

Drug Stores Are Not to Sell General Goods After Hours

Town Council Agreed That Sale of Hardware, Jewelry, etc., Not Fair During Early Closing Hours. Civic Holiday Chosen for Timmins. Other Business at Regular Meeting of Town Council on Monday of This Week.

At the regular meeting of the town council on Monday there were a number of important questions dealt with. Among other things was the question of the drug stores selling all sorts of goods carried by stores that come under the early closing by-law. There was special reference made to articles carried by the jewelry and hardware stores. It was pointed out that it was against the provisions of the town's early closing by-law for the drug stores to sell these lines during the times covered by the early closing by-law, and it was not at all fair to the stores that observed the early closing to allow the drug stores to handle these lines in early-closing hours. Council passed a resolution to notify the drug stores that they must observe the provisions of the early closing by-law in regard to such sales.

TO REPRESENT CANADA Eugene Lafleur, K.C., eminent counsel of Montreal who has been chosen as Canadian arbitrator in the investigation of the sinking of the schooner "Im Alone" by the U.S. coastguard vessel.

Council set a date for civic holiday in Timmins, this date being next Monday.

The local old age pensions board was appointed, with the chairman and secretary named.

Some time was taken up in the discussion of the case of a boy sent to the Hospital for Sick Children at Toronto, the town disclaiming responsibility as it had not been duly notified as required by the law. However, the town council was willing to co-operate with the Kiwanis Club in seeing that the bill was paid.

Mayor Geo. S. Drew occupied the chair at the meeting and Councillors A. G. Carson, H. Charlebois, P. Dougall, R. Richardson, Alfred Caron and C. P. Ramsay were present.

A letter was received from the High School board saying that the equipment for the technical school was now on hand and it was in order for the issuing of debentures to cover the cost. Council gave the necessary instructions to have the required by-laws prepared for these debentures. Also for some small accounts for sewers and water-works. Councillor Charlebois asked if the by-laws could not be prepared by local lawyers, the answer being that this had not been practical in the past, the services of a Toronto firm always being secured, either by the local lawyers or the town in this matter. This was the only legal business going out of town, and it was sent out because this was the most economical and satisfactory way in regard to municipal debenture by-laws, all of which were passed by the Municipal Board in Toronto.

A letter was read from the editor of The Porcupine Quill, the Timmins High School magazine, asking for a donation. The letter said that as it had been noted that other towns and schools had given grants to high school magazines, and as the one here had not been able to balance its budget otherwise, the pupils thought the town council might help. The opinion of council was that if any help were to be given to the magazine, it should come from the high school board, who would be in position to know whether such help were justified or not.

The St. John Ambulance Brigade asked council to procure for them suitable quarters to establish a medical comfort depot. The idea is to provide beds, sheets, bedpans and other sick-room necessities for use in homes that otherwise could not secure these needs. A method would be adopted whereby the depot would supply the necessities on the doctor's order, the equipment being returned when it was no longer needed for any particular case. Council referred the matter to the Board of Health for consideration.

Mr. T. A. Skelly, president of the Timmins Horticultural Society, again asked council for the regular grant for the society as given in past years. The society did good work in encouraging better gardens, lawns and the general beautification of the town. Councillor Charlebois thought the society was a worthy one, and though he had previously opposed the grant, he was in favour of it now after learning of the good work done. Mayor Drew pointed out that the difficulty was that no grant had been provided for in the estimates. Councillor Ramsay thought so good a cause should be encouraged. Eventually a motion was made to grant \$75.00 this year, and this was carried. An amendment to make the grant \$100 was lost.

