

Special Gathering of the the Kiwanis Here Friday Night

Lieutenant-Governor of Kiwanis District as Well as Governor W. Mills Expected Here for Big Event This Week. Many from Here to Attend Presentation of Charter to Kirkland Lake.

Friday evening of this week, Aug. 3rd, the Kiwanis Club of Timmins will hold a special dinner in the grill room of the Empire hotel, commencing at 6.30 p.m. District Lieutenant-Governor W. Lewis, of Barrie, and District Governor W. Mills, of Kingston, are to be present, and in addition a crowd of the Kiwanis coming up to Kirkland Lake for the presentation of the charter to Kirkland Kiwanis will be here. The motored from the South will include Kiwanis members from all parts of Ontario who are motoring to Kirkland Lake for the charter night which is always a big event in Kiwanis clubs. The original intention was for the motored to proceed from Kirkland to Timmins and be here on Friday and Friday evening. The bad condition of parts of the road some weeks ago rather interfered with the plans, the general opinion a week or two ago

being that the motor trip at the end would not be practical. However, since then the roads have shown great improvement. Many cars have come through without difficulty and it is practically certain that many in the Kiwanis motored will continue on to Timmins and be here for Friday night. It is intended to visit all the Kiwanis clubs in the North. Even those who do not care to risk the roads will come on to Timmins by train. On the other hand a number from Timmins intend to motor down to Kirkland Lake to-day for the presentation of the charter to the Kirkland Lake club. Those who go down by motor will be able to post the motored on the condition of the roads and with the present good weather it is more than likely that there will be a large number come through to Timmins.

ODDFELLOWS' PICNIC ON CIVIC HOLIDAY AUG. 8TH

Fourteenth Annual Event to be Held at South Porcupine Ball Grounds Next Wednesday.

The annual picnic of the Oddfellows of Timmins and South Porcupine is announced as to be held at South Porcupine athletic grounds next Wednesday, Aug. 8th. This is civic holiday for Timmins and a regular half-holiday for the township of Tisdale, so there should be a big crowd out to enjoy the event. This is the fourteenth annual picnic and children's field day under the auspices of the Oddfellows and it is planned to make it the best yet. In former years everybody has taken in the I.O.O.F. picnic and everybody has enjoyed the happy time. In previous years the event was held at Wilson's Farm, Golden City, but this year this delightful spot could not be reserved on account of the crops on the property. At the invitation of the South Porcupine Lodge, the athletic grounds at South Porcupine will be used. Buses leave Timmins on the hour for South Porcupine, returning on the half-hour. This hourly service makes it very convenient to get to the picnic grounds. There is also the usual convenient train service on the T. & N. O. A big programme of sports has been prepared for the day. Special attention is always given at the I. O. O. F. picnics to events for the youngsters. There will be good prizes for all events. Races for children, 6 to 16 years, will be featured. Another special feature will be a softball game between Timmins and South Porcupine Oddfellows lodges. Tea and coffee will be served free, and there will be a refreshment booth on the grounds. Those attending the picnic should take their own dishes and whatever basket lunch they desire. It will prove a happy outing, especially for the youngsters, and everybody is welcome. In the evening there will be a dance in the I.O.O.F. hall, South Porcupine, to round off a perfect day.

Special notice is directed to the fact that individuals going on the picnic must take refreshments for themselves.

