

"That's my manager"

YES, Fred, she spends the whole roll! What do you think of this suit? And how does the haberdashery blend? A fat chance I'd have getting a match like that. And if you think I'm well dressed, you should see her! Funny part of it is, she dresses both of us on just a trifle more than I spent on the junk I used to wear--How?"

"Boy, she knows her groceries, yes-- and she knows where to buy 'em at a price that's right too . . . and that goes for socks, hats, shoes, furniture, dish pans and dental floss -- when she gets ready to buy anything, she goes through the newspaper ads with a fine tooth comb and don't think it hasn't had a telling effect on our savings account over at the Bank -- I'll tell the world my wife reads the ads and reads 'em through."

"Teach your dollars to have more cents"
