

Annual Meeting Cochrane District Children's Aid

Fourth Annual Meeting Held at the Shelter on Saturday Last. Reports of Officers Show Very Successful Year. Officers Re-elected for 1928. Some Changes in Constitution.

The fourth annual meeting of the Cochrane Children's Aid Society was held at the new Shelter Timmins, on Saturday afternoon last, with the president, G. A. Macdonald, in the chair, and more than the usual number present. Representatives from Cochrane and Iroquois Falls, who were unable to attend, sent good wishes and compliments for the officers on the success of the year's work. Among those present at the meeting were:—Mayor E. L. Longmore, Mr. C. G. Williams (president of the Timmins branch C.A.S.); Rev. Fr. O'Gorman, Rev. J. D. Parks, Rev. R. S. Cushing, Miss F. L. Farr, Miss A. Roberge, Miss R. Hally, Mrs. H. W. Darling.

The new constitution, as drafted by the committee appointed some months ago for the purpose, was presented, and adopted with two minor amendments. The new constitution is little different from the former one. The chief changes are that the new form makes it clear that every member of a branch society is a member of the District Society, and provision for the District Society raising funds in case of a branch society not functioning, the raising of funds being the province of the branch societies. Provision was also made for regular meetings of the District Society at least four times each year, in addition to the numerous committee meetings.

The case of a boy requiring medical attention at Iroquois Falls was referred to Dr. Maitland Young for further report. A receipted account for legal services was received from Mr. Dean Kester, and the Society went on record as most sincerely appreciative of the excellent services in the important case given so generously by Mr. Kester.

The annual report of the Secretary, Mr. R. LeHeup, was received and adopted. It is published in full in another column of this issue.

In the absence of the treasurer, Mr. D. Sutherland, who had resigned on account of the press of other work, the secretary presented the financial statement, duly audited. This showed receipts of \$3368.36 for the general funds and \$5740.37 for the Shelter building fund, a total of \$9,108.73. The expenditures were:—general, \$3,321.37, building \$5500.00, a total of \$8821.37, leaving a balance of all

funds in the bank at \$287.36. This was up to Oct. 31st, the end of the Society's fiscal year. A supplementary report showed that only \$2200.00 was now owing on the Shelter building account, some \$7,000 having been raised for the building fund during the year. The furnishings complete were donated by the Kiwanees Club of Timmins. The reports were duly adopted.

The election of officers for the ensuing year resulted as follows:—
President—G. A. Macdonald, Timmins.

First vice-president—Frank Millan, Ansonville.

Second vice-president—Mrs. A. Stevens, Cochrane.

Third vice-president—E. L. Longmore, Timmins.

Secretary-treasurer—R. LeHeup.

Local superintendent—R. LeHeup.

Auditor—H. W. Hooker, Timmins.

The president reviewed the work of the year, expressing appreciation of the talent and effort given especially by the Building and Finance Committees. He thanked the municipalities, societies, companies, individuals and the public generally who had contributed towards the Shelter building, giving special praise to the Kiwanees who had furnished the building throughout. The financial standing of the Society was very satisfactory, in view of the fact that some seven thousand dollars had been raised for the building fund this year, in addition to carrying on the other work of the society. The president also referred to the good fortune of the Society in having so capable and efficient a superintendent as Mr. R. LeHeup, while the services of Mrs. E. M. Condie, as matron of the Shelter, were considered as invaluable.

Resolutions were passed expressing the gratitude of the Society to Dr. Porter, Dr. Harrison and Nurses Farr, Roberge, Elliott and Hally, and to all others who have so generously assisted the Society in the handling of its many problems during the year.

Explanation was also made of the fact that in the District Society's report donations to the Shelter from individuals did not appear at present, the various amounts being included in the receipts from the various branches. A complete list of donations is being prepared and will be issued shortly.

TIMMINS KIWANIS AT LISKEARD CHARTER NIGHT

New Club at New Liskeard Holds Interesting and Impressive Event on Tuesday Night.

On Tuesday, February 7th, the charter presentation to the Kiwanis Club of New Liskeard took place in the United Church basement hall, at a banquet sponsored by the Cobalt Kiwanis Club and attended by members of the Timmins Club, the visit of District Governor Mills and Past District Governor Cockburn being made the occasion of the presentation.

