Social Event on Tuesday in Schumacher United Church

Services at Schumacher This Week to Commemorate Armistice, Thanksgiving and Opening of Church. Eloquent Addresses by Rev. D. Roy Gray, of Staynor. Other News from The Advance Correspondent at Schumacher.

Schumacher, Nov. 14th, 1928. Special to The Advance.
Mr. I. Solomon, the genial proprietor of the McIntyre Recreation hall, is again on duty after his recent attack of illness. His quick and complete restoration to health will bring pleasure to his many friends and patrons of our local pleasure resort.
Miss Jennie McLeod, accompanied by Miss Ruth Coleman, both students of the Northern Academy, Monteith, spent Thanksgiving at the home of the former on First avenue.
Miss Helen Porter, teacher in the public school, visited at her home in Elk Lake on Thanksgiving.
A party in honour of Miss Dorothy Innes to celebrate the twelfth anniversary of her birthday was held at the home of her parents, Mr. and Mrs. J. J. Innes, Second avenue, on Thursday, Nov. 8th. A very pleasant time was spent in singing and playing

games by the several youthful friends who attended. Many pretty gifts were presented to commemorate the happy event. After a dainty luncheon the gay company departed with best wishes for the young hostess.

Mr. Young is the guest of his brother-in-law and sister, Mr. and Mrs. Nathan Kennedy, First avenue. Being superintendent of the Sabbath School, at his home near Renfrew, Ont., Mr. Young is deeply interested in the good work, and was a welcome visitor at the United Church School on Sunday.

Mrs. W. Leck, and little daughters returned on Saturday after a pleasant visit at the home of Mr. and Mrs. George Leck, Creighton Mines.

Miss Ohlman, of the Public School staff, was a visitor at Monteith for Thanksgiving Day.

The Misses Mayhew, of Cobalt, were holiday visitors at the home of Mr. and Mrs. Laurence Church, First avenue.
Miss Helen McLean, a student at the Northern Academy, was the guest of Miss Marion Leng during the Thanksgiving vacation.

A pleasant social evening was spent on Tuesday in the basement of the United Church. A novel feature of the programme which was very much appreciated by the audience was the clever sleight of hand performance by Mr. Thomas Nixon, of Timmins. Sweet cornet solos by Mr. Lloyd of the same town brought forth hearty applause.

Mrs. Percy Shippam and Mr. W. H. Wilson very kindly assisted on the piano, while Mr. King very ably presided. At the close of an appropriate speech by Rev. D. Roy Gray, a delicious lunch was served. The happy event was closed with the singing of "Auld Lang Syne."

Services to commemorate Thanksgiving, Armistice Day and the anniversary of the opening were in Trinity Church on Sunday. Rev. D. Roy Gray, of Staynor, delivered eloquent addresses to large congregations in the morning and evening. Appropriate and well rendered music by the choir was an attraction.

Miss Maidie Dewar was a holiday visitor with friends at Iroquois Falls. Do not forget the bazaar in the United Church on 28th and 29th inst.

Rev. D. Roy Gray, B.A., who was the guest of Mr. and Mrs. McGee, First avenue, during the past week left on Wednesday for his home at Staynor, Ont.

RICH ORE APPARENT AT PORCUPINE BASIN MINES

Pleasing Results from Work at Property East of the Canusa in Whitney Township.

Mr. W. G. A. Wood, an old-timer of the Porcupine, but more recently of Toronto, is back in the camp in charge of the Porcupine Basin Mines, east of the Canusa Mine in Whitney township. The Porcupine Basin is a promising property being promoted by W. Hughson and Sons, of Toronto, and with Mr. Wood as manager the claims are showing unusually good prospects. For the past three weeks there has been a gang of twelve men at work on the property and results have been very pleasing. A small shaft is down fourteen feet on a six-foot vein and everything is mineralized for the full width of the shaft. The samples from the workings are rich and promising and the prospects for the property are bright. This week Mr. Wood went to Toronto taking with him a number of samples to be assayed. The ore from the shaft shows a mineralization that is most encouraging and free gold is frequent. It is the intention to go ahead this winter with full development of the Porcupine Basin and the work will be followed with keenest interest. The section in which the Porcupine Basin property and the Canusa are situated is one that was especially favoured by the old-timers in camp, and work being done seems to justify the preference shown the area by the early prospectors in the camp. The Canusa is making very satisfactory progress from all accounts and bids fair to develop into a mine of importance. The Porcupine Basin and the Canusa are on the strike of the Hollinger and McIntyre and there is a general feeling of faith in this new-old section of the Porcupine now that development is proceeding.

LANCASHIRE FOOTBALL CLUB ANNUAL SOCIAL

One Hundred Present at Interesting and Pleasing Event on Saturday Evening Last.

The Lancashire Football Club held its annual social evening on Saturday last in the Hollinger Recreation hall, at which about 100 were present. The club had invited as their guests the members of the Social Club and a few other friends and all enjoyed very much the programme which had been arranged.

During the evening the following local artists assisted on the programme:—Mrs. Barrett, whose fine voice was heard to advantage in "Angus Macdonald" and the encore solo, "I never knew"; Mr. T. Williams sang "Danny Boy," this being much appreciated; Mr. Alf Snow was a popular soloist, his number being finely rendered; Mr. T. Whitney, sang in fine voice "Calling Me Home to You" this being received with loud applause; Mr. W. Evans rendered the "Desert Song," his vocal solo being one of the hits on the evening's programme. It was left to the ever popular Joe Ormston to supply the comic element to the programme, his song and step dance with the fancy ending receiving loud and prolonged applause. In response, he gave another of his old favorites. The variety and the fine talent displayed by the above artists greatly assisted in the success of the event.

The dances consisted of several old country favourites, "Waltz," "Valeta Waltz," and "The Lancers," being among the numbers given. The Valeta Waltz proving the most popular.
W. A. Devine, the secretary of the club, gave a short outline of the season's activities, giving praise to players and committee for their assistance and the sportsmanship shown at all times.
Mr. Jas. Cowan, president of the P. D. F. L., also gave a short address and voiced the thoughts of his executive on the fine spirit in which all games were contested in the past season.

Mr. F. Kitcher, captain of the team, then presented to Mrs. W. Kevan and Mrs. T. Richards two small tokens from the club for very generous services given the team in the past. Mrs. Richards replied in very appropriate words.

During the evening Player Etchells gave an exhibition of strength, this being challenging ten ladies against five men to break his grip. It is needless to say, the fifteen persons did not succeed.
Refreshments were served, these being of a very high order and greatly enjoyed. The success of the evening was due to the manner in which the committee had the programme arranged. The accompanists for the event were Mrs. T. Richards, Miss Thomas and W. A. Devine. The latter also gave very good service at the piano for the dancing.

Mr. F. Kitcher made a very capable chairman of the event, keeping the gathering in good humour and materially helping in the success of the evening.

All attending voiced their thanks to the club for the splendid evening's entertainment, which proved to be one of outstanding merit.
