

BANDMASTER TENDERS RESIGNATION TO BAND

Mr. F. J. Wolno Leaving Town to
Take Position with Large Firm
in Montreal.

Mr. F. J. Wolno, for nearly seven years the popular and successful leader of the Timmins Citizens' Band is leaving town at the end of the month to take a position with a large and important firm in Montreal dealing in machinery and supplies. At the regular monthly meeting of the band on Monday night Mr. Wolno's resignation was received and accepted with very keen regret, as his services have been most efficient and greatly appreciated. In many other circles in town Mr. Wolno will be greatly missed and there will be very general regret at his removal. As leader of the band he has built up and maintained the band as the finest organization of its kind in the North Land. As a musician, as a man, and as a leader alike, he has won deserved popularity and regard. At the meeting of the band on Monday evening these and similar sentiments were freely expressed by the president, the vice-president (Mr. Alf. Prout), and members of the executive including Messrs J. B. Pare, S. Fairbrother and others. Mr. Wolno expressed his deep appreciation for the co-operation and kindness he had received from the band boys here, and touched on the regret he felt at severing relations with the band and the town. The move, however, was to better his prospects. It was made plain to the retiring leader that he had the heartiest appreciation of all and that he and his family would take with them to their new home the sincerest good wishes of all. Mr. Arthur Wilford, deputy band leader, was appointed leader for the present to succeed Mr. Wolno. The new leader in accepting, took occasion to speak of the estimable qualities and the efficiency of Mr. Wolno as a musician and a good citizen. Mr. Wilford asked for the full co-operation and support of all to carry on the band at its present high standards.

LEGION DANCE TO BE HELD ON TUESDAY, JUNE 12th

Another of the pleasing dances by the Timmins Post of the Canadian Legion is announced for Tuesday of next week, June 12th in the McIntyre hall, Schumacher. For the waltz contest there will be two good prizes, lady and gentleman; the same for the fox-trot contest. Other features and novelties are sure to please all. Refreshments will be served.

BETTY PLAYS ERRATICALLY
Betty Nuthall, youthful British tennis star, has been playing a very mediocre game so far this season. She was defeated in the third round of the international hardcourt championships by Mlle. Charnelet, who ranks only 15th among the women players of France.

ANNIVERSARY SERVICES OF THE SALVATION ARMY

To be Held This Week-end. Major
Cameron and Other Officers to
be Here

The anniversary services of the Timmins Salvation Army will be held in the S.A. hall here on Saturday, Sunday, Monday and Tuesday, June 9th, 10th, 11th and 12th.

A feature of the Saturday evening event, commencing at 8 p.m., will be messages from all former officers stationed here to be read.

The services will be conducted by Major Cameron, of North Bay, and six visiting officers, and the local officers of the S.A. The visiting officers will include Capt. Patterson, of Haileybury, who was stationed at Timmins as lieutenant until a year ago.

Sunday at 11 a.m., there will be a Holiness service; at 3 p.m., a company meeting; and at 4 p.m., a Salvation service.

On Monday evening, commencing at 8, there will be a programme of music and songs by the United Church choir of Schumacher. The six visiting officers will also assist on the programme.

Tuesday evening at 8 o'clock there will be a special service conducted by Major Cameron, assisted by six visiting officers.

MEETING THIS EVENING FOR JUNIOR BASEBALL

Baseball Fans Asked to Gather at
Fire Hall This Evening to
Organize for Junior
Baseball.

A meeting is called for this (Thursday) evening in the fire hall to organize Junior baseball in Timmins for this season. The meeting will commence at 8 o'clock sharp, and all baseball fans are urged to be present, and to co-operate in organizing junior baseball for Timmins this season. There is considerable talent here for junior ball, there being a large number of good players eligible, and it is believed that the organization of a junior ball club here would mean much good sport here during the season. Accordingly all baseball fans are asked to help along the sport and to encourage the boys by turning out to this evening (Thursday, June 7th) to the meeting to organize junior baseball in Timmins.

DOMINION DAY HERE TO BE BIG DAY OF SPORTS.

Arrangements are progressing for a specially big day of sports here for Dominion Day, July 2nd. Field and track events, baseball, football, races, novelties, etc., will be particularly featured and a first-class programme is expected. The event is being staged by the Holly Rees, the Lancashire Football team and the Cornish One-and-All. These football teams are well-known for their activity and initiative and they have a number of fine events put on in the past to their credit. The Dominion Day sports, accordingly, promises to be something especially attractive.

