

## S. Pancoff Wins Speed Dog Race for the Second Year

Eight Entries for Big Feature in Saturday's Dog Race and Carnival Event. Time Good, but Not as Good as Made by Pancoff in the 1926 Race. Prize Winners in Sports in Afternoon.

There was a big crowd out on Saturday afternoon to watch the speed race—the main event of the Porcupine Dog Race and Carnival. The crowding of the course, despite the roping off and the good work of the police, interfered with the starting of the teams, and created some confusion, especially exciting some of the dogs, but otherwise everything went well. The officials—Dr. McInnis, Fire Chief Borland, A. Gillies, J. McKinnon and M. Gibson,—handled the race effectively. W. H. Wilson, the secretary for the event, received the times by phone from along the course and bulletined them on the board erected at the Marshall-Ecclestone corner. The howling of the dogs was a feature of the start. There were eight entries, only one, J. McDonald (No. 2) not finishing the course.

had the laugh on them all, because his team took second place though he had little time to train them. P. Lamoureux, third, 1 hour, 18 minutes, 4 seconds; prizes, \$25.00 cash, and side of bacon. Condition prizes—1st, W. Lavalley, blanket; special, Leo. Beaudin, ham. The sports in the afternoon attracted a big crowd and much interest. Like the carnival at night in the rink they were efficiently conducted by the Porcupine Ski Club. The following were the prize winners in the events: Men's 5-mile ski race—1st, Raguar Goranson; 2nd, Pader Sather; 3rd, Jack Leng. Men's sprint ski race—1st, Raguar Goranson; 2nd, Eric Bredenburg. Ladies' ski race—1st, Alma Tario; Nenny Naslund. Boys' ski race—1st, Edgar Ringsted; 2nd, Henry Ringsted; 3rd, W. Millson; 4th, C. Rodgers; 5th, Gordon Gauthier. Girls' ski race—1st, Lily Ringsted; 2nd, Maisie Roberts. Ski relay race—1st, Porcupine Ski Club, Eric Bredenburg, Keith Stirling, Jack Leng and Raguar Goranson. Men's snowshoe race—1st, W. Paice; 2nd, E. Belanger. Boys' snowshoe race—1st, Leonard Wadsworth; 2nd, Roland Gauthier; 3rd, Chas. Villeneuve. All the prizes were especially good, the various contributors having been generous in the way of quality and type of goods given.

## DOG RACE CARNIVAL ON SATURDAY BIG SUCCESS

Attendance Not Large But Event Unusually Attractive. Good List of Prizes.

The carnival at the rink on Saturday evening, arranged by the Ski Club and carried through as part of the Dog Race and Carnival event, proved a noteworthy feature. The attendance was not as large as the event deserved, there being many counter-attractions. Timmins Citizens' Band was in attendance, and furnished a number of selections. From the opening parade to the last item on the programme every number was thoroughly enjoyed and all voted the evening a big success. The exhibition of fancy skating given by Dr. Sundberg was generally considered as a specially outstanding feature. There were many good costumes. Another special was the broomball match.

The president, Dr. McInnis, the secretary, W. H. Wilson, and all the other officials and assistants are to be complimented on the success of the Dog Race and Carnival. On the other hand the Committee must feel especially grateful to the business men and others who so generously donated so many fine and valuable prizes, both cash and merchandise. The Dog Race and Carnival this year will be self-supporting as usual. The exact financial returns are not yet available, the expenditures not yet being completed for the event.

## CRIPPLED DRIVERS WON THE FREIGHT DOG RACE

Time Made in Event on Saturday Morning Broke Previous Records For This Feature.

The freight race in connection with the Porcupine Dog Race and Carnival on Saturday last attracted a bigger crowd and greater interest than ever before. The crowd gathered for the starting of the freight dog race was like that usually assembled for the main event of the day.

The freight race event was first run in 1922, when the feature was won by Mr. H. W. Darling. Saturday morning's event was accordingly the sixth freight dog team race (there being no race last year). There were fourteen entries Saturday, one team only (that of B. Sorensen) not finishing the course.

A new record for time was made on Saturday, the course being run a few minutes faster than on any previous occasion. The course was practically the same as in previous years, being from Timmins to Schumacher and return.

Another feature of the event was the fact that the two to finish first were crippled drivers. H. Veino had his leg broken last year and Geo. Churney has artificial lower limbs.

The weight of these drivers was allowed as part of the required load. H. Veino won first in a time of eighteen minutes flat; prize \$50.00 cash, and Peterborough canoe.

Geo. Churney, second, in nineteen minutes and forty-five seconds; prizes \$25.00 cash and bag of flour.

W. Tourangeau, third, in twenty-one minutes, thirty seconds; prizes, \$15 cash, and bolgna.

Prize for best condition of team at finish went to Charlie Loughton, \$5.00 bill from R. Edleston.

The following are the entries and times:—

No.	Name	Start	Finish	Time
1.	B. Killeen	10.18	10.52	34.20
2.	Geo. Churney	10.18	10.37	19.45

## BOYS' AND GIRLS' DOG TEAM RACES ON SATURDAY LAST

Large Number of Entries and the Youngsters Had a Big Day All Day.

