**CORNISH MINER DIES AT
DOME HOSPITAL MONDAY**

**Marlyn Udy, Employed at March Mine
Passes Away. Pneumonia the
Cause of Death**

Marlyn Udy, a Cornish miner employed at the March Gold Mines, passed away on Monday at the Dome hospital from pneumonia. The late Mr. Udy was taken suddenly ill and the management of the March Gold Mines had him taken at once to the Dome Mines hospital where all possible was done for him but all efforts and skill proved unavailing. A particularly sad feature of the death is the fact that the late Mr. Udy is survived by a widow and three children in far-off Cornwall, to whom the death will come as a great shock, the unfortunate man being ill only a very brief time. Funeral arrangements were made by the March Gold Mines, interment being made yesterday (Wednesday).

The late Mr. Udy was a native of St. Colomb, Cornwall, England, and at the time of death he was about 45 years of age. He had been employed only since last May at the March Gold Mines, but the officials gave him all possible attention and care during his very brief illness, and all possible was done to save his life. The late Mr. Udy was highly regarded by all who knew him and his death has been a general sorrow to all. The deepest sympathy of all goes out at this time to the bereaved widow and children, and to all other relatives and near friends in this sad and sudden death.

**RICH SPECIMENS FROM
THE GRIMSTON CLAIMS**

The Sudbury Star last week says: "Rich specimens of ore brought by Digby Grimston from his claims in Garrison township are reported to have caused considerable stir in Porcupine. Mr. Grimston has done a lot of work on the Garrison property in the last few years and friends are keenly interested in the news that at last he has made what appears to be an important strike. Garrison township is situated on the eastern extension of the Porcupine gold belt. Mr. Grimston reports that while sinking a small shaft on the property he ran into consistent values which further work showed to extend across the entire width of the shaft. The vein on which the work was being done has been traced for a distance of 300 feet."

**DUMBELLS TO REVISIT
TIMMINS IN OCTOBER**

**I.O.D.E. Secure Another Visit From
Famous Show in New Programme**

Capt. Plunkett's famous Dumbells, showing at Timmins last December under the auspices of the Timmins chapter of the Daughters of the Empire, made a big hit here and proved most popular. The entertainment provided was much appreciated. Accordingly, there will be general pleasure at the announcement that the I.O.D.E. has been able to arrange a return engagement here for the Dumbells in a new programme. Arrangements have been completed for the Dumbells to provide a two-night programme at the Goldfields theatre, Timmins on Friday and Saturday, Oct. 12th and 13th. The musical comedy offering by Capt. Plunkett's Dumbells for the occasion will be "Bubbling Over." The general opinion is that "Bubbling Over" is one of the very best yet and will prove especially popular. It includes good music, catchy songs, clever comedy and the best of acting and specialties. All who like good entertainment will make special note of the dates, October 12th and 13th.

