

How to Reduce

Varicose Veins

Rub Gently and Upward Toward the Heart as Blood in Veins Flows That Way

Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches. If you will get a two-ounce original bottle of Moone's Emerald Oil (full strength) at any first-class drug store and apply it night and morning as directed you will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Moone's Emerald Oil is a harmless yet most powerful germicide and two ounces last a very long time. Indeed so powerful is Emerald Oil that old chronic sores and ulcers are often entirely healed and anyone who is disappointed with its use can have their money refunded. Moislely & Ball sells lots of it.

SOUTH PORCUPINE MAN HELD ON MURDER CHARGE

(Continued from Page One) knife when Niemi started leaning against the fence and though he was a little afraid himself he ran after him but lost sight of him at the O. K. Cafe. He went back and met another Finn who asked him what they were running for. They then went together to see Niemi and found him lying across the sidewalk with blood all around. He was unconscious. He hurried to Mrs. Wally's but she told him to get a car, and while the other Finn, Seppala Paava, waited by Niemi, he got a taxi-driver, Sam Petcoff, and they lifted Niemi into the car but when they got to Maki's he went in to get another man who could talk English to go with Niemi to the hospital. He declared there was no bad feeling that he knew of between Niemi and the prisoner. Asked if he had been drinking himself he said no, that if he had been, he would have got stabbed too. He did not see Niemi take any drinks but

knew that he was "tight." When he got back to Maki's some of the men there showed him his sweater where it was cut. The sweater was here produced and showed three slashes evidently done with a sharp knife.

Mrs. Murray Walli was then called. She was a young, nice-looking, neatly dressed Finn woman. She corroborated what was said about Niemi and Kupla bringing Rinta-nohka home and about her telling the two men to go home, so the others could sleep. After telling Rinta-nohak to go back in his room and seeing him do so, she knew nothing about what he did afterward or what happened outside.

Seppala Paava was then called. He roomed at Wally's too. He told about meeting Kupla and going with him to see Niemi who was unconscious and did not answer them.

Night Constable Brooks was next called and told of arresting Rinta-nohka about eleven o'clock Sunday night. At that time he was sound asleep in his room at Wally's. He appeared to be more or less under the influence of liquor but could walk all right. He made no statement though he called an interpreter to see if he wanted to make one.

Kupla was recalled and asked to pick out Rinta-nohka in the courtroom.

On the prisoner being asked if he wished to give evidence the young man rose and said he knew nothing about what happened until the policeman woke him up, so he had nothing to say.

The jury was not out very long when they brought in the verdict that Niemi's death had been caused by a blow on the head wilfully caused by a sharp instrument in the hand of Rinta-nohka. Throughout the proceedings the prisoner listened stoically. He is too young yet to bear the mark of a hardened criminal but, we believe, his record before coming to Canada is to be looked into. He is of slight build but about six feet in height and fair.

Some stray dogs got into the chicken pen of Mr. R. J. Bowes last week and killed every last one of his twelve valuable chickens.

Mr. and Mrs. Verner, of Bruce avenue, entertained on Monday evening in honour of Mr. Maurice Bucovetsky, of Timmins, and his young bride.

On Saturday, November 17th, there will be a sale of home-made cooking and an afternoon tea at the home of Mrs. Russell Cameron on Bruce avenue. This is given under the auspices of the Ladies Guild, of the United Church. No canvass is being made for cakes, etc., for it is hoped that the adherents of the church will help to make it a success without being asked.

The Trail Rangers met in the vestry of the church on Monday owing to the High School being in use. The Explorers Club met at the home of Master Preston Hamilton. Next week they meet at the home of Master R. McCann.

We are sorry that last week we omitted the name of Clarence McCaffrey of the Dome in our report of the new players to be added to the Maple Leaf Hockey Club this winter.

Miss Raymond of Rouyn was the guest of Mrs. Richards, Bloor avenue over the holiday. Among the members of the teaching staff out of town for Thanksgiving were: Miss McNab, to New Liskeard; Miss Fraser, to Cobalt; Miss Lacey, to Cobalt; and Miss Thorpe, to Cochrane.

Again, as last year, Poppy Day went over big in this part of the camp, two hundred and thirty dollars being realized altogether, one hundred and twenty-seven of which was from the adjoining mines, Dome, Cons. West Dome Lake, Paymaster, Ankerite and March. The remainder was from town. In town the Girl Guilds organized and did the selling on the streets very efficiently, while Mrs. Barry and her helpers sold to the houses. The amount realized comparing the size of this part of the camp with the amount realized in other places, compares very favourably.

