HOLLY REES AND ARROWS WINNERS SOFTBALL GAMES

A.S.D. Lost by Four Runs in Their Game, Though Expected to Win.

The A.S.D., who were expected to win over Holly Rees in the softball this week, lost by four runs, the Holly Rees getting them in the first innings on 2 hits, 2 bases on balls, 2 errors and a sacrifice. Hackett was ineffective, walking 7, and was taken out in favour of Ravelle, who shut them out in the last two innings.

Art Moran led the Holly Rees, scoring these runs, though not getting one safe hit. Horne got the only home run of the game. Murphy fielded beautifully and looked easily the best of the A. S. D. Hackett was effective at bat and scored 2 runs.

Canadiens furnished very little opposition to the Arrows who got 4 runs in the first, which was enough to win, as Garner allowed only four hits, never more than one in an innings. Every one of the Arrows scored at least one run. Scully and Shaw were the only ones to go hitless, although each scored two runs. Alton starred in field and particularly at bat, getting on base four times and coming home each time. He got three hits, one of them being a home run, his second of the season. Doug. Brown surprised everybody by also getting a home run while Brisson got the only other home run of the game, to deep centre field. Godin, who pitched the Canadiens to their first two victories, refused to come out for the third game, and E. Laflamme, who was late getting out, spoiled any chances of Canadiens winning, but they are all confident of having them out for the next game.
