

TO TALK PROBLEMS OF MINING ASSESSMENT

The Cobalt correspondent of The Sudbury Star writes this week:— "At the forthcoming annual convention of the Ontario Municipal Association, to be held in Toronto next September, a paper will be read on "Some Assessment Problems of Mining Municipalities."

determined who would deliver the paper, but that this will be decided upon at an early date, and after the different municipal councils interested have been consulted. He declared he felt that, personally, it was a job for one of the municipal clerks, rather than for a reeve or mayor or member of the council, and he knew of three officials, any one of whom, in his opinion, would be a suitable speaker."

A venerable old Scot purchased a little radio set, and a few days later his friends asked him how he liked it. "Well, it's aw richt to listen to," he replied, "but those bulbs are nae so guid to read by."

Former Schumacher Young Lady Passes Away in Toronto

Sorrow at Schumacher Over Sudden Death of Miss Maisie Muskett. Other News from Correspondent at Schumacher. Firemen's Annual Ball a Big Success.

Schumacher, May 2nd, 1928. Special to The Advance.

Our whole community was overcast with the dark shadow of grief on Monday morning when a message was received announcing the sudden death of Miss Maisie Muskett from pneumonia and heart failure at the Western Hospital, Toronto. The deceased was a recent visitor in the camp, having left on Friday for the South, accompanied by Nurse McCleary. The late Miss Muskett was in her eighteenth year, and was the only daughter of Mr. and Mrs. John Muskett, of Schumacher, who passed away about two years ago. A host of youthful friends, and associates in C.G.I.T. and school work were grief-stricken to hear the sad tidings. The nearest surviving relatives are one brother, Robert, and an aunt, Mrs. Wilson, both of Toronto. The remains will be brought here, and interred in the Timmins cemetery beside the father and mother. The late Miss Muskett was born at West Cobalt and until the death of her father at Schumacher two years ago she had spent all her life in the North Land. On account of the young lady being only in the hospital a couple of days before her death, an inquest was held at Toronto, the verdict finding the cause of death to be pneumonia and heart trouble.

Mr. Thomas Moore came home on Thursday from the hospital in Timmins, and is on the way to recovery after his recent serious illness. His numerous friends hope he may soon regain his usual health and strength.

Mr. Edward Radburn and Mrs. Radburn have disposed of their family residence on First avenue, and will pass the evening time of life on their pretty, little farm near Matheson, Ont. Mr. and Mrs. Radburn with their son, Norman, are well-known and respected residents of the town, having dwelt here for many years, and their decision to depart will be a cause of regret among their many friends. Mr. Radburn has been a valued employee of the Hollinger Mining Co. for a considerable period of time. In order to commence spring farming operations Mr. Radburn left for the south on Tuesday. Mrs. Radburn will follow at a later date. We extend good wishes for happiness and success in their new

abode. Mr. G. Finlayson, Fourth avenue, left recently to superintend the season's work upon his farm at Rydal Bank, Ont.

Mr. A. Carveth conducted the service in the United Church, at South Porcupine on Sunday, in the absence of the pastor, Rev. Bain.

About five hundred merry-makers from the Porcupine camp attended the annual Firemen's ball, held in Mr. I. Solomon's dancing pavilion on Thursday evening. A varied programme of quadrills, reels, and more modern steps enabled the youths and maidens of earlier days to join in the gay promenade. Excellent music was furnished by the orchestra, and delicious refreshments were served at the usual hour. Chief Charles Juckseh, and his brigade were delighted with the event, and take pleasure in extending sincere thanks to everyone who contributed in any way to its success.

Miss T. Finlayson, nurse on the hospital staff at Iroquois Falls, was a recent visitor at the home of her parents, Mr. and Mrs. G. Finlayson, Fourth avenue.

Mrs. J. R. Todd left on Wednesday for a visit to Toronto, and other points of interest in Southern Ontario.

A rummage sale, under the auspices of the Ladies' Auxiliary, will be held on Saturday, May 26th, in the basement of the United Church. Please 'phone 746 if you have anything to offer. All donations will be very gratefully received, and will be called for.