Messrs C. G. Keddie and W. Rinn appeared as representatives from the Kiwanis in regard to the case of a boy in the Hospital for Sick Children, Toronto. Mr. Keddie explained that the boy had a tubercular knee, and after giving him three months' treatment here, the Kiwanis had sent the lad to Toronto, so that his life might be saved. As the Kiwanis felt they could not spend all the money they had available on one case, they had limited their responsibility to six months only. At the end of that time, however, they had extended their payments in the

Wilson Avenue Garden Grows Notable Produce

There are many noteworthy gardens in town, evidencing in practical way what may be accomplished in the way of producing fine flowers and vegetables when the right skill and care are given. For years The Advance has maintained that the North Land is difficult to equal for market garden produce. The garden of Mr. W. Vanderloop at 85 Wilson avenue gives effective proof of this claim. For several years Mr. Vanderloop's garden has shown the notable fertility of the North Land soil and the superior market garden produce that may be grown here when the proper attention and knowledge are given to the work. This year Mr. Vanderloop has a showing of particularly good beans and potatoes. The potatoes are of good size and unusually good flavour. The beans are notable for their size and are remarkably good to the taste. The garden is ploughed each year and give all the other necessary care and cultivation and the response in produce has shown that all this is well worth while. A product of this garden that deserves special note is a large sample of coss lettuce brought into The Advance office this week. This sample of lettuce may perhaps, be best described as having a spread of over 15 inches. It is crisp and firm, as well as large, and is an excellent sample of the fine type of market garden produce that the North Land yields.

Dr. J. Aiken of Kapuskasing, formerly of town, is a visitor this week at the home of Mr. and Mrs. S. W. McCoy and with other friends in town.

Monday, August 19th, Civic Holiday, Timmins and Tisdale

Civic Holiday in Town and Adjacent Township to be Observed on Monday of Next Week. Business Places to Close and Citizens Generally to Observe Event. Daily Newspapers to be Here in the Evening.

At the regular meeting of the town council on Monday, it was decided to have civic holiday for Timmins this year on Monday, August 19th, and the mayor has issued his proclamation to this effect. It was felt that the selection of a Wednesday was not desirable, Wednesday already being a half-holiday. Monday was the other day generally favoured and so Monday, Aug. 19th, was decided upon. Although the notice is comparatively short it is to be hoped that the day will be generally observed in joyal way. It was the most acceptable day available, as the following Monday would be too close to Labour Day, a national holiday.

At the meeting of the township of Tisdale council at South Porcupine on Monday evening, Monday, August 19th was also chosen as the date for the civic holiday in Tisdale township this year. This means that the township, including the towns of Schumacher and South Porcupine, are observing civic holiday on the same date as Timmins, and this makes for the convenience of all, the three towns being so closely allied in business and other matters. All stores and other business places are expected to observe the

BIG LABOUR DAY EVENT AT IROQUOIS FALLS, SEPT. 2ND

Baseball, Softball, Track and Field Events, Firemen's Tournament, Boxing and Wrestling, Parade, Etc.

Labour Day at Iroquois Falls is always a big event in the North, and this year it promises to be more so! Arrangements are now being completed for one of the most attractive programmes yet presented, and for years past now the Iroquois Falls Labour Day celebrations have been attracting crowds from all over the North by the merit and excellence of the programmes provided.

Mr. Jack Ede, chairman of the sports committee for the Iroquois Falls Labour Day programme, together with the able committee actively assisting, are planning the biggest day yet. The programme will include—baseball, softball, field sports, senior and junior. Firemen's tournament, Union Men's parade, wrestling and boxing events, not to forget the noted Pulp and Sulphite and Papermill Workers' ball held in the town hall in the evening. Any item on the programme will be alone worth all the price of the admission tag for the day. The field and track events will include novelty races for young and old. Tugs-of-war will also be featured on the day.

An extra special attraction for the Iroquois Falls Labour Day event will be the boxing and wrestling bouts. In this connection it may be noted that "Lap" Laprairie has agreed to take some of his classy boys over to the Falls, so the boxing and wrestling features will be sure to be up to the highest standards and will delight all fight fans.

All in Timmins and district and throughout the North who desire to enjoy a fine Labour Day celebration should make a special note of the big annual feature to be held at Iroquois Falls on Monday, Sept. 2nd. The train service is convenient for those wishing to attend the big day, while the roads are good now for those who have cars.

