

Vol. XIV. No. 26

TIMMINS, ONTARIO, THURSDAY, JUNE 27th, 1929

PRICE FIVE CENTS

## District Orangemen to Celebrate July 12, Here

July the twelfth will be celebrated this year in Timmins, all the various lodges in the district being expected here for the occasion. In addition to the regular Orange parade of lodges, there will be a day of sports, speeches and sundries at the Timmins athletic grounds. A fine programme of sports and novelties has been prepared. The list of speakers for the event is an impressive one, including as it does many prominent and talented speakers. The English pipe band will be in attendance all day to provide music for the occasion. As there will be special trains and special rates for the occasion a large attendance is expected from all parts of the district.

IS GIVEN IMPORTANT POST  
Susan Lawrence, M.P., in the British House of Commons, who has been appointed Parliamentary Secretary to the Ministry of Health, in the new Labour Government. Miss Lawrence is one of the most famous women who have fought for the Labour movement.

## M'INTYRE WINS AGAIN IN LEAGUE BALL WITH FALLS

Large Crowd at Game Here on Wednesday. Iroquois Falls Used Three Pitchers. McIntyre Won 10 to 3.

At the Timmins grounds on Wednesday the McIntyre team added another to its list of wins in the Temiskaming baseball series. The weather was ideal for the game and there was a large crowd present. The Iroquois Falls team used three different pitchers but none of them could hold down the fast McIntyre team. A special feature of the match was the fast fielding by the McIntyre team, who gave the batter the right hint of support. The umpires were W. McIntyre and W. Burns. The following is the story of the game in tabular form:

Iroquois Falls	AB	R	H	PO	A	E

## TIMMINS TOURIST CAMP HAS MANY IMPROVEMENTS

Two Dressing Rooms in New House. Grounds Cleaned Up. Good Bathing Beach. Bread and Beans Baked in the Sand.

J. D. MacLean, town engineer, has been busy recently seeing to the fixing up of the camp for tourists on the Lake Shore Road, Timmins. A house has been erected on the lot, with two dressing rooms, one for ladies and the other for gentlemen. A stove is also to be put up in this building for the use of tourists who wish to do cooking. There are also several platforms all ready for the erection of tents. Many of the tourists coming here carry tents with them and the platforms are accordingly much appreciated.

The grounds at the tourist camp have all been cleaned up and the sand pulled down into the lake to make a good bathing beach.

Mr. Chas. Kenny is acting as caretaker at the camp, doing this without fee in return for the privilege of selling ice cream, soft drinks and light lunches on the property. Mr. Kenny is baking bread and beans on the sand and this is likely to be popular with the tourists from a distance who will specially enjoy the novelty of this fare. Mr. Kenny also will supply ice cream and soft drinks to bathers from town who may take advantage of the fine bathing beach now available.

There have been a number from a distant at the tourist camp here this week and they express appreciation of the good treatment received. One man from Kitchener said that there were sixteen other parties in his city who intended to tour the North this summer and he was sure they would visit Timmins after he returned and told them of the good usage given him here and the many interesting points to be visited here and the notable features of the district.

It is the intention to keep a register at the tourist camp, so that all visitors may write their names and addresses. In later years this register will undoubtedly be of much interest.

Town Engineer MacLean intends to further improve the camp and its facilities in any way practical that does not entail any large expenditure of money. It is hoped that so far as service and convenience are concerned it will be as good as, or better than, the average tourist camp.

## Mr. J. T. Baldwin Resigns as Manager of Mines Here

Announcement has been made of the resignation of Mr. J. T. Baldwin from the management of the March Gold Mine and the Porcupine United Mines. This announcement will be learned with great regret by all who have had the pleasure of coming into contact with Mr. Baldwin for he has won general esteem and popularity. During the two years and a half he has been in the camp Mr. Baldwin by his straightforward business principles, his ability and his pleasing personality, has won the respect and confidence of the mining fraternity. With the general public he has made wide circles of friends, and there has been a very general feeling that he would make the very most possible of the properties in his charge because of the interest, ability, professional knowledge and unstinted effort given.