**CAR SMASHED LAST WEEK
ON OLD T. & N.O. CROSSING**

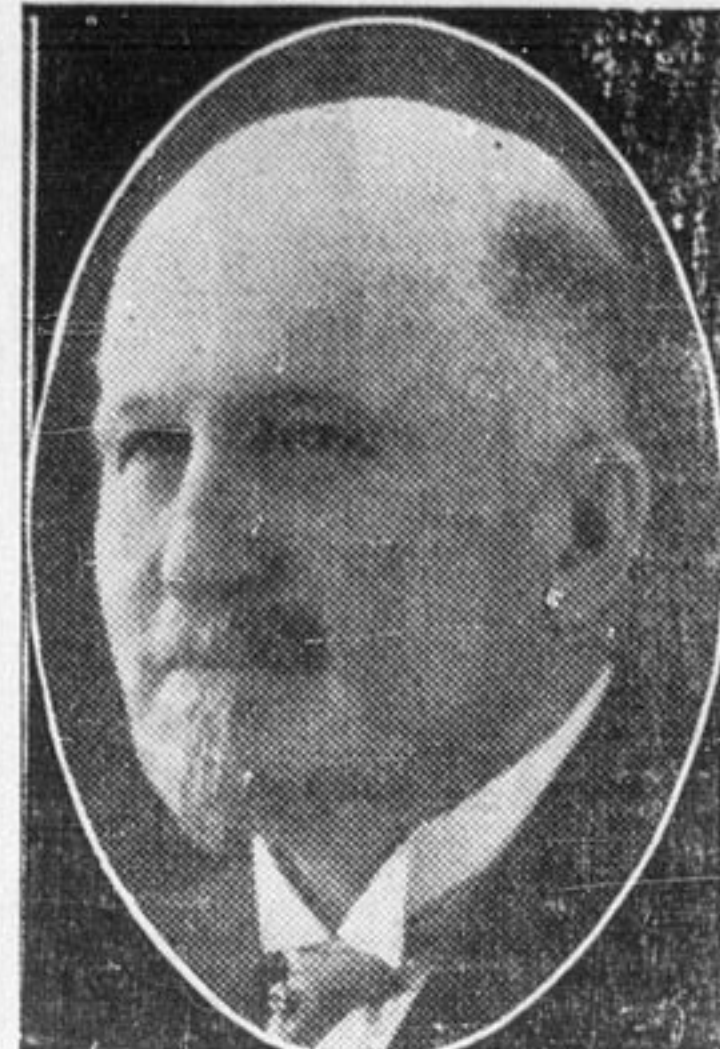

In attempting to negotiate an old crossing back of the Anglican church, Mr. A. Moran last week had an accident that raised Cain with old Henry Ford. There was not the necessary filling in the track for crossing purposes, the crossing not being in use, and when the front wheels of the car struck the rails they turned and eventually got caught on the track. All efforts to get the car off the track proved unavailing, and the car was abandoned for the time being. The T. & N.O. train No. 47 coming along soon, however, soon put the Ford off the track. The train was not injured but the Ford feels quite badly. This was the incident that gave rise to the rumour that there was a wreck on the T. & N.O. The wreck was that of a Ford. The cause of the accident might be summed up: the crossing was not a crossing; the car could not get off the track, and neither could be the Ford; and the auto is no longer a car; it's a Ford again.

**PRESENTATION MADE TO
BANDMASTER F. J. WOLNO**

**Band Holds Farewell Social at the
Hollinger Recreation Hall on Friday
Evening Last.**

The Timmins Citizens' Band held a social evening in the Hollinger Recreation hall on Friday evening last to give official farewell to Mr. F. J. Wolno who for nearly seven years has been the popular and capable leader of the band and who leaves this week for Montreal to reside. Mr. Wolno is taking a position with a large machinery and supply house in Montreal.

There were many of the members of the band present for the occasion as well as their ladies and a few invited guests. Mr. Wolno was presented by the band boys with a handsome Waltham gold watch with the inscription, "Presented to F. J. Wolno, Bandmaster, Timmins Citizens' Band, 1921-1928, by the members of the band, as a mark of appreciation and regard." The president, G. A. Macdonald, spoke of the value of Mr. Wolno's services to the band and how the band had been built up to one of the finest organizations of its kind in Northern Ontario. In point of continuous active existence it was the oldest band in the North and an asset to the town. The great part of the success of the band was due to the talent, the energy and the ability of Mr. Wolno. In addition Mr. Wolno had proved himself a first-class good citizen of the town and the regret at his departure was very general and sincere. All very heartily wished Mr. and Mrs. Wolno and family the very best that life could hold. On behalf of the members of the band, Mr. F. J. Hornby, the secretary, presented Mr. Wolno with the token of esteem. Mr. Wolno made appropriate reply, claiming that the success that had been achieved by the band was due to the talents and loyalty of the men in the organization. To the interest and effort and support they had given the band owes its growth and progress, he said. He asked that all give the new leader, Mr. A. Wilford, the same loyal and able support that had built up the band in the past. Mayor E. L. Longmore in a brief and effective address referred to the value of a band to a town and

HON. MR. MOTHERWELL
Minister of Agriculture for the Dominion, who will take part in the Dominion Beef Cattle Conference at Winnipeg on June 28th and 29th.

**TUXIS LOST TO THE A.S.D.
IN LAST WEEK'S SOFTBALL**

**Tuxis Outthit the A.S.D. But Couldn't
Get Their Hits Together.**

The A.S.D. chalked up their second win, easily defeating the Tuxis who were guilty of nine errors, all costly, as they gave the A.S.D. six runs. The Tuxis outthit the A.S.D., but couldn't get their hits together, not being able to get more than one run in an inning. H. Wallingford got three hits but did not field well. G. Ray also fumbled three easy chances. J. Roberts starred for the A.S.D., scoring three runs and fielding beautifully. In the fifth, with two out and two on bases, he robbed C. Elties of a home run. Running backwards and to his right, he pulled the ball down and caught it. Sloan and P. Murphy again fielded prettily.

the particular value of the Timmins Citizens' Band. He felt that the success of the band was due in large measure to the tact, the efforts and the gifts of Mr. Wolno. To Mr. and Mrs. Wolno all would very sincerely wish the best of success in life and there was general regret at the town losing such good and helpful citizens. Mr. A. Prout, for many years vice-president of the band, and one of the charter members of the organization, added some apt words of appreciation for the effective services of Mr. Wolno as leader of the band and as a valued citizen of the town. He urged the same loyal support to the new leader, and concluded with expressing the general hope for all success and prosperity for Mr. Wolno and family.

After the presentation a pleasant social evening was enjoyed by all. Through a misunderstanding the accompanist at the piano was not present, but impromptu music was provided by the requisition of the band leader's gramophone, while Mr. A. Bough also furnished some good dance music at the piano for a dance or two. Mr. Morgan also favoured the gathering with a well-rendered solo, given in fine voice, and much appreciated.
