Deep-Seated Rheumatic Pains

Quickly Yield to Powerful Penetrating
Oil

Probably no affliction is more common or responsible for more intense suffering than rheumatism. Thousands of otherwise robust persons drag through a life of misery and agony.

Here is a new treatment. Simply get a bottle of **Moone's Emerald Oil**, and apply to the affected parts. It's easy and pleasant to use and there is no doubt but what the most stubborn and severe cases yield quickly to its powerful, penetrating influence. The first application brings blessed relief. All good druggists have it, but you can be sure to get it at Moiseley & Ball, Prescription Druggists.

Farewell Party at South Porcupine to C. B. Morgan

Presentation Made to Old-Timer of Camp Leaving to Re-side in Toronto. Sad death of Franklin Hall, Bright and Popular Dome Boy. Concert Under Auspices South Porcupine C.G.I.T. Other South Porcupine News

South Porcupine, April 23rd, Special to The Advance.

Mrs. C. McInnis is visiting her sisters in Toronto and Hamilton.

Miss Beulah Rayner entertained a number of young friends at a farewell party for her chum, Gladys Forster, last week, when the guest of the evening was presented with a leather hat bag as a token of remembrance from her chums here.

The Girl Guides are holding their meeting at their headquarters on Friday evening of the week at 7.30 p.m. instead of on Saturday as they formerly did.

Miss Mary McIntosh won the prize for the best essay on the temperance lesson for the month of March in the United Church Sunday School.

Mr. A. Ewing went down to Kirkland Lake for Sunday to say good-bye to his mother and brother, Robert, who left there on that day to make their home in Windsor.

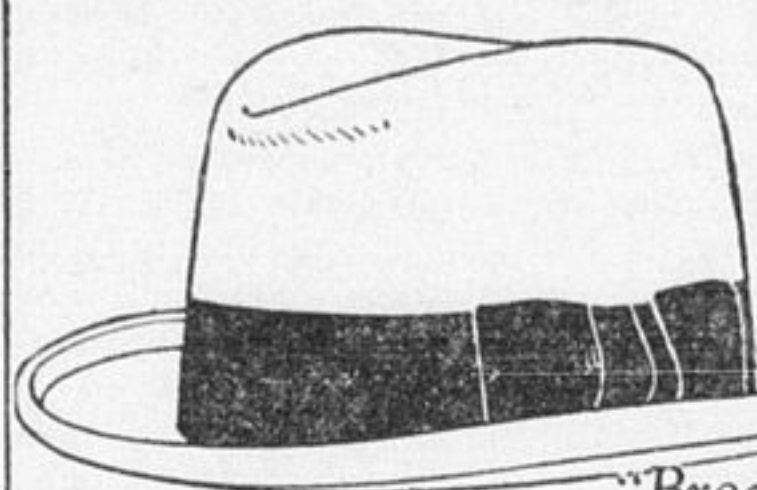

Judge Miller, of New York, one of the directors of the Dome Mines, has been visiting the property during the past week.

Mrs. J. Firth is home again after an extended visit with her mother out West.

Miss Margaret Bailey, of Hastings, is visiting at the home of her uncle, Mr. C. V. Gallagher.

Very deep sympathy was felt throughout the camp when it was learned that Franklin Hall had passed away about three o'clock last Thursday afternoon. He had been in the Presbyterian hospital here five weeks on that day and a valiant effort had been made to save the young life. In the early stages of the disease it quickly assumed a virulent form and a blood transfusion was given, Jim Fell of the Dome supplying the blood. He rallied considerably for the next few weeks but the ravages of typhoid proved too much for the young boy and after intense suffering death came and claimed its victim in spite of all the care bestowed. Franklin Howard was the only son of Mr. and Mrs. F. H. Hall of the Dome Mines, and was ten years old on January 16th last. He was a

