### IROQUOIS FALLS DEFEAT KIRKLAND LAKE BY 10 TO 2

#### Papermakers Secure More Than Full Revenge for Defeat by Kirkland Lake 2 to 9

At Iroquois Falls Tuesday night the Eskimos secured revenge in full for the loss to Kirkland Lake last week 2 to 0. The Falls lads made the score 10 to 2 against Kirkland Lake and had the game all their own way. The Falls team showed fine combination and scored almost at will. One of the nice goals of the evening was by Wilson who went right through the Kirkland Lake team and got his goal. Regan was the pick of the visitors but was closely held down.

The scoring by periods was as follows:—first period, Cybulski, 1; Wimpers, 1; second period, Wilson, Cybulski, Evans and Regan, 1 each; third period, Burns, Trotter, Evans (2), Cybulski and Woods.

There were no penalties in the first period and only two, Regan and Evans were penalized in the second frame. In the third period the penalties were: Wilson, 2; Regan, 1; and Cybulski, 1.

Kirkland Lake—Goal, Mayo; defence, Regan, Couture; centre, Townsley; wings, Woods, Gagnon; subs, S. Lemon, Ames and Forbes.

Iroquois Falls—Goal, Kerr; defence, Evans, Huggins; centre, Cybulski; wings, Wimpers, Fraser; subs, Trotter, Penner and Wilson; sub goalie, Powers.

Referee, Charlie Roach, of Timmins.

Recently the Timmins Board of Trade endeavoured to make arrangements whereby Division Court might be held here, Judge Caron stopping sessions here because he considered proper accommodation was not provided. At Cobalt there is a somewhat similar situation, Judge Hayward recently announcing that he would not again hold Division Court at Cobalt until the accommodation there was made more satisfactory.

Calgary Herald:—How unfortunate that the only people who know how to run the country should have turned out to be magazine writers.

### Central Kamiskotia Plans Active Work This Winter

An article on the mining page of the Toronto Star this week says:—

"With the winter road in good shape and in anticipation of favourable action being taken by the provincial government regarding the extension of the T. and N. O. railroad into Kamiskotia the officers of Central Kamiskotia Mining Syndicate have made arrangements for work to proceed throughout the winter months. During the last few days five sleigh loads of supplies have been transported to the property, which lies twelve miles due west of Timmins.

"A new bunkhouse is being erected capable of taking care of 25 men. In addition, a cookery and office will be built. Smaller outbuildings including an assay office are also contemplated. Three-quarters of a mile of new road has been cut from the Lally road into the property.

"Work will be resumed on the vein discovered last fall and which gave a splendid assay of copper. This vein is covered by a capping of rock approximately four feet thick and blasting done last fall disclosed six feet of high grade chalcopryite. Two assay returns gave the following results: Gold, 41c; silver, 2.16 ozs.; copper 15.73 per cent.; bismuth, 0.10 per cent.; or a total of \$58 per ton; and gold trace, silver, 0.76 ozs.; copper, 9.42 per cent.; bismuth, trace, or a total of \$32 per ton. Neither of these assays gave a trace of zinc.

"According to the syndicate's officers the more spectacular ore was not assayed and some fine specimens of boronite were shipped to New York and Philadelphia. After widths have been ascertained, diamond drilling will commence.

"The syndicate has sufficient funds to carry on until spring when an operating company will be formed to take over the holdings of the syndicate. The officers of the syndicate are: F. E. Melzer, New York; A. M. Latchford, Toronto; John Cruickshank, Toronto; Gustave Hasenfuss, Philadelphia; Robert Dalmasse, Philadelphia."

### BIG "STRIKE" MAN

Leading a team of British spare and strike makers, Albert Mall (above) is hopeful that his bowling team will lift the cup, emblematic of the world's championship, when they compete with a United States bowling team in the International Bowling Tournament to be held in California.

### SCHUMACHER CONTRACTORS CARRYING ON BIG BUSINESS

Employing 450 Men and 75 Teams  
Other Interesting News from The Advance Correspondent at Schumacher

Schumacher, February 6th, 1929  
Special to The Advance

At the inaugural meeting of the new Board of Stewards of the Trinity United Church the following officers were elected for the ensuing year:—chairman, Mr. George Elliott; vice-chairman, Mr. George West; secretary, Mr. J. A. Bush; treasurer, Mr. W. C. Arnott; envelope steward, Mr. C. W. Pennie; weekly contribution envelope committee, Mr. George Elliott, Mr. Denham Greer, and Dr. Honey; property building committee, Dr. Weston, Mr. D. Greer, Mr. W. P. Oilton, Mr. George C. Murphy; special contribution committee, Mr. James Shewan, Mr. W. R. Sullivan, Mr. J. E. Williams and Mr. W. C. Arnott.

