

Iroquois Falls Planning for Big Labour Day Event

With Good Weather September 2nd at the Falls Will be Memorable Occasion. J. H. Coons Transferred to Montreal Office. Distinguished Visitors at the Falls Last Week. Personal and Other Items from Iroquois Falls.

Iroquois Falls, Aug. 12th, 1929. Special to The Advance.

J. H. Coons Transferred
J. H. Coons, order clerk here since August 1924, has been transferred to the Montreal office. He came here in September 1920 thus nearly completing nine years residence in the Falls. He first joined the Service Division as a tester and was transferred to the Paper Inspection Department in 1922. From that time until now Hubert was an inspector, quality clerk and chief paper inspector, before being promoted to order clerk. In this way he learned the work from the ground up. His promotions have been well deserved and the many friends of Mr. and Mrs. Coons will wish them every success in his new position. While residing here Hubert was very prominent in local committees and played many years as a member of the Iroquois Falls baseball team.

Distinguished Visitors
Lord Queenborough, of London, England, accompanied by Right Hon. Arthur Meighen, of Toronto, Mr. and Mrs. W. H. Staring of Cleveland, Ohio, Mrs. Christine L. Denton also of Cleveland, Ohio, and Mr. George W. Lee, Chairman of the T. & N. O. Commission, North Bay, paid a short visit on

Tuesday, August 6th. The party was met at the station by His Worship, the Mayor, Frank K. Ebbitt, and T. E. Silver, mill manager. The party motored through the town and later visited the mill where Mr. Silver and Mr. F. L. Mitchell, assistant manager of operations, took them through. Mr. Meighen and Mr. Lee enjoyed eighteen holes of golf and the special train left at 5.30.

Expect Successful Labour Day

The various committees in charge of the Labour Day celebration this year are working hard to have the coming Labour Day one of the most successful yet put on. It will be remembered that last year was spoiled by rain but if the weather man will lend a hand on September 2nd this year the committee promise a day of most unusual interest. Harry Beach as general chairman and Lorne Newman as secretary are working hard. Lorne is very busy with his secretarial committees while Harry Beach along with his various sub-committees have been working for the past month in every effort to have everything in ship-shape. J. C. Eade is chairman of the Sports Committee, A. Delean is chairman of the Finance Committee and Gerald Corcoran is chairman of the Publicity Committee. Ben Little is secretary-treasurer.

The usual parade will be held in the morning at which it is expected to offer a prize for the best decorated automobile. Ed. Lavallee is looking after the parade arrangements. There will be of course a programme of sports including races for boys and girls, a baseball game and a firemen's tournament.

While at the early date of writing the arrangements were not fully complete, the plans were pretty well formulated. The Pulp & Sulphite ball will be held in the evening at 9 p.m.

It is expected entries will be received from many places for the sports including Timmins, Schumacher, South End, Cochrane, and other centres. Field entries will be accepted.

Personals
Herman Schanche was a welcome visitor to town, arriving July 8th. Herman spent a couple of days on business but found plenty of time to renew old acquaintances.

Mrs. Bert Mobbs and family arrived back in the Falls August 6th. Mr. and Mrs. Moobs have taken up residence for the present, in George Goldsborough's house. Mrs. Goldsborough having left for a visit to her home following which she will join Mr. Goldsborough at Murray Bay.

Ray Wiles of the Control Department has resigned his position with the company and left July 31st.

Kitts—McGrath
Miss Esther Kitts, for some time employed with the company here, was

married to James Edric McGrath at St. Ann's Church on July 22nd. The ceremony which was attended by friends and relatives of the happy couple was held at 8 o'clock in the morning, following which a wedding breakfast was served at the hotel. Miss Jennie Kitts was bridesmaid and Mr. Ken McGrath was groom's man.

Mr. and Mrs. McGrath left for a motor trip and will visit Toronto, Windsor, Detroit, Montreal, Ottawa, and other points before returning to the Falls to take up their residence. Mr. McGrath was the recipient of a tray of silver presented to him as a wedding present from the Knights of Columbus.

