## TIMMINS JUNIOR BALL TEAM LEADS THE LEAGUE

Won Again at Cochrane on Wednesday This Week, Cinching the Group Championship

Timmins Junior Baseball team is the leader in this group of the Temiskaming Junior Baseball Association series and will be the champions for this section. There is only one more game to play—with Cochrane at Timmins on Wednesday of next week, Aug. 8th.

At Cochrane yesterday in a good game before a good crowd the Timmins Juniors won out with the score of 7 to 6.

The batteries for the game yesterday were as follows:—  
Cochrane—Cavanaugh, Fasano, Logan.

Timmins—Hudson, Dainton, Poitras.

The game was a lively one and well enjoyed by the crowd gathered for the event. Both teams put up a good brand of ball, and though Timmins boys had the edge on the play, the game was closely contested and so of special interest from the spectators' viewpoint.

With the group championship in sure grip the Timmins Junior ball team is going on to win further baseball honours this season. The game here next Wednesday they intend to add to their list of wins and then to go on to capture the junior championship for the North if it can be done. Everybody will wish the boys the best of luck. In the meantime those who like a good game of lively ball should see the game here next Wednesday between the Timmins and Cochrane Juniors.

## GREAT INTEREST TAKEN IN SHARES OF POWER CO.

That the forthcoming offering of 7% Cumulative Preferred shares to customers by Canada Northern Power Corporation Limited is creating a great deal of local interest is confirmed by head office officials of the company.

It is stated that the volume of enquiries already received at the various offices of the company indicate wide interest and a cordial reception in store for the Company's offer.

A brief study of the company's last balance sheet (Dec. 31, 1927) appears to indicate a healthy condition in the Company's affairs, which have shown excellent progress during recent years. Gross earnings have increased from \$1,035,851 in 1925 to \$2,812,514 in 1927. In the same period net earnings are shown as increasing from \$668,163 to \$1,961,701 or nearly three times over and surplus account has been built up from \$99,927 in 1925 to \$789,994 in 1927. A sound depreciation policy has been observed and as at December 31st, 1927, the sum of \$4,047,247 is shown as standing to the credit of the depreciation account.

## FIELD DAY BIG SUCCESS AT SOUTH END YESTERDAY

Baseball, Races and Other Events of Much Interest. Music and Novelties.

South Porcupine, Aug. 1st, 1928. Special to The Advance.

Perfect weather greeted the Senior Baseball team and the Porcupine Goldfields Band for their field day held here to-day, which was Tisdale civic holiday. There was a good attendance especially as the time drew near for the baseball match. "Raffles" the mystery man, was not located by anyone during the day. He was Master Carlo Cattarello. No fat men would complete for the Highland Fling. Two little girls, Caroline Sutherland and Gertrude Hawkins, (Timmins) shared equal prizes for their graceful exhibition of that dance. Miss Stella Smith put up the best "kick" of the day and won the ladies' long distance for the football. Jim Fell won the men's. Other prize winners were:—1/4 mile open, 1. T. Church (Timmins); 2. J. Leng (Schumacher); 1/2 mile, 1. J. Leng, 2. T. Church; shot put, Davidson, 2. Fell; running broad jump, 1. Carlo Cattarello (only 14 years old and made 18 feet 5 inches); 2. J. Fell; discus throwing, 1. O. Gustasen, 2. Davidson; javelin throwing, 1. J. Leng, 2. Gorenson; married women's race, 1. Mrs. Greer (Schumacher), 2. Mrs. Hedges (Dome Mines); boys under 14, 1. Miller, 2. Wright; girls under 14, 1. M. Sampson, 2. R. Brown; boys under 16, 1. Cattarello, 2. Campbell; girls under 16, 1. M. Sampson, 2. I. Forster; 100 yds. open, 1. F. Dickson, 2. T. Church; high jump, 1. Davidson, 2. Dickson.

The many Schumacher fans assembled were getting impatient for the start of the baseball game even before the time allotted. They were out in numbers to support their team which was out to win and it sure did to the tune of 13 runs against 4. South Porcupine was handicapped by Gilmour's disability to play. Holmes was

## Woman Thinking Car on Fire Jumped and Broke Her Arm

Accident on Foley-O'Brien Hill Near South Porcupine. South Porcupine Lad First to Travel to North Bay over Ferguson Highway. Other News from South Porcupine Correspondent.

South Porcupine, Ont., Aug. 1st, 1928. Special to The Advance.

In the police court on Thursday there were seven drunks who paid the usual ten and costs and two reckless drivers who paid twenty-five and costs.

Mr. Harry Gibson and son, also Mr. and Miss Lafferty, of New Liskeard, motored up and spent a few days with Mr. and Mrs. James Gibson last week.

Misses Roma and Francesca Cattarello are visiting their aunt in Cobalt.

Mr. and Mrs. John Jelly, a newly-married couple from New Liskeard, visited Mrs. Jelly's aunt here, Mrs. James Gibson, while en route to Timmins where they purpose taking up residence on Commercial avenue.