While Dr. White was cranking his car at the Schumacher garage on Saturday afternoon, the engine "back fired" seriously injuring his right arm. The doctor was at once taken to the Timmins hospital where it was discovered that he had sustained a fracture of one of the bones near the wrist. The sympathy of numerous friends is extended to our popular physician in his misfortune.

Mrs. H. Lochrie, Second avenue, underwent a successful operation for appendicitis last week at the hospital in Timmins.

Mr. Sam Tennyson is home from the Timmins hospital where he was a patient for several days. Mr. Tennyson is one of our pioneer residents and his many friends are glad to hear he is on the way to recovery.

Mrs. W. Dunn left last week for a visit with friends in Toronto. Mr. Dunn who has held an important position for several years with the McIntyre Mine will leave shortly for Northern Manitoba to accept a prominent appointment with the Sherritt-Gordon. The Dunn family have been quite popular during their sojourn in this town, and their departure will cause a feeling of general regret among their numerous friends.

The new member of the township police staff is Mr. William Noyes. He has already made a good impression and with his experience on the Cardiff police force should make a valuable assistant to P. C. "Sandy" Fulton, senior guardian of the peace in the town of Schumacher.

Mrs. R. Rutherford, of Amos, Quebec, is a guest at the home of Mr. and Mrs. P. Cooper, Lakeside drive.

Feldman Bros., our local merchants and contractors, are doing an extensive business this season. One of the members of the firm reports that they have eleven camps in operation with four hundred and fifty men and seventy-five teams at work. One contract calls for the production of forty thousand cords of pulpwood. The snowfall and weather have been very favourable this season for lumbering operations.

Mrs. (Dr) R. v. Weston is a visitor this week at Kirkland Lake.

Miss Neame, R.N., returned recently from Iroquois Falls.

Dr. Byers has been appointed Medical Officer of Health for the township of Tisdale, the vacancy occurring through the departure of Dr. Cameron-Smith for Kirkland Lake.

### AGED EX-PREMIER DEAD

Hon. John H. Bell, aged 82, former Premier of Prince Edward Island, who suffered a fractured skull when he was struck by an automobile while attempting to cross a Los Angeles thoroughfare. He died shortly after.

### ASK SURVEY OF BELT LINE OF ROADS FOR THE NORTH

Ontario Associated Boards of Trade Make Interesting Recommendations to Ontario Government

The Ontario Associated Boards of Trade had a delegation interview the Ontario Government on Monday with a view to placing before the Cabinet the matters dealt with at the last regular meeting of the Ontario Associated Boards, held at North Bay last fall.

Of special interest to the North is the fact that the members of the deputation suggested that the route for the trans-Canada highway be the Ferguson highway from Toronto to Cochrane and westward through the clay belt would be the best. They pointed out that this route would include some of Ontario's finest scenic territory, including the foremost of the province's gold mining camps, make accessible some of Ontario's largest pulp and paper mills and traverse the clay belt which, they feel, holds great future for the province.

Of still greater interest to the section of the North was the request to the Cabinet that a survey towards building a through highway from Timmins to Sudbury be made at an early date and that part of the highway lying between Pembroke and Calendar, particularly between Petawawa and Mattawa, be rebuilt immediately and that it be used as part of the proposed trans-Canada highway.

The delegation urged the bringing about of uniformity of gauge of all vehicles using the highways. There was also a request for legislation for the protection of salmon trout during the spawning season and for the rigid enforcement of all laws for game and fish protection.

Not so good was the suggestion that daylight saving be forced on all the province. The usual stock arguments were used to uphold this idea, but Hon. John S. Martin, Minister of Agriculture, made it plain that the farmers would strenuously object to this sort of legislation.

