

R. DYE SPEAKS ON FARMS AND VALUE OF PRODUCE

Interesting Address Given on Monday at Kiwanis Luncheon. Address Much Appreciated.

Mr. R. Dye was the speaker at the luncheon of the Kiwanis Club on Monday at the Empire hotel, and the subject he selected gives further evidence of his versatility. Mr. Dye spoke on farming, and gave particular attention to the relationship that exists between the value set on farms, and the prices expected for farm produce. The speaker was able to discuss the subject from the standpoint of an ex-farmer, having in his youth spent a number of years on the farm, both as a resident and as "the hired man."

Mr. Dye pointed out that the present lack of prosperity of many farmers was due in great measure to an over-capitalization of their farms—that many farms were valued too highly to make profitable the raising on them of farm produce at the prices which this produce commands in the open market. In the course of his address, Mr. Dye stated that farmers often, and, perhaps, usually, go the wrong way about it when appraising the value of their farms and determining the relation which exists between the price of farm lands and the price of farm produce. In this connection it was shown that farm land goes up in price because farm products go up in price. It can never be reasonably expected, as many farmers do expect, to receive high price for farm products simply because those products come from farm lands to which a high, though unsound valuation has been assigned. Mr. Dye made it plain that the problems of the farmer are the problems of the farmer are the essential industry, and to the activities of the farm we owe perhaps more of the progress of the race than to any other industry.

In the absence of the president, Mr. C. G. Keddie, who was on his way to attend the Kiwanis International at Seattle, and of the vice-president, Mr. W. S. Jamieson, the chair was taken by Mr. Dye, who is one of the past presidents of the local Kiwanis.

The visitors for the day were Mr. E. W. Klotz, of Toronto and Mr. T. H. Blodgett, of Janesville, Wisconsin. Reference was made at the meeting to the All-Kiwanis Night to be held here on Monday evening next. As will be noted by the references elsewhere in this issue, this is to be a ladies' night and will be a noteworthy affair. Mr. V. Woodbury is looking after the programme, which will be a specially attractive one.

CONTRACT FOR SHAFT ON MALROBIC HAS BEEN LET.

W. B. Airth, B. Sc., in charge of mining operations on the Malrobie Mines in Malartic township, Quebec, advises that the contract has been let for sinking the central shaft to 500 feet, and that the necessary machinery and equipment recently purchased are now on the property and work will commence at once. A gang of men are actively on completion of the camp buildings and doing surface development work. The recent public offering of shares in this company by a local financial source has met with splendid response.

The Lancashire Football Club will hold a dance in the Hollinger Recreation hall on Thursday, June 21st. Novelty on the programme.

TROPHY COMPETITIONS FOR TIMMINS GOLF CLUB

Weather Interferes with Events. Lady Members of Golf Club Holding Luncheon Tomorrow.

Due to the heavy rains last Saturday afternoon the opening round of the Geo. Lake Shield was not played at the Timmins Golf Club, and will be played this Saturday afternoon, starting at 1.30 sharp.

The Geo. Lake Shield is for annual competition, 72 holes medal play, the best score for the 72 holes being awarded the shield for the year. This is the first of the trophy competitions this year for the Timmins Club, and will be followed later in the summer with the Golf Club trophy competition.

Tomorrow afternoon the lady members of the Timmins Golf Club are holding a luncheon, and it is expected that the matches arranged will be in the nature of a Hidden Ball Competition.

