Timmins and District Notes

Mrs. F. Y. Uttley and sons, Tom and Gordon, left today for Toronto to take up residence.

Innumerable friends in town will regret to learn that Mrs. Lee Honey is ill at the hospital here, suffering from the after-effects of the prevalent influenza. All will sincerely wish her a speedy and complete recovery.

Mr. Laprairie, of Montreal, has been visiting his son, Mr. A. Laprairie. Mr. Laprairie, Sr., was an interested visitor at the annual Charity Turkey Stag, which his son has made famous.

Mrs. G. S. Lowe and little daughter, Barbara, returned last night from Toronto, and all will be pleased to know that Barbara is fully recovered and back to good health again.

Miss Dorothy Dodge, who has just graduated as a trained nurse, after three years at Mount Sinai Hospital, New York, is expected home on Monday next. Mrs. W. R. Dodge is giving an informal At Home in honour of her daughter on Thursday afternoon, Dec. 27th, from three to nine o'clock. No formal invitations have been issued, but all friends of the family are very cordially invited to the event.

Word has been received here that all the settlers employed by the Northern Development Department on gravelling and other road work will receive their cheques in full to-day so that they may have the money for Christmas. While the individual amounts are small, owing to the fact that the weather has prevented much being done on with, still the cheques for all work done to date will prove very acceptable to the settlers and in many cases will mean a merry Christmas for them and their families, where otherwise there would have been hardship.

Mr. V. H. Emery, who recently resigned his position at the Hollinger Mine to take up the work of consulting engineer at Toronto, leaves this week for Toronto. Mrs. Emery and children have already gone south. In social and other circles the family will be greatly missed as very valuable and helpful citizens. Mrs. Emery, as president of the Home and School Association, and in other capacities, was of very noteworthy service to the town and district, while both she and Mr. Emery were deservedly popular and highly regarded by all who knew them in their residence here since the early days of the town.

Mr. and Mrs. Ralph Johnston, of Calgary, Alberta, spent a few days in town this week on their way to St. John, N.B.

Mr. Walter Ecclestone was called to Bracebridge this week owing to the death of his sister there on Sunday.

Mr. and Mrs. S. Platus have returned from their wedding tour in the South. Mr. Platus being back at his office here this week.

In farm papers the Family Herald and Weekly Star, Montreal, leads them all. One dollar a year or three years for \$2, and with it a superb magazine free.

ACCUSED OF STABBING TWO MEN HERE SUNDAY

Tony Salvador Committed for Trial. Another Merchant Fined for Selling Cigarettes to Minors.

At the police court this week Tony Salvador, well-known in the town and district, was committed for trial on two charges following the stabbing of two men. Henry White was cut on the left side apparently with a knife, while Aaron Rees had one cut under the arm, another on the neck and a third one on the head. White and Rees said they were at 158 Cedar street south, when the stabbing occurred. Each of them affirmed that Salvador had attacked one of them with the knife and when the other attempted to separate his friend and Salvador, so as to prevent trouble, Salvador used the knife on the second man. Both men were fairly deeply cut by the knife which they say was welded by Salvador. They said the stabbing followed a friendly game of cards and a social time. It is interesting to note that the alleged stabbing affray took place in the same house where the Barrons lived when a man named Champagne was killed in bed with a axe in the hands of an infuriated husband. The men who were stabbed informed the police of the matter about six o'clock on Sunday morning, and the police had the men's injuries dressed at once, obtained a warrant for the arrest of the accused man and had Salvador in custody before 6.45, which is prompt service. Salvador is being held in jail pending the judge's decision in the matter of the ball.

At the same court another storekeeper was fined \$10.00 and costs for selling cigarettes to minors. The police are evidently out in earnest to stop the objectionable practice of some merchants of supplying cigarettes to boys. This week it was A. Arcuri, Fifth avenue, who found the practice a costly one. He will have to sell about 80 packages of cigarettes to adults to meet the fine and costs for the one sold to a boy. Others who are selling cigarettes to boys should take the warning.

One solitary drunk was assessed \$10 and costs, just the same rate as charged when they come in dozens. The same sort of ten and costs was awarded to another man for reckless driving. A motorist who parked his car too near a fire hydrant was assessed a dollar and costs.

When Jim Adams was charged with the theft of a bottle of milk, he decided he would go before a judge and jury for trial. This would have been a costly proceeding for all concerned, including the country. Later, the accused changed his mind and desired to have a speedy trial before the magistrate. Constable Laviolette told of seeing the accused come out of a house in Moneta, look all around and then pick up a bottle of milk and stuff it under his coat. When the officer questioned the accused, Adams said he had just taken the bottle as a joke on the milkman whom he knew. The milkman was inside Mrs. Peterson's house and when questioned by the officer and the accused denied the idea that Adams knew him well enough to take his milk away for a joke. It was a costly joke for the accused was required to pay all the costs as well as a fine of \$10.00, the grand total being \$17.50.

The case against S. Wichstac, on a charge of high-grading, was dismissed. Tony Sanguingo, charged with wounding John Robinson in 1927, was dismissed. He denied the offence and was given the benefit of the doubt.

Frank and Sam Ellies charged with assaulting Assad Habib were bound over for one year to keep the peace in a surety of \$500.00, while the costs of the court were also levied against them. A charge of assault against Habib for an alleged assault on a lady in the other family was dismissed.

Two former friends, G. Noseworthy and P. Curtis charged each other with assault. In each case costs were levied and so the two broke about 50-50.

Rebekahs Children's Party Much Enjoyed

The annual Rebekahs Children's Party, held in the I.O.O.F. hall last Thursday evening proved a great success and was much enjoyed by the youngsters present. The event in previous years was always considered one of the features of the season and this year it did not lose any of its charm for the children. There was a wonderful supper for the children of the members of the Rebekahs, with fruit, candy, etc., and games, music and other entertainment that delighted the kiddies.

At Home in Honour of Dr. and Mrs. O. Hague

Dr. and Mrs. O. Hague leave on Wednesday of next week, Dec. 26th, for Winnipeg to take up residence. Mr. and Mrs. W. H. Pritchard are receiving from three to six o'clock on Christmas Day in honour of Dr. and Mrs. Hague, to allow the many friends they have made during their stay in town to bid them good-bye and good luck.

Dr. Hague is going to St. Boniface hospital, Winnipeg, where he will take charge of the X-ray department of that noted hospital.

Dr. and Mrs. Hague have made wide circles of friends in the town and district, and their departure will be sincerely regretted. Dr. Hague, who has been in charge of the work for silicosis patients and the X-ray equipment in this camp in connection with the Ontario Workmen's Compensation Board, has taken an active and helpful part in many public and community efforts, and his interest and services have been appreciated.

Dr. and Mrs. Hague will be much missed and will be followed to their new home with hosts of good wishes from Timmins and district.

Dr. McBain is up from Kirkland Lake to look after the silicosis and X-ray departments for the Compensation Board.

- Jan. 10—Timmins at Kirkland Lake
Jan. 14—Kirkland Lake at Timmins.
Jan. 21—Kirkland Lake at Iroquois Falls.
Jan. 24—Timmins at Kirkland Lake
Jan. 28—Kirkland Lake at Timmins.
Feb. 4—Timmins at Iroquois Falls.
Feb. 7—Timmins at Kirkland Lake.
Feb. 11—Kirkland Lake at Timmins
Feb. 14—Iroquois Falls at Kirkland Lake.

The group will be decided on a point basis. Three points will be awarded to the club winning games in which Iroquois Falls participates and one point will be awarded for all other wins.
