ELOQUENT ADDRESS GIVEN ON S.W. AFRICA MISSIONS

Mrs. C. W. Banfield, Returned Missionary, Speaker at W.M.S. Annual Service at United Church

The annual W.M.S. service at the United Church, Timmins, was conducted on Sunday by Rev. J. D. Parks, with Mrs. C. W. Banfield, returned missionary from Southwest Africa as the speaker of the day for the W.M.S. Mrs. Banfield delivered an eloquent and inspiring address touching on mission work in Africa, picturing in graphic way the great field for service and the great need for the gospel among the natives of Southwest Africa. Mrs. Banfield, who is a gifted speaker and has a wide and intimate knowledge of Africa, held the closest attention of the congregation and all present felt that they had been given a most enlightening discourse on a subject little known to them before. Mrs. Banfield touched upon the immensity of Africa, making this point clear by pointing out that India, China and the United States could all be placed in Africa so far as territory is concerned. There are a thousand different tongues used by the natives of Africa, only two of the languages being printed. This makes the work of the missionaries very difficult, as the only way to learn the various tongues is by picking up words as they may be obtained. The Africans are a musical people and this is carried into their languages where inflection and tone are largely employed to make the one word carry several different meanings according to the inflection and tone used. The habits, customs, mode of life and dispositions of the native tribes were sketched by Mrs. Banfield, who stressed the fact that the people were anxious for the gospel. Many interesting incidents were given to illustrate the work of the missionaries and the progress being made, despite all difficulties. The material wealth and resources of the immense country of Africa were also referred to by Mrs. Banfield, who, among other things, noted that there were hundreds of beautiful paved roads for auto and other traffic, and many other evidences of modern advancement. The need for increased missionary effort and the fact that it was well worth while from the Christian standpoint were truths that were emphasized by Mrs. Banfield.

South Porcupine Asked to Show Support for Hockey

Big Event in High School Hall This (Thursday) Evening. All Hockey Fans Should Attend. Distinguished Anglican Clergyman to be at South Porcupine on June 2nd. Returned Missionary at South Porcupine United Church Last Week. Other South Porcupine News.

South Porcupine, Ont., May 21, 1929. Special to The Advance.

Mrs. Sol. Sky is on a visit to Toronto friends.

Mr. Leslie Fairfax is on a business trip to Delaware, United States.

Mrs. H. Disher is visiting relatives at Anthony.

Mrs. H. McNair and little son, Teddy, of Monteith, are staying with friends in town.

Mr. Sarjeant, of Arnprior, has become a resident at the Dome Mines.

Miss K. Reynolds, recently of the Dome Extension, has opened up a music class at her home on Commercial avenue.

Mr. Nat Huytan is leaving for Sudbury.

On Thursday of last week, Mrs. F. Dowzer and Mrs. J. Alexander, and Mrs. M. Smith were hostesses at a delightful tea given at the home of Mrs. Dowzer in honour of Mesdames Leal, Cameron and Taylor who are leaving town shortly. Many friends from the different parts of the camp enjoyed their hospitality during the afternoon. Mrs. Leal gave some talented interpretations on the piano and Mrs. Barry and Mrs. Johns sang. It was one of the most pleasant little social affairs held in a long time.

The fremen of South Porcupine had a call on Thursday afternoon last to Sky's store, where a lively chimney fire was raging and threatening to get beyond control. However the S. P. F. D. promptly quenched its activity before damage was done.

Mr. William Arbour, of Parry Sound, was a visitor to town last week and has decided to become a resident here.

Mr. H. R. M. Turner, of Toronto, is visiting friends in town.

One of the most popular euhre, bridge and dance parties of the season is being held in the High School hall on Thursday evening, May 23rd, under the auspices of Porcupine Hockey Club. A splendid array of prizes are on display in the window of Farrant's Pharmacy. Then there are two special prizes being given in the form of two season tickets for next year's hockey. The orchestra which has been obtained makes it assured that the musical part of the evening will be a treat. If you are a lover of good clean sport come out and give the club your support. They are endeavouring to pay their way as they go and have proved in the past one of the very best investments this town has. Nothing else we have put funds into here brings so many outsiders into the town. But the strain of financing for the next season's equipment, etc., has in the past two years fallen on a few, until such time as returns were coming in from games. We believe, in the earlier days of hockey here, Tisdale gave a yearly grant each to the McIntyre team and the Porcupine Club but no such help has been received for the past two years. Hence, citizen, it is up to you if we wish to keep this investment on a paying basis!

Mrs. Thompson, of Haileybury, is on a visit to her daughter, Mrs. P. Richards, of the Dome Mines.

Early in June a visit of inspection is expected in this part of the camp from the National Committee of the Anglican Church in Canada. Among those on the committee are the Bishop of Niagara, Canon Gould and Chancellor Giesburn. On June 2nd it is expected that one of the above-named famous divines will take the service in St. Paul's Anglican Church here, while another will preach in Cochrane and the other at Monteith. The following Monday evening there is to be a session in Timmins to which the public are admitted and several from here are planning to go out to hear these gifted men.