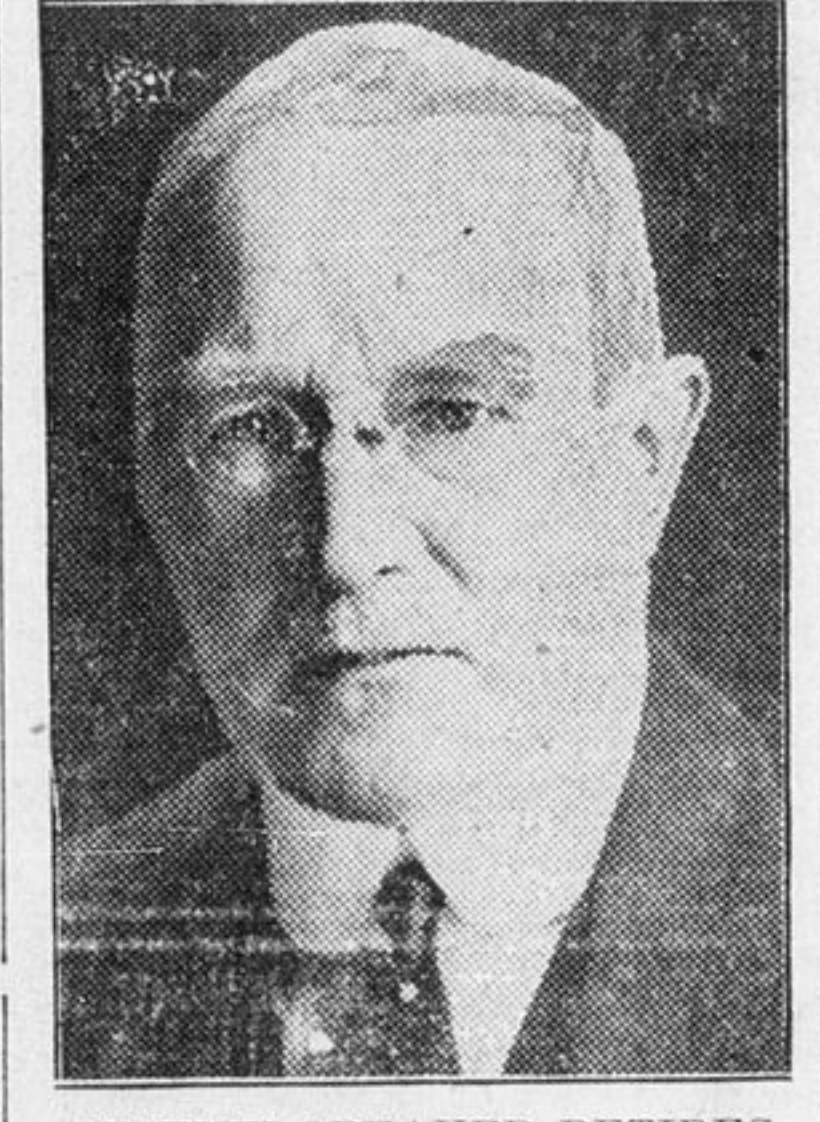

OPENING JUNIOR BALL GAME WAS POSTPONED

Wet Grounds Prevented Match Scheduled at South Porcupine Last Night.

The opening game in the Junior baseball series, which was to have been played in South Porcupine last night, was postponed through wet grounds, and at the time of going to press there was no definite information as to whether the postponed game would be played this week or not.

The first league game in Timmins will be played next Wednesday afternoon between the local Juniors and South Porcupine. This will also be the first league game if the postponed one is not played before.

Mr. and Mrs. R. M. Somerville and little son, of Winnipeg, Man., spent the week and week-end here the guests of Mr. Somerville's sister, Mrs. W. H. Pritchard, 19 Hemlock street.

BRITISH SPEAKER RETIRES

John H. Whitley, Speaker of the British House of Commons, has intimated that he has decided to ask the Commons on June 18 to allow him to retire from the chair at the close of the next day's sitting. Mr. Whitley, who is 62 years old, has been in poor health for the past year.

Estimates Passed on Public Works to be Done This Year

Roadwork, Etc., Totals \$16,566; Wood Walks, \$1235; Cement Walks, \$6620. Annexation of Part of Tisdale Passed on by Council. Other Council Business.

