South Porcupine, June 4th, 1929, Special to The Advance.

Mr. and Mrs. Russell Cameron are holidaying in Toronto.

Mrs. W. G. Bowles and small son are visiting in Toronto.

Dr. and Mrs. E. Somerville and little daughter have been having a vacation at Mrs Somerville's home in Baillieboro and at other southern points.

Mr. Nat Huytan left this week for the Bobjo mine in Red Lake district.

A cablegram has been received from Mr. W. Fairhurst announcing his safe arrival at Liverpool, England, on Sunday last.

Chief C. McInnis and Mr. F. C. Evans have returned from a holiday in Toronto.

Miss Watson, of the public school staff at the Dome Mines, spent the holiday at Troquois Falls.

Misses Lynch, Donlevy and Marshall were in Kirkland Lake for the week-end holiday.

The Orangemen of this district and of Porcupine are holding a dance in the Orange hall, Golden City, on Wednesday evening of this week.

South Porcupine Baseball Club starts its season on this Wednesday, playing the McIntyre team on Timmins Athletic field.

Mrs. C. Sharp has returned from a visit to Toronto.

Mrs. McVittie, of Rouyn, is the guest of Mrs. J. Herman. Her old friends are glad to see her again. Mrs. McVittie was hostess at the manse, when her son, Rev. G. McVittie, was in charge of the United Church here.

On Wednesday evening, May 29th, the Porcupine Goldfields Band held their annual meeting and election of officers. This meeting was well attended. The main topics discussed were the purchase of uniforms and the construction of some sort of a band stand in South Porcupine. The officers elected for the ensuing year were:—Honourary president, Mr. H. P. DePencier; honorary vice-president, Mr. R. J. Ennis; president, H. M. Wilson; vice-president, O. Henderson; secretary, A. J. Pearce; executive committee, P. Millions, L. Sauder, D. McLellan, S. Sky, J. Fell, Sr., J. Shewan, Mr. Brunette, H. W. Seaman, Mr. Baldwin, M. Knutson, W. Wilson and G. A. Rowe. Finance committee, A. Suttie, R. McWilliams, G. Train and J. Fera. Band trustees, C. McInnis, F. Farrant, W. Fiewellen, T. Marleau, S. Kennedy, D. Kerr, I. Solomon, W. R. Sullivan, W. C. Sharp. Bandmaster, J. T. Bridges. Assistant bandmasters, A. Suttie and R. McWilliams. Librarians, Sidney Hughes and Joe Woods.

On Sunday evening last, the Porcupine Goldfields band gave an open air concert at the Dome Mines which was greatly enjoyed. They played on the Dome tennis court and residents up on the Dome Extension say they could hear the music quite distinctly.

There was a good turn-out to hear Chanceller Gisbourne, of Ottawa, preach at St. Paul's Anglican church last Sunday. He explained to them the reason for the Anglican Commission now visiting throughout the North. After the service a pleasant half-hour was spent when all had the opportunity of meeting the learned divine. A supper was served in the basement of the church. On Monday evening ten of the members from here went out to Timmins to hear the Bishop of Niagara speak. Mrs. W. Johns and Mrs. J. Barry sang.

The Kitchener Rebel Lodge is holding one of its pleasant euchre and bridge parties on Friday night at the I.O.O.F. hall this week.

Miss McGavin of the teaching staff here visited over the week-end in Timmins.

Miss Pearl Miller visited over the holiday with Kirkland Lake friends. Mrs. E. J. Mason, District Deputy Grand Matron, is this week attending the annual convention of the Order of the Eastern Star which is being held in Ottawa.

This is the last week given by the township authorities in which to put one's yard and surroundings into a sanitary condition. After June 10th a sanitary inspector will be made of all premises.

On Friday last the Girl Guides of South Porcupine journeyed to Timmins under the leadership of Captain M. Andrew and Lieut. Ferguson. While there they had a very pleasant evening and enrolled their new Guide Captain, Mrs. Richards, also fifteen of her new guides.

Mr. and Mrs. P. Mill and family have moved to the Dome Extension.

Mr. and Mrs. W. Parnell are moving to Alphonse Campell's residence on Golden avenue.

Mr. J. C. Roche, general manager of the LaRoche Mines Ltd., left this week for Buffalo, N.Y.

Mrs. F. Young and daughter, Laura, left Monday for Watabeag, where Mrs.

Young will visit a while before going on to Toronto.

A marriage of a popular young couple here was quietly solemnized in Timmins on Monday, May 13th, when Elizabeth Irene, youngest daughter of Mrs. J. Ireland and the late G. A. Wilson, became the bride of Harry Redfern Moyie Turner, son of Mr. and Mrs. H. R. Turner, of Admiral Road, Toronto. Rev. Father Leforest tied the nuptial knot. The bride's attendants were Mrs. J. Cook, of South Porcupine, and Miss Jean Brisson, of Timmins. The groom's gift to the bride was Victory bonds, to Mrs. Cook a topaz pendant and to Miss Brisson a pearl rosary. The groom is a field man for Stobie-Furlong, stock-brokers, of Toronto, and as soon as he returns from his out-of-town work the young couple will take up residence in Toronto. At present Mrs. Turner is remaining in South Porcupine to which she came as a very small girl in 1911. She has grown to young womanhood here, showing exceptional ability in school and dramatic work and has many friends. The groom was for some time connected with the Furness Mine, later becoming manager of this mine. He was president of the Ezlylife Club and a general favourite socially. Since the marriage has become known many good wishes are being showered on the young couple from all parts of the camp, and we join their friends in best wishes for a happy journey through life.

