South Porcupine, March 4th, 1929. period was scoreless. In the third period Barron scored for Schumacher and it looked as though the visitors were going to be on the top side of the score, but Cattarello made two spectacular rushes and put South Porcupine Scouts one up, the score being 3-2 at the final gong. There were 12 penalties,—six for each club.

daintily planned and all had a pleasant time.

Born—On Sunday, March 3rd, to Mr. and Mrs. McMillan, Broadway avenue, South Porcupine,—a daughter.

On Thursday evening the Electricians of the Dome Mines met the Machinists of the same place in a game of hockey at the South Porcupine arena. It resulted in a score of 2-0 in favour of the Mechanics. Something was wrong with the wiring of the Electricians, and they did not get the right connections for a score. Cook dished up the two goals for the Mechanics. The teams lined-up—Electricians—goal, Gilmour, defence, Miller and Mansfield; centre, Gibbons; wings, Spence and Laroche. Machinists—Humphrey, centre, Cook; wings, Fell and McMurray. Referee, Pete Mill. Judge of play, Bill Gagnon.

Mr. and Mrs. S. Burgoyne left on Thursday last for Fort William where Mr. Burgoyne will act as referee in some of the play-off games in hockey. On the Tuesday before leaving Mrs. Burgoyne entertained a number of her lady friends at an evening of bridge. The prize-winners were Miss Irene Wilson, Mrs. W. W. Wilson, and Mrs. R. Cameron.

Her many friends will regret to learn that Mrs. D. McPhail has been in the Porcupine Presbyterian hospital for an operation on her nose. Latest reports say that her progress is very favourable.

A meeting was held at the United Church on Thursday last after the close of the public school for the formation of a Mission Band. They will meet again on Thursday of this week and the officers will be elected.

His many friends here will heartily congratulate Mr. George Banks, a student at Wycliffe College, Toronto, on his winning of the gold medal given for oratory there. His subject was "Lawrence in Arabia." Those who have listened to him preach in the Anglican Church here during the past summers realize the force and personality there is back of his talks that simply hold the audience from the first word to the last.