Lyman Fancy Drowned In the Montreal River

There was very general regret in Timmins at the news of the death on Saturday of Lyman Fancy, of Cobalt, well-known in the North, who was drowned in the Montreal river about five miles from Cobalt, when the "sea-flea" in which he was sailing capsized and threw him into the water. The body was recovered later, and the funeral this week was one of the largest ever held in Cobalt, while the profusion of floral tributes indicated the popularity of the late Mr. Fancy and the deep sympathy felt for those bereaved. The late Mr. Fancy some years ago was a resident of Timmins and had many friends here. For some time past he had been connected with the Northern Auto Company, of Cobalt and Kirkland Lake. In addition to the bereaved widow and one child, he is survived by his parents, two brothers and a sister, to whom the sympathy of all is extended. The widow was formerly Miss Farrell, of Haileybury.

Mr. George Sutherland arrived yesterday and will be the guest of his sister, Mrs. W. L. Hemming, for one week.

LADIES' GOLF TOURNAMENT IN PROGRESS AT TIMMINS

About Fifty Taking Part in Northern Ontario Ladies' Golf Tournament Here This Week

The Northern Ontario Ladies' Golf Association are holding their tournament this week at the Timmins Golf Club. About fifty ladies are taking part including members of the ladies' golf clubs from Haileybury, Iroquois Falls, North Bay and Timmins.

The first day opened fine, but rain in the afternoon interfered with golf to a certain extent. Today (Thursday) the tournament starts, the qualifying round being played yesterday. The weather today is not of the best for golf, but some real good golf is being played.

The following are the scores for the qualifying round:

Championship Flight	
Mrs. Macdonald, Haileybury	46-47-93
Miss Brigham, Timmins	47-47-94
Mrs. Porter, Timmins	47-49-93
Mrs. McQuaig, Haileybury	49-48-97
Miss Little, Iroquois Falls	50-49-99
Miss Jamieson, Timmins	48-52-100
Mrs. Todd, Timmins	50-52-102
Mrs. Keddie, Timmins	54-49-103
Miss Anna Lee, North Bay	55-50-105
Miss Woods, Sudbury	52-53-105
Mrs. Lake, Timmins	52-54-106
Mrs. Murray, Sudbury	50-56-106
Mrs. Nott, North Bay	56-52-108
Mrs. Kendall, Iro. Falls	55-53-108
Mrs. Fogg, Timmins	52-57-109
Mrs. Morrisette, Iro. Falls	51-58-109
Second Flight	
Miss Amy Lee, North Bay	57-52-109
Mrs. Brigham, Timmins	58-52-110
Mrs. Dickenson, Haileybury	59-51-110
Mrs. Marcell, Timmins	55-55-110
Mrs. Campbell, Iro. Falls	52-59-111
Mrs. Fee, Sudbury	54-57-111
Miss Torrington, Sudbury	53-58-111
Mrs. Dodge, Timmins	56-56-112
Third Flight	
Mrs. Moore, Timmins	63-51-114
Mrs. Scott, Timmins	57-57-114
Mrs. Tyrwhitt, Haileybury	58-57-115
Mrs. Buncke, Iro. Falls	49-66-115
Mrs. Sterns, Iro. Falls	58-64-120
Mrs. Grisdale, Kirk. Lake	64-57-121
Mr. Darling, Timmins	62-61-123
Mrs. Bell, Iro. Falls	60-62-122
Mrs. Hammond, North Bay	72-53-125
Mrs. McVicar, Cochrane	68-65-133
Mrs. Crombie, Iro. Falls	73-66-139
Mrs. Greer, Cochrane	70-81-151

At the annual general meeting of the Northern Ontario Ladies' Golf Tournament in the Timmins Golf Club house on Thursday afternoon, Mrs. A. P. Brigham occupied the chair and it was decided to hold the next tournament at Sudbury. Mrs. Agnew was elected president with Mrs. Ferry as secretary.

The driving competition was won by Mrs. Dr. Porter of the Timmins Club. The putting and approaching was won by Miss Woods of Sudbury. Miss Jamieson, Mrs. Porter, Miss Jamieson and Mrs. Todd won the team prize with a score of 392.

