CORNISH AND McINTYRE TIE IN P.D.F.L. FEATURE

After Nice Clean Game the Score in Football Schedule Match Stands 2 to 2.

The Cornish and McIntyre divided the spoils in Tuesday night's P.D.F.L. feature, the score being 2-2.

The Cornish were leading up to thirty seconds from time, when the McIntyre put on an extra spurt and with a first-time shot scored the equalizer.

The Cornish had a big chance to increase their lead five minutes before the McIntyre drew with them. The Cornish came down in nice combination and beat the backs, and Taylor, who was right in on the goal, got over-anxious when he received a pass and shot wide.

The match was slow in the first half and fast in the second. The ball no doubt was to blame for the dead spots, for it had to be changed no less than six times. The Holly Rees, kindly lent their ball to finish up the match with.

The match was up to the standard set by the P.D.F.L. this season, being clean, speedy and interesting.

OPENING LEAGUE GAME TEMISKAMING BASEBALL

McIntyre Won From South Porcupine in Lively Ball, score Being 7 to 2.

The opening game in the Northern group of the Temiskaming Baseball League was played at Schumacher yesterday (Wednesday) and proved an interesting feature. McIntyre and South Porcupine teams tried conclusions and put up some good ball for the first game of the season. The fans felt that when the teams get going there will be some classy baseball. In view of the weather there was a good crowd out and the district senior baseball promises not only to be good but to receive good support.

In the opening game the battery for South Porcupine was—Hill, Gilmore, Holmes. For McIntyre the battery was—Hackett and Fitzjohn. McIntyre won the opening feature, the score being 7 to 2. McIntyre says they have set a standard by this opening game and that they will keep on winning. South Porcupine, however, promises to do some showing at the next game having good talent and lots of it in the baseball line.

ANNIVERSARY SERVICES AT THE SALVATION ARMY.

The anniversary services at the Timmins Salvation Army over the week-end proved intensely interesting and inspiring and drew good crowds. Major Cameron, of North Bay, and the six visiting officers from neighbouring towns in the North Land assisted Ensign Bond and the local staff in the services. Among the visiting officers was Capt. Patterson, formerly Lieutenant here, who was warmly welcomed back by old friends in town. A feature of the services was the reading of messages from all the former officers at Timmins, now all many miles away from Timmins.

URGED RAILWAYS PAY MUNICIPAL TAXATION

Mr. J. A. Bradette Makes Able Presentation of Case to House of Commons Last Week.

In the House of Commons last week Mr. J. A. Bradette, M.P., during the debate on the vote of \$39,000,000 as a loan to the Canadian National Railways, took occasion to urge that the railways should be subject to municipal taxation in Northern Ontario.

Mr. Bradette reviewed the taking over of the Grand Trunk Pacific Railway, and pointed out that under the present plan part of the Government Railways appeared to be taxable for municipal purposes and part exempt. Mr. Bradette said in part:—

"It is hard for a layman to understand why 80 per cent. of the system should be taxable while the other portion is not taxed. We maintain that that principle should be generalized, and there is an absolute necessity at the present time that this question should be solved for all time.

"I understand that the house has in the past dealt with very serious problems and has always dealt with them successfully. We in Northern Ontario very seldom ask anything from any government; but if you look at a map of Canada you will see that we are really central Canada. We are not the east and we are not the west, but we are bridging the gap between the two sections of the country. It has often been said in the house and in the press that Canada is strong at its extremities and weak at its centre. We are strengthening the centre; we are bridging the gap between east and west; we always take keen interest in national matters, and we do not see why we should not receive the same consideration as the rest of the people are getting in connection with public utilities. When I mention public utilities I do not want to discriminate in any way whatsoever, and I hope representatives in every corner of the House will understand me when I say that I am in full sympathy with the development of hydro-electric in connection with industrial, commercial and farming operations and developments. . . . We in Northern Ontario do not expect to get any hydro development owing to the fact that the Government has seen fit, and I believe rightly under the circumstances, to give 80 per cent. of the hydro-electric power to private competitors, are satisfied with the situation, but we want to have your sympathy in a problem which interests really not only Northern Ontario but Canada as a whole. It also interests new Ontario and new Quebec. We have been playing the game with every section of the country and I hope on this occasion, now that the matter has been brought before the house, that the house will see fit to deal sympathetically with us.

"Two or three years ago, if I am not mistaken, the sum of \$75,000 was offered to the Premier of Ontario in the way of a grant or bonus in lieu of taxes payable by the Canadian National Railways. Mr. Ferguson is a true friend of the North and although we do not belong to the same political faith, we are great friends because we are both working for the development of that section of the country. For some reasons, best known to himself, he turned that offer down. We believe he did so for three reasons, the first one, which might be a logical one, being that the offer was too low. The second one, which might be at the root of the difficulty we have to encounter, was the fact that if he accepted that sum to be distributed in respect of the Canadian National railway system, by that fact he would establish a principle of taxation in respect of provincial railway, the Temiskaming and Northern Ontario. I believe he was right in that regard, because the principles or policies of taxation of public utilities should emanate from Ottawa so that we may know exactly how taxation will be applied and generalized so that we would not be characterized by the hit-and-miss system under which we are working at the present time. After further investigation in this matter, I heard that the premier of the province turned down that \$75,000 because he did not see his way clear to distribute it. But our municipalities along the line of the National Transcontinental in that section are perfectly equipped; we have the necessary machinery to accept that money and to distribute it. I heard on other occasions that perhaps there would be friction on account of the distribution of the money for school purposes. Again I repeat, we have the municipal organization to distribute the money fairly and justly in the different municipalities, to the public and separate school boards, and in this matter of tax distribution we never encountered any difficulties."

