HOLLY RECS. WIN TROPHY FOR BASKETBALL HERE

Presented with Homer L. Gibson Cup After Lively Match Last Thursday Night

The cleanest and fastest game of basketball for many a day was staged last Thursday evening when the Holly Rees. Senior team defeated the Arrow Club to the tune of 31 to 11, thus winning the undisputed right to the handsome trophy kindly given by Homer L. Gibson & Co.

V. Ray started the scoring when R. Houle fouled him, Ray getting a free shot. Captain H. Boyd of the Rees, was the star player of the evening. The first quarter ended with the Rees, showing three points and the Arrows having nothing.

Combination was staged in the second quarter, which was very effective on the part of the Rees. D. Brown got a free shot and scored the first point for the Arrows. This quarter ended: Rees, 10; Arrows, 1. In the third quarter, the Arrows got going and scored three baskets. H. Houle did some very good work. The Rees, showed snappy combination. This quarter ended, Rees, 12 points, and the Arrows, 6 points.

The final quarter was not as strong in scoring as the previous one, but good checking was staged. The fans were very excited and were giving both teams the best of support. This quarter ended, Rees, 6 points, Arrows, 4. The final score was 31 to 11 in favour of the Rees.

The line-up was as follows:—
Holly Rees.—V. Ray, centre; Capt. H. Boyd, left wing; McGrath, right wing; H. Farrell, right defence; J. Elrick, left defence; R. Hudson, K. Newton, subs.

Arrow Club.—D. Brown, centre; M. Abrams, left wing; H. Garner, right wing; C. Jones, left defence; A. Portelance, right defence; C. Charrette, R. Houle, subs.
Referee—Bob Webb.
Unfortunately Ken Newton was not able to play as he sprained his ankle on the day of the Dog Race.

After the game a banquet was held in the Goldale Cafe, this feature being greatly enjoyed by all. The Holly Rees, being the winning team, were presented with the trophy, the cup kindly donated by Homer L. Gibson & Co.

NIPISSING CENTRAL TO CONNECT WITH NORANDA

The Northern Miner says:—
"The Northern Miner understands on the best of authority that negotiations for the continuation of the Nipissing Central to the Horne smelter and Noranda Mine have ended satisfactorily. Due to trouble in securing right of way, the Ontario-owned railroad was stopped about a mile from the smelter and shipments over the line had to be transported that distance by team or truck. When a spur is built to connect with Noranda's tracks it will be possible to make direct shipments over the N. C. R. Construction is to be started at once."

Two rinks, composed of E. H. Hill, H. Jackson, W. Ecclestone and I. Solomon, skip, and A. Hattie, R. H. Hall, J. W. Watt, and J. R. Todd, skip, played at South Porcupine on Saturday night for the T. & N. O. trophy, but the South Porcupine rinks were too good for them and the trophy still remains there.

HEAVY FINE IMPOSED ON COCHRANE FUR DEALER

On Saturday of last week The Toronto Globe had the following:—
"When M. Karam, a Cochrane dealer, this week consigned a bale of furs to a Montreal firm for export purposes, he included in the shipment 40 beaver, 3 fisher, 1 cross fox, 8 red fox, 12 lynx, 6 otter, 26 skunk and 1 weasel, on which he 'forgot' to pay the royalties required by Ontario game regulations. Karam's forgetfulness cost him more than the proverbial 'pretty penny,' too. Yesterday he was fined \$500. His bale of furs, valued at \$8,000 or more, is in the Department of Game and Fisheries, and will remain there. 'It's the biggest seizure we've made in the last two or three years,' said Donald McDonald, deputy of the department last night.

"Karam's 'padded' shipment was held up and examined at North Bay by Game Overseer A. E. Pennell. It was supposed to contain 140 beaver, 4 fisher, 5 cross fox, 10 red fox, 20 lynx and 25 skunk. When the officer found that these numbers had grown considerably en route, and that in addition, the bale contained 6 otter

GOLD RANGE MINES STOP OPERATIONS FOR A TIME.

Work on the Gold Range Mines property near Boston Creek has stopped for the present. It is understood, however, that the stopping of operations is only temporary and that work will likely be resumed on an extended scale in the course of the next month or two. The idea of the early renewal of work at the property seems to be strongly supported by the fact that a complete mining plant has been purchased, this plant being now at Boston Creek. The intention is to take the plant in to the property in the spring and renew work to bring the property to the producing stage.

and 1 weasel, not mentioned in the shipper's declaration, he put the customary 'two and two together.' As a result, Karam is a sadder but a wiser man today."

One evening last week the Nipissing Central snow plough was derailed on the spur line near the Haileybury pumping station and caused considerable trouble before it could be replaced on the tracks. The plough was being used to clear a new fall of snow from the tracks.

CRACK SPRINTER COMES BACK AFTER LONG REST

Last summer Charley Paddock, Californian collegian, decided not to do any serious training until this spring, because he felt that he had grown somewhat stale from almost continuous racing. Now, with the United States Olympic trials in view, "the fastest human" has resumed training and is seen in the picture as he won the 220-yard event at Palo Alto. His famous leap at the tape is contrary to the ideas of foremost coaches everywhere, but he wins, and breaks records. The time for this event, which he won easily, was 21 and 2-5 seconds.

TIMMINS BOWLERS MAKE NICE WIN IN DISTRICT

Local Team Does the Unexpected, and Takes Four Points from Schumacher at Schumacher

Timmins bowling team played in Schumacher last week in the Porcupine league and the boys surely upset the dope rightly and properly when they won every game, and came back with four nice juicy points. Led by Cohen with 725 the team was backed by nice steady bowling from the rest of the boys. Starr was the only one for Schumacher who had over the 600 mark, the rest all being below that.

The following summary tells the story:—

SCHUMACHER

ENJOYABLE WHIST DRIVE BY THE ALL-BRITISH CLUB

The All-Britain Social Club held a very enjoyable whist drive and dance on Friday evening last, all present having a very pleasant time. The prize winners at whist were:—ladies, first, Mrs. Blackman; second, Miss Shirley Payne; third, Mrs. G. Jopson; gentlemen, first, Mr. R. H. Gray; second, Mr. Kitchener Bragg; third, Mr. H. Rescor.

After a very pleasing lunch was served all joined in the dancing. Mr. Shone's orchestra supplied the music.

INDIGENT PROBLEM NOT A NEW ONE BY ANY MEANS

In the report in The Advance last week of the Northern Ontario Associated Boards of Trade, reference was made to what is now known as the indigent question. At the meeting mention was made of the fact that the Associated Boards of Trade has been endeavouring for a number of years to have something done in this matter to avoid the injustice from which so many municipalities in the North have suffered. It may not be generally realized how long this question has been before the Associated Boards and how many efforts have been made to right the matter. In connection with this "indigent question" it may well be said that it is very true, indeed, that "the poor we have always with us." In the column in The North Bay Nugget reproducing extracts from The Cobalt Nugget of fifteen years ago, there recently appeared the following paragraph:—

"A lengthy memorial is being drafted by the special committee appointed by the Temiskaming Associated Boards of Trade to investigate indigent cases in unorganized territory, which will be presented to the legislature at an early date. The committee at work on the question includes Mayor N. J. McAulay and George T. Smith of Haileybury, and Wesley McKnight of New Liskeard."