Mrs. Macdonald, of Haileybury, won the low medal prize with a score of 93. Play up to 1 p.m. in the different flights are as follows:

Mrs. Macdonald won from Miss Anna Lee by default.
Miss Little won from Mrs. Nott.
Mrs. Fogg won from Mrs. Todd.
Mrs. Porter won from Mrs. Murray.
Mrs. McQuaig won from Mrs. Lake.
Mrs. Keddie won from Mrs. Morrisette.
Miss Brigham won from Miss Woods.
Miss Jamieson won from Mrs. Kendall.

The losers in the above flight will enter the First Flight.

Second Flight
Mrs. Campbell won from Miss Amy Lee.
Mrs. Torrington won from Mrs. Dickenson.
Mrs. Dodge won from Mrs. Marcell.
Mrs. Fee won from Mrs. Brigham.

Third Flight
Mrs. Grisdale won from Mrs. Moore.
Mrs. Tyrwhitt won from Mrs. Darling.
Mrs. Buncke won from Mrs. McVicar.
Mrs. Scott won from Mrs. Sterns.
Mrs. Hammond, Mrs. Crombie, Mrs. Greer and Mrs. Bell drew a bye.

EXCELLENT BOXING BOUTS AT SKATING RINK AUG. 21

See the announcement elsewhere in this issue of the boxing bouts to be held in the skating rink on Wednesday next, Aug. 21. Don't miss this.

REV. MR. HAZELWOOD, WATFORD IN CHARGE OF UNITED CHURCH

During the month of August, Rev. Mr. Hazelwood, of Watford, is in charge of the United Church here. Rev. Mr. Hazelwood and Mrs. Hazelwood and family motored up from the south, camping by the way as they came and they found the roads good and the trip a delightful one. Rev. Mr. Hazelwood expresses himself as surprised and delighted with the evident progress of the North Land and especially with the modern and progressive town of Timmins with its city conveniences. Rev. Mr. Hazelwood will have charge of the church here during August, and has already made hosts of friends and admirers here. He is an earnest and eloquent preacher and has the happy knack of making friends.

PLANS FOR ENTERTAINING DAILY NEWSPAPERMEN HERE

Autos to be at Station Monday at 5.30. Banquet Under Auspices of Kiwanis, Board of Trade and Council

On another page of this issue will be found extended reference to the details of the tour of the North Land by the party of daily newspapermen of the province. A list of those expected to be in the party will be found in the article. The party will reach here at 5.35 p.m. on Monday next, Aug. 19th, and while here they will be the guests of the Kiwanis Club, board of trade and town council. It is intended to meet them at the station and take them for a ride around town before dinner. All members of the executive of the board of trade and business men in town who have cars are asked to assist in the matter. As many as possible are urged to be at the station with their cars at 5.30 p.m. Monday, and also at the hotel at 8 a.m. Tuesday so that the visitors may have opportunity to see the town.

At 7 p.m. there will be a banquet to the visiting party held in the Empire hotel main dining room under the auspices of the Kiwanis, the board of trade and the town council. The Kiwanis have deferred their regular weekly luncheon to the evening so as to be able to act as hosts for the party. The co-operation of all in town is urged to make the visit as pleasant and informative as possible. As will be noted by the list published elsewhere in this issue about 25 of the leading daily newspapers of the province will be represented in the party and the tour appears to be an excellent opportunity to spread the true story of the North and secure the co-operation of the daily newspapers for the development and progress of this country.

Golfers Had Pleasant Time at Iroquois Falls

The golfers from Timmins who visited Iroquois Falls last week for the Northern Ontario Golf Tournament speak in the very highest terms of the fine hospitality and kindness of all at the Falls. The event was assuredly a very decided success in every way and all visitors were given the most kindly and hospitable reception and entertainment. Special praise is given to the committee in charge of the arrangements who left nothing undone or overlooked to assure the complete success and pleasure of the occasion. Messrs Ellie Little and McTaggart came in for special praise from the visitors. The hospitality extended by Mr. Jas. Kingston, manager of the Hotel Iroquois, was also particularly appreciated. All agree that he could not have been more thoughtful or considerate for the comfort and pleasure of the visitors. The visit to Iroquois Falls is admitted by all attending golfers to have been a red letter event long to be remembered. Elsewhere in this issue will be found a detailed report of the tournament.