At the regular meeting of the town council on Monday afternoon, Mayor Longmore was in the chair, and Councillors A. G. Carson, W. H. Pritchard, Geo. S. Drew, P. Dougall, R. Richardson and C. P. Ramsay present.

Much of the time of the meeting was taken up with consideration of the estimates of the public works committee. The council recently made the annual inspection of the town to see what roadwork, new walks, etc., were required. The chairman of the public works committee, Councillor Pritchard, had a list of the public work suggested for the year and each item was carefully considered. Any work that was not considered absolutely necessary was struck from the list in the interests of economy. The following is the revised list of work to be undertaken this year:

- Spruce street, south of Kirby avenue, sump and culvert.
- Ogden avenue, west of Pine street, ditch and culvert.
- Maple street, First avenue to Kirby, fill and grading.
- Elm street, First avenue to Kirby, fill and grading.
- Preston street, at Middleton avenue, culvert.
- Preston, Wilson to Bannerman, grading.
- Bannerman, Preston to Rea, grading.
- Rea, at Bannerman avenue, culvert.
- Rea, Middleton to Commercial, grading.
- Wilcox, Wilson to Main, gravel and grading.
- Fogg street, Main to Commercial, graveling.
- Main avenue, Preston to Rea, grade and gravel.
- Rea street, Wilson to Hollinger, graveling.
- Charles street, Hollinger Lane to Second, grade and gravel.
- Avenue Road, Wilson to Power Line, grade and gravel.
- Rea street, Borden to Laurier, grade and gravel.
- Rea street, north end, culvert.
- Preston street, at Hollinger Lane, culvert.
- Elm street, Fourth avenue, to Fifth, graveling.
- Fifth avenue, Birch to Maple, fill and grade.
- Tamarack street, north end, three culverts and grading.
- Birch street, Third to Fifth, gravel and grade.
- First avenue, Birch to Maple, fill and grade.
- Mountjoy street, at Second avenue, ditch and grade.
- First avenue, Spruce to Pine, fill and grade.
- Lake Shore Road, James avenue to Hill, grade.
- James avenue, Toke to T. & N. O. scarifying and grading.
- Toke street, James to Rochester, grade and gravel.
- Pine street, Fourth to Fifth, fill and grade.
- Spruce, Pine, Cedar, Balsam, Birch, Maple and Elm streets, gravel and grade.
- Maple street, Second to First, scarifying and grading.
- Playgrounds, Balsam to Birch, grading etc.
- Gillies street, Wilson avenue, southerly, guard rail and filling.

- Material—800 feet 12 inch culvert, 400 feet 15 inch culvert pipe, \$1500.00
- Miscellaneous repairs, etc., \$4,000.00
- Snow removal and ploughing, \$3,000
- Second avenue, Spruce to Mountjoy, re-surfacing, \$500.00.
- Pine street, Second to Ogden, re-surfacing, \$700.00.
- Snow boxes for hauling snow, 6 only, \$500.00.

HUFF APPEAL CASE AT COCHRANE ON FRIDAY.

The appeal of W. Huff from the conviction registered in police court here some months ago will be heard by Judge Caron at Cochrane on Friday of this week, June 15th. The case was scheduled for Tuesday, but was laid over until the jury cases were heard. Several from Timmins are in Cochrane this week on the jury. The Huff appeal is from a sentence of one year's imprisonment given on a charge under the Juvenile Delinquency Act. At the police court here some months ago, Huff was accused of immorality in connection with two girls who were at the Shelter where the Children's Aid was attempting to better them. Huff was found guilty and sentenced but gave notice of the appeal.

Mr. C. G. Keddie, president of the Kiwanis Club, Timmins, left this week for Seattle to attend the annual International Convention of Kiwanis being held there.

Concrete walks extended to curb, \$260.00.

Wende avenue, Mountjoy to Preston, grading.

One car calcium chloride, \$750.00.

Cost of gravel for street work, at 25c. per load, \$666.00.

Total estimated cost of work for the year, \$13,566.00, for roadwork, etc.