RETURNED MISSIONARY AT THE UNITED CHURCH

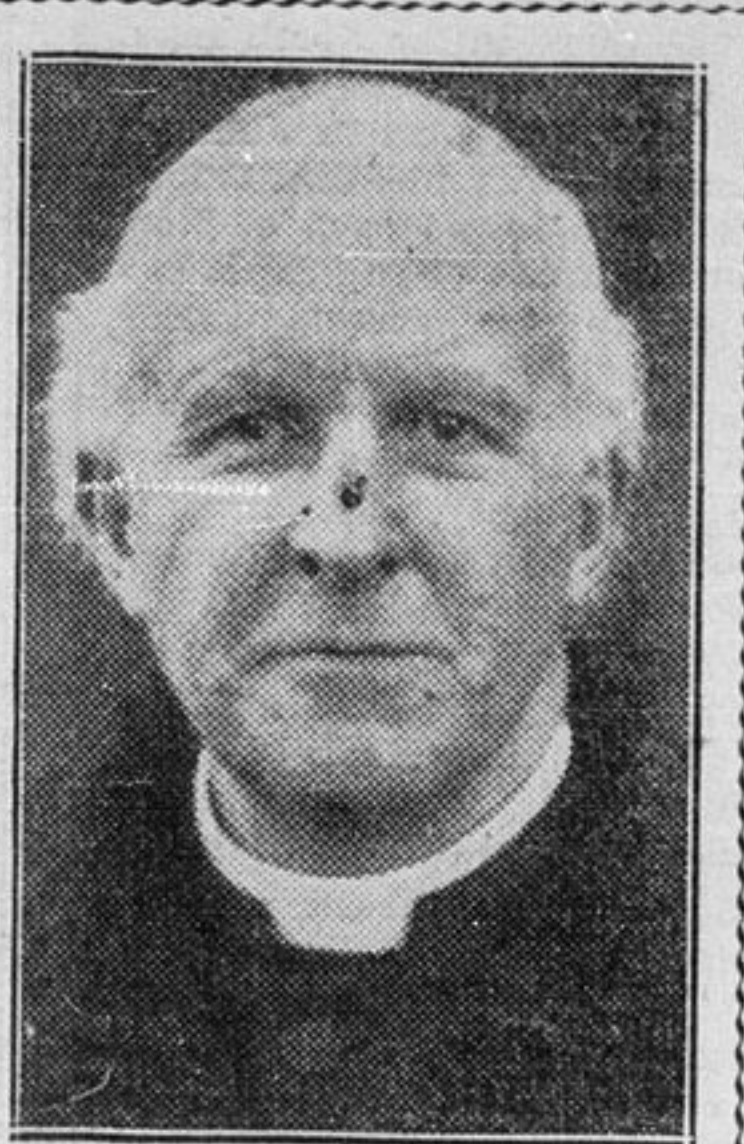

Mr. Copeland, who was the manager of a mission hospital in China, until the troubled condition of that country resulted in the withdrawal of all the missionaries, occupied the pulpit at the United Church on Sunday morning and his address was an interesting and helpful one. He took his text from the book of Ruth, and in illuminating way reviewed the life story of that interesting woman of the Moabites. Mr. Copeland called special attention to the position of the book Ruth in the Bible, this position being out of its chronological order. He suggested that the insertion of the book of Ruth in the placed occupied was to specially impress upon the Jewish people that all peoples should worship the true God and that none were denied this blessing because of race or early training.

D. MOORE'S HOMER GIVES NICE WIN TO THE A.S.D.

Arrows and A.S.D. the Winners in Softball Last Week, Making Three Tied for First Place

With only one more week to go, interest in the softball series is about at its height in town, though new heights are probable. Softball has been getting better all season and interest increasing in proportion. After last week's matches three teams were tied for first place in the league, these being the A.S.D., Holly Rees and the Arrows. The Arrows stayed in the running by doubling the score on the Canadiens last Friday night and practically eliminating any hopes the latter team might have of getting into the semi-finals. The game was very interesting but the Canadiens spoiled it by some very loose playing and showed a lack of any team play. Charlebois at third for the Canadiens played nice ball, and with three runs and three hits, starred for his team. His last two hits were circuit blows, the first one in the fourth, with none on bases, and his next in the fifth, also to right field, brought Fourier in ahead of him. C. Connie is improving as the season wears on. Young Leo Campbell was undoubtedly the star of the Arrows so far as at bat was concerned. In five times up he had three hits and two walks, and crossed the plate four times. The fifth time he was called out at the plate. He was guilty of some outfielding, however, muffing a couple of easy chances. McIlarghey was good as ever, getting three hits, one walk and three runs.

