Says Moiseley & Ball**

Make up your mind today that you are going to give your skin a real chance to get well. Go to Moiseley & Ball or any other good druggist today and get an original bottle of Moone's Emerald Oil. The very first application will give you relief and a few short treatments will thoroughly convince you that by sticking faithfully to it for a short while your skin troubles will be a thing of the past. Don't expect a single bottle to do it all at once but one bottle we know will show you beyond all question that you have at last discovered the way to restore your skin to perfect health. Remember that Moone's Emerald Oil is a clean powerful, penetrating Antiseptic Oil that does not stain or leave a greasy residue and that it must give complete satisfaction or your money cheerfully refunded.
