

Schumacher Baseball Player Breaks Bone in Ankle in Game

Eddie Angrignon Meets With Unlucky Accident in Match at Schumacher. Results of Football Matches During the Past Week. Other Schumacher News Items.

Schumacher, June 26th, 1928. Special to The Advance.

Mr. J. G. Harris, of Third avenue, arrived home on Saturday last after having attended Grand Lodge held in Toronto.

Mr. J. A. Bush, principal at the Schumacher Public School is at present in Cochrane for the Entrance examinations held there.

Several Schumacher people were fined last week for allowing their dogs to run at large. We have heard lots of howling since, both human and canine.

We note the success of many of our Schumacher students at the recent examinations held at the Timmins High School. This is very encouraging.

Mr. and Mrs. Davidson, of Ottawa, after an extended tour in the West, are at present in town visiting their son Mr. Fred Davidson, our local athlete.

Born to Mr. and Mrs. Ray Whitney of First avenue on June 27th—a boy. Congratulations.

Mrs. Harry and young son, William, who have been visiting friends in town, returned on Saturday last to their home in Detroit.

Mr. Tom Fisher, Second avenue, was the victim of a severe insect sting last week and had to receive medical attention.

Mrs. Sky, of First avenue, was taken suddenly ill on Sunday. The illness necessitated her being taken to the hospital where she is improving.

Mr. Eddie Angrignon, our local baseball player, had the misfortune to break a small bone in his ankle while playing baseball during the week-end. After being attended by Dr. Byers, he was removed to his home on Second avenue.

Two games were played in the local softball league last week. The first was Students vs. Town, the final score being Students 12, Town 7.

The second game, McIntyre vs. Firemen, was the most exciting seen on the ground this season, both teams being on top of their form. The game was thoroughly enjoyed by the spectators. Results, McIntyre 16, Firemen 15.

South Porcupine beat the McIntyre baseball team in both games which were played last week. The first game at South Porcupine, the home

club won 5-3 and at the McIntyre ground the result was 10-7 in favour of the visitors.

The McIntyre Football team travelled to Timmins to meet the Cornish in the 2nd round of the Boxer Cup on Saturday last, but the playing pitch was in such a deplorable state that football was out of the question. Referee Fred Jackson after inspecting the ground called the game off. Both teams were disappointed and it is to be hoped that the weather man will be on his best behaviour on June 28th when this fixture will be played.

The McIntyre are also in Timmins on Saturday, visiting the Lanes for league points. As the McIntyre have beaten this team twice this season they are hoping to accomplish the hat trick.

TUXIS AND ARROWS WIN AND LOSS IN SOFTBALL

Galbraith Scores Four Runs in One Game for Tuxis. Other Interesting Features

The Arrows defeated the Tuxis in an exciting game, in spite of some very bad fielding and umpiring.

The Tuxis opened the game with three runs while the Arrows started their half with six runs on six nice hits and the walk of W. Grant, who pitched miserably in the first innings compared to his past two games, although later settling down. He would possibly have blanked the Arrows for the rest of the game, as they scored all the remaining runs on errors and wild throws. F. Grant starred for the Tuxis with two hits and two walks in four times up, scoring three runs. Galbraith had two hits one a home run, and it was about the nicest one of the season. T. Stephens played nice ball for the Arrows and scored three runs. McIlargey again starred in centre field, making some nice catches. Two of them were juggling acts, chasing one half way round the field before holding it firmly.

In the other game against the A.S.D. who came out in new jerseys, and a changed infield which proved effective, as it was the smallest scoring

game of the season, Turner pitched the nicest game of the year, allowing only five hits, but six errors behind him cost the Arrows the game as the A.S.D. took advantage of all the breaks. Moore, with two hits and two runs, led the A.S.D., and fielded nicely, and with P. Hackett at first rounded out a sweet infield. The Arrows were without their two star players, O. Alton being laid up with a bad knee, hurt in the previous game, and D. Brown, who is out of town.

Tuxis won their first game of the season, at the expense of the lowly Power team, knocking out 10 hits, stealing 5 bases, and scoring 13 runs. The Power team equalled the Tuxis record of 8 errors in one game. G. Ray went into the box and starred, as he allowed only 6 hits, 5 of which were flies to centre field, C. Elties waking up in time to pick them up off the ground in front of him. Ray got a walk and three hits, one of them a triple, in four times up. Galbraith, up four times, scored four runs and was the first player in the league to cross the plate four times in one game.

HIGH-GRADE SAMPLES FROM RUN OF THE PRESS

Winnipeg Tribune:—The best form of government that can be devised will count for little if public opinion is weak, and if inefficient and self-seeking men are elected to operate it.

London (England) Punch:—Whatever may be the success of the trans-continental foot race, it will be generally conceded that the winners get a run for their money.

Indianapolis News:—It must be a good deal of a jolt to change all of a sudden from a university graduate to a mere guy looking for a job.

Toronto Telegram Want Advt.:—New 12-gauge single-barrel shot gun, used one day, for laying hens.
Purple Parrot (college magazine). All work and no play makes jack—and lots of it.

DECISION GIVEN IN CASE OF HOSPITAL ACCOUNT

Three Months' Bona Fide Residence Required Says Judge at Sudbury Court Last Week.