About eleven o'clock on Sunday night the fire alarm sounded and smoke was seen issuing from Mike Cusnyk's residence over by the Finn hall. Soon the whole building seemed to burst into flames. The firemen made their usual speedy response but it was impossible to save it as every corner seemed to be in flames. One trunk with some clothes was dragged to a neighbour's. Nothing else was saved and there was no insurance. Some valuable clothing was destroyed, as well as every vestige of furniture. It is thought that the fire may have been of incendiary origin as traces of coal oil have been found. Mr. and Mrs. Cusnyk had been in Timmins all day and were still away. RECEIVES NEW APPOINTMENT

Miss Margaret P. Roberts, B.A., who has been appointed director of religious education at Ontario Ladies College, Whitby, Ontario, the appointment to become effective in September. Miss Roberts is a daughter of Rev. Richard Roberts, D.D., Toronto, formerly of Montreal and New York.

Opening Outdoor Band Concert of the Season

The first outdoor band concert of the season was given on Sunday evening at the band stand in the park on Spruce street. Despite the chill in the air there was a good turnout of bandmen and an excellent programme was presented by Bandmaster A. Wilford and his bandmen. There was also a good crowd out to hear the concert and all appeared to enjoy it. Among the selections given were a hymn, marches, medleys, etc. A number that won special favour was "The Merry-Go-Round" Bandsman Carl Johns taking the cornet solo parts with much skill and effectiveness. This number received very general applause, the parked motor cars honking out their approval of the pleasing effectiveness with which this selection was given. On account of the cool weather the concert was slightly curtailed, but all present were pleased with the event, and if succeeding concerts meet as much approval as the opening one, the 1929 outdoor band concerts will be especially successful.

Applications Total 314 in Public and Separate Schools

Analysis of Applications for Timmins Boys' Athletic Association Shows Softball the Most Popular Sport with Young Boys. After 12 They Swing to Baseball. Associate Members Asked to Pay Fees Now.

The public and separate schools in town have returned the application forms from the boys for membership in the Timmins Boys' Athletic Association, and analysis of the returns shows many interesting points.

The total number of applications from the public and separate schools is 314. These are divided between the schools as follows:—

- Mattagami, 36.
- Moneta, 34.
- Holy Family school, 65.
- St. Anthony's school, 58.
- St. Charles school, 59.
- Central public school, 62.

Of the 314 applications the ages of the members are as follows:—Bantam (10 to 12 years), 153. Midget (12 to 15), 145. Juvenile (15 to 18 years), 16.

It will be noted that only a few over 15 are received from the schools, the reason for this being that there are not many lads over 15 these days in the public or separate schools most of the boys of this age having passed into the high or technical schools by the time they are 15 years old.

Analysis of the returns of applications indicate that softball is the most popular sport. On each application the boys were expected to mark their favourite sports. Out of the 314 applications, 213 were marked for softball. This is 67.8 per cent., and leaves softball well in the lead as a popular sport. Baseball was rather distant second with 142. Boxing and wrestling stood high, being third in popularity with 128. Football was close to boxing and wrestling, 121 marking their application for this sport.

Next in order were the following:—Track and field sports, 118; hockey, 93; swimming, 40; basketball, 34; and skiing, 21. The applications were all filled out before the snow storm this week or perhaps hockey and skiing might have had more attention.

Among the boys of ten and eleven years softball is away in the lead. With the lads of 12 and over, the swing is to baseball.

The executive have appointed Messrs W. G. Smith and A. Borland, Sr., as a committee to arrange the junior baseball schedule with Dome Juniors, Timmins Juniors and Dome Juniors

Canada's Future Fruit Champion

Believed to be the tallest man in Scotland, Andrew Kellighan, of Lesmahagow, height 6 feet 10 1/2 inches, decided he'd become a champion fruit picker, and that Canada was the place for his triumph. Accordingly he joined the first party to train in farming at Carstairs, Scotland, under the Scottish Ministry of Labor's scheme to equip future Canadians. He arrived this summer along with hundreds of other Scottish immigrants who crossed aboard the big Scottish ocean liner Letitia, from Glasgow. His pal is a midget by comparison.

HAYDEN GOLD ARRANGING FOR ELECTRIC POWER NOW

A despatch last week from Toronto says that Hayden Gold Mines Co., Ltd., is making preparations for the active underground development of its property in Ogden Township, about three miles south of Timmins. A number of the officials of the company were at the property a week ago, and while there closed contracts covering the construction of a sub-station and a power line to the mine, preparatory to the installation of a new electrically driven compressor and hoist in a modern fireproof building, which has just been completed, at the head of the shaft.

The Hayden Mine group, who were visitors at the property, included President James S. Pierce, of Buffalo, vice-president Bert W. Lang and Director Bart Sproule, of Toronto, and William Grant Barney, a stockholder from Buffalo.

Active preparations for working the Hayden Mine are under way. Camp buildings have been modernized and supplied with the best type of sanitary equipment for housing and feeding the employees of the company.

The underground development programme planned by the new management will be started immediately the power line is completed and the new machinery connected up.

The Hayden shaft is now 720 feet deep, and from various levels the ore bodies and veins indicated by the recently completed diamond-drilling campaign and electrical survey will be reached by cross-cuts and drifts.

The present underground workings amount to 1,445 feet of cross-cuts and drift; and a number of exceptionally good assays will be checked immediately the shaft is equipped.

Mrs. E. M. Condie, matron at the Children's Aid Shelter, returned this week to resume her duties after a month's well-earned holiday, spent in Toronto, Buffalo, New York, Chicago, and other points south. Mrs. Cockburn was the acting matron during the absence of Mrs. Condie and carried on the difficult duties of the position with efficiency.