Wood Walks, Bannerman avenue, north side, Preston to Rea; Fifth avenue, south side, Balsam to Maple; Fifth avenue, north side, Birch, 200 feet west; Elm street, east side, Fourth to rock south of Fifth avenue; Wilcox, west side, Wilson to Hollinger Lane; Elm street, east side, Sixth southerly 300 feet. Total estimated cost of wood walks, \$1235.00.

Concrete walks—Middleton avenue, north side of Mountjoy to Preston; Bannerman avenue, south side, Mountjoy to Preston; Pine street, east side, Second avenue to First; Spruce east side, Kirby to Kimberly; Spruce west side, Kirby to Tisdale; Kimberly avenue, south side, Spruce to Pine. Total estimated cost of cement walks, \$6620.00.

Mayor Longmore reported to council that he had interviewed the department in Toronto relative to the plans for the disposal plant, the plans being accepted as satisfactory. Authority was given for the payment of accounts.

Mr. Raiche asked for the adjournment of three appeals to the court of revision as he would be in Cochrane at court there on Tuesday, the day set for the court of revision. Council agreed that the cases might be held over as Mr. Raiche wished, but pointed out that a lawyer was not necessary in a case where it was only a matter of presenting proof as to whether a householder or not as to what school support was desired to be given.

The resolution in regard to the annexation of part of Tisdale to the town was formally passed by council. Some time ago Tisdale and Timmins had agreed on the terms of this annexation, Timmins to assume the remaining part of the capital debt of the particular section and to take over any assets.

Councillor Drew submitted his report for the finance committee in regard to the rebate asked on the Reid block for vacancy of part of the premises during part of the year. Mr. Drew figured the rebate should be \$118.50, and this was agreed to by council.

The proposed public works were then considered. There was discussion as to whether oil or calcium chloride would be the best for keeping down the dust on the streets. Eventually it was decided to secure a car of calcium chloride. The car will contain 18 to 20 tons, cost \$37.50 per ton, and be sufficient for the season. In case of wet weather the calcium chloride may be stored, while there were no facilities to store the oil.

In regard to keeping open the road to the Paymaster and other mines, the council felt it was doing its share in offering to provide the machinery. It was a matter that the Board of Trade might take up. The mines would pay part of the cost, it was believed. The road would bring business here no doubt, but it was not a matter that affected all the citizens financially. The keeping open of the road to the cemetery in the winter time was also discussed. Town Engineer MacLean suggested that keeping open two roads might help, as the men teaming wood, etc., found the regular road unsuitable, the sleighs being liable to slew on the closely ploughed road.

There was also discussion on some proposed new water lines.

BLEACHERS MAY BE BUILT FOR THE SOFTBALL GAMES

If Interest Continues as at Present This Accommodation May be Made for Crowds.

The Softball Association is considering the erection of bleachers to accommodate the crowds turning out to the schedule games here. Softball has proved very popular here and interest is very keen in the matches. There are good crowds turning out to the features and if this interest continues, the Softball Association will put up bleachers. With senior baseball out in Timmins for the present, interest in the softball has increased. The game deserves the heartiest support, being conducted on a fine basis and being excellent sport, both to play and to watch. If the fans continue their support of the softball, they will enjoy a lot of first-class sport and in addition they will also soon be accommodated with bleachers for their comfort during the games.

BOARD OF TRADE MEETING TO BE HELD THIS EVENING

Many Questions of Importance, and a Particularly Large Attendance Desired.

A meeting of the Timmins Board of Trade is called for this evening (Thursday) in the town hall, commencing at 8 p.m. There are a number of important questions to be dealt with, and President W. O. Langdon asks for a particularly large attendance. The parking by-law, the tourists' camp and other pressing matters will be on the programme for the evening. At the last meeting of the Board of Trade there was a good attendance and much progress was made. The meeting was a decidedly encouraging one to all concerned. The meeting this evening should be even more helpful to the town, and all good citizens are urged to lend their help. The Board of Trade can help the town in many ways, and for this all that is necessary is the co-operation of the people in general.