Municipalities throughout the North will be especially interested in the decision handed down by Judge Hewson in District Court at Sudbury last week in a case involving an hospital, an indigent patient and the liability of a municipality. Practically every town in the North Land has suffered more or less through indigents coming into the municipality about the time that they require hospital treatment, and then the unlucky town thus favoured by the indigent being mulcted for the costs of hospital treatment for the indigents. More than several times, as one man phrased it, the town of Timmins has been asked to pay accounts of this description. Recently it was announced that changes to the law had been made and the difficulties had been removed, leaving the municipalities in much better shape for fair usage. This part of the law was emphasized and upheld by the fact that Judge Hewson dismissed the action of the National Sanatorium Association (Muskoka Hospital for Consumptives) against the municipality of the Town of Sudbury. The plaintiffs, represented by McKessock & Wilkins, were suing the town of Sudbury for the support of an indigent person, John Heino, under the Hospitals and Charitable Institutions Act, G. E. Buchanan appeared for the defendant.

The only matter disputed was whether or not Heino was a resident of Sudbury, on the date he was admitted to the sanatorium. Evidence showed that Heino had been a lumber jobber operating east of Port Arthur for a number of years. When he came to Sudbury on Feb. 7th, 1927, he was in poor health. Dr. W. J. Cook testified that an examination had disclosed tuberculosis at the time and he had advised Heino to go to Gravenhurst. Instead, Heino went to the Finnish rest home at Naughton. He returned to Sudbury in May and except for a week at Long Lac in August had boarded at a cafe.

When consulted in September, Dr. G. Henry advised him to go to Gravenhurst and he was admitted on Sept. 27th and stayed there until his death in December. The Sanatorium claimed \$108 for the patient's maintenance.

For the plaintiff, E. D. Wilkins contended that by coming to Sudbury,

Heino had established his residence here and quoted a ruling by Mr. Justice Rose to the effect that a man of no fixed abode "has a residence wherever he hangs his hat." Mr. Buchanan referred to other precedents and claimed that the man coming to a municipality for treatment could not be considered a resident. In this, he was upheld by the court. In order to render the town liable, His Honour said that three months' actual residence would be necessary.

A man whose whole life had been spent in active business passed to the spirit world.

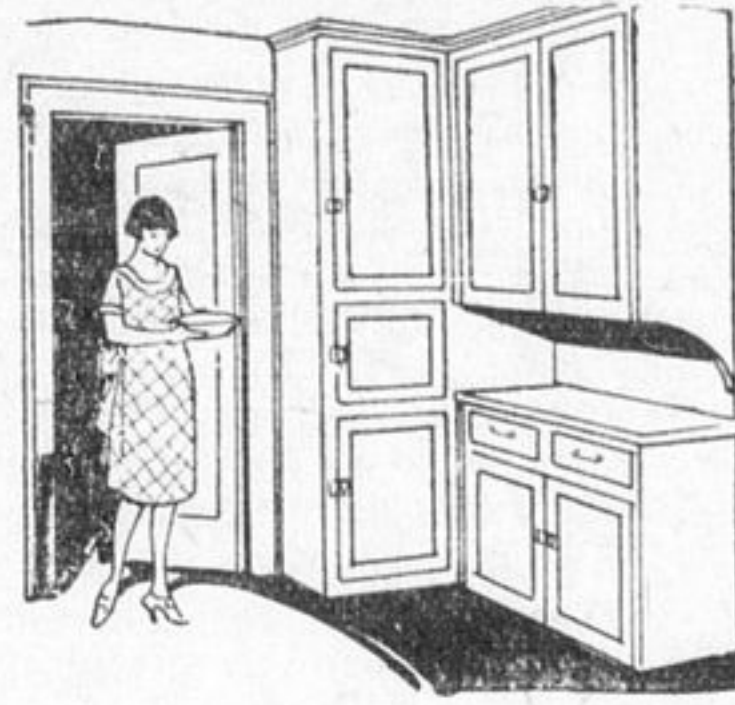

On arriving there he thought, "Now for some rest and perfect peace."

After quite a short time a spirit tapped him on the shoulder and said: "Excuse me, sir; you are wanted on the ouija board."
—Exchange.

NOTED SCREEN STARS IN THRILLING SEA DRAMA

A great screen triumvirate—Hobart Bosworth, Jacqueline Logan, and Richard Arlen—play the leading roles in Columbia Pictures' great drama of the sea, "The Blood Ship," at the Goldfields theatre on Friday and Saturday of this week. Mr. Bosworth's role offers greater opportunities than any he has yet essayed. Miss Logan is cast as his daughter, and sustains the romance with Richard Arlen. The picture is thrillingly realistic, and has its setting along the waterfront in San Francisco in the early '80's, and on board the old clipper ship "Bohemia," rechristened the "Golden Bough" for the purposes of the story. George B. Seitz directed.

Pleasure may come from play; joy comes from creative work—Glenn Frank.

WORK IN THE KITCHEN

is infinitely less tiring when cabinets and closets of the kind we design and manufacture are part of the kitchen equipment. With everything convenient and within easy reach, many steps are saved in the course of a day, and much energy conserved. We can install these labour and time saving improvements at small cost to you.