Saturday last, Dog Race and Carnival Day, was a big day all day for the boys and girls and their dogs and dog teams. There seemed to be hundreds of them lined up for the boys' and girls' races in the afternoon after the main race and they gave the crowd full value for their money in the way of interest and excitement. Some of the boys had their teams trained to a noteworthy degree of perfection.

## INQUEST IN HOLLINGER DISASTER ON MARCH 23rd

The coroner's inquest into the deaths at the Hollinger in the recent disaster will resume on Friday of next week, March 23rd. Coroner Montgomery will preside at the inquest. The jury is as follows:—Roy Asseltine (foreman), I. E. Dunn, P. C. Maltis, A. Laprairie, Chas. Burke, Alec Koskula, R. Cornthwaite, R. Anderson, Howard Hefferman, G. H. McQuarrie, Wm. DeFou, and A. ## South Porcupine Defeats Port Colborne Last Night

South Porcupine Team Brings Honour to the Camp by Its Great Hockey. Whole District Backing the South Enders in the Other Games for the Allan Cup.

Last night (Wednesday) the South Porcupine Hockey team defeated Port Colborne, intermediate champions of the O.H.A., by a score of 4-0 in the third game necessary in this series. At Toronto last Saturday the both teams played to a 2-2 score. At Niagara Falls on Monday another tie game was played, the score standing 1-1. But last night at the Toronto Arena, the representatives of Northern Ontario were victorious over the O.H.A. champions and won the right to play Kitchener, Senior O.H.A. champions at Kitchener on Friday night, in the first of a two-game round to decide which team enters the Allan Cup finals.

This is the second time a team from the Porcupine District has won the right to go to Toronto, and Timmins fans are backing the South Enders to the limit in their trial to qualify for the Allan Cup finals, and the proud title of amateur champions of Canada.

The following report is a summary of the game, as made up from the running report received over the wires of the Homer L. Gibson & Co. office here, where last night a large crowd of fans assembled to hear the report of the game.

The teams were:—South Porcupine: Thornton, goal; "Dutch" Cain and Murray, defence; "Chuck" Jemmett, centre; McHutecheon and Spence, wings; Bill Gagnon and Saunders, subs.

Port Colborne: "Dinty" Moore, goal; Kilpatrick and Russell Cross, defence; J. Cuthbert, centre; Mountain and Nixon, wings; C. Cross and Morrill, subs.

Referee: Ernie Park, Toronto.

The first period opened with both teams making rushes, the South Porcupine team on the offensive. Moore made a nice save from a hard shot by Murray, the South Porcupine left defence man. A fine rush by the Port Colborne team was broken at the South Porcupine defence. Murray drew first blood ten minutes from the face-off when he sent the puck behind Moore. South Porcupine 1. Four minutes later as a result of a beautiful combination play by Jemmett and Spence, Jemmett made it two for the South Porcupine team. The Southerners came back strong, but failed to pass Thornton. Some hard checking developed now, with both teams making end-to-end rushes. Just before the gong rang Mountain, the Port Colborne right wing missed a dandy chance at an open net. The period ended South Porcupine 2, Port Colborne 0.

The second period was nearly two minutes old when the South Porcupine team made it 3-0. McHutecheon and Jemmett went down together, but were stopped by Nixon. Jemmett took the puck and drove it into the net behind Moore. Close checking ensued for a short time, Spence breaking away with McHutecheon, who lost. Spence tried a shot, Gagnon getting

his rebound and scoring. South Porcupine 4. Cuthbert tried a hard one at Thornton, but the northerner fell on the puck. Port Colborne came up strong, all men on the forward line, keeping the play in the Porcupine territory. The O.H.A. champions were having hard luck at this stage, they had the puck, but couldn't seem to find the net. Spence was showing good form, checking hard, and breaking up innumerable rushes. Kilpatrick had the fans on their toes when he got in on Thornton for what looked like a sure goal, but the Gold Miner saved. Spence was knocked out by Nixon, and for a time it looked like the side lines for the rest of the game, but the ex-Liskeardite stayed with the game. A dandy save was made by Thornton, the puck going into the audience. Spence called on Moore for a clever save. Rushes on both sides now developed, both goalies having work to do. Kilpatrick and Nixon got in on Thornton, but missed the net. The Ports were on a desperate offensive, hemming the Miners into their own blue line, but were unable to get the puck in for a tally. Cross got knocked out when he rushed Morrill. Just before the period ended Kilpatrick lost his temper. South Porcupine 4, Port Colborne 0.