A splendid repast had been provided by the Women's Institute of New Liskeard, and immediately after this important part of the programme the business of the evening was started. Past Governor Cockburn presented the charter to the New Liskeard Kiwanis Club, President H. W. Sutcliffe, of New Liskeard accepting on behalf of his Club. Another important feature of the evening was the presentation of flags, made personally by Messrs R. S. and W. A. Taylor.

Mr. Chas. G. Keddie, president of the Timmins Kiwanis Club, conveyed the greetings of the visiting clubs, and presented an engraved gavel to the New Liskeard Kiwanis on behalf of the Timmins Club. Immediately after Mr. Keddie's speech, Dr. Lee Honey, past president of the Timmins Club, presented a smoking set to Mr. W. F. B. Cadman, from the Timmins Kiwanis in recognition of his faithful service, and exhibition at all times of the true Kiwanis spirit while a resident of Timmins and a member of the Timmins Club.

The Timmins delegates were fortunate in being able to visit the Cobalt Kiwanis Club, participating in the official visit of District Governor Mills.

The following were the delegates from Timmins at the presentation of the charter to the New Liskeard Kiwanis:—Messrs Chas. G. Keddie, Dr. Lee Honey, W. S. Jamieson, P. C. Young, Jos. Weston, W. O. Langdon.

Mr. A. J. Shragge returned on Tuesday from a business visit to some of the large Eastern cities.

TEA TO BE HELD TO PROVIDE LINEN FOR NEW HOSPITAL

Event Under Auspices of the Hebrew Ladies' Aid Society, to be Held at Home of Mrs. A. J. Shragge on Feb. 15

A Silver Tea will be given at the home of Mrs. A. J. Shragge, 52 Kirby avenue, on Wednesday, Feb. 15th, from 3 to 6 p.m.

The event will be under the auspices of the Hebrew Ladies' Aid Society and the Daughters of Israel, Hadasah Chapter. The entire proceeds of the event are to be given to the new public hospital for the purpose of providing linen for the new wing to be opened shortly. The expenses incurred in the arranging of the event have been provided for either by Mrs. Shragge or the societies sponsoring the event, and so the total proceeds will be paid over to the hospital without any deductions whatever.