CHAIRMAN OF WHEAT CONFERENCE

Colin H. Burnell, President of the Manitoba Wheat Pool, who is Chairman of the third International Wheat Pool Conference, at present in session at Regina.

BOY SCOUT FIELD DAY AT SOUTH PORCUPINE, JULY 2

Remarkably Attractive Programme for Big Day at South Porcupine on July 2nd

The public throughout the camp should give special attention to the field day to be given by the Boy Scouts at South Porcupine on Monday, July 2nd. The Boy Scouts give a splendid public service in the encouraging of boys to the highest type of citizenship. The independence and the high aims and ideals of the Boy Scouts movement deserve the greatest encouragement from all. On the other hand the Boys Scouts field day at South Porcupine on July 2nd should make particular appeal on the merits of the programme itself. Indeed, the programme itself speaks for itself. Here it is:—

- Morning, 9 o'clock—Flag break. Address.
- 9.15 a.m.—Parade.
- 9.30 a.m.—Athletics—Sprints, 50 yds., 100 yds., 220 yds., 440 yds.; 1/2 mile; 1 mile, Scouts relay race, 4-man teams; fun races, obstacle, sack, 3-legged. Jumping, high jump, classed; pole vault; broad jump, standing and running; hop, step and jump, standing and running. Shot put.
- 11 a.m.—Softball game between South Porcupine and another troop.
- Afternoon, 2 o'clock—Water sports; speed races, 25, 50 and 100 yds.; distance 1/2 mile or 500 yds.; underwater swimming; rescue methods; high diving; canoe races, 100 yds, single and double; 1/2 mile, righting upset canoes; tilting tournament.
- 3.30 p.m.—Scouteraft competitions; signalling, fire lighting (friction), tent raising, knotting, first aid.
- 5.30—Supper, to be served by South Porcupine Mothers' Auxiliary.
- 7.30 p.m.—Entertainment by South Porcupine Scouts. Camp-fire.

MR. A. G. CARSON NAMED AS NEW C.A.S. SUPERINTENDENT

At a meeting of the Cochrane District C.A.S. executive last night, Mr. A. G. Carson was named as the new local superintendent to succeed Mr. R. LeHeup, who has resigned to go south to enter business there. The resignation of Mr. LeHeup was received with the greatest regret as he has proved an ideal man for the work and both as superintendent of the work at Haileybury and here has given the most talented and unselfish service. The difficulty of filling his pace was recognized as soon as his resignation was received, but in Mr. Carson it is felt that another ideal man has been secured. Mr. Carson, who has taken much interest in C. A. S. work for some time past is well known and highly-esteemed throughout the district. He was one of the town councillors last year and this year was re-elected by acclamation. As D.D.G.M. of the I.O.O.F. he travelled through the Cochrane district and made friends in all the leading towns. It is expected that he will take up his new duties at once, dropping his business connection here.

Mr. W. S. Jamieson, manager of the Bank of Nova Scotia, is on a visit to the South where he attended the annual gathering of the managers of the bank. While in the South, Mr. Jamieson upheld the credit of the Timmins Golf Club by taking third place for the best number of puts in the golf tournament at Thornhill golf course.

Schedule of Temiskaming Baseball League Revised

Changes Made in Schedule on Account of the Dropping Out of Timmins Team. Only Two Teams Now in the Northern Group. Good Ball Assured from These Two Teams.

Owing to the fact that the Timmins Baseball team has found it necessary to withdraw from the Temiskaming Baseball League series, the schedule of games for the northern group, as published in The Advance two weeks ago, has had to be revised. Now there are only two teams in the northern group,—McIntyre, of Selma, and the South Porcupine team. Both these teams are classy aggregations with clever baseball talent, and being evenly matched a very interesting series of contests may be expected. Baseball fans in this district believe that they are going to see a lot of good ball this summer and that the Temiskaming League series will be keenly contested in this northern group, which will mean good stuff from the standpoint of the spectators. There is general regret that Timmins should have had to drop out of the league but the hope is now that the northern group will provide first-class baseball for the season for the district.

