## Former South Porcupine Man Opening Hotel at Swastika

Pioneer Hotelman of Porcupine Starting Construction of Four-Storey Hotel at Swastika. South Porcupine Interested in Baseball Battle Between McIntyres and Wright-Hargreaves. Other Items of Interest from Correspondent at South Porcupine.

South Porcupine, Sept. 5th. Special to The Advance.

Miss Ella Hamilton, of Kirkland Lake, who has been visiting her aunt, Mrs. J. M. Hendry, returned on Saturday accompanied by Mrs. Hendry who will visit her relatives in Kirkland while Mr. Hendry is away on a holiday motor trip in the States and Southern Ontario.

Old-timers will be interested to know that Mr. Nap Servais, formerly manager of the King George Hotel here in the early days, has started the construction of a fine new four-storey hotel at Swastika. His family are at present in Buffalo, but will come to Swastika when the hotel is finished. He was one of the interested spectators of the McIntyre-Wright-Hargreaves game at Kirkland, coming on through for the game at Timmins.

Among those going down from here for the Wednesday baseball game at Kirkland Lake were Messrs T. Feldman, J. Cook, Gordie Spence, H. Sullivan, Lou Taylor, J. McLaren, E. Jones and others.

We, ourselves saw both games and are glad to congratulate our neighbouring town on the calibre shown by their baseball team, especially in Thursday's game when they put over one big surprise on the confident Wright-Hargreaves supporters who evidently

thought they had McIntyre cornered after Wednesday's drubbing.

Miss Elda Dempsey, of Cochrane, has returned to take up her duties again as teacher in the Ankerite school.

Born—On Thursday, August 23rd, at the Preston East Dome, to Mr. and Mrs. Chevier—a son.

Miss Pearl Kennedy has returned from a holiday in Toronto and Ottawa.

Miss Baderski, of Timmins has accepted the position of bookkeeper in a store here.

Messrs J. Sarsfield and George Cole spent the holiday in Halleybury, and motored back last night, or should we say—"seaplained?"

Messrs F. Dowzer and Bill Rhut returned on Sunday from Vermilion Lake in the Red Lake district, where they have been spending considerable time on their property.

Mr. and Mrs. E. J. Rapsey, accompanied by Mrs. Rapsey's father, Mr. George LaMothe, of Mattawa, were among those who came in by motor last night. Mr. Fred LaForest and daughters arrived this morning about one-thirty a.m., and Mr. and Mrs. H. M. Wilson and family got through earlier in the evening. The steady down-pour and the state of roads at the Lake Bottom at Connaught and at Ramore, as well as the swollen conditions of many of the streams did not tend to make the end of a perfect journey or a "perfect day" altogether enjoyable although they all report a glorious time until the last day or so.

Mr. and Mrs. M. Smith and family camped at New Liskeard Beach last night but have not come through today so are probably giving the road-

through to the States and also visited places of interest in Ontario and Quebec. Mr. F. LaForest travelled thousands of miles without a single mishap, then in our little burg this morning had a smash-up that considerably marred the beauty of his car. The battery having run down he was being towed by a friend along Railroad street when his engine began to turn and the tow-rope becoming slack, got under one tire. The car that was towing him seeing the cable becoming slack put on speed to stretch it out not knowing it was caught under the wheel. This action suddenly threw Mr. LaForest's car to the left just as a car driven by Mr. McCarty was passing. The latter car received only minor bruises but the LaForest car is in the hospital for repairs.

Mr. Charles Kavanagh, of Boston Creek, spent the holiday with his family here.

Miss Elda Beaudry returned to Ottawa this morning after an extended visit with her parents at the Dome Ex. Mr. and Mrs. J. Fell, Sr., accompanied by Mr. and Mrs. Percy Andrew, are on a motor trip to Southern Ontario and the States.

Mr. Reg. Dennis, a former well-known and popular boy of this community, has established his first Canadian home at Kirkland Lake, his mother having recently come out from Scotland to keep house for him.

Mr. and Mrs. Ed. Maxwell, formerly of the Dome but now residing in Kirkland Lake, are rejoicing in the recent arrival of a son and heir.

Miss Julia Storynski, of Kirkland Lake, is the guest of her aunt, Mrs. Tomchick, South Porcupine.

Mrs. J. Costain was successful in winning three prizes at the Timmins Horticultural Show on Labour Day. Mrs. Costain's garden has been a beauty spot all summer. In the garden competition she came third, over which fact her husband is much pleased; the prize for same being a fine box of cigars donated by the W. Lowery Co. She won the second prize donated by E. Smith & Sons, Nurserymen, for perennial phlox. Her petunias were also in the prize money. We congratulate Mrs. Costain on the results of her horticultural efforts.

Mr. and Mrs. Carl Train and little daughter, of Silver Centre, motored up to spend the holiday with their uncle, Mr. G. T. S. Train.

### LARGE SIZE OF OIL HEATER TO BE INSTALLED IN TIMMINS

Some days ago Mr. J. Dalton ordered from E. M. Allworth, the local representative, the largest size of Fess oil heater made. This is for Mr. Dalton's Third avenue property. The largest size of the Fess is a big one and is guaranteed to heat a much larger space than comprised in the premises of Mr. Dalton, but the latter in his usual breezy way emphasizes that fact that he is tired shovelling coal and pitching wood but is determined nevertheless never to get cold feet. "So, I want the largest and best oil heater on the market," he said as he gave the order.

## Schumacher United Church Sunday School Picnic Event

Enjoyable Time Spent at Golden City Last Wednesday. Cornish Won from McIntyres in Byrne Cup Last Week, Four Goals to None. Other Personal and Local Items From Correspondent at Schumacher.

Schumacher, Sept. 5th, 1928. Special to The Advance.

In the Byrne Charity Cup against the Cornish at Timmins Thursday last the McIntyre boys were well trimmed, the Jacks running out winners by 4 goals to none. The heavy ground was all in favour of the Cornish team and, as the score indicates, they were worthy winners.

Local baseball fans are wondering when the Wright-Hargreaves-McIntyre game will really be finished with.

School is re-opened again for another term.

Mr. S. Tennyson and son, George, arrived home from Campbellford on Thursday.

Mr. J. Barron and Mr. R. Adamson left on Friday on a motor tour to Toronto.

Miss Kathleen Barron, of First avenue, returned on Monday after spending her summer vacation visiting relatives in Southern Ontario.

Mr. Jack Leng, who is in Toronto for the athletic sports, made good showing

### WINNERS IN THE HALPERIN WATCH-GUESSING CONTEST

Last week there was much interest taken in the contest conducted by L. Halperin, jeweller. Three prizes were offered for the nearest guesses to the time a watch displayed in the window would run without winding. The watch ran over 42 hours. The exact time at which the watch stopped was 12.34 p.m. The nearest guess was that of Mr. J. Andrews, Timmins, who said it would stop at 12.35 p.m., just a minute out for the first prize winner. The second prize was won by Miss G. Carriere, 53 Kirby avenue, Timmins, whose guess was 12.23 p.m. Third prize went to Mrs. J. Blevins, Alexandra Bay, New York, U.S.A., whose time was 12.50 p.m. There were large numbers of guesses, many of them very close to the actual time. The judges were Councillors A. G. Carson and P. Douglall.

Nearly three hundred pounds of meat alleged to be unfit for human consumption was found last week on the premises of a Kirkland Lake merchant. The meat was confiscated and the merchant will likely be in court over the matter. The meat is said to have been quite bad, being in a refrigerator that had no ice in it.