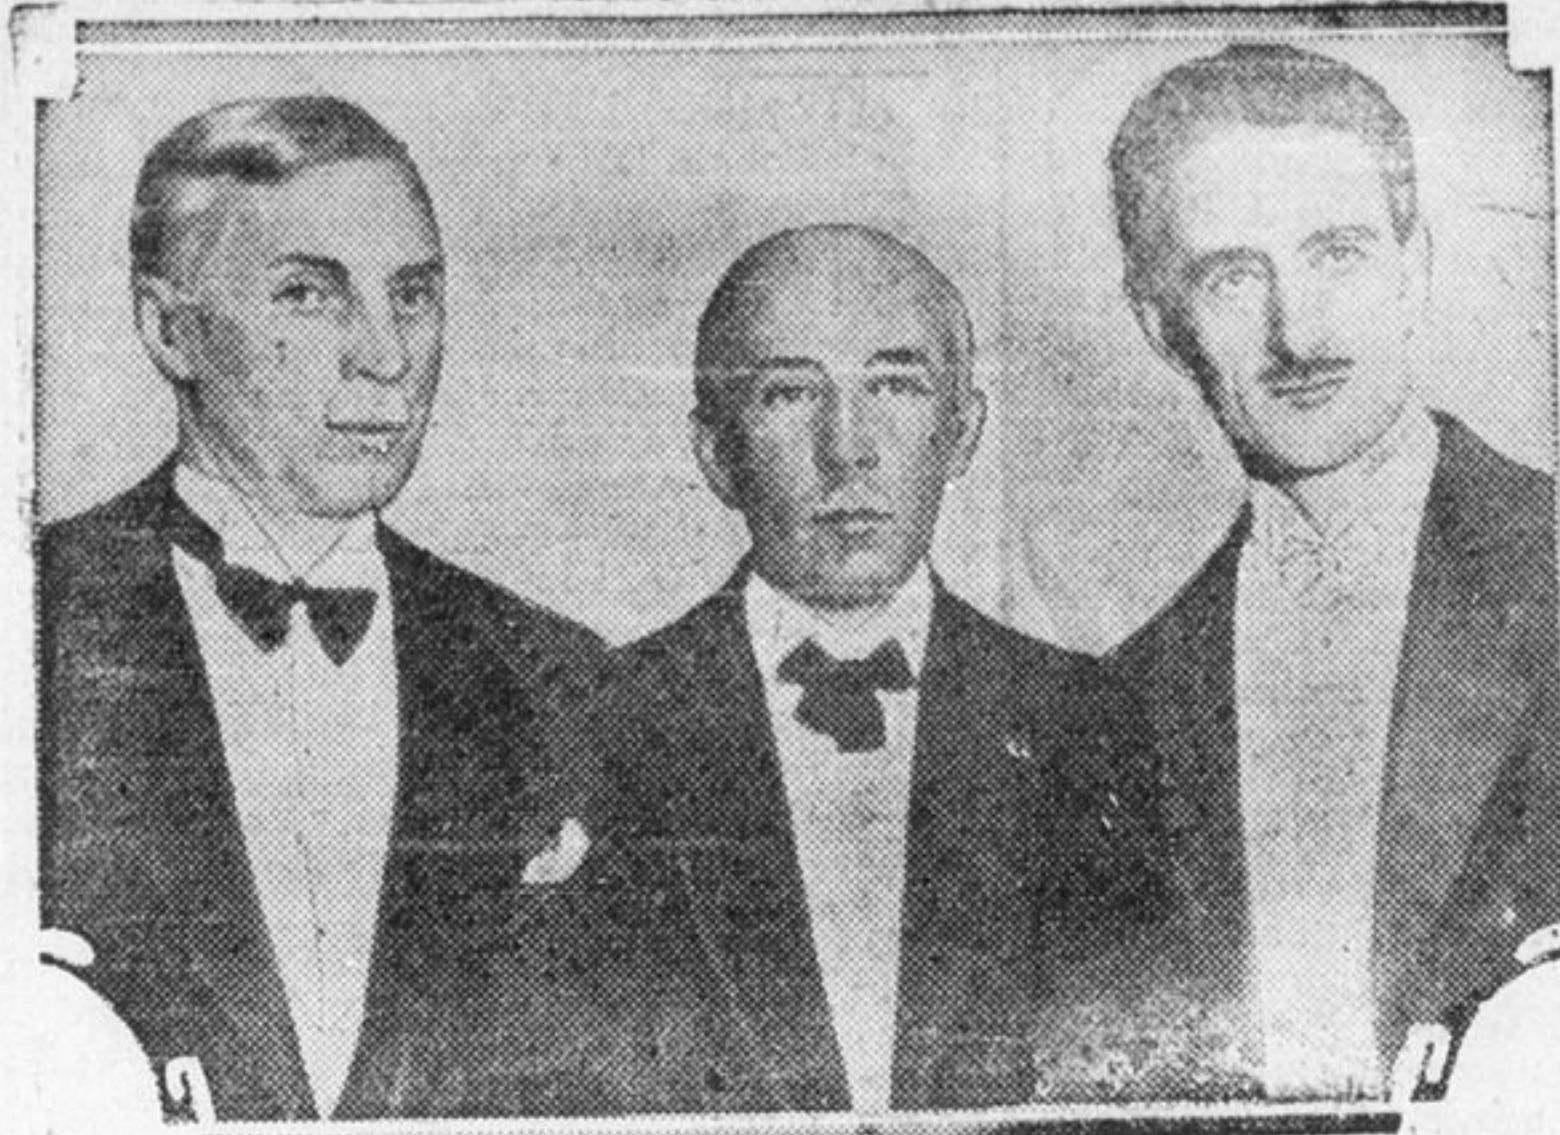

Mrs. Shragge extends invitation to all ladies to be present and assist in this very worthy cause.

It may be noted here that Mrs. Shragge was prominent in charity and other good works in Ottawa and Winnipeg, and in these cities gave similar events in aid of worthy causes, and so knows how to make social features of this kind a success. With the general co-operation of the public the Silver Tea should be a very noteworthy success. It is sure to be an enjoyable affair with many attractive features.