### MORE CREDIT DUE TO THE NOW-FAMOUS PORKY LEVINE

"Observer" writing in his "Sportology" column in The North Bay Nugget has the following paragraph that will be read with very considerable interest:—

"The Porcupine Advance, last week, called attention to the rapid and spectacular ascension of Solomon "Porky" Levine since he became identified with professional hockey as a member of the Detroit Olympics of the Canpro circuit. The Advance was remiss in but one particular and that was in not crediting the young Timmins citizen with being a member of the Trapper club for one season. He deserted the Gold Camp to join the Trappers and from here passed on to nobler ranks. His association with the renowned Trapper club will be cherished by the boy as one of the most auspicious of the milestones in his hockey career. "Porky" became a favourite with the members of the Olympic team and Detroit fans immediately upon joining the club. His genial nature would win him friends in any sphere he entered. During the past month he was loaned to Seattle of the Pacific Coast league, and since joining the western club has earned a high place in the estimation of his fellow team-mates and Seattle fans. Just last week a scout for the Detroit Olympic club toured the North in search of material. In conversation with a prominent Northern fan he confided the information that his club was offered \$15,000 for "Porky's" services but the offer was refused. Their price, the club representative said, is nothing short of \$20,000. This may sound queer to most Northern fans but it is said that practice and training has made "Porky" a high-class goalie. The training included the reduction of his avoirdupois considerably; in fact to such an extent that he is one of the most agile net-guardians in pro company."

### Meeting Called to Set Date for the Dog Race

Dr. J. A. McInnis, chairman of the Porcupine Dog Race Committee, has called a meeting at the town hall, Timmins, on Saturday afternoon of this week Feb. 9th, at 5 o'clock, to arrange for the annual dog race events and set a date for this year's feature. All interested are invited to attend. For twelve years past the Porcupine Dog Race has been one of the big winter events of the North and usually there has been great interest evidenced in the events. While the main feature is the dog race, speed event, from Timmins to South Porcupine and return, other features, such as the freight dog team race, and dog races for boys, as well as the carnival usually held in the evenings, have been also of interest. The first Porcupine Dog Race was held in 1916 over much the same course as followed since, and only one year in the meantime has the race been missed. That miss was in 1927 when the date of the event was left too late with the result that weather and road conditions made it impractical. Every year preparations for the race have been delayed too long. For the best success the race should be held either in February or early in March. According all interested should attend the meeting Saturday so as to get arrangements completed so that the race may be dated at an early time.

### LOCALS

Mr. W. Nicholson, manager of the Timmins branch of Gamble-Robinson, Ltd., is on a business visit to Minneapolis, Minn.

The regular meeting of the Timmins town council will be held on Monday afternoon, Feb. 11th, commencing at 4 o'clock.

Friday, March 29th, is Good Friday this year, Easter Sunday being March 31st. Easter Monday falls on April the first.

Come to the hot turkey dinner served by the Ladies' Aid on Monday, Feb. 11th, in the basement of the United Church from 5 to 7.30 p.m. Tickets \$1.00.

His many friends in the town and district will regret to learn that John Archer, Sr., is seriously ill at his home here, and all will wish him a speedy and complete recovery.

Timmins Post of the Canadian Legion announce a dance on Monday, Feb. 14th, in the Masonic hall, Timmins. The Canadian Legion orchestra will furnish the best of music for the occasion and all features of the event will be up to the highest standards. This is an event that no lovers of good dancing should miss.

His many friends will be pleased to know that Councillor Alfred Caron, who had his leg broken while attempting to stop a runaway horse that threatened to do serious damage or injury, is making excellent progress to recovery and will likely be able to be out again in a week or so.

Last week two young men, who said later that they had walked from Ville Marie, went into a cafe at Cobalt last week and ordered up T-bone steaks with trimmings. After the meals were served they told the cafe proprietor that he could whistle for his money. Instead he whistled for the police. On a charge of obtaining food under false pretences the men were fined \$25 and costs each or two months in jail. They are taking the next two months to pay for that meal.

Old-timers of the Cobalt camp will be interested in learning that Mr. and Mrs. Vincent Furry left Cobalt this week to take up their future residence in Vancouver, B.C. Mr. and Mrs. Furry were among the first residents of Cobalt.

The congregation of the Kirkland Lake Baptist church has invited Pastor Ronald Doughty to return to the charge there which he recently relinquished. Rev. Mr. Simmons, of New Liskeard, who was present at the meeting, approved the application.

A Kirkland Lake man was fined \$5.00 and costs in police court some days ago because he failed to see that his children attended school regularly. There may be a good tip in this for some parents not worrying at present even though their youngsters fail to attend school.
