Lord Nelson at Halifax Opened

Canadian Pacific Railway, in speaking as guest of phone room, cigar shop, etc. honor at the banquet which marked the official The mezzanine floor and ladies waiting room opening of the Lord Nelson . Hotel at Halifax, leads up from this, and on one side of the lobby is referred to the tourist attractions of Nova Scotia a short flight of steps leading up to the assembly as being second to none on the continent. This lounge. In this room and in the adjacent assembly from as well travelled a man as the head of the hall the attempt to recapture the atmosphere of World's Greatest Travel System was a decided ap- two hundred years ago has been particularly sucpreciation. "In addition to the opportunities for cessful. The chief feature is the fine fireplace over sport which are unsurpassed and attract tourists which is an excellent copy in oils of the full length from both the United States and Canada, you have portrait of Lord Nelson which was painted shortly the historic associations such as typified by the before his death. In one corner stands a fine copy Evangeline legend which the Canadian Pacific and of the well known bust of this hero, and on the Dominion Atlantic Companies have successfully center table is a splendid model of his ship "The preserved and featured. It seems to us only right Victory." that the railway which came into existence as a fulfilment of one of the terms of Confederation should encourage such travel to your cities and other historic places," he said. "That travel has grown apace during the last few years and it was because of this fact among others that at the soliin the building of this hotel. It is for the same other tourist facilities at Digby."

The Lord Nelson Hotel, while operated under the in the building, is termed "The Ward Room". direction of the Canadian Pacific Railway is the result of a sincere effort on the part of the people of Halifax who have long been working for a modern hostelry which would adequately take care of the business which offered in the city. It is situated in the heart of the city and fronting on the Botanical Gardens that have helped to make this old city

Within and without, the appearance of the hotel reflects great credit on its architects and builders. In building and in decoration it is Georgian in character, and throughout the hotel and particularly in the public rooms, a most successful effort has been made to express the period recalled by the historic name associated with it. Immediately ples of early Georgian. The bathrooms and general inside the front doors is a handsome and spacious plumbing and heating arrangements throughout lobby, which at once gives the keynote of Georgian are up to the most modern standard as also are all decoration. The hotel offices are here as also are the facilities for public service.

E. W. Beatty, chairman and president of the other public services such as elevator lobby, tele-

The end of this room opens into the assembly hall which is large enough to seat about 250 people comfortably. At one end is an ample stage with the usual dressing rooms and disappearing footlights.. Leading from the other side of the lobby up a short flight of marble steps is a foyer, and beyond citation of your business men we joined with them that the main dining room. On the floor beneath the lobby are a series of fine shops opening on the reason that we are building a modern hotel with street, and here also is the spacious grill, which in keeping with the nautical flavour notable elsewhere

> Its woodwork is of oak and its ceiling crossed by hewn beams. It is lit by ships lanterns of brass and by candelabra designed from binnacle lights and ships steering wheels. The furniture also is of stout oak. Other features of this floor are a barber shop, beauty shop and the usual public services.

> The bedroom floors include a number of fine suites of which the Royal Suite is an outstanding example. Like the other its character of decoration is in keeping with the rest of the hotel. It consists of sitting room, dining room and two bedrooms, and its furnishings include some fine exam-
