3rd Round Thompson, New Liskeard won from Seymour, Halleybury. Pickard, Halleybury won from Dunbar, Halleybury.

LOCALS

Miss Betty Sinclair returned this week from Toronto. Mrs. J. W. Wray, of Toronto, has been visiting friends in town, renewing acquaintances here. The next regular meeting of the town council will be held on Feb. 10th, commencing at 4 p.m. Mr. F. M. Burke left on Tuesday for a few weeks' holiday in Florida and the far south. Mr. and Mrs. Gordon H. Gauthier left this week for an extended holiday at Bermuda and other southern points.

A hot Turkey dinner will be served by the Ladies Aid in basement of the United Church on Monday, Feb. 11th, from 5 to 7:30 p.m. Tickets \$1.00, -5-6. February 12th is the date of the annual hot dinner, with pancakes and maple syrup, to be served by St. Matthew's Ladies' Guild. The Kapuskasing Tribune last week says:—"Miss Margaret Thompson, of Timmins is now employed in the office of the Experimental Farm."

Mr. A. G. Carson, superintendent of the Children's Aid Society, is in Timmins on business in connection with the society this week. Rev. August Lappala was in Cochrane last week conducting services at the United Church there for the Finnish people. Miss Quinn, of Ottawa, one of the officials of the Immigration Department at Ottawa, was in town this week on business for the Dept.

Come to the hot turkey dinner served by the Ladies Aid on Monday, Feb. 11th, in the basement of United Church from 5 to 7:30 p.m. Tickets \$1.00. -5-6. The next regular meeting of the Timmins town council is scheduled for Monday afternoon, Feb. 11th, commencing at 4 p.m. The Kapuskasing Tribune last week says:—"Mr. Matt. Bovin, of Timmins, was a business visitor to town this week."

The Columbus Club are giving a social evening in the Oddfellows' hall on Tuesday evening, next week, Feb. 5th, for members and their friends. Tickets have been on sale for some days for the event. Cards will begin at 8:30 p.m. A buffet lunch will be served and the music will be provided by the Canadian Legion orchestra. The dance this (Thursday) evening in the Hollinger hall under the auspices of the Lancashire Football Club promises to be an unusually pleasing one. In addition to some special novelties, such as a Charleston contest and an Old Country Waltz competition, the refreshments for the evening are to be particularly featured.

An epidemic of influenza is said to be raging in the Patricia district. Indians and white men alike are said to be suffering from the disease, many prospectors being laid up at their claims. The airplanes are giving notable help in the matter, taking in medicines and comforts and bringing out some of those particularly ill. Six boys were up in juvenile court at Kirkland Lake last week on the charge of failing to attend school regularly. The boys promised to attend regularly after this, but were warned by the judge that unless they went to school regularly they would be sent away to a school where they could not evade school attendance and where their liberty would be greatly curtailed. Some boys nearer here than Kirkland would do well to make a note of this.

FOREST FIRE FIGHTERS HOLD CONVENTION IN TORONTO. Last week the fire chiefs and deputies of the Ontario Forestry Department met in Toronto for a convention and course of instruction. There were twenty-seven called in from various parts of the North by Hon. Wm. Finlayson for the conference on subjects dealing with the duties of the forest fire-rangers. The gathering this year was so successful and promises such helpful results that it is understood Hon. Mr. Finlayson intends to make it a yearly feature, enlarging on the idea and having it, as it were, a school of instruction for the fire-rangers of the province. Lectures on fire-fighting, weather observations, measurements, and other features of the service, as well as on the air service, will be featured, the lecturers all to be men of distinction in their particular lines. At the convention last week all parts of the North were represented.

Action Free Press:—Cups and medals are given for all kinds of athletic prowess, but why not a prize for the best snow-shoveller, who shows his prowess on the walks surrounding his abode. Snow-shovelling is both useful and good exercise. Milwaukee Journal:—The enormous difficulties in the way of preventing war are strikingly illustrated by the lamentable outbreak in the highly esteemed Salvation Army.

London (Eng.) Punch:—The common man is endowed with certain inalienable rights, all of which he must keep fighting for. New York Evening Post:—Currency is covered with worms, says a warning.

Teams from Timmins at Halleybury Bospiel

Two rinks from Timmins are at Halleybury this week taking part in the bospiel there, the chief trophy being the T. & N. O. cup. The teams from here are as follows: Geo. Lake, S. T. Walker, Geo. S. Drew and I. Solomon, skip. E. H. Hill, D. Ostrosser, F. Francis and A. W. Lang, skip.

Still Another Chain Store to Open in Timmins?

That another large chain store will be opened very shortly in Timmins is a rumour one hears quite frequently on the streets these days. The latest chain store to invade Timmins according to Dame Rumour is the Metropolitan Stores, who are supposed to have secured an option on a property on Third avenue, and contemplate opening here shortly.

Famous Glee Singers Here Again For To-night

The famous Westminster Glee Singers here under the auspices of the Kiwanis Club, presented a remarkably pleasing musical entertainment in the parish hall of St. Anthony's church last night. There was a large attendance and all present were delighted with the wonderful voices and the entrancing musical effects. "Nothing like I heard before in Timmins" was a general opinion. The Westminster Glee Singers are appearing again this evening at the same hall and will undoubtedly have a crowded house. At Cobalt it was necessary to turn scores away. All who have heard the famous British glee singers are enthusiastic. Further reference to their entertainment will be made in next issue.