favourite with both old and young, always courteous and gentle. The funeral service took place at the United Church here, on Friday morning, Boy Scouts Clarence McCaffrey and Sam Stovell, of the Dome and Kenneth Myers and George Kaufman, of town, acted as ushers. Six of his young comrades acted as pall-bearers, Sidney Hughes, Charlie Armstrong, Bruce Stovell, Dick Stone, Peter Robinson and Ross MacPhail. The remains were taken to Toronto on the noon train for burial there, his parents, Mr. and Mrs. Hall, and his grandmother and aunt, Mrs. Smith and Miss Edith Smith, accompanying them. The funeral service in Toronto was held at the home of Mr. Hall's brother on Northcliffe Blvd., on Saturday at two-thirty. Rev. F. Bain, of Creemore, coming down to Toronto to take the service. Rev. F. Bain was a former much-loved pastor of Franklin, here. Mr. E. C. Moddle took the service here and spoke feelingly of the gentlemanly Christian character of the deceased, although so young. Less than a month ago Mrs. Hall was bereaved of her sister, Elsie Smith of Toronto who succumbed to pneumonia. Mr. and Mrs. Hall have been residents here since the very early days and Franklin's whole life had been lived at the Dome. The public school there closed so as to allow those of his comrades wishing to do so, to attend the last rites in the church. A very long cortege followed the deceased to the station.

Mrs. Ernie Stevens and Mrs. E. M. Allworth, of Timmins, were the guests of Mrs. J. Burrows at the Ankerite Mine last week.

Mrs. D. MacPhail, of the Consolidated West Dome Lake, is on a visit to her mother in the Maritime province.

On Thursday evening at the United Church under the auspices of the Young People's Society eighty slides depicting town and country life in Korea will be shown.

The Explorer's Club were entertained at the home of Clifford Knutson on this (Tuesday) night.

His associates of the early days here gave a surprise party to Mr. C. B. Morgan, at the home of Mr. L. Dixon, mining recorder, as a farewell before he left to take up his residence in Toronto. During the evening he was presented with a beautiful antique hammered brass table, collapsible and mounted on six legs. Mr. C. V. Gallagher, reeve of Tisdale, made the presentation on behalf of the old-timers. Mr. Morgan served the township two consecutive years as reeve besides being councillor for a great many years. It was during his reeveship that the "flu" epidemic of 1918 struck this district and very great credit has always been due to Mr. Morgan for the able way he marshalled all available forces and combated the disease. On behalf of the Anglican Church here Mr. Morgan was also presented with a leather club-bag on the same evening, as Mr. Morgan while resident here was ever an active worker for St. Paul's Anglican Church.

On Thursday evening last there was a concert in the United Church under the auspices of the recently formed C.G.I.T. girls of South Porcupine. The first part of the programme included a solo by Alice Eyre, a young C.G.I.T. with a very sweet voice; a fable recited by six C.G.I.T. girls of the South Porcupine Club; a reading, "The House by the Side of the Road," by Ronald Moddle; and soprano solos by Mrs. J. Barry and Miss L. Johnson, both of which were very much appreciated and applauded. Mrs. Barry's juvenile admirers simply would not let her take her seat without an encore. Mrs. Leal, of the Dome, was accompanist for Miss Johnson, and Mrs. Barry and Miss Watson for Alice Eyre. Rev. E. C. Moddle acted as chairman. The second part of the programme was a play put on by the C.G.I.T. girls of Timmins and was very well done indeed. Ina Raycroft as "Cousin Temperance" of Swampville brought forth many a laugh. Teresa DeMille was most versatile in her acting of Greta the "snippy" daughter, and during the play gave a pleasing piano solo. Margaret Nelson took the part of Marion, the unselfish daughter, and joined Miss DeMille in a pleasing duet. Eva Monk, as Hildegard, was very realistic. The part of their mother was most acceptably taken by Miss M. Taylor, while Mary Williams appeared as the wealth Carol Summers, ready for her trip around the world in a casual and dignified manner that fitted the part most aptly. Dorothy Laidlaw, "purty, too," as Cousin Temperance remarked, and all the audience acquiesced, was Rose, the maid. The girls all took their parts with pleasing zest and there was not a dull minute in the play.

22% MORE POWER
5 MILES AN HOUR MORE SPEED
2 EXTRA MILES FROM EVERY GALLON OF GAS

UNTIL you have driven the new Nash "400" with the Twin Ignition motor, you can have no adequate idea of how much pleasure it has added to motoring.

Here are some plain, unvarnished facts and figures which may serve to convince you that you owe yourself a ride in a Twin-Ignition-Motored Nash.

With Twin Ignition instead of single ignition (two spark plugs per cylinder firing simultaneously, instead of one)

higher compression is practical, and a much more efficient combustion of the gases is accomplished.

The result is that the identical Nash motor, by actual test, produces 22% more power than with single ignition, 5 miles per hour more speed, and gives you 2 extra miles of travel from every single gallon of gasoline you buy.

In fairness to yourself, don't think of buying any motor car today, until you have seen and driven the brilliant new Twin-Ignition-Motored Nash "400."