Mr. Baldwin is returning to Buffalo early in July. His departure will be a very distinct loss to the camp. He will carry with him the good will, respect and esteem of all with whom he has come in contact here.

**FAMOUS CANADIAN PASSES**  
Right Honorable W. S. Fielding, who retired in 1924 after forty years' service in the Federal and Provincial Parliaments, passed away in Ottawa on June 23rd at the age of eighty-three. When Sir Wilfrid Laurier formed his cabinet in 1896 he appointed Mr. Fielding, then Premier of Nova Scotia, to the position of Minister of Finance, and for fifteen consecutive years he continued to fill that capacity.

UNDER-SECRETARY'S APPOINTMENT  
Arthur Ponsenby, Under-Secretary of State for the Dominions in the MacDonald Cabinet, who has been appointed Chairman of the Overseas Settlement Committee.

## BIG BOXING PROGRAMME FOR NEXT MONDAY NIGHT

A. LaPrairie Putting on Attractive Dominion Day Bouts, Featuring Dutch Johnson vs. Mickey Watts

The series of boxing bouts put on at the Timmins skating rink during the past few weeks under the auspices of the St. Anthony's Parish Boxing School, and under the efficient management of A. LaPrairie, have all been good events, but the bouts on the evening of next Monday, Dominion Day, July 1st, promise to eclipse even the big events of the past month or two.

The bouts Monday night will commence at 9 p.m., and the big feature will be the scrap between "Dutch" Henry Johnson, the boxer who has made such a reputation here in a short time and won so many friends by his gameness and skill with the gloves, and Mickey Watts, "the Welsh Terrier," who has been fighting his way into the hearts of all fight fans since he arrived in this part of the North. This feature will be a real one. Mickey Watts was given the decision in a previous bout here some weeks ago, the referee taking this action following a foul, which all seemed to agree was accidental. Neither Watts nor "Dutch" liked this decision as it didn't settle anything as to the respective talents of the two of them with the gloves. Accordingly, they intend on Monday night to settle the matter themselves in the right way.

Other bouts for the evening will include: "Kid" Roy Hamilton vs. "Lefty" Billy Trumble. Those who saw these two bantam-weights in action on Tuesday night will know this alone will be worth the price of admission. Just as much can be said for the bout between "Honeyboy" Dave Holland and "Alf" Townsend. Holland gave the k.o. to Rowan Tuesday evening, but "Not this time" says Townsend. It will be worth seeing. Among the flyweight events—always worth watching for speed and snap—will be the bout between the two promising youngsters, Harold Johnson and Leonard Wadsworth. No fight fan can afford to miss the excellent features at the boxing bouts here on Dominion Day, July 1st. A number from out of town have signified their intention to be present to look them all over.

## Interesting Programme by Schumacher Choir

The Trinity Church Choir from Schumacher, assisted by Miss Jean Larcher, Mr. Birrell Bell and Capt. V. Evenden, presented an interesting and excellent programme at the Salvation Army Citadel, Timmins, on Thursday evening last.

The programme opened and closed with anthems very acceptably presented, while vocal solos, piano, violin and trombone solos, and violin and trombone duets were notable items on the programme. Another feature was the part song, "O Who Will over the Downs so Free," which was well given and appreciated by the large attendance. The violin and trombone duets by Mr. Birrell Bell and Capt. V. Evenden were novelties that delighted all music-lovers. There was also very special appreciation for the effective piano solos by Miss Jean Larcher. As usual Capt. Evenden won very sincere applause for his gifted work as a trombone soloist. Equal appreciation was evident for the selections by that talented violinist, Mr. Birrell Bell. The vocalists for the evening included: Mr. W. T. Trollope, Miss Isa Cother, Mr. H. Christopher and Mr. Jos. Jago, each and all of the vocal numbers evidencing talent and expression that pleased all.

It is understood that Gray's Shows, a midway entertainment of the same kind as the Palmer Shows, will come here in the course of the next week or two to spend a week here. They have made arrangements to use the athletic grounds for their shows.

