

Porcupine Hockey Team Win Lively Match From the Falls

Many High Spots in Deciding Game at South Porcupine Last Thursday. Report of Regular Meeting of the Council of the Township of Tisdale. Other South Porcupine News.

South Porcupine, Feb. 15th, 1928. was held by the Catholics in the High School hall on the evening of Friday, February 10th. We mentioned the

beautiful prizes donated last week. They were won as follows—Bridge—ladies' first, Mrs. W. Taylor; second, Mrs. F. B. Clarke; consolation, Mrs. McLellan; gentlemen's first, Mr. H. J. MacDonnell; second, Mrs. A. Taylor; booby, V. Evans. In euchre—ladies' first, Mrs. Stringer; second Miss Morris; consolation, Mrs. T. Farrell; gentlemen's first, Con. Hunt; second, Mr. Chevier; booby, H. Green. The door prize was won by Miss Margaret Stone, of the Dome Mines; the beautiful bridge lamp donated by Mrs. Kennedy was won by Eduard Huot and the other lamp by Miss Auger. Exceptionally good music was supplied

by Frank Sullivan's orchestra, which gave their services voluntarily for the event. Father Lagrevol very sincerely thanked them and all who had helped to make the evening a success. Mr. C. V. Gallagher, reeve of Tisdale, is in Toronto on a business trip this week.

In a hard-fought battle at the arena here on Thursday last the Porcupine Hockey Club made the Eskimos take a back seat while they take the stage in the play-offs for the N.O.H.A. championship. Jemmett played a star game for the winning team, even fans who were not sympathizers being loud in their praise of this level-headed centre man. With the exception of one man the Falls team are a clean lot of players, but a free-for-all would have been started had Spence not good-naturedly kept his temper which he had lost for a quick moment on the ice, and he and Fahey were sent to the box but Fahey wanted to continue the trouble there. Some fans shouted to Gordie they'd be behind him but much to the relief of the majority that well-known happy smile was the only answer to Fahey's belligerent attitude and the situation was saved. Unfortunately a Porcupine fan attempted to impress the referee with his views and the game was again unpleasantly held up as it had been several times before while the Falls people tried to argue the referee to their way of thinking. When Buchan referees a game, fans, managers, etc., might as well recognize first as last that what he says goes and he is there because he knows his business. Murray of the Porcupine club had to be carried off the ice in the third period. He was struck in the wind by the puck, then while doubled over Fraser skated into him. Some were inclined to blame Fraser but most of the fans as well as the players say it purely an accident, and Fraser has always played a clean game. The game was close throughout, although Porcupine kept the lead it was not so great but that a break might at an time have turned the tables. In the first period after six minutes elapsed Jemmett got the puck from Fahey and passing to McHutcheon the first goal was scored for the home team. Shortly after that Powers was bombarded and had his busiest time of the evening but finally Mason got the disc away before any further damage was done. Soon two Falls men attempted to push Thornton, puck and all, into the net but did not get him far enough and in spite of all their protesting the goal was not allowed, the period ending 1-0 for the Porcupines. Play had scarcely been on two minutes again when Fraser made a great play and scored for the Eskimos. After some good hockey and a vast amount of coaching of the referee, the Eskimos got another goal, this time Cybulski doing the good deed, but in short order Jemmett, Spence and Saunders got in some good work and inside of three minutes two more counters were made for Porcupine, and the period ended 3-2, in favour of the boys in black and gold. The third period was mainly gabble and grit, gabble to the referee and grit on the part of the boys who were out to win, and also on the part of some of the team who were losing but were too good sports to get sore. After ten minutes Murray, Saunders and Jemmett by good combination counted again for Porcupine and no more goals were scored, the game ending 4-2 in favour of Porcupine Hockey Club. The line-ups were Iroquois Falls—Goal, Powers; defence, Mason and Fraser; centre, Cybulski; wings, Fahey and Chireoski; subs, Mahoney and Wimperis. Porcupine Hockey Club—Goal, Thornton; defence, Cain and Murray; centre, Jemmett; wings, Spence and Saunders; subs, Gagnon and McHutcheon. After the game some of the ladies served a bean supper to the hockey players and the Band at the I.O.O.F. hall. A very pleasant evening was enjoyed. In replying to the thanks expressed to the Band for the great co-operation they had given, Bandmaster Bridges replied that if the people had enjoyed the music as much as the band had enjoyed the hockey that they would feel amply repaid.