- The following is the revised schedule for the Temiskaming Baseball League, northern group. All games called for 5.15 p.m.
- June 13—So. Porcupine at McIntyre.
- June 20—McIntyre at So. Porcupine.
- June 25—So. Porcupine at McIntyre.
- June 27—McIntyre at So. Porcupine.
- July 4—So. Porcupine at McIntyre.
- July 9—McIntyre at So. Porcupine.
- July 11—So. Porcupine at McIntyre.
- July 16—So. Porcupine at McIntyre.
- July 18—McIntyre at So. Porcupine.
- July 23—McIntyre at So. Porcupine.
- July 25—So. Porcupine at McIntyre.
- Aug. 1—McIntyre at So. Porcupine.

LEGION DANCE TUESDAY MOST ENJOYABLE EVENT.

The dance on Tuesday evening of this week under the auspices of the Canadian Legion was one of the best of the season. The McIntyre hall was well-filled for the occasion, there being a good crowd and all finding the evening a delightful one. Tommy Stephens and his orchestra furnished classy music and lots of it. The Ladies' Auxiliary served a delicious lunch, under the supervision of Mrs. McLaughlan, Mrs. D. Maxwell and Mrs. Shragge. The lunch was an extra special and was much appreciated. The waltz winners were Mr. Bennett and sister. The foxtrot winners were Mr. T. Young and Mrs. Gray.

Capt. Patterson, of the Haileybury Salvation Army, renewed acquaintances here this week. As Lieut. Patterson he spent some years in Timmins and made many friends who were pleased to see him again. He is being transferred to the South this year.

Kiwanis in Continent-Wide Observance of Convention

Timmins Kiwanis to Meet Simultaneously With 1700 Other Kiwanis Clubs on Monday Evening Next. Vocal and Instrumental Numbers in Addition to International Programme at Dinner Dance.

Timmins Kiwanis and their ladies will observe All-Kiwanis Night at the Empire hotel, main dining hall, on Monday evening next, June 18th, commencing at 7.30 p.m. There will be a hundred present at the event. The wives of the Kiwanis, better known to the public as the Kiwanees, will be the guests of the evening.

Joining with the 1700 Kiwanis clubs all over the Dominion of Canada and the United States, all of which will meet simultaneously, the Kiwanis club of Timmins will observe "All-Kiwanis Night" in convention of Seattle. The meetings throughout Canada and the United States are to be observed as a united expression of tribute to the fellowship and accomplishment of the organization.

All clubs have arranged the time of their meetings so that the "Zero Hour," when 100,000 Kiwanians on the continent assemble to observe the "Fellowship Moment of Silence," will be held simultaneously with that in the convention city. The message to the clubs by the president of Kiwanis, Henry C. Heinz, of Atlanta, Georgia,

will be read at Monday's meeting. This is the fifth time in the history of Kiwanis that such a meeting will be held. At the Denver, Saint Paul, Montreal and Memphis conventions similar observances marked the opening activities.

Kiwanian Charles Keddie and Chip Ball from the Timmins club are delegates to the convention, and President Keddie of the local club will send telegraphic messages from Seattle to the meeting on Monday night. The "All-Kiwanis Night" programme at the convention's opening will be broadcast from Seattle over KFOA and other stations.

The Timmins Club programme takes on the entire programme as proposed by Kiwanis International—the "Zero Hour," 11.15 p.m., local time, will be arranged to follow exactly the programme of the convention as well. In addition to the programme as proposed by Kiwanis International there will be vocal and instrumental numbers and dancing between the banquet courses. The banquet will start at 7.30 p.m.
