## CHILD'S CUTTER AND ROBE PRESENTED TO SHELTER

The Kiwanees have always maintained a very pleasing interest in the Children's Aid Society Shelter here. It was the good work of the Kiwanees that equipped and outfitted the Shelter throughout at the time of its inauguration, and since then the ladies have not forgotten the children's home. At various times the Kiwanees, both as individuals and a society, have made kindly gifts to the Shelter. Recently, the matron was presented with a beautiful desk, and last week the Kiwanees added to the gifts to the Shelter by presenting a handsome child's cutter and robe for the use of any small children that may come under the care of the Shelter.

Tonkin, 4 points; M. McMillan, 0.  
Councillor G. E. Fairbairn, of Kirkland Lake, formerly of the Porcupine Camp, has announced that, following the advice of his family doctor, he will not be a candidate for either reeve or councillor at the coming election in Teck township.

## HANDSOME DONATION FROM ODDFELLOWS TO THE C.A.S.

Among the many special donations made to the Children's Aid Society last week in the campaign so effectively conducted by the ladies' committee one worthy of special note was a cheque for \$50.00 from Timmins Lodge, No. 459 I.O.O.F. The good work of the C. A. S. has always received generous support from the fraternal societies of the district, Golden Beaver Lodge, A. F. & A. M.; Timmins and Porcupine Lodge, A. F. & A. M., South Porcupine Lodge, A. F. & A. M., for years past making regular yearly donations to the work.

## DIVERS USED IN SEARCH FOR MURDERER'S REVOLVER

Last week two divers were taken to Cochrane with a view to searching Commando Lake for the gun used by the murderer of Inspector Constable. According to word coming here from Cochrane, it is understood that the authorities believe that the murderer threw away his gun after his cowardly killing of the officer. It was thought that the gun might be in Commando Lake and that body of water was accordingly dragged in the hope of recovering the weapon. The dragging operations, however did not succeed in the recovery of the gun and as a consequence it is understood the services of the divers were requisitioned, the recovery of the weapon being naturally considered as an important link in the chain of evidence in regard to the Cochrane crime.

Dr. G. F. Jackson, who for many years has been one of the leading medical men at Haileybury, left last week for Toronto to take up practice with one of the city's well-known surgeons.

## BIG FOOTBALL SMOKER SATURDAY OF THIS WEEK

N.O.F.A. and P.D.F.L. to Hold Joint Event for Presentation of Season's Medals and Trophies

The annual football smoker here for years past has been a noteworthy event but this year it promises to be bigger and better and more enjoyable than ever before. This year the N.O.F.A. and the P.D.F.L. are combining to hold a joint event and it is expected to be a world-beater. A merely nominal admission fee is being charged the idea being to have all interested in football present for the occasion.

This year's annual football smoker will be held on Saturday evening of this week, Dec. 1st, commencing at 8 p.m. in the Oddfellows' hall. The cups, trophies, medals, etc., will be presented for the season, including the E. H. Bridger medals and shields in which there is always special interest. It is hoped that the donor, Mr. E. H. Bridger, who for fifteen years or more has maintained his interest in North Land football, will be able to be here for the occasion. In addition to the presentation of the season's trophies in both the Northern Ontario Football Association events and the Porcupine District Football features, there will be a very lively programme of music, songs, speeches and novelties. Also, there will be a plentitude of good "smokes," as well as soft drinks, etc. The officers of both the N.O.F.A. and the P.D.F.L. especially invite and urge all lovers of football to attend the football smoker Saturday evening and enjoy a pleasant evening.

## TIMMINS LODGE, I.O.O.F. No. 459

## Canadian Merchant's Dream Becomes An Empire's Pride

Not all Canadians know that the aggressive Sir Samuel Cunard, founder of the famous steamship company, was himself a Canadian, a Bluenose, born of humble United Empire Loyalist parentage November 21, 1787, at 277 Brunswick Street, Halifax. His picture is appropriately combined with the Canadian emblem and the world's fastest liner, the Cunarder Mauretania.

As a young man, Cunard acquired influential friends and marvellous business intuition by his miscellaneous merchandising in Halifax. He won the confidence of the British Government and in 1840 surprised the world with his wonder ship

Britannia, the first steamship to cross the Atlantic on regular schedule. She was under contract to carry Her Majesty's Mail. Then came more ships for Cunard—the Columbia, the Caledonia and the Acadia. They were of about 1,000 tons register and about 200 feet long. Today the Cunard Line's interests run into a million in ship tonnage, including the Berengaria which registers 52,000 tons, is 919 feet long and accommodates 4,000 souls; and the Mauretania which still keeps the world's speed record and crosses the Atlantic in five days; and the Canadian-service liners Alaunia, Andania, Athenia, Antonia, Ausonia, Aurania, Ascania and Letitia, each of about 14,000 tons.