Miss Frances Hemming, R. N., and Miss Mabel Stevenson, R.N., of Winnipeg, are visiting the former's brother and sister-in-law, Mr. and Mrs. W. L. Hemming.

Orange Grand Master Urges All to Combat Communism

In Eloquent Address, Head of Orange Order in Ontario, Shows the Need for Earnest and Loyal Adherence to the Principles of the Order. Large Attendance at Banquet to Grand Master L. H. Saunders on Official Visit to Timmins.

FORMER JUDGE SICK Hon. Wallace Nesbitt, eminent Canadian counsel and President of the Canadian Bar Association, who suffered a slight stroke while holidaying at his summer home on Georgian Bay. He is a former Justice of the Supreme Court of Canada.

No Announcement Yet in Regard to the Railway

No announcement has been made yet as regards to building the proposed railway extension to Kamiskotia. According to Hon. Mr. McCrea who was in Timmins on July 24th, a definite announcement in the matter would be made inside of ten days. That ten-day limit has passed and another ten days along with it, and the official announcement is still awaited. There are, of course, the usual number of reports and semi-official forecasts. One of these is particularly interesting, being to the effect that the premier will make the official announcement in the matter on a visit to the North next month and that the announcement will be favourable and the actual work of construction of the railway will be under way this winter. It is to be hoped that this story is true in fact. In the meantime, however, a definite announcement in the matter is much to be desired and would be greatly appreciated by all interested in the North.

TO PREACH FOR CALL AT UNITED CHURCH SUNDAY

Rev. Mr. Wolfrain will be the preacher at the United church on Sunday, being a candidate for the charge of the United Church, to take the place vacant by the resignation of Rev. J. D. Parks. Rev. Mr. Wolfrain is said to be a preacher of special gifts, and there should be large congregations out to hear him.

Temiskaming League Winners to Play Off Here Next Week

McIntyre, Champions of North Group, to Play Lake Shore Champions of Central Group, for League Honours on Wednesday and Thursday, August 21st and 22nd. Winners to Play at Ottawa for Journal Trophy and Eastern Ontario Championship.

Announcement is made this week of the play-offs for the Temiskaming Baseball League championship. The play-off games will be at the Timmins grounds on Wednesday and Thursday of next week, Aug. 21st and 22nd, the games commencing at 4.30 p.m. In case of rain the games will be played on the following day or days.

The contending teams will be the McIntyre baseball team of Schumacher, champions of the T.B.L. in 1928, and winners of the northern group this year, and the Lake Shore baseball team, of Kirkland Lake, winners of the central group this year.

The winners of this series will go to Ottawa to play in the finals for the Eastern Ontario Baseball Association championship and for the famous Ottawa Journal trophy. Even a chance at the Journal trophy is considered an honour in Ontario baseball circles, and the winners of the series here next Wednesday and Thursday will have a whole lot more than just a chance to play for the Journal trophy honours. Those who have been following baseball closely this year are of the opinion that the team that wins the Temiskaming Baseball League championship this year will have a mighty good chance for higher honours.

The Lake Shore baseball team, of Kirkland Lake, is a classy aggregation of players and it will need a mighty good team to beat them. Up in this part of the country it is believed that the McIntyre team is the team that can do it. That, of course, remains to be seen. The showing made by the McIntyres when they went up against the Copper Cliff experts last week indicates the skill of the Schumacher players and encourages those who are backing the McIntyres to win the T.B.L. championship again this year. Copper Cliff has a wide reputation for its clever ball team, and on their return home last week they had no alibi for losing to the McIntyre team, admitting that the Schumacher team certainly knew how to play baseball. At Kirkland Lake it was an all-star team that played the Copper Cliff ball team, while the regular McIntyre team took them into camp in two games here. No matter which of the two teams win the T.B.L. championship next week, it would appear a certainty that in any event the baseball fans here will have the opportunity to see two classy ball games here on Wednesday and Thursday of next week. The local odds are in favour of the McIntyres winning it.