Advisory Board Appointed for St. Mary's Hospital Here

Dr. McInnis and Dr. Harrison to Represent Medical Profession and Rev. Fr. Theriault, Rev. J. D. Parks, the Mayor, President Board of Trade and Mr. R. Dye for the Laymen. Meeting Discusses Hospital Matters.

There was not a large attendance at the meeting called for Tuesday evening to appoint an advisory board for St. Mary's hospital, but all present were enthusiastic and earnest in the desire to have the hospital of the greatest service to the public. Dr. J. A. McInnis was elected chairman for the evening, and Dr. Hague acted as secretary for the meeting. Dr. McInnis explained the reasons for calling the meeting. Some time ago the Porcupine Medical Association had taken up the question with the Sisters of Providence to assure co-operation and the best of service to the public in the hospital which is now a public one. Fourteen points had been suggested to the Sisters and most of those had been gladly accepted. The Sisters had made it clear that the hospital was now a public institution, open to the mines employees and people of the town and community, where every regular practising physician and surgeon will be given equal privileges in the care and accommodation of their patients. They agree also as to the advisability of having an advisory board to assist in the working out of constructive policies that will increase hospital efficiency and make for harmony and co-operation. Two members of this board had been appointed by the Medical Association, these two being Dr. McInnis and Dr. Harrison. The meeting Tuesday evening was to select five laymen for the advisory board. After consideration, it was moved by Mr. D. Mackie and seconded by H. Platt, that the five for the board be:—Rev. Fr. Theriault, Rev. J. D. Parks, the mayor of Timmins, or his appointee; the president of the Timmins Board of Trade; and Mr. R. Dye, to represent Timmins and the smaller mines of the district. On motion of Dr. Hague and Mr. Mackie nominations were declared closed, and

accordingly the Advisory Board will be:—
Dr. McInnis, Dr. Harrison, Rev. Fr. Theriault, Rev. J. D. Parks, Mayor E. L. Longmore, W. O. Langdon and R. Dye.

Many matters in regard to the hospital were informally discussed. Mr. J. Dalton emphasized the fact that the hospital was one of the greatest assets the town could have and should have the support of all. He thought the people should support it over generally and any campaign put on should be on a large scale, with everybody doing their part. He did not favour any small efforts but felt that complete and fully organized plans should be made to finance the helpful institution. Rev. Fr. Theriault suggested that the need might be met if the town passed a by-law to grant a specified sum each year. In this way all would bear their share. This suggestion met with general approval. At the same time it was pointed out that this was part of the work of the Advisory Board.

There was a general discussion of hospital problems, and in the course of this mention was made of indigents from unorganized territory. Dr. George, District Medical Health Officer, of North Bay, who was present with Dr. Hague, explained that the Government was now paying the hospital bills of indigents from unorganized territory who were in public hospitals. This was made possible by an order-in-council passed for relief of settlers during the Haileybury fire disaster. This order-in-council was worded broadly enough to include the case of indigents from unorganized territory at any time. Dr. George also gave other very helpful and interesting information in regard to health and hospital matters, his information and suggestions being much appreciated.

CAUGHT SPECKLED TROUT WEIGHING SEVEN POUNDS

Regular Beauty Taken at Wawa
Will be Entered in Ontario
Competition.

Mr. F. N. Whaley on Monday of this week caught one of the finest speckled trout ever taken in this Northern Land. It was caught at Wawa, Ontario, by Mr. Whaley and will be entered in the Star contest this summer. It sure looks like a prize-winner. This beauty weighs seven pounds and was just 23 1/2 inches from tip to tip. Many old-time fishermen who have seen this trout since its capture enthusiastically agree that for size and quality it will be hard to beat. "It looks like one of those trout that fishermen tell about. You know, one of those that get away, but for which proof can not be produced," said one well-known local fisherman. Yet, Mr. Whaley was able to produce the fish itself as proof and the tape measure and the scales gave the proof of the facts.

Mr. Whaley can well be proud of his prize trout, and the beauty is another proof that no mistake was made when the Mattagami Aquatic Association unanimously selected and elected this successful fisherman as secretary of the association.

RAMBLERS CLUB HOLD PLEASANT SOCIAL NIGHT

A very enjoyable dance was held last night (Wednesday) in the McIntyre Recreation hall, Schumacher by the Ramblers Club. There was a good attendance of the members and invited guests present for this event, and an all-round good time was had by all attending.

The alterations made lately in the McIntyre hall are a great improvement for the comfort of dancers, the hall being probably the best in the Porcupine camp for dancing.

Music was provided by Tommy Stephens' orchestra, and this was a decided factor in making the evening the success it was.

An enjoyable luncheon was served by the young lady members of the Ramblers, after which President Walter Cook welcomed the guests, and announced a dance on July 2nd.