The annual Armistice dance given the Porcupine Chapter, Order of the Eastern Star, in the High School on the evening of November 12th was the usual happy affair these events have proven heretofore. The hall was beautifully decorated with evergreens and many coloured balloons. Jimmy Ormston's orchestra delighted the dancers and they were very liberal with their music. The young folks are particularly anxious to hear this orchestra again. The door prize was won by Mr. Jack McCaffrey and the lady and gent winning the lucky number prize were Miss Marion Luhta and Mr. Tom Fell. A most delicious lunch was served at midnight when dancing was again resumed into the wee small hours. Mrs. J. Costain, Worthy Matron, and Mrs. E. J. Mason, District Deputy Grand Matron, were hostesses for the occasion and much credit is due to Mrs. T. Lang, convener of the social committee, and her bevy of helpers.

On Sunday, November 11th, Armistice Day was honoured by a special service of remembrance in the various churches of the town. At the United Church, Miss Thirza Allan rendered the solo "Haven of Rest," in her fine soprano voice with feeling and sympathy. Mr. Roy Andrew, a returned soldier, placed the memorial poppy wreath before the Honour Roll at the altar. In the morning Sunday School was called five minutes early and the two minutes of silence observed at eleven o'clock. The Boy Scouts and Girl Guides met at the High School to observe the silence when the flag was unfurled and "taps" sounded.

One man dead, and two others lost for a time was the record for the North Land woods for the week-end. The man found dead was D. Unzicker, of Collinsville, Ohio, who tripped over a log in the Mattawa area, discharging his rifle, the bullet passing through his heart and the man dying shortly after. Edward Wood, Widdifield farmer was lost for two days in the bush near Mullock, and Lloyd Middleton, Kingsville, Ont., was also lost for several days near Redbridge. —

Young Man From Cochrane Sentenced to Ten Days

At police court this week Richard F. Young, of Cochrane, was sentenced to ten days in jail on a charge of being intoxicated while in charge of an automobile. He came to town, secured some drinks, and was noticed by the police when his car was up on the sidewalk. He pleaded guilty to the charge of being drunk in charge of a car. In addition to the jail sentence it is understood that he lost his position in Cochrane as well over the affair. The penalty, however, is not too severe when it is remembered that every man drunk in charge of a car endangers the lives of the public.

At the court this week three ordinary drunks pleaded guilty to common spiffication and were each fined the usual \$10.00 and costs.

The two cases in regard to income tax returns were withdrawn, the one case very apparently being a case of the wrong person being charged.

The charge against Mrs. Moffa of breach of the Ontario Liquor Act was dismissed, another woman claiming ownership of the liquor in question. This woman, Mrs. Victoria Barton was charged with having liquor not obtained on a permit and was fined \$100.00 and costs, this amount being duly paid. On a liquor charge Dominic Berardi was fined \$200.00 and costs, or one month. Up to this morning he had not raised the necessary two hundred and it looks as if he would spend the time rather than the money.

One assault case was adjourned for a week.

Marcel Riard, charged with the theft of furniture and clothing from a tenant was committed for trial before a judge on the count.

THREE HORSES AND MULE BURNED THIS MORNING

Animals and Hay Destroyed in Fire at Barn on Fogg Street at Early Hour To-day.

Three horses and a mule lost their lives in a fire at a barn opposite No. 12 Fogg street, about one o'clock this (Thursday) morning. The barn itself was badly gutted before the flames could be extinguished. A quantity of hay was also destroyed in the fire. The cause of the fire is not known, and the blaze had considerable headway before it was discovered. The firemen made a speedy run and soon brought the blaze under control, but not before the loss mentioned had been sustained. The barn was owned by Marcel Riard.

There were four other fire calls during the past week, all of these being only for chimney fires, with no damage resulting. These chimney fires were as follows:—

Nov. 10th, 8.40 p.m., call to 46 Middleton avenue, chimney blaze.

Nov. 10th, 9.55 p.m., to 117 First avenue, chimney fire.

Nov. 13th, 1.20 p.m., to 46 1/2 Third avenue, chimney fire.

Nov. 13th, 7.00 p.m., to 5 1/2 Wilson avenue, chimney fire.
