COCHRANE NOW FITTING UP CAMP FOR THE TOURISTS Cochrane is now fitting up Drury Park at that town for use as a motor camp for tourists. Lights, water and other conveniences are to be installed, and signs are to be erected to direct visitors to the camp. The town council, the board of trade and the motor league are working in conjunction in the matter, just as they have done in Timmins and other parts of the North. It would appear as if it would be a good idea that the town councils, the boards of trade and the motor leagues and everybody else in all the towns of the North should get together to see if something could not be done to assure good roads for the motorists to get in this country and its tourist camps. —Ida Rekala, Sandra Wesa, Aino Jaskara, Hento Ketola, Pirkko Puska, Mary Hill, Edith Isaacson, Lydia Niemi, Schumacher—Aina Hietala, Saimi Suvola, Fanny Salminen, Martha Maki, Ellen Halonen, Hilja Paakkunen, Ida Lindroos, Venla Kyriäinen. Mrs. W. Dalzell returned on Monday evening from a holiday visit to her old home in England.

SOUTH END WON PRIZE FOR BEST-APPEARING BRIGADE

Events at Annual Firemen's Tournament at Cochrane. Other News from South Porcupine South Porcupine, July 3rd, 1929, Special to The Advance. Messrs E. W. Beaven and H. Eastman, of New Hampshire, motored up to spend their holidays with the former's father-in-law, Mr. J. S. McQuarrie. Mr. and Mrs. J. H. Stovell and sons, Sam and Bruce, left on Saturday for a holiday in Winnipeg and western points. An early resident of South Porcupine passed to her reward on Sunday night, June 30th, when Mrs. Fred Starr died at the Toronto General hospital. Mr. Starr had been called to her bedside a week previously, when her condition became serious after an operation. With her at the end were her sons, Harvey and his wife, of Peterborough; Milton and wife and child, of Detroit; Mr. and Mrs. F. Starr, a brother; Mrs. J. Braund, a sister, and Mr. and Mrs. Clark (niece), of Oshawa. The late Mrs. Starr was born sixty-five years ago at Pleasant Point, Southern Ontario. Thirty-five years ago she was married to Mr. Fred Starr at her home town. In the autumn of 1911 with their family they moved to South Porcupine and have lived here ever since. There is left to mourn her loss, three children by a first marriage—Mrs. U. Bennett, Timmins, Mrs. E. Roy, South Porcupine, and Norman Starr, Lindsay; also the three sons and daughter—Harvey Starr, of Peterborough, Milton, of Detroit, Mrs. A. Laffin, South Porcupine, and George at home. The funeral was held at the United Church at two o'clock on Wednesday, Rev. E. C. Moddle remaining here to take the service. The late Mrs. Starr has been a faithful friend and neighbour to those who knew her best. While her health permitted she did much work in the United Church and also in her own way was ever ready to help where there was sickness or trouble. During the Great War her work for the Red Cross was wonderful. We have been asked by several who worked with her, then, if we could find out how many pairs of socks she knitted personally for the soldiers but no definite count was kept. Those who were helping then say that she was indefatigable in her efforts for the boys overseas, among whom were her sons. Mr. A. Labine, of Halleybury, has been a business visitor in camp during the past week. Mrs. R. Mansfield, Master Kieven Cahill, Master C. Kavanagh and the Pamplin children, all of whom were operated on for tonsils a week ago, are now recovered nicely. Master Harry Martin is still in the hospital but the latest reports are that he is beginning to recover nicely. Our South Porcupine Fire Department journeyed to Cochrane in four motors on Monday. The roads were not very good but they got there just the same. Messrs D. McLellan, W. Farren, C. Jemmett and M. Cybulski drove them up. And they got the first prize for being the best looking brigade on parade. Of course their wives have known that all along but they are very pleased that the public is now taking cognizance of that fact. They came fourth in the wagon race, there being only four seconds between them and the winners. In the ladder race they have been making it in 17 seconds right along at practice but a fluke in their first coupling put them out of it. The following shows the times made by the different teams. Although the streets in general were rather muddy the portion fixed up for the sports was in splendid shape. Fire chiefs' race—1st, J. Matheson, Kirkland Lake; C. Mongson, Ansonville; H. Godda, Swastika. Firemen's race—1st, E. Angrignon, Schumacher; 2nd, Nadeau, Cobalt; 3rd, A. David, Cochrane. Timekeepers—M. Smith, C. Page, D. Malling. Hydrant Judge—Joe Merton. Starter—Bob Pearce. Wagon Race—1st, Cobalt, (49 seconds); 2nd, Kirkland Lake, (50 1-5); 3rd, New Liskeard, (51); 4th, South Porcupine, (52); Ansonville, (56 1-5); Hill-Clark-Francis Co., 57; Iroquois Falls, 58 4-5; Schumacher, 60; Halleybury, 61; Swastika, 79 1-5. Ladder Race—1st, Ansonville, 17 1-5 second; 2nd, Schumacher, 17 2-5; 3rd, Hill-Clark-Francis Co., 18 1-5; 4th, Halleybury, 19; 5th, Cobalt, 19 1-5; Iroquois Falls, 19 2-5; Kirkland Lake, 20 1-5; South Porcupine, 26; Swastika, 27 2-5; New Liskeard, 31.

Fire Brigade Answers Four Calls in Two Days

Chief Borland and his men had four calls to answer in two days last week. Three of the calls were on the one day and two of the responses were for the one place. Thursday last, June 27th, there was a call for a chimney fire on James street. No particular damage done by this blaze. On Friday, June 28th, at 2.30 a.m., there was a call to 11 Balsam street, owned by the McGrath Estate, and George Zasnina being the tenant. When the alarm was turned in the whole interior of the place, which is used as a shoemaker shop, was in flames. The origin of the fire is not known. When the firemen arrived they found the key in the door but no one near the building, except those attracted by the fire. The contents of the building were destroyed by the fire and the building was gutted. There is no insurance on the building, but the contents carried insurance of \$250.00. At 2.30 p.m. the same day there was a call to 337 Pine street, south, owned and occupied by R. Armand Dalpe. At the time of the fire there was no one in the house. The blaze started apparently in a clothes closet, but the cause for the starting of the fire has not been determined. The firemen used a water line and got the blaze out. The house is a long structure with filling in the walls for protection from the weather, and fire once getting in the walls is difficult to completely extinguish. As the building is outside the town limits the fire chief did not care to leave one of the firemen on duty there, so told the people of the house to keep a watchful eye to see that fire did not again break out from the walls. In about an hour later, there was another call, fire having started up again. This second blaze was duly extinguished. The total damage would be about \$300.00 to the building and around \$500.00 to the furniture. About \$2000 insurance was carried on furniture and house, so the loss was fully covered. While in town last week Mr. C. G. Williams, who during his long residence in Timmins always showed so keen and helpful an interest in Children's Aid Society work, paid a visit to the Shelter that he had done so much himself to establish. He was well pleased with the evident progress and success of the work there, and left behind a gift of cash to assure a treat for all the youngsters. They elected to attend Palmer's shows and the youngsters certainly had a big time there on Wednesday evening last as a result of Mr. Williams' generous treat.