Crowd Again Delighted With Cantata Presented

There was a fair attendance at St. Anthony's hall on Friday evening last for the second presentation, by special request, of the cantata, "Queen Esther," by the Timmins Choral Society. Under the able leadership of Mr. Jas. Geis, the cantata was very pleasingly and successfully presented and all present were delighted with the effective and finished work of the Timmins Choral Society. Some of those taking part in the original presentation some weeks ago were unable to be present last week but other capable singers took their places and the event was successfully carried through and found general favour with all music-lovers.

Bishop and People Sure Cochrane Rector Innocent

Charged with having carnal knowledge of a girl under 14, Rev. Ward B. Williston, rector of Holy Trinity Anglican church, Cochrane, was arrested on Thursday last, later being allowed out on bail of \$10,000.00. The girl said to be involved is 12 years of age and the family moved to Rouyn some months ago. The alleged offence is said to have occurred in one of the church buildings. Rev. Mr. Williston appeared before Magistrate Tucker on Monday for preliminary hearing, the case being remanded and bail being renewed. With the Bishop of Moosonee and the mayor of Cochrane, Mr. Ivy, taking leading part, a meeting of the congregation of the church was held Monday evening of this week and the gathering went on record as believing absolutely in the innocence of the rector and ready to stand by him to the finish. A fund of \$337.00 was raised for his defence, with more promised. The Bishop expressed his belief that the case was "a work of spite of an enemy of a year's standing," according to the despatches from Cochrane. Previous allegations of a similar kind, His Lordship said, had been disproved and retracted and he thought the present charge would be as completely disproved.

DEATH OF MRS. M. PRITCHARD AT OGDENSBURG, NEW YORK

Very sincere sympathy will be extended to Messrs W. H. Pritchard and T. E. Pritchard, of Timmins, in the death on Sunday, Jan. 20th, of their mother, Mrs. M. Pritchard, who passed away at Hepburn hospital Ogdensburg, N.Y., at the age of 73 years. The late Mrs. Pritchard had been ill for about a year and so her death was not altogether unexpected, though coming as a decided shock. The funeral took place on Tuesday of last week at Brockville, Ont., services being held at the United Church and at the graveside. The Presbyterian minister from Ogdensburg journeyed to Brockville to assist in the services, volunteering this as a mark of sincere appreciation for the life and character of the late Mrs. Pritchard. Mr. W. H. Pritchard and Mr. T. E. Pritchard, of Timmins, were at Brockville last week attending the funeral of their mother, while another son, Dr. J. A. Pritchard, of Ogdensburg, N.Y., was also among the mourners. The large attendance at the funeral and the many beautiful floral tributes testified to the high esteem in which the late Mrs. M. Pritchard was held by all who knew her. She had spent practically all her life in the Brockville district where she was well known and greatly esteemed.

Pembroke Standard-Observer:—One thing would seem sure that in spite of their philanthropic work the Salvation Army can stage a big row, as well as some of the older denominations of the Christian Church.

Milwaukee Journal:—The enormous difficulties in the way of preventing war are strikingly illustrated by the lamentable outbreak in the highly esteemed Salvation Army.

PLAN BIG DEVELOPMENT OF POWER ON THE ABITIBI

Plans for Large New Power Plant Near Mileage 70 North of Cochrane Now Reported

Despatches in the daily papers last week dated from Toronto says:—"Reports reaching here this week from North are to the effect that a power development of considerable magnitude on the Abitibi River is in the offing. At the present time Morrow & Beatty, contractors, are making a preliminary survey of the site of the proposed development near Mileage 70 on the James Bay extension of the T. & N. O. Railway, some distance beyond the present terminus of the road, but not past the end of steel. It is stated that an occasion train is being run to a point near the site, which is located at what is known as the Abitibi Canyon.

"It is generally believed that the Abitibi Power and Paper Company is interested in the project and rumour has it that the power is being developed for transmission to the Sudbury district, where important mining enterprises are expected in addition to the older mines there. "The site chosen tentatively for the operations is just above the canyon. There is a series of four rapids in addition to Clay Falls and there is a total drop in the river of 130 feet in a very short distance. No estimate of the available power at that particular point is available, but it is understood that there is an enormous amount that can be developed and that the engineering will not present any very difficult problem. "When the project gets under way it will mean another big enterprise for the North Country, as there will be a larger number of men employed during the construction period and it will mean another justification for the extension of the Government Railway, if such is required."

High-Grade Samples From Week's Run of the Press

Sudbury Star:—A London man is reported to have swallowed a tooth brush. This will be doubly embarrassing if the tooth brush was borrowed. North Bay Nugget:—Indications are that the United States Senate is going to have that peace pact, even if it has to fight for it. Toronto Mail and Empire:—A young Englishman, defended by a woman lawyer, has been found guilty, but the praise given his counsel by the presiding judge must be very gratifying to him. New York Times:—Now that the faces of some of the vaudeville singers have been lifted is there any way to have their voices lowered?
