SAND AND GRAVEL—AND PLACER

While a meeting of communists was in progress in Toronto some days ago, someone threw a tear bomb into the hall with the result that the gathering broke up in confusion.

The various reports of the District of Cochrane Children's Aid Society, as submitted to the annual meeting of the Society on Saturday, show that the good work for the children is prospering in this district.

VETERAN GRANTS PROVE COSTLY TO THE NORTH

Veterans of These Wars Given 2,560,000 Acres of Timber Land Now too Valuable to Buy Back

According to an article in The Toronto Globe the North Land in particular and the province in general is still feeling the effects of two wars long passed into history—the Boer War and the Fenian Raids.

The Boer War and the Fenian Raids cost the Province of Ontario a "pretty penny" in timber wealth, and the Ferguson Government up at Queen's Park is just now realizing—28 years too late—that expensive propositions these were.

Millions of dollars' worth of pulpwoods which ordinarily would have remained Crown property were converted, indirectly, by these campaigns into private holdings from which vast quantities of timber have been cut and is still being cut, immune from Government taxation, and shipped to the United States in its raw state, totally unaffected by the "manufacture-before-export" regulation which at present applies to pulp-timber cutting from Crown lands.

When the boys came home from South Africa steps were promptly taken by grateful "at-homes" to reimburse them "for services rendered." The steps culminated in the issuance of thousands of certificates, every one of which entitled its war-veteran holder to 160 acres of land in Northern Ontario, or to the privilege of accepting, in lieu thereof, a cash consideration of \$50.

With the passing of time private pulp operators began to buy up these 160-acre lots. They are still acquiring them. Some of the most valuable pulp timber located in Ontario is to be found in the big blocks of the North country that were set aside for the Boer and Fenian veterans.

This particular block is only one of numerous similar-sized blocks that are scattered over Northern Ontario. The Ferguson Government is in no position

THREE MONTHS FOR WRONG METHOD TO OBTAIN CREDIT

Mike Crostzon Gave Merchant to Understand He Had Good Bank Balance, and Then Did Not Pay Account.

Some days ago Mr. R. R. Horner complained to the police that he had given credit to one Mike Crostzon, Balsam street, on what he later found to be false pretences, and that since the discovery he could not get in touch with this customer.

The only other case at police court this week was that of a lone and simple drunk who paid the usual \$10.00 and costs.

KAPUSKASING NOW BEING RED-MARKED ON THE MAP

One of those street corner talkers was holding forth one night and had gathered quite an audience round him. A citizen coming along and seeing the crowd gathered round the speaker asked a coloured gentleman standing nearby what it was all about.

"Richmond Gur to Kapuskasing; next stop Toronto." That's what we have actually come to already in aviation. Not long ago Duke Schiller blew in—or flew in—from a Hudson Bay post away up in Labrador with a company factor who had cut a wrist artery, and his life was saved by a prompt operation in our local hospital.

Jack Miner points out that this is digested every twenty-four hours. Thus, can any one estimate the value of the mourning dove and quail to the farmer?

New York Life:—When the former bachelor girl was asked:—"What do you miss most now that you're married?"

sympathy extended to the work of the Children's Aid in this district suggests that the people are not living for the day alone but are giving time and money and effort to assure a better citizenship in the days to come.

Lovers of dogs will regret that dog owners in this town are taking an attitude that can only result in some form of regulation that will mean a virtual prohibition of dogs here. Scores of dogs run the streets, day and night, out of all control.

Recently a Chinaman at Ottawa was sentenced to three months in the reformatory for using a heated poker as a means of defence in a brawl that developed in the restaurant in which he worked.

RECEPTION AT SCHUMACHER TO LIEUTENANT-GOVERNOR

Mr. Jas. Shewan Chairman Schumacher School Board, Other Items of News from Schumacher Correspondent.

Schumacher, Jan. 30th, 1928. Special to The Advance. Mrs. Ed. Kealey, a former resident, visited friends here recently.

In a recent mail The Advance received a note from Mr. Manley P. Miner, of Kingsville, in regard to the work of his father, Jack Miner, the naturalist and nature lover.

It was he who years ago helped put the mourning dove on the song and insectivorous bird list, which means no shooting. And he is now making an effort to have the "Bob White Quail" placed on the same list when he knows of their value.
