

144,987

COPIES OF THE ADVANCE

were printed and sold and paid for during the year 1927. This is an increase of over 5,149 copies over the 1926 circulation, practically 100 per week.

The average weekly circulation of The Advance for 1927 was

2788 Per Issue

all paid subscriptions and sales

Practically all of this circulation is in Porcupine Camp

The Advance circulation has grown from less than 600 in 1916. Last week's circulation was

2823

Only bonafide, paid-in-advance subscriptions and sales are counted as circulation. The figures speak for themselves.