Wor. Bro. L. H. Saunders, Grand Master of the Orange Order for Ontario West, paid an official visit to Timmins Lodge, L. O. L. last week, a number of lodges from the district sending representatives here for the occasion, and the members of the lady Orange Lodges in the district also being represented. On Friday evening there was a regular meeting of the lodge, with many visiting brethren to welcome the Grand Master. After the lodge work, a banquet was tendered the Grand Master by the Orange Lodges and the Lady Orange Lodges of the town and district. The menu for the occasion was a most attractive one, the ladies attending to this part of the evening with their usual efficiency and success. After the truly bounteous repast, there was a programme of musical and literary selection in addition to the pleasing addresses in proposing and responding to the toasts. In the unavoidable absence of the Master of the local lodge, Bro. A. G. Luxton presided in very effective and pleasing manner. There were about 75 members of the Orange and Lady Orange and their friends sitting down to the very attractive dinner provided by the ladies and served with capable skill.

After the toast to the King had been duly honoured Bro. W. H. Dawson, of Iroquois Falls, District Deputy Grand Master, in a very able though brief address proposed the toast to the Grand Lodge of Ontario West. The D.D.G.M. said that there was need today for the most gifted leadership and that no better man than L. H. Saunders could have been chosen for the difficult and onerous task before the Grand Master of Ontario West, the largest provincial Grand Lodge of the order in the world.

On rising to respond to the toast Grand Master L. H. Saunders was given a regular ovation and his eloquent and pointed address was proof that the respect and popularity shown him are won by merit and earnestness. The Grand Master referred to the fact that the Orange Order is making excellent progress in this part of the country. He expressed his pride in his connection with the order and his sincere desire to advance the principles for which the order stands. He touched on the principles upon which the L. O. L. was founded. It was a strictly protestant society, but the true Orangeman guarded against intolerance. The value of the order to the churches and communities was emphasized and a word or two said in regard to the blessings of protestantism to Great Britain and to other nations. The Orangemen were urged to hold fast to their principle of upholding the open bible, the bible having brought light and liberty wherever it had been carried. Reference was made to the dispute in regard to school taxes paid by corporations and the Grand Master voiced the opinion that the principle of one school, one flag, would make this country greater. He criticized the reported policy of Hon. Mr. Sinclair as to the settlement of the North Land. The benevolent features of the Orange Order were referred to by the Grand Master as of special interest. Particular reference was made to the home for children maintained by the order. This had cost \$300,000.00 but was opened clear of debt. There were 144 children in the home, more than half of these having no claim whatever on the order. The Grand Master warned all to be on the watch for the means and methods planned to curb religious liberty and to encroach on protestantism. He urged them to guard the principles for which the order stood against all wiles and schemes. Orangemen, he said, should be firm upholders of true religion and earnest in support of the gospel message. The Grand Master condemned the "Red" agitators and the so-called communists of to-day. He showed how the communists attacked religion and taught their children to sneer at law and order. "There is no place in the social life of this country for any scheme of politics that is based on a scorn of religion and the debasing of the minds of children as to their duty to their God and to the State," he said. "See that the ties that bind us to the Motherland are not weakened," was the earnest plea of the speaker. In his eloquent and impressive words of conclusion, the Grand Master urged all to make the best of the days as they go, for life is all too short for the effort that should be given to the work for King and Country and the Right. Prolonged applause greeted the Grand Master as he resumed his seat after the very able and impressive address.

Ven. Archdeacon Woodall proposed the toast to "The Youngest Orangeman," to which Bro. Phelps responded briefly but pleasingly. Ven. Archdeacon Woodall's address was a most interesting and inspiring one. He mentioned how largely the future depended upon the young men of the