In the United Church last Sunday the evening service was taken by Mrs. Banfield, a missionary from Africa. Her talk on Africa was listened to with the closest attention, most of those in the well-filled church wishing that time would permit her to go on and tell more about it. The Mission Band gave a missionary song and chorus during the evening. A nice offering was received for missionary purposes.

Mrs. O. Orr entertained a few of her friends at bridge last week. Mrs. F. Dowzer had the honour of taking home the first prize while Mrs. R. Cameron received the consolation.

There is to be a bazaar and sale of home-made cooking in the Masonic hall on Saturday, May 25th, under the auspices of the Ladies' Guild of the United Church.

In the police court last Thursday there were two drivers of automobiles who had no license and were required to pay ten dollars each and costs; one reckless driver, who this time was also wreckless; had his purse wrecked of twenty-five dollars and costs so he would reckon on driving more carefully in future; one drunk paid the usual ten dollars and costs. A case concerning the theft of wood was dismissed. There will be something doing on next Thursday as the Tisdale police picked off over twenty-five of last Sunday's motorists who were traversing their highways without the proper licenses.

Mr. Cross, of Port Arthur, is among the recent arrivals in town.

On Tuesday evening the Porcupine Chapter, Order of the Eastern Star, entertained a number of their friends at bridge in their chapter room. There was a good crowd and a very pleasant evening was enjoyed. Those winning the prizes were ladies, first, Miss M. Lynch; second, Mrs. O. Orr; consolation, Mrs. Kavanagh; gentlemen, first, Mr. W. H. Johns; second, Mr. F. Laforest; consolation, Mr. W. Cliff.

Miss Alma Laforest arrived home Tuesday from Toronto University, where she was a second-year student.

PREMIER G. H. FERGUSON ARDENT FOR THE EMPIRE

Booklet on "Empire Day in the Schools of Ontario" Indicates Right Type of Leadership

In all the schools of Ontario Empire Day, May 23rd, is observed as a special day for emphasizing to the pupils what it means, not only to the present but to the future. With his usual faculty for leadership Premier G. H. Ferguson, as Minister of Education has issued a booklet, "Empire Day in the Schools of Ontario," the purpose of the brochure being to suggest and provide accessible sources of information for the teachers and pupils on the true meaning of the British Empire. This year's booklet is a particularly valuable and interesting one. It is attractive, containing well-printed half-tone pictures of King George V, His Excellency Viscount Willingdon, Governor-General of Canada; His Honour W. D. Ross, Lieutenant-Governor of Ontario; Hon. G. Howard Ferguson, B.A., LL.D., Prime Minister and Minister of Education of Ontario; Mrs. J. A. Stewart, Perth Ontario, National President Imperial Order Daughters of the Empire; coloured pictures of the Union Jack, showing its component parts; Hon. and Rev. Canon Cody, formerly Minister of Education. It is informative, presenting many facts about the Empire. It is interesting, passing on as it does many eloquent articles and many inspiring poems on patriotic subjects. There is a temptation to quote from practically every article in the booklet. For instance, there is the paragraph in the essay by Mrs. J. A. Stewart in reference to the Daughters of the Empire:—"At the time of the South African war, the women who believed and hoped that Canada's future, as her past, would be richest and finest for her and the world, within this great Empire, met together, to work for the Canadian soldiers in that war, and pledge themselves to the ideal of "One Flag, One Throne, One Empire." They called themselves the Imperial Order, Daughters of the Empire. To-day there are thousands upon thousands in this Order, and they still work for this same ideal. The members of the Order give greeting to you on Empire Day, Young Canada, and ask you to pledge yourselves to work, like them, towards "One Flag,—the Union Jack; One Throne, the throne of the British King; and One Empire,—the British Empire."

Then again there is the message of the Premier to the teachers! This message reads in part as follows:—"The Minister of Education confidently expects that every school in the province will fittingly celebrate Empire Day. In order to do this, it is necessary that the principals and assistant teachers arrange a programme of lessons, songs, recitations, addresses, essays, drills, etc., that will be of a patriotic nature. No doubt teachers will consider it both a privilege and a duty to make the best use of the occasion to awaken in the minds of the children in the schools a greater appreciation of the nation whose destiny will soon be in their hands, and of the Empire of which it forms a part. It is vital in these changing times that the minds and hearts of the children and the young manhood and womanhood of our population be instilled with adequate conceptions of the Empire in the widest possible way. Those who love the British Empire see it as the greatest of all forces for righteousness and fair play among the nations of the world, while those who hate it see it as a mighty rock barring their way to world revolution."

Above all there should be wide publicity for the "Greetings from the Minister of Education to the Pupils in our Schools." This message reads in part as follows:—"I hope you will fix in your minds to-day and remember as long as you live some of the many great things for which the British Empire stands. As we are all members of our Empire and share in the benefits it gives us, we should try to keep before us its chief objects as well as the causes that make it so powerful and respected. As Canadians, you have the best reasons for honouring Empire Day, seeing that Canada is one of the free nations of the Empire and owes much of her fame abroad to her close connection with the Motherland and to the belief that all who make their homes in this dominion are sure to enjoy the blessings of British rule.