ATTRACTION EXHIBITION OF PAINTINGS SHOWN HERE.

Much interest is being shown by those who admire good art in the display of paintings in the King block, in the premises occupied by Mrs. Sutherland, dressmaker. The paintings are by Mrs. Grose and are interesting and attractive, showing many pleasing themes unusually well developed. Mrs. Grose has studied in Italy, Boston, and other art centres and the work displayed indicates much talent.

HUMANE SOCIETY DOING GOOD WORK IN TIMMINS.

The Timmins Humane Society continues to do good work in town, quietly but effectively, in the interests of "those who cannot speak for themselves." Mr. J. McKinnon, of the Timmins Fire Dept., is acting as officer on a voluntary basis but is doing all that can be done to see that animals are rightly used. During the past week five dogs were destroyed as well as one horse, to save the animals suffering, while a stable that was in bad condition was repaired through the attention of the officer.

Mountain Resort Acquires New Charms

1.—Alone in its world is the Banff Springs Hotel. 2.—An interior view of the new swimming pool built in the hotel.

Acknowledged by the most discriminating as the finest resort hotel on the American continent the Banff Springs Hotel, opened by the Canadian Pacific Railway Company on May 15, inaugurates a new era for visitors to the Rocky Mountains. This internationally famous center has been in process of rebuilding during the past two winter seasons and now stands complete, magnificent as to construction and furnishings and to compare as to beauty of surroundings.

The Banff Springs Hotel is so constructed as to blend in the beauty of its architecture, with the snow capped peaks of the mountain ranges. Built of native stone carried from the base of Mount Rundle and trimmed with Tyndal stone from Manitoba the building itself, complies with all the tenets of dignity and good taste.

The building of this great hotel or rather the rebuilding, has been going forward for several years, but the construction work has not interfered with the comfort of the summer guests. The work has been carried on during the winter months. Enormous wooden shells were erected and heated through-out with steam, and the work done with the same ease as if at the height of summer. It is interesting to note in this connection that this system of construction involved a monthly consumption of coal of more than 700 tons.

JULY 2 EVENT FEATURES EVENTS FOR THE KIDDIES

Parade in Morning of Special Interest. Burlesque Football. Many Novelties.

According to the tentative programme for the "Timmins Football Novelty Sports Day," to be held here on July 2nd, that day is to be a big one for the kiddies. The event is under the auspices of the Cornish, Holly Rees and Lancashire Football clubs.

The programme will include:—Parade of decorated bicycles, kiddie kars, scooters, kiddies' express wagons, etc.; prize for each class; parade to be led by Lanes. Prize Kazoo Band, which will be remembered as a big feature of the celebration last year.

Events at the ball park will include:—Approaching and putting contest, open to golf club members and others; slow bicycle race; kiddies' scooter race; pop, biscuit and whistle race (20 entries only); ladies' softball game; ladies' potato race; third the needle race; boot and stocking race; boys and girls' bicycle races; blindfold boxing; 1 mile relay race, open to all teams and athletic clubs in the district; kicking the football contest.

The day is to finish with a burlesque football match between J. Elrick's "L-for-Leathers and F. Utley's Shin-Shiners.

DANCE SATURDAY, JUNE 23, AUSPICES OF THE S. O. E.

Another pleasing event is announced by the recently-organized Sons of England lodge. This event is a dance to be held in the Hollinger hall on Saturday evening of next week, June 23rd, commencing at 8.30 p.m. Shone's orchestra will furnish the music for the occasion and refreshments will be served during the evening. The event is sure to be a very enjoyable one.

PALMER'S SHOWS HAD GOOD CROWD OPENING NIGHT.

Palmer's United Shows opened here on Tuesday night on their grounds in Moneta and drew a big crowd. Even the weather yesterday could not keep the crowds away and with good weather there will be big crowds. There are a large number of special attractions, an outstanding one being the high-jumping dog. This dog is generally looked upon as a wonder and more than worth "the price of the show," its acrobatic stunts being remarkable.

LUCKY TICKET AT SALE OF HOME COOKING, SATURDAY.

A sale of home cooking is announced for Saturday of this week, June 16th, in the vacant store in the Goldfields Hotel block, Pine street, under the auspices of the Altar Ladies' Society of the Church of the Nativity. This is an event that none should miss. With each purchase there will be given a lucky ticket, the winner to receive a cake free.

GENERAL WILLIAMS OF THE PROVINCIAL POLICE HERE

General Williams, head of the Provincial Police, was a visitor to Timmins this week, being accompanied by Inspector Walter Moore. Gen. Williams held a conference of all the provincial police officers at Cobalt on his visit north. One of the chief reasons for the visit was to assure himself that conditions in the North were not as recently painted by a couple of gentlemen who talked at length. Gen. Williams found conditions good, and law and order well-observed.

POULTRY ASSOCIATION'S ANNUAL MEETING FRIDAY

To-morrow evening (Friday) the annual meeting of the Porcupine Poultry and Pet Stock Association will be held in the town hall, commencing at 8 o'clock sharp. The reports for the year will be received and election of officers held for the ensuing year. The Poultry Association has been an unusually helpful organization and deserves the heartiest support. There should be a large attendance of all interested tomorrow night.

GOOD CROWD AT FIRST BAND CONCERT OF SEASON

There was a large turnout of citizens for the opening band concert of the season at the band stand on Thursday evening last. A good programme of excellent selections was well rendered by the band under the leadership of Bandmaster Wolno, the various selections being greatly enjoyed. The next open air band concert will be given, weather permitting, on Thursday evening, June 21st.
