

Timmins and District Notes

Mr. Ed. Leslie, of Kapuskasing, was a visitor to town over the weekend.

The regular monthly meeting of the Canadian Legion will be held in the town hall tomorrow (Friday) evening, March 9th, at 8 p.m.

The next regular meeting of the town council will be held next Monday, March 12th, commencing at 4 p.m.

There were over 325 on the hockey special from Timmins on Friday last, one of the biggest crowds going from here for a considerable time.

Mr. C. Abrams, of Schumacher, returned last week from Winnipeg, where he was called owing to the death of Mrs. Abrams' father.

There will be a Bridge and Five Hundred in the Masonic hall on Tuesday, March 13th, at 9.30 p.m., under the auspices of the Eastern Star Lodge.

Mr. W. J. Meaney, Haileybury, fell from a moving train at North Cobalt last week and fractured his collarbone. He is making good recovery from the injury.

Last week the Cochrane District Children's Aid received the handsome donation of \$500.00 from the Canadian National Railways towards the District Children's Shelter Fund.

The next band concert is scheduled to take place in the Goldfields theatre on Sunday evening next, March 11th, after the church services. A specially good programme is expected.

Caledonians should note that there will be a meeting of the Society on Friday evening of this week (tomorrow) and that all members and former members are specially requested to attend.

This (Thursday) evening, Gold Nugget Rebekah Lodge is giving a euchre and dance in the I.O.O.F. hall. Music for the dancing will be supplied by Tommy Stephens and his Red Jacket orchestra, and the evening is sure to be enjoyed by all.

There was no meeting of the Kiwanis Club on Monday of this week, the event being postponed until this (Thursday) evening when the Kiwanis Club and the Board of Trade are joining to entertain the visiting delegates to the Northern Ontario Associated Boards of Trade quarterly meeting held here this week.

This (Thursday) evening, March 8th, Gold Nugget Rebekah Lodge are giving one of their enjoyable social events—a euchre and dance. Tommy Stephens' orchestra will provide the music, and all other features of the evening will be up to the usual high standards always maintained by Rebekah events.

MR. A. ODGERS LEAVING ON TRIP TO CORNWALL, ENG.

A farewell party was given at the hospitable home of Mr. and Mrs. E. C. Stephens, 31 Messines avenue, to Mr. A. Odgers who leaves on Friday, March 9th, for his home in Cornwall, England, to join his wife and family. Mr. Odgers has been a resident of Timmins for about five years, being employed at the Hollinger and winning many friends here. He has been an ardent football fan, and for several years has taken an active part in the Cornish One-and-All Football Club, of which he is at present the honorary vice-president. He is also on the executive of the Cornish Social Club. He has been well-known here and well-liked by all who know him for his fine character and disposition. At the farewell party in his honour, there were all kinds of games and the best of music. The comical forfeits demanded in some of the games proved especially amusing and popular. The programme for the evening was a very attractive one, and included: a duel by Mrs. Leslie Harris and Miss Sylvia Stephens; the Blackbottom by Mr. H. Cheynowth; a whistling solo, by Mrs. Leslie Bassett; a great impersonation of a farm yard, by Mr. Leslie Harris; solo by Miss Dorothy Cheynowth; with other items too numerous to mention. The happy event concluded with the usual farewell greetings from one and all. All present wished Mr. Odgers a happy voyage home and an early return to the Porcupine Camp again.

RESULTS FROM DIAMOND DRILLING ON QUARTZ LAKE

The directors of Quartz Lake Mines have just received the official log and assay results from hole number 1. This company is doing 5,000 feet of drilling on its property in Porcupine. The first hole was driven for 215 feet, striking the vein at 155 and leaving it at 207 feet for an incline width of 52 feet or a horizontal width of from 40 to 42 feet.

Assays made by Milton Hersey & Company, Limited have the following gold values:—from footage 185 to 190 \$8.80 in gold; from footage 190 to 195, \$57.80 in gold; from footage 195 to 200, \$32.00 in gold on a recovery of 75 per cent. of core. The recovery of core in the country rock was high, but dropped slightly when the vein was encountered, this being due to softer drilling, fracturing and the consequent grinding of the core. In reference to this, E. A. O'Callaghan, late of the Hollinger Mine, engineer in charge, says in part:—

"The assay sheets show very little further need be said about the gold values, although concentration may have occurred in the sludge. However, by distributing the values over the whole width of the vein they show roughly a value of \$10.00 per ton for an incline width of 52 feet or a horizontal width of from 40 to 42 feet."

These first results are most encouraging and the confidence placed in the property by the directors of the company and the original owners, D'Arcy D. Bogue, Jack Simard, Omer Cote and Joe Young is being confirmed by actual results.

Diamond drilling is proving greater widths and values at depth. The vein outcropping which is traced, trenched and sampled over a distance of 2,000 feet in length with width of 12 to 18 feet on surface is widening out, and if further drilling continues to prove the continuation of widths and values obtained from the assays of this first hole there is no doubt but that this property will prove to be one of the big mines of Porcupine.

WHIST DRIVE AND DANCE BY ALL-BRITAIN CLUB

The All-Britain Social Club held another enjoyable whist drive and dance on Friday evening last. The prize winners at cards were:—ladies, first, Mrs. Bowen; second, Mrs. J. Parks; consolation, Mrs. T. Teasdale; gentlemen, first, Mr. Wm. Roberts; second, Mr. W. H. James; consolation, Mr. T. Teasdale.

The club will hold another whist and dance on March 16th in the Hollinger Recreation hall. All invited to come along and have a good time.

ANOTHER UNUSUAL LAST WILL AND TESTAMENT

A year or so ago in commenting on the odd and humorous will made by the late Chas. Miller, of Toronto, The Advance quoted another famous oddity in the line of wills made. Here is still another from the last issue of The Kirkland Lake Northern News last week:—

Recently a well-known man passed on to his reward. As he was known as a man of considerable wealth, the reading of his will was looked forward to with much interest. Imagine the surprised look on the faces of those who expected to be well remembered when the following was read:—

"To my wife I leave her lover, and the knowledge that I was not such a fool as she thought I was.

"To my son I leave the opportunity of earning his own living. For the past thirty years he has thought the pleasure was all mine.

"To my daughter I leave \$70,000. She will need it."

"To my chauffeur I leave my cars. He ruined them when I was living; he might just as well finish them now.

"To my valet I leave my fur coat which he wore when I was at Palm Beach last winter.

"To my partner I leave the information that he had better get another partner if he intends to continue to succeed in business."

The Sudbury Star last week says: "Mrs. F. E. Loney, of Timmins, is visiting her parents, Mr. and Mrs. N. W. VanSykle, Copper Cliff, Road."