A very enjoyable evening ended about half past two with the Home Waltz and National Anthem.

All should remember the meeting of the Board of Trade called for Thursday evening of next week in the town hall at 8 p.m.

TIMMINS LADS QUALIFY FOR PROVINCIAL MEET

L. Caveney and J. Leng to Represent
Timmins at Ontario Athletic
Meet in Toronto.

The annual school boys' track and field meet for District No. 8, Northern Ontario, was held at North Bay on Saturday last. Thirteen qualified to enter the provincial final meet at Varsity Field, Toronto, in September, by attaining the required standards. Of this thirteen, two were lads from Timmins High School,—L. Caveney and J. Leng, Timmins competed in the Intermediate High Schools series, and out of five entries made, Mr. Henry's lads won three firsts and two seconds.

The following is the results for the Intermediate high schools:—C. Stargratt, North Bay C. I.—100 yards, hurdles, running broad jump and shot put. L. Caveney, Timmins high school, 220 yards dash. J. Leng, Timmins, half mile. Leng also won the 440. J. Gordon, Haileybury, running high jump. H. Parks, North Bay C. I., javelin.

100 yards dash—C. Stargratt, North Bay; L. Caveney, Timmins; J. Gordon, Haileybury. Time 10 4-5 sees.

220 yards dash—L. Caveney, Timmins; C. Stargratt, North Bay; H. Tweedle, North Bay. Time, 24 2-5.

440 yard—J. Leng, Timmins; L. Caveney, Timmins. Time 58 2-5.

Half mile—J. Leng, Timmins; A. Pelletier, North Bay; H. Parks, North Bay. Time, 2:11 1-5.

880 yards relay—N. B. C. I.—(Creighton, Lewis, Dowdall and Stargratt) Time, 1:47.

120 yard low hurdles—C. Stargratt, North Bay; T. Dominice, North Bay; J. Gordon, Haileybury. Time, 17 1-5.

Running high jump—J. Gordon, Haileybury; C. Stargratt, North Bay, Dist., 5 ft. 3 ins.

Running broad jump—C. Stargratt, North Bay; H. Tweedle, North Bay; F. Dowdall, North Bay. Dist 19 ft. 2 ins.

Shot put—C. Stargratt, North Bay; H. Tweedle, North Bay; J. Pernu, Sudbury. Dist., 40 ft. 4 1/2 ins.

Javelin—H. Parks, North Bay; C. Stargratt, North Bay; J. Pernu, Sudbury. Dist., 120 ft. 4 ins.

ANNUAL MEETING OF POULTRY ASSOCIATION

The annual meeting of the Porcupine Poultry and Pet Stock Association will be held in the town hall on Friday evening, June 15th, at 8:00 p.m. All interested in poultry and pet stock should attend.

(Rev. J. D. Parks is in Toronto this week attending the United Church conference there.)

SEA CADETS NOW HAVE NUMBER OF UNIFORMS.

The Sea Cadets in Timmins this week received the first consignment of uniforms for the boys here. Four uniforms are now here, and four boys were proudly wearing them this week. The uniforms are similar to those in the British and Canadian navies, and the boys look especially well in them.

AN OLYMPIC CERTAINTY

When our neighbours across the border line-up their swimming team for the Olympic Games the young lady above, Georgia Coleman, from the Pacific Coast, will need much consideration. This water nymph holds the junior spring board national swimming title and is a fast swimmer.

FIRST OPEN AIR BAND CONCERT THIS EVENING

Programme for First of Weekly Band
Concerts, Weather, of Course
Permitting.

The first of the open air band concerts for this season will be held this (Thursday) evening at the band stand on Spruce street, near the station, weather, of course, permitting. It has been usual in recent years to start the open air band concerts on the first Thursday in June, and this plan is being followed this season. According to a specially good programme of band music may be expected this evening unless rain or cold prevents. The following is the programme to be given this evening by the band:—
March, "Washington Greys."
Selection, "William Tell."
Cornet Solo, "The Merry-Go-Round," by Bandmaster F. J. Wolno.

Waltz, "Cornflowers and Poppies."
Fantasia, "A Hunting Scene."
Fox Trot, "Hanky Panky."
Selection, "Sounds From England."

March, "The King's Highway."
Last year the open air band concerts proved specially popular and were very largely attended, large groups of people enjoying the good music provided by Timmins Citizens' Band.

PENINSULAR REPORTED AS RE-OPENING IN JULY

Increases Interest in the Ronocco
Mines Where Good Results are
Obtaining.