ANNUAL MEETING OF THE BOARD OF TRADE DEFERRED

Owing to lack of attendance last night, the annual meeting of the Board of Trade will be deferred to a later date. The secretary, Mr. W. O. Langdon, was called out of town on business on Tuesday, and so was not able to "drum up" even the usual group necessary for a quorum. Another meeting will be called at an early date.

Complete service was resumed last week on the T. & N. O. extension north of Cochrane, the bridge being repaired and the route duly cleared of snow and everything made safe and ship-shape.

AVIATION PIONEERS CELEBRATE FIRST FLIGHT
Above is a picture of (left to right) Henry Farman, Santos Dumont and Gabriel Voisin, pioneer aeroplane builders and pilots, as they appeared recently at the Aero Club of France anniversary dinner to celebrate the first flight made in January, 1908.

Memorial Service in Honour of Field-Marshal Earl Haig

To be Held in the New Empire Theatre on Sunday, Feb. 12th, at 3 p.m. Short Addresses by Local Clergy and Others. Event under the Auspices of the Timmins Post of the Canadian Legion

Following a request from headquarters of the Legion, Timmins Post, B.E.S.L., has arranged a memorial service in honour of the late Field-Marshal Earl Haig, who passed away suddenly last week. The service will be held in the New Empire theatre, Timmins, on Sunday, Feb. 12th, commencing at 3 p.m.

The memorial service will include short addresses by the local clergymen, Rev. J. D. Parks and Rev. Ivan Kennedy being among the speakers for the occasion. There will also be an address, "Life and War Service of Earl Haig," by Mr. Austin E. Neame, vice-president of the Timmins Post of the Canadian Legion.

Dr. S. R. Harrison, president of the Timmins Post of the Canadian Legion,

will preside at the services on Sunday. All returned soldiers in the town and district are invited to parade from the town hall to the place of the service at 2.30 p.m. on Sunday.

The public generally are asked to attend the service, which is a mark of appreciation and regard for services given the Empire by the late Field-Marshal Earl Haig, and sorrow at his sudden death. Similar services are being held all over Canada on Sunday in honour of the late Field-Marshal Earl Haig, the Canadian Legion in each town paying this mark of respect and sorrow to the memory of a good soldier and a good man.

A silver collection will be taken, all proceeds from this to go to the Legion Relief Fund.

N.O.H.A. FINALS NOT TO BE PLAYED AT TIMMINS

All Arrangements Made for Game Here To-night Between Falls and South End, But Match Postponed

Arrangements were all made last night to have the N.O.H.A. finals between South Porcupine and Iroquois Falls played this evening at the Timmins rink, but this morning there was a change and the game was postponed. The game accordingly will not be played in the Timmins rink. On account of the condition of the ice at South Porcupine rink, it was decided to hold the finals here, and the arrangements to this effect were all made. This morning, however, Mr. Alex Cadman, manager of the rink here, was notified that the game had been postponed. Bills had been printed and other arrangements made for the success of the game here. Those who heard of the arrangements will be disappointed in missing what would undoubtedly have been a great game of hockey.

It should be remembered that there will be skating at the rink here to-night. The skating had been cancelled on account of the game, but as the game is cancelled, the skating will be the feature of the evening.

Mr. Wm. R. Jennings, of Toronto, was a Timmins visitor last week in connection with some mining claims in which he is interested in the district.

Next regular meeting of the town council is scheduled for Monday afternoon next, Feb. 13th, commencing at 4 p.m.

Two Already Qualified for Vacancies on the Town Council

Four Nominated at Noon To-day for the Two Vacant Council Seats. Two of These Qualified as Soon as Nominations were Concluded.

Nominations to fill the two vacancies on the town council board were held to-day and four nominations were made for the places. The nominations were as follows:—

Chas. P. Ramsay, nominated by C. G. Kemsley and Jos. Larcher.

R. Richardson, nominated by Arch. Gillies and Jos. Larcher.

Mark Bowie, nominated by P. C. Maltais and Arthur L. Shaw.

Frank J. Kehoe, nominated by Arthur L. Shaw and P. C. Maltais.