Mr. and Mrs. P. Mill have moved into T. Ryan's house on Bloor avenue in town.

Mr. and Mrs. Korman are visiting the latter's sister, Mrs. A. Bucovetsky. They are accompanied by their sons, Masters Jake and Maurice.

The South Porcupine fire department, also some of the Schumacher firemen, enjoyed a picnic at Child's Beach on Sunday. The roads were fine and both motor trip and picnic at this pretty resort were much enjoyed.

Mr. and Mrs. Douglas Mutch, of Haileybury, are the guests of Mr. and Mrs. Harry Wilson.

On Monday evening a tourist car containing Quebec residents is supposed to have become overheated at the Foley-O'Brien hill just out of town. Anyway, one of the occupants, a woman, smelling the heated machinery and thinking she saw smoke jumped from the moving car and broke her arm in the fall. She was picked up by a Timmins car that was just behind and brought to Dr. Kinsman and later to the Dome hospital for treatment. The car did not burn and the man was soon able to bring it in to town.

Mr. and Mrs. Roy Forman and two children, of Cobalt, were the guests of Mrs. James Gibson last week.

In last week's issue of the Advance the honour of being first to cycle over the Ferguson highway was thought to belong to two Timmins boys. On reading it, several of the friends of Master Jack O'Shea, South Porcupine, drew our attention to it, claiming that Jack had gone on his bicycle to North Bay before that. They had wanted Jack to let us know about his trip at the time, but being too modest about it he did not. However, the facts are that on Thursday, July 5th, Master Jack O'Shea and Freeman Anthony, started out on their bicycles hoping they might reach Toronto. At Matheson Freeman had to return to South Porcupine but Jack continued on his way despite rainy weather and bad roads. Going was not so bad as far as Latchford for there were the various little towns along the road to break the loneliness of the trip. After that the long stretches were not so pleasant for a boy riding alone.

One time in the Matmagam reserve, Jack being tired riding in the rain and not coming to any town, decided to camp under one of the benches provided there for picnickers. To lighten his load he had sent his tent equipment back with Freeman. However he no sooner had curled up under the bench than all the mosquitoes of the reserve came to make a fuss over him, so he jumped on his wheel again and rode all night despite rain or weariness. By the time Jack reached North Bay the muddy roads had played havoc with his bicycle and he had had enough of riding alone so after a visit with friends there he returned to South Porcupine by train. He is the oldest son of Mr. and Mrs. Paddy O'Shea.

The Porcupine Goldfields Band gave an open-air concert at the Dome Mines on Sunday evening which was much enjoyed.

Masters Walter MacDougall (Mac) and Stuart Hurley have gone on a "hike" down the Ferguson highway.

Mrs. Waugh, of New Liskeard, was the guest of Mrs. Gibson during the week.

The Boy Scouts are making preparations for their camp at Barber's Bay on August 11th. They have their site chosen now with a suitable beach. It will be a great outing for those boys who can go and at a minimum of cost. The ranks of the Scouts have been re-inforced by the arrival of Master Sam and Bruce Stovell, from Winnipeg, sons of the general superintendent at the Dome Mines. Master Sam is a King Scout and is the possessor of a large number of badges obtained in scoutcraft. He has taken one of the patrols here and his scout mates are proud of his achievements.

In the Senior baseball at the game here on Friday the South Porcupine team defeated McIntyre by a score of 5-3. At this game unfortunately Carl Gilmour, of the South Porcupine team, got two fingers so badly

crushed that he will not be able to play again this season. At the game in Schumacher on Monday which was the first of the three final play-downs, the McIntyres won from South Porcupine. The second of this series will be played here Wednesday (civic holiday). These games are being rushed as some of the McIntyre players want to get away for holidays.

On Tuesday, July 31st, there was a softball game at the Dome between the Mill and the Engineers, the Mill winning by a big margin. The battery for the Engineers was A. Murray and G. Mason; for the Mill Forsythe and Mansfield.

Mr. Henry Miller was fortunate in getting the Tunney-Heeneey fight very clearly over his short-wave radio on Thursday night. Those who had the longer wave could not get it so clearly, so about forty fight fans congregated at Mr. Miller's home on Bruce avenue and got the whole thing from preliminaries to knock-out.

Messrs Eli Saari, Mike Sargles and Giovanni Santini are leaving Thursday for the Tashota Mine.

Born—at the South Porcupine hospital on Sunday, July 29th, to Mr. and Mrs. C. R. Angus—a son.

## ARROWS UNEXPECTEDLY DEFEATED AT SOFTBALL

In One of the Most Interesting Games of the Season Holly Rees Win With Only Eight Men.

The Holly Rees were only able to field eight men for the game on Tuesday night, while the Arrows had their full team after the first innings. The game started out nicely and proved to be one of the most interesting ones this season. Most of the crowd were rooting for the Arrows at first, but when they realized that the Holly Rees were a man short and playing so well despite the handicap the rooting naturally turned in favour of the Holly Rees.