It is reported that the Nighthawk Peninsular Mines will re-open next month, and this naturally increases the interest in all the properties in the Night Hawk Lake section, and especially in the Ronocco Mines property where active work has been in progress for some time. The closing of the Peninsular property has been a drawback to the area, though those on the inside maintain that the closing was not due to lack of good ore or even to lack of money, there being even now a good sum in the treasury. With the Peninsular once again in motion, the Ronocco should win very increased interest. Even as it is, the Ronocco deserves very material attention on the results achieved. Steady work has been in progress for some time past and results have been reported as most satisfactory. Four zones of ore forty to a hundred feet wide and very rich have been uncovered. It is said that in these zones gold can be panned nearly anywhere. The surface work, trenching and stripping, etc., have been about completed, and attention is now being given to getting the roads in shape for taking in the drills. The Ronocco plans now to do considerable diamond drilling, after which it is the intention to sink a shaft. Some very rich leads have been uncovered in the work done so far, and all concerned are more than hopeful for the future of the property. Those who have been keeping in close touch with the Ronocco are confident that it will develop into a big mining property.

CAR FROM FLORIDA CAME HERE BY ROAD ON MONDAY

Found Some Parts of Road in Very
Bad Shape. First Car From
Toronto Last Week.

There was a car here this week that came by road right through from Florida. It was a Chevrolet coupe, and has been on tour for three months, making the trip north by easy stages. The Florida car reached here shortly after four on Monday afternoon and left on Tuesday morning for the south again. The party from Florida were greatly impressed with the North Land. They found it a most interesting country, chiefly because it was so different from Florida, though they found the weather not so much behind the weather in some parts of Florida at this time of year. The roads were reported as not so bad in some places and not so good in some other places. A strip not far from Golden City was considered about as bad as any. On more than one occasion the car had to be towed out of bad spots, but the driver claimed that if the Chevrolet wouldn't take a bad spot there would not be many other cars that would. Along the Ferguson highway and on the road from Porcupine Junction gangs of men are at work fixing up the bad spots on the road and making a good job of it, so the party from Florida intend to recommend others in the far south to take in this auto trip to the far north.

Last week a car from Toronto got through to Timmins after visiting Iroquois Falls. This car reports the journey as a difficult one and hard on a car and suggests that in a week or so with the repair work in progress it will much better. This car also had to pulled out of a couple of holes on the road from here to the Junction.

A couple of Iroquois Falls cars have made the trip in here, but found more than one spot difficult to navigate. All seem to agree that in a few days, however, the roads will be in fair shape and generally good going.

TIMMINS DROPS OUT OF TEMISKAMING BASEBALL

Game Yesterday at Schumacher Re-
placed by Exhibition Game with
South Porcupine

Yesterday afternoon in an exhibition game of baseball South Porcupine defeated the McIntyre Baseball team by a score of 14-12.

The regular scheduled match for the day was between Timmins and South Porcupine but Timmins having dropped from the league, an exhibition game was arranged for.

Timmins dropping out leaves two teams in the northern group of the N.O.B.A., South Porcupine and the McIntyre, and the schedule will have to be re-arranged, the previous schedule being drawn up to allow for the three teams which entered.

LANCS LOSE TO THE DOME IN LAST NIGHT'S P.D.F.L.

In a scheduled P.D.F.L. league game the Lanes lost to the Dome by a score 2-0 last night. The game was played at the Dome grounds and was keenly contested all through. The Dome team played a good combination game in the first half, and Richmond scored both goals. The Lanes played a hard game in the second half but could not get the ball past Jemmett who was in good form. Leonard in the Lane's goal also played well. A good crowd was on hand and witnessed a real good game of speedy football. A. Cadman, referee.

ENFORCING BY-LAW RE DOGS RUNNING AT LARGE.

As will be noted by the notice published in another column, following the discussion at a recent meeting of the town council, the police have been instructed to enforce the dog by-law, which prohibits dogs from being at large in town. Owners of dogs that are valued as pets, or otherwise should make a special note of this, so as to avoid losing their dogs or incurring expense in redeeming them if found at large.

TWENTY-SEVEN LEAVING ON TOUR TO OLD COUNTRY.

Twenty-seven people are leaving Timmins to-day on Mr. Percy Yonlton's personally conducted tour to the Old Country. The party will sail on Friday of this week from Montreal on the handsome Cunard liner, Ascania, for Plymouth, England. The return trip will be from Southampton on July 21st, by the Ascania. The trip is sure to be a pleasant one, the party all being from Timmins and large enough for variety of interests, while select enough to assure good company on the tour.

(Mayor E. L. Longmore is on a trip to Toronto and other points south this week.)
