ACADEMY AT HAILEYBURY DEDICATED BY BISHOP

Presentation Also Made to His Lordship on the Occasion of His Fifty-fifth Birthday

The new St. Mary's Academy at Haileybury was formally opened and dedicated on Wednesday of last week. His Lordship Bishop Rheame officiating, assisted by Rev. Mons. Dupuis, Haileybury, and Rev. Father Chapleau, of Cobalt. Among the members of the clergy attending the ceremonies were: Rev. Fr. J. O'Gorman, Rev. Fr. C. E. Theriault, Rev. Fr. LaForest, Timmins; Rev. Fr. Evain, missionary; Rev. Fr. J. Larocque, Cochrane; Rev. A. Pelletier, Iroquois Falls; Rev. Fr. F. Leduc; Rev. Fr. Uric Roulier; Rev. Fr. Desire Jodoin; Rev. Fr. J. M. Pelchet, Hailey-

bury; Rev. Fr. H. Paquin, New Liskeard; Rev. Fr. Jubainville, Charlton; Rev. Fr. Canfield and Rev. Fr. Chapleau, Cobalt.

The event on Wednesday was marked by a musical programme of much excellence by the pupils, including vocal and instrumental selections, choruses, one-act drama, etc. A special feature was the presentation of a purse to His Lordship on the occasion of his fifty-fifth birthday anniversary. The presentation was made by fifty-five little girls, each of whom carried a flower, all the flowers being attached to the purse, so that when all the flowers were placed before the Bishop, the purse was with them.

The new academy, which was formally opened and dedicated by the Bishop last Wednesday, replaces the one destroyed by the Haileybury fire of 1922. The new building is a brick and stone structure, built on modern lines and with up-to-date equipment. It has an attractive appearance and is in fine location facing Lake Temiskaming. The building is five storeys high and holds twelve large class rooms, a magnificent auditorium, as well as other accommodation. The St. Mary's Academy provides a complete high school course, including a commercial department and special tuition in music and painting. The academy is in charge of the Sisters of the Assumption, with Rev. Sister Ste. Brigitte as principal. At present there are 184 pupils at the academy, 74 of these being from outside points. There are fourteen pupils from Timmins attending the academy, while other points in this district are also represented in the attendance. The large auditorium at the academy is equipped for the presentation of concerts, plays, etc. The stage settings in the auditorium are of especial interest, representing as they do the actual scene on Lake Temiskaming as viewed from Haileybury, the artistic design of the stage settings and background depicting the expanse of water of the lake with the village of Ville Marie shown on the Quebec shore.

ABOUT THE NEW HOTEL PLANNED FOR SWASTIKA

Mr. N. Servais, Old-Timer of the North Heading Company to Build \$75,000 Hotel at Swastika

Among the visitors to town last week was Mr. N. Servais, formerly of Haileybury and of South Porcupine, but recently resident in Toronto, though he is planning to return to the North in the near future. During his stay in the camp last week Mr. Servais was kept busy in two ways,—shaking hands with old friends, and explaining the plans and purposes of the new company formed to build a \$75,000 hotel for Swastika. For fifteen years Mr. Servais conducted hotels that were well known and popular in the North Land. One of these hotels was at South Porcupine, and the other was the famous old Matabanick at Haileybury.

The company planning to build the new hotel at Swastika is incorporated as the Northern Ontario Hotels, Limited. The capitalization includes \$100,000 in preference shares and 2,250 shares without nominal or par value. Of the \$100,000 in preference shares only \$75,000 is to be issued at present. With the 750 preference shares now to be issued will be given a bonus of one fully paid common share for each preference share. The directors of the company are:—N. Servais, hotel manager, Toronto, president; D. W. Lang, barrister, Toronto; and D. E. Cushing, journalist, Toronto, secretary-treasurer.

Mr. Servais has made a thorough survey in connection with the proposal to erect a hotel in the Kirkland Lake district and finds there is a strong demand and need for a first-class hotel. He thinks the logical place to erect it at Swastika. Swastika is on the Ferguson highway, also on the main line of the T. & N. O., and is the junction point for the Kirkland Lake camp. With the large amount of motor traffic on the highway and the business passing through Swastika for Kirkland Lake, it would appear that Swastika was an ideal location for a large and modern hotel. Mr. Servais emphasizes the advantages of Swastika as a residential town and refers to its fine park and the possibilities offered for further advantages. Swastika is the centre of a wonderful fishing and hunting district. There is ground for an excellent golf course, and other benefits may easily be visualized in such a place as Swastika, Mr. Servais thinks.

Mr. Servais figures the population of Swastika and Kirkland Lake at more than 10,000, for which the hotel accommodation at present available is entirely inadequate. In addition there is the possible tourist trade and the general growth coming to the district.

The new hotel to be built at Swastika will be modern in every respect and will have forty rooms. The property acquired for the purpose will be ample to provide for any enlargement necessary of the hotel, and construction will be carried on so as to permit of expansion, if desired. It is estimated that the total cost of the building, equipment and furnishings will not exceed \$75,000. Mr. Servais is allowing a neat yearly profit on the investment made in the venture.

WHITWASH BUFFALOES AND TAKE THIRD PLACE

Hounds Climb in Ostrosser League Bowling. Cubs Unable to Furnish Opposition to the Lions

Last week's results in the Ostrosser trophy bowling were as follows:—Lions 3, Cubs 1; Wildcats 3, Wolves 1; Foxes 3, Tiger 1; Hounds 44, Buffaloes 0.

The Hounds stretched their string of victories to nine straight games and jumped ahead of the Tigers who were able to take only one point from the lowly Foxes. The Hounds are now only 3 points behind the League leaders. The Buffaloes fell easy victims to the Hounds, not reaching 200 in any game. The Tigers who were stepping along pretty fast expected to get some easy points from the Foxes, especially when the latter appeared with only four men, but as may be seen from the score four men were enough. The Wildcats took three points unexpectedly from the Wolves in what was the most interesting match of the night. The Lions had no difficulty in defeating the leaders of the league, the Cubs, and just missed winning the last game by two pins, which prevented them from tying the Cubs for first place. This week the Lions meet the Hounds in what should be the best game of the night.

Honour roll:—D. Reid, 672; J. G. Ravelle, 612; M. Angelo, 611; E. L. Reid, 610.

The following is the standing of the teams:—
