## GOLF TOURNAMENT AT NORTH BAY, AUG. 2 TO 4

The Northern Ontario Golf Association met last week at Haileybury, Mr. J. W. Fogg, being the representative from Timmins present at the meeting. The chief business of the meeting was to arrange for the annual Northern Ontario Golf Tournament which will be held this year at North Bay. The dates chosen for the event were Thursday, Friday and Saturday, Aug. 2nd, 3rd, and 4th. The same rules and regulations as last year will obtain for this year's event.

There will be a consolation prize for those who fail to qualify. This match will be 36 holes.

Mrs. C. M. Auer arrived here last week from Miami Beach, Florida, to join Mr. Auer at Timmins where they will spend the next two or three months. Mr. Auer was one of the early residents of the Porcupine camp and is being welcomed back by hosts of friends and acquaintances.

The high water on the Mattagami river is steadily going down, dropping several inches a day. The water is fast going down to normal.

## Hollinger Gives Land for Children's Playground Here

Centrally-located Lots Donated by Hollinger for Playground Purposes. To be Fenced in by Town and Fixed up. Dog By-law and Dogs Doggedly Discussed at Council Meeting. Other Town Council Business.

The regular meeting of the town council was held on Monday afternoon, with Mayor E. L. Longmore in the chair and Councillors A. G. Carson, Geo. S. Drew, P. Dougall, R. Richardson and C. P. Ramsay present.

There were two matters before the council that should be of outstanding general interest. One of these was the announcement by the mayor that the Hollinger had given the lots adjoining Broadway in the vicinity of the rink to the town for a children's playground and park. The town owns the land formerly occupied by the right-of-way known as Broadway. The lots so kindly donated by the Hollinger will mean that, including Broadway, a block of seven lots can be used for playground purposes. When the mayor announced the offer made by Mr. Brigham in the matter, more than one councillor said, "Well, that's very nice." The council's intention is to clear up the property, fix it up for playground purposes, and fence it. It will make a fine place for the youngsters to play, being centrally located. The property will also no doubt be much appreciated by adults as well. The property will be 135 feet wide and 240 feet long, and is located in the block between Second and Third avenues and Balsam and Birch streets, near the skating rink.

The other matter of special interest was the question of the enforcement of the dog by-law. Councillor Dougall brought the matter to the attention of the council, saying that he had received a large number of complaints about the nuisances caused by so many dogs running at large in the town. The dogs destroyed shrubbery and flowers, upset garbage cans, and did other damage. They frightened women and children on occasion and sometimes even bit people or injured

their clothing. The general opinion, Mr. Dougall thought, was that dogs at large had become a nuisance in town and the by-law in regard to dogs should be strictly enforced. Councillor Carson admitted that some dogs were a nuisance but others were all right. He thought that in case of any complaint against any particular dog the police would very promptly attend to that dog. Councillor Dougall said that many people did not want to lay charges against their neighbours. The by-law was on the books and should be enforced, he thought. Mayor Longmore said it was a case of absolutely enforcing it, or leaving matters as they were. The council had attempted to enforce the by-law strictly on a previous occasion some years ago, but had to recede from the position. The trouble was that a dog catcher would pick up the harmless dogs, while the offending ones always seemed to get away. Personally he would prefer to have a dog destroy a little shrubbery than to have it howl all day and night because it was tied up. He did not feel it was right to keep a dog chained up, and he believed that most people would sooner get rid of their dogs than chain them up. Some dogs were a nuisance all right, and some might be dangerous. That was the reason there was a by-law. Any offending dog could be dealt with under the by-law, while harmless dogs were not disturbed. The trouble with any plan of dog catching, except that adopted in the cities, was that the vicious and objectionable dogs were not captured, but people lost a lot of their pets, because the latter dogs were friendly and kind and so easy to capture. The effect of the city plan was to do away with most people keeping dogs. "Are (Continued on Back Page of this section).

## MEMBER FOR THIS RIDING PLANS TO BE A LAWYER

In his bright column in The Ottawa Journal, headed "Parliament," Mr. Charles Lynch on Monday last writes: "Few men continue their schooling after reaching the age of 30 but Joseph A. Bradette, Liberal member for North Temiskaming, spends his spare time studying for the Ontario matriculation examinations under the tutelage of Aurelien Belanger, M.L.A. "Mr. Bradette hopes to receive the degree of Bachelor of Arts. After he has succeeded in this he will study law. The member for North Temiskaming is 42, very ambitious, and incidentally, somewhat lonesome for the North country."

## "GARDEN OF ALLAH," POETIC NAME FOR THE SAHARA

"The Garden of Allah" is a Mohammedan's poetic way of referring to the Sahara Desert as he kneels with his head in the sand facing Mecca five times a day at prayer-time. This beautiful Rex Ingram production for Metro-Goldwyn, at the Goldfields theatre on Friday and Saturday of this week, is also the name of an actual estate in Biskra, Algeria, on the fringe of the endless desert. Twenty years ago every feature of the garden was as described in Robert Hichens' novel. Today, however, it has fallen a little from its former splendor, though still beautiful.

Alice Terry and Ivan Petrovich have the leading roles in the film, which has been produced on a lavish and spectacular scale.

"Why does the bride always dress in white, Mummie?"  
"You wear white, dear, for happiness and joy, and black when you are sad."  
"Oh, so that is why the bridegroom wears black."