## TIMMINS JUNIORS KEEP UP THEIR WINNING STREAK

Add Three More to Their String of Victories at Baseball During the Past Week or So

The Timmins Juniors continue to win victories in the Temiskaming Junior Baseball League series, having added three more wins to the list in the past week. It will be noted, however, that the Dome appears to be strengthening-up and before the season is over the Timmins lads may expect some turning of the tables. The Dome team has put up a nice brand of sport, and their losses may be credited chiefly to lack of experience in the game. For some of the Dome lads this is their first season at ball, and that makes a big difference. They are showing decided talent, however, and the games are all worth seeing.

On Wednesday last Timmins Juniors and Dome Juniors played at the South Porcupine grounds. The game was a good one until the sixth innings when the Dome went behind rather badly, the final score being 14 to 2. The batteries were Hudson, Dainton and Adamson, for Timmins, and Laflamme, Parsons and Shumliak, for the Dome Juniors.

Timmins 0 0 2 3 1 4 1 1 2—14  
Dome 0 0 0 1 0 0 0 0 1—2

The postponed match held at Timmins on Friday last was not so good, Timmins scoring heavily from the start. Although the score was more favourable to the Dome, it was not as good as the match on the previous Wednesday. This shows that scores do not always tell the story. Timmins won this one 12 to 3. The batteries were Godin, Dainton and Adamson, for Timmins, and Montgomery, Parsons and Nicholson, for the Dome.

Timmins 6 3 2 0 0 1 0 x—12  
Dome 0 0 0 0 2 0 0 1 0—3

The game here on Monday evening was a nice one to watch, and for the first five innings the Dome Juniors had it in their mitts. Until the last half of the sixth frame, the Dome was leading two to nothing. Parsons pitched a fine game up to that time, but could not carry it through and was eventually replaced by Laflamme, who in turn gave place to Parsons (a brother of the first pitcher). McCann caught for all pitchers for the Dome in this game. The battery for Timmins was Godin, Dainton and Adamson.

Timmins 0 0 0 0 0 8 5 3 x—16  
Dome 0 0 1 0 1 0 0 0—2

## Another Band Concert This (Thursday) Evening

Another open-air band concert will be given this (Thursday) evening at the band stand in the park on Spruce Street, near the station, commencing at 8 p.m. A special programme has been prepared by Bandmaster Wilford and his men and this programme will be found to be a very attractive one, as well as capably handled by the Timmins Citizens' Band. It is the intention of the band to give at least one concert per week during the summer weather, and this average will be exceeded if possible. So far the average of one a week has been made. Last year on account of the wet weather it was not possible to have the usual number of outdoor concerts, but this year it is hoped not to miss any. Of course, favourable weather is necessary, both for the band and for the crowd. With this proper weather, the band concerts will be held regularly. In case of bad weather on the night chosen for the concert, the intention is to hold the concert the following night in each case.

**HURLIS POLO CHALLENGE**  
Through Sir Harold Shagge, the Hurlingham Club of England has mailed a preliminary note to the United States Polo Association announcing its plan to send a civilian team to the United States in 1930 to compete for the international polo cup which has been on this side of the Atlantic since Harry Payne Whitney sent a team to the Old Country.

## D. G. SINCLAIR, SUDBURY CHIEF INSPECTOR OF MINES

G. S. Jarrett, of Timmins, Appointed Inspector of Mines for Sudbury to Succeed Mr. Sinclair.

Word from Toronto this week gives the information that Douglas G. Sinclair, inspector of mines for the Sudbury district, has been appointed chief inspector of mines for Ontario, in succession to Mr. F. F. Sutherland, who was recently promoted to the place of acting deputy minister of mines for the province. Mr. Sinclair's appointment has been ratified by Government order-in-council and becomes effective from July 1st.

Mr. Geo. S. Jarrett, who has been on the staff of the Hollinger Mines for some five years past, holding the position of assistant chief surveyor, and in other responsible places on the mine staff, has been appointed inspector for the Sudbury district to succeed Mr. Sinclair. Mr. Jarrett has made wide circles of friends here who will regret his removal from town but who will be certain that he will fulfill the duties of his new place with credit to himself, satisfaction to the Government and advantage to the industry and the men engaged in it.

