EASY WIN FOR SUPREMES IN OSTROSSER CUP GAME

Supremes Have Only One Game to Win Now to Give Them the Cup

The Supremes, rolling in championship form, took all three games from the Leftovers in the Ostrosser Cup series, and now need only one game in next week's bowling match to win the cup. For the Supremes, all the players bowled nice games. J. Roberts, who was weak in the first game, came through in the last to help his side win by six points.

For the Leftovers only three of them bowled at all satisfactorily. Angelo, who led the team in averages, with over 200, was off, while Dickson, with 440 for three games, also on this occasion, had an off-night in his bowling.

The Leftovers now have to do the seemingly impossible by taking all three games from the Supremes to tie things up.

Timmins Junior Hockey Club Re-Organize for Next Season

Satisfactory Reports for Last Season, but Bigger and Better Season Expected for Hockey. Officers Elected for Ensuing Year. Thanks Expressed for Support Given to the Home-Brews.

The Timmins Junior Hockey Club held its annual meeting on Friday evening last in the town hall. There was a good attendance and much interest and enthusiasm was shown. Mr. C. G. Keddle, vice-president of the club, presided for the meeting.

The reports of the officers for the past season showed that the plan of having a genuine "home-brew" team here will work out all right. The executive expressed thanks and appreciation for the generous support given by the fans, the business men and the general public. The public and fans had given good support in buying membership tickets and the merchants and others had shown their kindly interest by donations. The club started out under many handicaps. All equipment, even to pucks and sticks, had to be purchased, there being nothing to start with in these lines. Three games,—one an exhibition match and the other two schedule games,—had set back the club some three hundred dollars, but nevertheless the feeling was that a lot had been accomplished. The public had taken kindly to the "home-brew" idea and the team promised very material improvement, so that the coming season might be confidently expected to be a specially good one. Outsiders had remarked on the talent in the team and it was generally felt that the Timmins Juniors next season will do the town proud.

The following is the financial statement, for the period Dec. 3rd, 1927, to April 20th, 1928, as duly audited by Mr. G. N. Ross, and presented to the meeting:—

Receipts:—balance in bank, Dec. 3rd, 1927, 64 cents; gate receipts, \$816.44; donations, \$215.00; membership tickets, \$120.00; loan from Bank of Nova Scotia, \$300.00; total, \$1-452.08.

Payments:—travelling and hotel expenses, \$688.93; N.O.H.A. annual meeting, \$33.20; N.O.H.A. dues, \$6.00; printing, \$4.50; referees, \$85.00; guarantees to visiting clubs, \$273.65; postage, telephone and telegraph, \$25.26; general expenses, \$70.59; interest on bank loan, \$8.30; equipment, \$250.05; total expenses, \$1445.48; balance in bank, \$6.60.

Capital account:—equipment, \$225.35; cash in bank, \$6.60; total, \$231.95; deduct note due to bank July 4, 1928, \$300.00; deficit at April 20th, 1928, \$68.05.

Those present at the meeting were enthusiastic about keeping up the idea of the "home-brew" team and backing up the Timmins Juniors for next season to the limit.

The meeting proceeded to re-organize for the coming season, the following officers being duly elected for the ensuing year:—

President—W. G. Smith.
First vice-president—R. E. Dye.
Second vice-president—A. Borland, Sr.
Secretary-treasurer—P. T. Molesley.
Executive—C. G. Keddle, Chas. Roach, K. Eyre, W. McIlhargy and Dr. Brennan.

LARGE ATTENDANCE AT BAND CONCERT SUNDAY

Gathering Pleased with Band Selections and Other Numbers, Saxophone Player Made Special Hit

The special feature at the band concert held in the Goldfields theatre after the church services on Sunday evening, under the auspices of the Timmins Citizens' Band, was the saxophone solos by Mr. DeMille. Mr. DeMille's opening number was very much appreciated and received a very insistent encore. In his responding number he was equally successful and the audience insisted on a third selection by this capable artist whose effective playing on the saxophone was specially enjoyed by all. The fine tone of the instrument and the talented playing alike delighted the gathering.

Mr. Geo. Hale also pleased all with vocal solos during the evening. Mr. M. Shone played the accompaniments on the piano in effective way.

The selections by the band were specially well-given and met with especial favour. Probably, the most popular band number was the selection, "Recollections from Wales," a fantasia of popular Welsh airs of much attractiveness. This number was very effectively presented by the band and won a special round of applause. Other numbers played with talent and effect by the band included:—march "Spirit of Freedom"; selection, "Faust"; and march, "El Dorado."

UNIDENTIFIED MAN KILLED NEAR COCHRANE THIS WEEK

On Sunday a man apparently lying on the tracks was struck by the locomotive of the southbound Transcontinental about ten miles south of Cochrane. So far as can be figured out, the man had been lying on the outside of the rails, perhaps overcome by weakness as he was walking along the track. The engineer did not see him until too late to bring the heavy train to a stop. The man is of middle age, but his identity is not known. The train crew picked up the body and provincial police were at once notified. The police are making enquiries in order to have the man identified. The body was taken to Iroquois Falls where an inquest was opened.

The drawing for the radio will be held at the eucire given by the ladies of the Choir of St. Cecilia in St. Anthony's parish hall on May 2nd, instead of on April 25th as first announced.

ABITIBI FOLLIES MAY GIVE CLEVER SHOW HERE

There is a possibility that the town of Timmins may be favoured by a visit from the Abitibi Follies, a very clever revue presented by Iroquois Falls talent. The Abitibi Follies gave their 1928 revue on Saturday and Monday nights at Iroquois Falls, and those who saw the show are agreed that the Iroquois Falls talent takes a very high place,—giving a much better show than would be presented by any professional company coming to this North. The chorus was an especially good one, the costumes rich and attractive, and the stage settings and direction of the very best. Special credit is given to Mrs. Harry J. Buncke for the work done in training and directing the company. The revue included many song hits, one of these being the "Abitibi Song" in which there were local witticisms and jokes. The Radio Hour was a amusing skit, while the black face comedians made a particular success of their work. An exhibition of Ukrainian folk dancing met special favour, as did also the humorous "Trials of the Council." Still another special was the act, "It Pays to be Insured." Special Hawaiian dancing also pleased the big crowds that gathered for the events.

There will be a tea and sale of work and home-baking on May 16th, in the church hall, under the auspices of the Ladies' Guild of St. Matthew's church.