On Monday the Tuxis and A.S.D. met and played in what was the lowest scoring game of the season. D. Moore again broke up the game with a home run. The A.S.D. scored the first run in the first innings and in the fifth the Tuxis tied it up, Ostrowsky crossing the plate, but in the last of the fifth W. Grant, whose control wasn't too good, walked the first two men up, and with a fielder's choice brought D. Moore up with two men on bases. After J. Graham had failed to catch a foul fly which would have retired the side, he made a home run to left field. In spite of walking seven men W. Grant pitched an excellent game and held the leading A.S.D. team to three scattered hits, but two of them were for extra bases.

NO FURTHER INFORMATION IN REGARD TO A. TAYLOR.

No further progress is reported in the case of Andrew Taylor who was lost in the bush in the district north of The Pas, Manitoba. Taylor has been missing since June 28th. Friends are hoping that he may yet turn up safe and sound, but it is feared that the worst may have happened. Taylor, who was for several years a resident of Timmins, and also lived at Schumacher for some time, was very popular with all who knew him. Lately, he has been resident at South Porcupine. As noted in recent issues of The Advance, Mr. Taylor was out on a prospecting trip north of The Pas. Going for some water, he became separated from his companions, and the most careful search, by airplanes and by searching parties has failed to locate him.

MIDSUMMER DANCE OF THE LEGION A BIG SUCCESS

Event Last Night Well-Attended and Proves Pleasing in all Particulars

The Midsummer dance held last night by the Timmins Post No. 88, of the Canadian Legion, British Empire Service League, in the McIntyre Recreation hall, Schumacher, was well-attended, and an enjoyable event. A fine dance programme had been arranged by the entertainment committee of the Legion, including a couple of prize specials. The winners of these will be announced next week. Tommy Stephens six-piece orchestra provided the best of good music for the dancing, and this coupled with the excellent refreshments served by the Ladies' Auxiliary of the Legion, and the general spirit of the crowd made the dance one of the best of the season. The success of this, the first Midsummer dance held by the Canadian Legion, augurs well for any event of a similar nature put on by the organization of ex-service men.

The date for this band regatta has not yet been decided upon, but as this event is carried on only in the afternoon, a full day's holiday is not necessary, the usual Wednesday half-holiday being sufficient.

LIKELY ABLE TO RESUME INQUEST AGAIN NEXT WEEK.

The inquest into the death of Mrs. Lorenzo Zigelletto, who was killed recently on the South Porcupine road near the cemetery when an auto and a motor cycle crashed, will likely be resumed next week and concluded. In the accident, Mrs. Zigelletto, who was in the side car of the motor cycle, was so seriously injured that she died before regaining consciousness, and the two men on the motor cycle—her husband and his friend, Angela Anture of 31 Sixth avenue—were seriously injured. Marriage of Dr. G. F. Mitchell and Miss Leone McIntosh on Saturday, July 21st

Hosts of friends in Timmins will extend best wishes to Dr. G. F. Mitchell and his bride on the occasion of their marriage at Otterville on July 21st. Dr. Mitchell has been one of the most popular of the young professional men of the district during the nine years that he has been practising in Timmins. The bride was for a number of years on the teaching staff of the Central public school and made wide circles of friends here. The Toronto Star last week makes the following reference to the marriage: "On Saturday evening, July 21, in the United church, Otterville, the marriage of Leone Darling, daughter of Mrs. McIntosh and the late J. J. McIntosh, to Dr. George Fleming Mitchell, Mono road, was quietly solemnized by the Rev. W. N. Vollick. The bride who was unattended, was given away by her brother, Mr. Donald J. McIntosh of Kirkland Lake. She wore a smart draped frock of beige flat crepe and lace with a bolero jacket. Her hat was of beige mohair and velvet and her slippers were of embroidered damask made by her great-great grandmother for her own wedding in the year 1785 and worn by many brides of the family since. Immediately following the ceremony Dr. and Mrs. Mitchell left on an extended motor trip through Ontario and Quebec, after which they will reside in Timmins.