The third opened with both teams a man short, the Ports taking the offensive from the face-off. A lot of chopping and bunching followed neither team appearing to have the edge. The Ports seemed to have the right to rough it. Cross took a trip for tripping Spence, and on his return to the ice was benched again for slashing at Jemmett. Cain went for a rest for slashing Cuthbert. When Spence killed time in the corner the whole Port Colborne line came down, and desperate efforts were made to score. Thornton even came out of his net to help hold the attack of the Southern Intermediate Champions. Morrill was sent off for charging McHutecheon. Spence and McHutecheon nearly scored in a nice combination play. Play was held up when Murray was hurt through crashing into the boards. Murray went off when he dumped Mountain when the Port Colborne player was in for what appeared like a sure goal. Spence and Morrill had a "friendly" argument near the end of the period, the Niagara district man dumping the South Porcupine centre man and getting away with it. After a short offensive by the northern champions the Ports came back on a strong offensive, but beyond calling on Thornton to make a number of saves failed to register. Gagnon took a trip for dumping Kilpatrick who went off right after when he stopped up Jemmett for what looked like a certain goal. Cuthbert went off for slashing at Jemmett, and the teams were now lined up five to four. The period ended with Spence rushing in on the Port Colborne net. South Porcupine 4, Port Colborne 0.

## RENO THE ILLUSIONIST MADE BIG HIT LAST NIGHT

All Enjoyed Entertainment Under Auspices of the Kiwanis Club in Theatre

Another of the lyceum entertainments, sponsored by the Kiwanis Club, was held at the Goldfields theatre on Wednesday evening this week and proved a delightful evening to all attending. Edward Reno, the illusionist and worker of magic and mystery, supplied the programme, and the event deserved a full house. In the usual sleight of hand, magic and mystery tricks, Reno showed himself a master, and he had many novelties and specialties that made especial appeal. There was not a dull second on the programme. Most of his acts were really marvellous exhibitions of the hand deceiving the eye and the cleverness of the expert left the audience completely puzzled. A young boy and a little girl from the audience were pressed into service as assistants, and under the clever guidance (often not apparent) of Reno, the youngsters furnished a great deal of amusement. The little girl especially kept the audience laughing by her clever questions and her careful watching of the magician. The general opinion of those at the event is that it was a remarkable evidence of the wonderful skill that may be attained by a clever illusionist like Reno, and that all who missed the concert missed a very enjoyable treat.

1,000 MILES AN HOUR

Aeroplanes in the not far distant future will travel 1,000 miles an hour, is the prediction of Major-General J. H. MacBrien, formerly Royal Air Force flying officer, and for the past seven years President of the Canadian Aviation League.

## JUSTICE OF THE PEACE HELD POLICE COURT HERE

In the absence on leave of Police Magistrate Atkinson, police court here is being presided over by J. E. Montgomery, J.P. Timmins, and F. C. Evans, J.P. South Porcupine. They held their first police court here yesterday, there being only a few cases. Two drunks were fined the usual ten dollars and costs each, a total of \$19.50 each. A Schumacher man, charged with running a motor without the necessary markers, said that he had lost his markers in the snow after turning too far out on the road to avoid a collision. He had new markers when appearing in court, so the case against him was dismissed. A local man who was accused of having a vicious dog, agreed to send the animal out of town, and this case also was dropped. Under the Deserted Wives' Maintenance Act, a local resident was ordered to pay \$15.00 per week to the town chief of police to be applied for the maintenance of the man's wife and family. In the case of a wage dispute, the employer was directed by the court to pay the wages claimed.

This (Thursday) morning Messrs Montgomery and Evans presided over police court at South Porcupine.

## JOHN OHTONEN FOUND DEAD AT HOME THURSDAY

Resident of Timmins for Number of Years. Had Been Ill for Some Time.

Friends of John Ohtonen were shocked to hear last week that he had been found dead in his house at the rear of 68 Fourth avenue. He was found by a friend who visited him at 7.15 p.m. on Thursday. The police were notified at once, and they in turn summoned the coroner. An inquest was not necessary, death being due to natural causes. Heart trouble was the immediate cause of death. The late Mr. Ohtonen had been ill for some time. He was an old-time resident of the camp and with his wife and family lived here for many years. His wife and two daughters left here about a year ago and are now resident in Chicago. They expected to reach here in time for the funeral but were not able to do so. A brother of his wife's, Frank Maki, resides on Second avenue. The late Mr. Ohtonen was about 42 years of age.

The funeral took place on Sunday from the Finn hall to the Timmins cemetery and was largely attended.

## N.O.H.A. JUNIOR CHAMPIONS OUTCLASSED AT TORONTO.

At Toronto last week in the Memorial Cup elimination series of the O.H.A. the Sault Ste. Marie Junior hockey team was defeated in both games by the Marlboros, who won the round 13 to 3. On Friday night the Marlboros won 5 to 0, and on Monday night they again defeated the Sault Juniors 8 to 3. The N.O.H.A. Junior Champions put up a brave battle but were outclassed by the Marlboros. However, better luck next time, perhaps!

Mr. F. E. Wood has been appointed issuer of motor licenses for Iroquois Falls. The appointment will be a popular one as Mr. Wood will look after the work well, that being his habit, as was proven when he was secretary of the Northern Ontario Associated Boards. Also the appointment will be of much convenience to the people of the Falls who formerly had to come to Timmins or go to Cochrane or elsewhere for their motor licenses.
