The report covers the fiscal year end- actively carried on below the 2,000-foot ing Dec 31st, 1928, and a summary of level," says A. F. Brigham, general the report is given herewith:

Operating profit for the year amounted to \$4,279,280,54, as compared with \$7.810.754.79 in 1927 and \$8,025,921.45 creased total of ore reserves, as inin 1926, while net profit from oper- | dicated in the body of the report. tions stood at \$3,731,566.20, agains Montrose \$6,648,308.96 the previous year and \$6,-Despite cross cut has been completed. A vein 199,679,72 two years before. Duchess of Bedford September, 1928, income was not suffi-Metagama cient for payments during the year and the sum of \$796.691.80 was de-Montroval ducted from surplus. Had the divi-Melita dend been at its reduced rate for the whole of the period, however, earnings Duchess of York | would have been sufficient to take care

Total tonnage of ore going to the mill in 1928 was greatly reduced Montroyal amounting to 1,778,470 tons, as compared with 2,178,329 tons in 1927 and Metagama 1.932,559 tons in 1926. Average value Duchess of York per ton was \$6.28 against \$6.96 a year Duchess of Atholl before and \$7.99 two years before. Costs Minnedosa increased approximately 60 cents a ton, standing at \$4.0404, compared Montrose with \$3.4465 in 1927. The net value of Montcalm gold and silver recovered was \$10,712, 821.69, as against \$14.548,899.71 the pre-Montclare vious year. During 1928 the mill Metagama operated 87 per cent of the possible time run and treated an average of Montrose 4.982 tons a day, a reduction of 1,019 Montcalm tons from 1927 when production reached its peak.

A further sharp decline in ore reserves is reported, the estimated gross value at Dec. 31, 1928, being \$51,210,235, against \$60,225,539 at the end of 1927 May 7 May 28 Empress of Scotland \$66,081,733 two years before and \$65,-

The strong liquid position of the July 2 July 23 Empress of Australia company was fairly well maintained Current assets at the end of period amounted to \$12,408,454.20, as compared with \$13,172,525.29 a year before and \$11,986,458.68 at the end of 1928. Current liabilities, consisting of accounts payable and wages unpaid totalled \$568,087,79, against \$370,910.55

Investments of the company were | valued at \$11,473,269.75, against \$12,-Notice is hereby given that the part- | 199,156.21. A noticeable feature in this nership heretofore existing between us. regard was the fact that shares in the undersigned Max Ryan and J. W. companies as the end of 1928 amounted Reed, carrying on business as diamond to \$2,018,000, compared with \$1,087,000

Additions to plant during the year were all written off, leaving the book has this day been dissolved by mutual value at \$1 as in the previous report. "Your directors have continued their

"Your directors have taken up with the provincial government the question 19-20p (By his solicitor S. C. Platus), of the extension of the Temiskaming and Northern Ontario railway through the Kamiskotia districts so as to enalle the property of this company, as well as other properties, to be opened up, and the government now has the matter under consideration. The building of a railway will not only serve a promising new mining area, but should prove of value as a colonization road. Your directors look for a favourable decision, and once a railway is assured they are prepared to build a concentrator and resume active operation on your Kamiskotia property.

Girls' Club Concert to

An unusually attractive programme has been prepared for the Girls' Club concert to be given this evening Thursday) in the United Church, commencing at 8.15 p.m. The programme will include violin solos by David Horwitz; pianoforte solos, by Mrs. J. W. Faithful; piano duet, by Misses Graham and Scott; readings, by Miss Betty Paterson, Miss N. I. Mac-Leod; vocal solos, by Mrs. Danard, Mr. W. Mitchell, Miss P. Sayles, Mrs. D. Neill, Miss M. Wilson, Mr. G. A. Reid, Mrs. P. Carson; vocal duets, by Mesdames Carson and Neill; mixed quartette, Mesdames Carson and Neill and Messrs Reid and Neill; selections by the Orphans Quartette, Messrs A. Kincaid, C. G. Keddie, W. R. Dodge and

> Mr. Don Campbell is again in town To two little citizens here the snowtorm of Saturday was a wonder of wonders. The two small daughters or Mr. and Mrs. Leslie Fairfax, of Peru, never seen snow before but arrived to visit their grandparents dur-

A very gratifying and enthusiastic meeting of the Porcupine Hockey Club was held in the council chambers on tor who was brought to Moose Factory Wednesday evening of last week. Things look very promising for a season with more thrills than ever during the coming winter. Whether it was the miniature winter we are having or not but the blood of many of the fans already seemed to be tingling with hockey excitement and very substantial support was promised.

A very pleasant luncheon bridge was Ankerite Mine, last Friday in honour of Mrs. Leal, who is leaving shortly for Kirkland Lake. Mrs. H. W. Seamon and Mrs. P. Richards (Dome) were the joint hostesses for the occasion. Mrs. J. Alexander was the winner of the first prize and Miss Smart of the consolation. Mrs. Leal, the guest of honour, was presented with a beautiful purse. Fourteen guests sat down to the very dainty luncheon served.

The Girl Guides are having a tea and sale of home-made cooking at their headquarters on Saturday, beginning at two-thirty.

Porcupine Goldfields Band journeyed to Schumacher on Sunday evening last to given one of their high-class concerts. The band's junior orchestra, composed of a number of children, was one of the special features of the evening. Next Sunday evening they will give a concert at the Majestic Theatre, South Porcupine, after church services. Many were turned away having come too late to get seats for the

last concert given there. The Boy Scouts are putting in considerable time with their boxing practice and other physical drills lately. We believe it is their intention to put on a slugfest tournament some time in the near future. The Scoutmaster is being assisted by Messrs Pete Mill, M Thomas, Jr., and others in training the

Mr. Bridges is moving his family into flat in the Sauder block. Mr. A. S. Fuller is in Porcupine this week, at the Paymaster Mine.

Mrs. H. McNair leaves this week to visit her parental home at Monteith. A movement is on foot to form an inter-town softball league in conjunction with Schumacher, there being two teams from there, one from the Dome and one from South Porcupine. A meeting is being held in Schumacher on Wednesday of this week when representatives will be present from both

the Dome and South Porcupine. Miss Gertrude McMahon, of Porquis Jct. is spending a while with Mrs. F Hamilton.

At the annual meeting of the Porcupine Rink Association Mr. S. Kennedy was elected president; Mr. S Sky, vice-president; Messrs R. Mansfield, O. Henderson and J. Fell, Sr. forming the executive.

Mr. O. Henderson is installing a scda fountain in his store, the South End Pharmacy. It is not in operation • yet but when it is next week he purposes telling you more about it in an advertisement in one of our columns.

Miss Louise Roney, who was a teacher in the public school here for five (Continued on Back Page this Section)