The announcements above were made this week at Queen's Park by Hon. Chas. McCrea, Minister of Mines.

## LANCASHIRE SOCIAL CLUB PICNIC AT BAYSIDE BEACH

The Lancashire Social Club decided at the general meeting held last Friday to hold their annual picnic at Bayside Beach, instead of Golden City as originally planned. The Lancashire Social Club picnic accordingly will be held on Sunday, July 6th, at Bayside Beach, near Barber's Bay, and all members of the club who intend to go should let the president or secretary know at once.

## Messrs C. G. Williams and V. H. Emery Visiting Here

Hosts of friends in the town and district were delighted this week to welcome back here Messrs. C. G. Williams and V. H. Emery, who are here for a visit. Until the end of last year when they resigned, Messrs. Williams and Emery were for years in high positions at the Hollinger, Mr. Williams being general superintendent for years and Mr. Emery being in charge of all underground work. They are now established in Toronto as consulting engineers. Being among the pioneers of the town and camp, they have been very heartily greeted here again, having wide circles of friends in the town and district.

AT PRESS CONFERENCE  
Miss Edna Kells, Vice-President of the Canadian Women's Press Club and official press representative for the Province of Alberta, who is attending the Press Conference which is being held at St. John, N.B., this month.

## Watts Given the Decision in Classy Bout with Townsend

Wrestling Good Feature in Tuesday's Boxing Programme. South Porcupine Boys Show up Well. Holland Put Rowan to Sleep. Emard Failed to Meet Godin. Young Lads Evidence Notable Speed and Skill as Boxers.

"Strangler" Rudd and "Rough It" Brown stepped onto the mat at 9.00 p.m. for their scheduled 8-minute catch-as-catch-can wrestling bout at the Timmins rink on Tuesday evening, the 25th instant, in connection with another of Lap. LaPrairie's enjoyable boxing cards given here. The boys tussled for two 31-minute rounds without a fall. The referee asked one extra 31-minute round, and Brown won a clean fall in 1 minute and 27 seconds. Both boys are students of mining engineering; Brown, of Old McGill, at Montreal; and Rudd, from Varsity at Toronto. The boys put on a clean exhibition and were a credit to the high standard as maintained by the management in putting on the boxing and wrestling bouts as offered the public of Timmins during the past months.

Tony Samson and Jack O'Shea filled the next feature by going four two-minute rounds. These boys have been trained by Pete Mill, the 1927 Canadian Olympic welterweight runner-up, and they are not only a credit to their trainer but also to South Porcupine. Tony had the better of the battle for the first three rounds, but O'Shea got his Irish up and put in a shower of punches in the fourth round. The judge's decision went to Samson.

For fighting spirit and good sportsmanship the silver-plated gloves go to Donat Richards and Jackie Robinson. These lads sit side by side in the class room, and are pals after school hours, but when they enter the ring the lid is off. The event went three two-minute rounds, with their entrance examinations coming off on the morrow, and they left the rink immediately after their bout for home to be prepared for their ordeal the following three days. Robinson was under the weather with a cold and was not at top form. By a close decision on points Donat Richard won the bout.

The big surprise of the evening was pulled in the next bout when Bobby Rowan, of Lanarkshire, and "Honeyboy" Dave Holland, of Timmins, sparred off after receiving their instructions from the referee for a scheduled four two-minute-round bout. The boys shook hands and Rowan opened up with rights and lefts to Holland's face and body, driving Holland to a neutral corner. Holland took the blows as they came and played the ropes for a fast right to the jaw. Rowan staggered and fell to his face, taking the count of ten. He was taken to his corner by his seconds where he was attended to and revived. Holland won on a knock-out in 1 minute and 25 seconds of fighting.

As advertised, Freddie Godin, the 15-year-old cyclone, was to meet Nelson Emard, the 26-year-old fighting pipe-fitter. The manager, A. LaPrairie, announced from the ring that Emard had failed to put in an appearance, so