extra costs had been signed by the parties getting the special sewer connection. R. Skelly was appointed resident member of the Board of Health for Schumacher. The condition of the road into the Coniarum was enquired into and the remark was made that it was much better for hauling machinery over than most other mines had had at that stage of development. Engineer Hendry stated that it would soon be necessary for the township to decide on what road improvements were to be made and order material accordingly. A discussion took place as to the relative value of trucks or wagons in road work. Councillor Laforest thought that rock was a waste of time and money if put on as a surfacing; gravel will be necessary for that, and there might be considerable time spent on the road with wagons. Garbage could also be much more speedily collected with trucks if, with sewers available, residents were required to place their garbage out by sidewalks by a certain time each collecting day, is done in many other towns. Further discussions took place as to rock or no rock in some of the connections in Schumacher. It was stated that one man claimed that the township had placed their hydrant near his service for their own convenience and that owing to that he would not pay, but it was clearly shown that a draft map locating all the hydrants was made before any service connection was granted and that the party in question built there and had the connection made where it was to suit his own convenience, regardless of whether that was the place already chosen for the hydrant or not. Schumacher Fire Department were to be asked to send in an up-to-date list of names of their members for the purpose of checking up on the insurance carried. The regulation accounts and salaries were passed for payment.

Notes of Interest

South Temiskaming County Orange Lodge will hold its Twelfth of July celebration this year at Englehart.

The next regular meeting of the Timmins town council is scheduled to be held on Monday, February 27th, at 4 p.m.

Mr. Donald R. Henderson, of Hamilton, was a Timmins visitor last week. It was his first visit here since 1922, and he was much impressed with the great development evident.

R. McDougall sued the town of Haileybury for \$200.00 damages to his motor car which upset while he was trying to avoid a barrier placed across one of the Haileybury streets. Mr. McDougall claimed negligence on the part of the town, but the Judge held the town was not liable and so the action was dismissed.

Jack Walsh, the man who gave his home as Newfoundland, but said he had been working at Timmins for a time, was found guilty at Haileybury last week of issuing worthless cheques, and was sentenced to three to twelve months. The amount involved totalled some eighty dollars, but other cheques in other towns were also reported to the police, though only the one case was taken up.

NOTICE TO CREDITORS

In the Matter of the Estate of Guiseppi Frittaia, alias Guiseppi Frett.

All persons having claims against the Estate of Guiseppi Frittaia, alias Guiseppi Frett, late of the Township of Tisdale, in the District of Cochrane, Taxi Driver, who died on or about the 6th day of November, 1927, are hereby notified to send in to the undersigned, Solicitor for Teresina Galino Frittaia, the Executrix and Trustee of the said Estate, on or before the 3rd day of March, 1928, full particulars of their claim duly verified by Statutory Declaration. Immediately after the last mentioned date the said Executrix will proceed to distribute the assets of the said Estate having regard only to such claims as they shall then have notice. Dated at Timmins this 28th day of January, 1928.

DEAN KESTER,
Marshall-Ecclestone Block, Timmins, Ontario.
Solicitor for the said Executrix and Trustee. -5-7

SCHUMACHER BEREAVED IN TIMMINS DISASTER

Six Schumacher Men Among the Dead. Other Items from Schumacher Correspondent

Schumacher, Feb. 15th, 1928. Special to The Advance.

A pleasant surprise party on Friday night by the school friends of Miss Mary MacDonald was the most interesting social event at Gold Centre during the past week.

Mrs. W. Young is seriously ill at the home of her parents, Mr. and Mrs. H. Elley, Fourth avenue. The many friends of Mrs. Young would be glad to hear of an immediate improvement in health.

Mrs. Ernest Miller who was called to Toronto a few weeks ago by the illness of her sister, returned recently to her home on Fourth avenue.

The mining disaster which came with such startling suddenness on Friday morning with the anxiety, suspense and heavy toll of human lives, has cast a deep gloom over the whole town. To the heart-broken widows, fatherless children and other loved ones beyond the seas, the heartfelt sympathy of the entire community is extended.

The Schumacher troop of Boy Scouts who have been holding their weekly meetings in the basement of the public school will change their headquarters to the basement of the New Kerr block on First avenue. They will assemble on Tuesday evenings at the same hour. Under the capable leadership of Mr. Austin Neame the Scouts are making steady progress.
