dust Twins were also there as well as Topsy and various other well-known characters.

On Saturday night there was quite a good attendance for the game between the Maple Leafs and the Timmins High School. The Maple Leafs are a team composed of young lads, most of whom got their initial training in hockey as members of the Tuxis or Trail Ranger groups. Some of us have watched them play in past years as members of the Dome Tuxis and have predicted good things for them when they got into hockey more seriously, hockey being only a small part of the Tuxis training. This year with the extra practice and training of both Tuxis and Maple Leafs and the putting on of games with paid admission these young players are being brought into the limelight and many more are commencing to realize an ability in them that some of us have recognized for a considerable time. In the first period the defence of the Timmins High School was weak. Johns of the Maple Leafs who is a star for speed, managed in this game to keep his teammates along with him and his flashy rushes counted for more. He was responsible for the first two goals, in the second one, taking the puck right through the Timmins defence himself. Michaelson accounted for the other two goals, the period ending 4-0 for the Porcupine boys. In the second stage on an assist from Doran, Cattarello got the puck and very neatly placed it where he wanted it. Soon after that another counter was made for the Leafs, then Timmins managed to get one past MacDougall, who was doing great work. To retaliate the Leafs bombarded Timmins goal, John, Michaelson Taylor and Sampson who was subbing, all working like bees. Three more goals were scored by the Leafs, Johns managing to get the puck across the line even though he had slipped when making the ninth. The period ended 9-1 favour of Maple Leafs. As the third period started Porcupine fans, who are ever good sports, feeling their own boys had got far enough for the present, started to cheer on the Timmins lads, applauding every good move they made, and giving special encouragement to the midget,

McKinnon, who was putting up so game a battle a centre and wherever he found work to do for Timmins. Timmins boys responded to the encouragement and went into the game with new energy, showing some excellent combination work in some of their rushes, and succeeding in getting two more goals, the last being put through by McKinnon on an assist from Jack Williams, and worked out so well that South Enders as well as the few supporters from Timmins cheered lustily. The game ended 9-3. There were few penalties on either side. Shots on goal, on MacDougall 36; on Wallingford 39; only 8 of these being made in last period when the Leafs played a defence game. Line-up:—Maple Leafs—goal, MacDougall; defence, Johns and D. Taylor; wings, Michaelson and Doran; subs, Sampson, Melnis. Timmins High School—goal, Wallingford; defence Godin and Mullen; centre, McKinnon; wings, Mair and Renaud; subs, Williams and Percy Lude.

On Sunday evening there was a service for the boys of the Trail Rangers. The Trail Rangers of town attended in a body and occupied the front seats. The church was filled almost to capacity with adults, Rev. Bain remarking with pleasure the interest they showed in the work being done for the boys. Malcolm Dysart and Homer McIntosh capably acted as ushers; Neil Reamsbottom, Kenneth Myers, George Starr and Harold Train took up the offering. Captain Jack Melnis of the dug in a splendidly clear boyish voice read the scripture lesson for the evening, while Ivan Berry read the Trail Ranger prayer. The boys took their parts in a manly respectful manner and listened attentively to every word of the talk which was given as to the real underlying purpose of their work.

In this talk Mr. Bain spoke of the splendid start Boys' Work had been given in this camp by Rev. G. McVittie. Then the work was more community work. When it was decided to make the Trail Ranger work more closely allied to the church which was overseeing it, Rev. Mr. Bain suggested the scout movement, the work and leadership of which was energetically and conscientiously being taken up by Mr. Vernon Andrews here and was a decided success. The outstanding fact of the discourse to the adults was that to get results one must work with the boys not for them. In the talk to the boys their strength to resist bad habits was stressed as being the keynote of success in whatever calling they followed.

We regret to report Mrs. Goodlands as ill in the hospital this week.

Mr. P. Varker, now of Kirkland Lake, was in town for the week-end. The euchre and dance given by the Cornish Welcome Club on Saturday evening was a decided success. Over one hundred were present. Cards were enjoyed until ten o'clock, after which lunch was served and then dancing took place until midnight. Frank Sullivan's orchestra supplied the music. The prize winners in the euchre were ladies' first, Mrs. Singleton; second, Miss Quesnel; consolation, Mrs. T. Farrell; gents, first, Mr. A. Carlson; second, Mr. B. Webb; consolation Mr. E. Edgecombe. Everybody had a good time.

The Bishop of Moosonee was greeted by a full church on Sunday last when he took charge of the service here. His talk telling of his trip to the missions on the Western side of James Bay this summer, was listened to with close attention. It was four years since he had been over the ground before. In all he travelled some 1700 miles by rail, canoe, etc. He went in by aeroplane with some government officials that were going at the same time. A thirteen-year-old boy from New York who is compiling a book on "Life Among the Indians," was his companion throughout the trip. He was much pleased with the results that he found of the missionary work among the Indians.

CONCERT IN AID OF ST. JOHN AMBULANCE BRIGADE.

The Cornish Social Club has kindly agreed to furnish the talent and programme for a concert to be given in the Goldfields theatre on Sunday evening, Feb. 5th, after the church services. The event is for the benefit of the St. John Ambulance Brigade. The cause accordingly is a very worthy one, as the St. John Ambulance Brigade has given very helpful service to the community and is deserving of the fullest public approval. The concert itself, will also be a noteworthy one, the Cornish people being noted for their talent as musicians. The programme will consist of vocal and instrumental numbers and will no doubt be a most interesting one.

Aberdonian to friend on tramcar: "I thoct ye kent that lassie sittin' at the front?" "So I dae, but wait till she peys her fare!"

John McCourt some days ago arrived in North Bay, hungry, half-frozen and telling a story of hard usage at the Powassan Home for the Aged. He was cared for by the police, while his story was investigated. Those in charge of the home for old people denied all his assertions, claiming that he was not amenable to the rules of the home. He was sentenced to a short time in jail, the provincial inspector after investigating his story, as told to the police, finding that it was without justification.

When the fire brigade goes past the Aberdonians say: "There goes thae interferin' blighters."