BAND CONCERT PROGRAMME TO BE SPECIALLY GOOD

Several Selections of Particular Interest by the Band, as Well as Vocal and Instrumental Numbers

A programme of particular interest has been arranged for the band concert in the Goldfields theatre on Sunday evening, Feb. 12th, after the church services. The programme will be featured by vocal and instrumental numbers by local artists of special talent. In addition the band will present a number of selections that are sure to meet with popular favour. Owing to the illness of some of the artists who were to appear at the previous concerts, the programmes had to be slightly curtailed, but arrangements have been made to provide against contingencies of this kind for the event on Sunday next. It is expected that the programme for the event on Sunday will be one of the best given by the band in recent times, and it is sure to be enjoyed by all lovers of good music.

ST. VALENTINE'S DANCE LADIES' BASKETBALL TEAMS

Do not forget that Tuesday, February 14th, St. Valentine's Night, the ladies of the Hollinger Recreation, Basketball teams are holding a dance in the McIntyre Recreation hall. Tommy Stephens' Red Jackets will be in attendance with all the latest dance music. It should be noted that this is strictly an invitation dance. Invitations may be had from any of the members of the team.

District Governor and Past Governor Visit Timmins Club

Unusually Interesting Meeting of Kiwanis Club Monday Night. Inspiring and Interesting Addresses by District Governor Mills and Past District Governor Cockburn. Purposes and Growth of Kiwanis Outlined.

Timmins Kiwanis Club was honoured this week by a visit from the District Governor, W. Mills, of Kingston, and the Past District Governor, W. Cockburn, who were accompanied by Mr. A. Willard, a prominent Kiwanian from Galt, Ont.

To allow the largest possible number to turn out to hear the addresses by the two visiting officers, the meeting was held in the evening at the Empire hotel, the events commencing at 6 p.m. There was a large attendance and the meeting proved most interesting and inspiring. Mr. Chas. G. Keddie, president of the local club, conducted the event in his usual effective way, and all present found the meeting most enjoyable. The dinner served was a specially good one, and the usual community singing was also enjoyed by the gathering. The motion to set the fees for the year at \$60.00, payable \$30.00 half-yearly in advance, was duly passed, while an amendment placing the fees at \$70.00 per year was outvoted by a big vote.

One of the big special features of the evening was the singing of Scottish songs by Mr. Mitchell. "The Standard on the Braes of Mar" was given with a power and understanding that made a very decided hit, and the number was insistently encored. Mr. Mitchell, who has a voice of remarkable power and richness, was equally appreciated in his responding number, "The Trumpeter." Mr. W. H. Kearney played the piano accompaniments in his usual able way.

District Governor W. Mills made an address that was full of interest and inspiration all the way through. The Timmins club he classed as the Northern Star of Kiwanis Clubs and he expressed his pleasure that Kiwanis ideas and ideals and organization were spreading so far. To-day Kiwanis would be found everywhere. After giving happy touches to his address by some good new stories, he touched on the duties of a District Governor, these including the visiting of all clubs in the district, the arranging for the district convention, and the publication of the district magazine. He recommended the latter very highly as spreading the true spirit of Kiwanis. To-day there are 1600 clubs and 100,000 Kiwanians, he said. In outlining the aims and scope of Kiwanis, District Governor Mills summarized the work and service as: helping the underprivileged child; the application and addition of the Golden Rule to business; and building and encouraging of aggressive and helpful citizenship; to make friends. The district he represented was a big one, stretching from Timmins to Halifax and including Ontario, Quebec, and the Maritimes. The district objectives for this year he gave as:—Increase the clubs to over 50; more efficient committee work; closer touch of clubs with District and International; more Kiwanis education and inter-club meetings; help to success the chief aim of Kiwanis to give leadership to community work. Mr. Mills stressed the value of individual effort and the need for the feeling of personal responsibility. Kiwanis work,

he thought, should not turn too much to drives and campaigns and fuss. In this connection he quoted from The Kiwanis Magazine where the story of Nehemiah was used to point a moral. It was pointed out that when Nehemiah induced the King to agree to the building of a wall to protect the city, no campaign or drive was started, but Nehemiah persuaded "every man to build against his own house," and thus the whole wall was soon completed. The District Governor complimented the Timmins Kiwanis on their great work for the underprivileged child. He concluded an eloquent address with an inspiring poem on building and building well.