The first scoring was done by the Arrows in the second innings when D. Brown opened with a double. Platus muffed Shaw's fly and Brisson singled, filling the bases. Brown scored on a passed ball, while Shaw was out at home on Stephens' throw to the plate after Scully had walked, and Campbell out, pitched to first. Later, Scully was tagged out at the plate.

In the first of the third, the Holly Rees scored seven runs. H. Garner got himself in the hole at the start, walking Lauzon and then making a bad throw of Moran's infield hit. With four more hits and a sacrifice it was all over. The Arrows got four runs back in their half of the third on some loose playing by the Holly Rees, but they were still one down. At this stage both sides were going down one, two, three. This continued until the last of the sixth, when the Arrows got two more runs to put them one up. Brisson, who was playing wonderful ball all night, opened the innings with a perfect bunt. Alton and Campbell on base on scratch hits, and with two out and one on base, Platus walked the next two and Doug. Brown, next up, hit to J. Stephens for the third out.

In the seventh innings the Arrows, who played nice ball behind good pitching, with the exception of the third innings, again blew up. Studor, first up, went to second on Shaw's miff of a possible put-out at first. Anderson, next up, got the only hit of the innings. Lauzon sacrificed to right field, while Moran, Platus and Webb all got on base on possible put-outs, through slow fielding on the part of the Arrows infield. Stephens and Studor fled out to end the agony for the Arrows.

Brisson was the only one to star for the Arrows. He had four hits and scored three runs in four times up. For the Holly Rees, they were all good, each one working hard, and all scored at least once, except J. Stevens, but he had two sacrifices to his credit. Both pitchers allowed nine runs each, but the Holly Rees bunched six in the third frame.

## MCINTYRE SENIOR BALL TEAM WINS THIS GROUP

In the Play-Offs for the Championship the Classy McIntyres Win from South Porcupine.

In the second of the play-offs for the championship of this group of the Temiskaming Baseball Association, the McIntyres won out by a score of 13 to 4, thus winning the group. McIntyre will now play the winners of the Southern group for the R. A. McInnis trophy. The game yesterday was part of the features of the big field day at South Porcupine under the auspices of the South Porcupine Baseball Club and the Goldfields Band. South Porcupine was handicapped by Gilmour's inability to play. The game was a lively one, though the McIntyre team outclassed the other team on the play.

The first game in the play-offs was also won by the Schumacher team with a score of 11 to 3. A large crowd of ball fans enjoyed this game. Johnny Monaghan registered the first homer over centre field fence in the second innings. Langdon, who gave a great pitching display also clouted a home run in the third. South Porcupine were held scoreless until the ninth innings. South Porcupine battery did not play up to form, while McIntyre was in top-form; one error to Hackett in the last innings. The umpires were Scully and McIntyre. The teams lined up as follows:—

South Porcupine—Jemmett, 2b.; Hill, 1b.; Murray, s.s.; Gagnon, l.f.; Cooke, r.f.; Newkirk, p. and c.f.; Fell, 3b.; Holmes, c.; Spence, c.f.; and p.; Mansfield, r.f.  
McIntyre—Chisholm, Rothwell, Fitzjohn, Cowden, Monaghan, Hackett, Murray, Suebert, Langdon.

## NEW LISKEARD BOYS IN BIG SWIMMING MARATHON

The New Liskeard Swimmer last week says:—

"John Yohn, winner of the Liskeard-Haileybury swimming marathon of last year, now an employee of the Northern Telephone Company Limited, with New Liskeard as his headquarters, and Andy Beaudin, also of this town have entered for the big

## DOMES ADDS ANOTHER TO LIST OF WINS IN P.D.F.L.

Won from Lances. When Latter Tried Out Juniors. Dome Only needs Two More Points for Championship.

In a regular scheduled game in the P.D.F.L. the Lances lost to the Dome by a score of 3-1.

With a view to securing new material for next season and with the idea of trying out the junior players the Lances fielded five junior players. The youngsters showed up good before the heavy and fast Dome team and at one part of the game had matters their own way. Fred Wilkinson showed up to good advantage, and is worth another trial. D. Bunt also played a hard game. Trumble showed nervousness on the attack, but this can be overcome; his footwork was excellent. All the rest of the team played a hard game, but the match was never in doubt, the Dome being without doubt the best team in the league at present. Richmond scored two for the Dome and Gustavsen one. James Wilkinson did the trick for the Lances, from a penalty kick, and very near put in another shortly after, but in the latter hit the bar. The game was a poor one from a spectator's point of view being very slow in spots, and with little or no combination. The win gives the Dome a good grip on the League championship, which will be decided during the coming week or two. Holly Rees, have to win and draw to win out, and the Dome only have to get two points.

swimming race to be held under the auspices of the Canadian National Exhibition in Lake Ontario. This race carries with it a purse of \$50,000 and the championship of the world, so that the Liskeard boys are out after big things. Both boys are excellent swimmers and Yohn's exhibition last year stamps him as being away above the majority of fast swimmers. Beaudin is also far from being a novice at the game, so that New Liskeard will have a couple of entrants worth cheering for and from whom great things are to be expected."