Dr. Lee Honey introduced Past District Governor Cockburn as a great worker for Kiwanis and a wonderful teller of stories. Past District Governor Cockburn fully lived up to his popular reputation as a story-teller, and he added much wit and humour to his address for good measure. He told humorous stories about Joe Weston, Dr. Honey and others. His story of "the onions" convulsed the crowd. He has an inimitable way of "springing" his stories and humorisms. He spoke also in most inspiring manner on the spirit of Kiwanis, its tolerance, its breadth and its wide-embracing brotherhood. In concluding he gave seven words that typified the Kiwanis ideals, the first letter of each word combining to spell "Kiwanis." These were:—Kindness, Initiative, Work, Ambition, Neighborliness, Inspiration and Service.

Past District Governor Cockburn also presented to Dr. Lee Honey a Past President's button, speaking of the faithful and effective work given by Dr. Honey while president of the local club, to which Dr. Honey made brief but appropriate reply.

President Keddie announced that the representatives of the Porcupine Ski Club who had made so excellent a showing at the Provincial meet at Ottawa were expected home on the evening train and an impromptu reception was being arranged for them by the Ski Club. The president also referred to the impressive and convincing address he had heard at a Kiwanis Club luncheon in Toronto some days previously. The speaker was Rabbi Hirschman and his address was a plea for the abolishing of corporal punishment in home and school. Mr. Keddie said that he convinced those at the luncheon.

Another guest of the evening was Mr. A. Willard, of Galt, who spoke briefly but inspiringly. He brought good wishes from the Galt club to the Timmins Kiwanis. He emphasized the idea of individual responsibility. Mention was also made by Mr. Willard of the proposed trip this year, probably in July, from the South to the North. The party would start at Windsor, picking up representatives from the various Kiwanis clubs along the way, until it was expected that there would be a noteworthy group to gather at Timmins.

President Keddie called on Past Presidents Robt. Dye and C. R. Murdoch, who responded with very brief but appropriate replies.

MET DEATH IN BLASTING ACCIDENT AT MINE HERE

Geo. McDonald Dies from Injuries. Companion Also Hurt, but Escapes Fatal Injuries

Mr. Geo. McDonald died at midnight on Friday from injuries received at the Hollinger mine from a blast, while his partner at the work, John Dickson, had his leg fractured in two places and minor injuries to his face from the explosion. From what can be learned of the accident, the two men had been blasting and returning to see if a charge had exploded, they received the injuries noted from the blast then going off. Both were at once hurried to the hospital where Mr. McDonald passed away, his injuries proving fatal. Mr. Dickson escaped fatal injuries, though closer to the blast than his companion, and is now making excellent progress to recovery. An inquest will be held into the death of Mr. McDonald, the hearing being postponed to allow Mr. Dickson to recover sufficiently to be able to give evidence without danger to his condition.

The late Geo. McDonald was 34 years of age and was a native of Kingston, Ont. He had been about five years in Timmins and he and his family are very highly regarded here. He leaves a widow and five children, and to these the most heartfelt sympathy is extended at this sad time.

HOME AND SCHOOL CLUB TO HEAR ADDRESS FRIDAY

Dr. Lee Honey Will Speak on the Care of the Teeth, Especially in Regard to Children.

The Timmins Home and School Association will hold their regular meeting in the Central Public School on Friday afternoon of this week, Feb. 10th. The event will commence at 4.30 p.m., and should prove of unusual interest. The special speaker for the occasion will be Dr. Lee Honey, who will give a talk on "Teeth," giving special attention to children, the question of diet, the care of the teeth and allied subjects. The address by Dr. Honey is sure to be interesting and informative and there should be a large attendance.

During the afternoon tea will be served to the mothers and teachers attending the event.

The funeral took place at the United church, and interment being made at the Timmins cemetery. There was a large attendance of sorrowing friends at the funeral and very beautiful floral tributes. Among the floral offerings:—From Fellow Workers, from Teachers and Pupils of the Matagami Public School; Mr. and Mrs. A. P. Dooley, Mrs. C. F. Mason, Mrs. F. O. Mitchell, Mr. and Mrs. C. Latham, Steve Clemis.