Golf

On August 6th Keith Little succeeded in defeating Dave Davis in the final for the President Cup, three up and two to play after 36 holes of golf. This competition which is match play has an elimination round with the sixteen scores qualifying. The following qualified: Ben Little, Fred Giffen, Bert Mobbs, Ellie Little, Dave Davis, "Mac" McTaggart, W. Woodman, Clark Davis, Bill Tait, Jim Bartholomew, Lorne Goodall, Bob Drummond, Fritz Anson, Bob Armstrong, "Les" Kendall, Keith Little. In the first round Ben Little defeated Giffen, Ellie Little defeated Mobbs, D. Davis defeated McTaggart, Clark Davis defeated Woodman, Bart defeated Tait, Drummond defeated Goodall, Anson defeated Armstrong, and Keith Little defeated Kendall. In the second round of the finals there was no brotherly love lost between Ellie and Ben Little. Ellie succeeded in defeating Ben. Dave Davis won his game with Clark Davis by default. Clarke being out of town. Drummond defeated Bart, and Keith Little defeated Anson. In the semi-finals Dave Davis defeated Ellie Little, while Keith Little defeated Drummond. Both Davis and Keith Little are two of the youngest members of the Golf Club.

Wilson Handicap Tournament

Eighty-six members of the golf club started out in the Wilson match play handicap elimination tournament. At the time of writing three rounds had been completed, while W. Woodman and Walter Kishbaugh have reached the semi-finals. Ellie Little and Dr. Munn had not played their match in the 4th round. As there are three semi-finalists Kishbaugh has the bye, so that the semi-final was played between Woodman and the winner of the Little-Munn match.

Personals

H. J. C. Chapman, superintendent of the groundwood mill, left August 14th on his vacation. While away he will motor to Montreal, Toronto and other points.

Dr. "Chuck" Dales also returned from a month's motor trip.

J. H. McInnis, who several months ago was severely injured while at work, returned to the job on August 1st. His many friends are indeed gratified at his recovery.

Mrs. Geo. Charron and family left for Ottawa Saturday, August 3rd.

Mr. John R. Fradgley of London, England, was a visitor to Iroquois Falls on August 1st and 2nd.

H. L. Ferguson, of Cleveland, Ohio, accompanied by his wife and daughter, paid a visit to the Falls on Wednesday, July 31st. While here he made it a point to inspect the mill.

Employee Dies
John Pana, an employee of the Mixing Room died at his Boarding House in the Wye on July 29th. He had been employed here sometime.

Employees' Anniversaries
Several of the company's employees here will celebrate in September anniversaries of their having joined this Division as far back as fourteen years ago.

G. S. Code, manager, of the Mercantile Department, will be here 14 years on September 15th.

Harry Buncke, mechanical engineer for all divisions, arrived a year later on the 1st of September.

H. J. C. Chapman, superintendent of the groundwood mill, and H. Fortier, of the general millwright crew, will be here 12 years on the 1st and 14th of September respectively.

Arthur E. Brewer and A. Blondeau, of the wood room, will also be here 12 years in September.

A. E. Tregwin, papermaker, and George D. Adams, of the woods department, and Walter Kishbaugh also of the woods department, will be here 10 years in September.

Thos. Clarke and J. H. Coons joined the company in 1920.

Associate Boards of Trade

T. H. Wilkes, and G. J. Morrissette, secretary of the local board of trade, were delegates to the quarterly meeting of the Northern Ontario Associated Boards of Trade which was held in Englehart on July 31. They introduced a resolution urging the Provincial Government to give preference to the men of the North when Government appointments are being made. The meeting endorsed this resolution. The Iroquois Falls board also requested support for a movement to have the salaries of jurymen from the present figure of \$4.00 per day to \$7.00. While there was some discussion over this question, it was agreed that \$4.00 is not sufficient to pay expenses yet alone any lost time. The whole matter was left over to the annual meeting. Ansonville board of trade secured endorsement of a resolution asking for a Government investigation into insurance rates in the North. The meeting also moved a motion to have the Associated Boards of Trade get in touch with the Abitibi Power & Paper Company at Iroquois Falls in an effort to come to some arrangement for the use of their broadcasting station in the interests of the whole North country.

Mr. F. H. Anson for many years assistant manager of the Iroquois Falls Division of the Abitibi Power & Paper Company, Limited, has resigned his position here and is leaving shortly. Mr. Anson came to Iroquois Falls in the early days and was here during the construction of the mill. During his 16 years residence he served the company in several capacities. Prior to being made assistant manager, Mr. Anson managed the dairy and also was superintendent of the saw mill. "Fritz" as he was formerly known, took an active interest in everything pertaining to community life and sport. In the latter connection he figured prominently for many years on the Iroquois Falls baseball team, was a leading tennis player, and in more recent years one of the leading golfers in the local club.

"Fritz" has seen the mill rise from a virgin forest to its present state of efficiency, and a good many changes have been made, and a good many people have come and gone since he first arrived here. The many friends of both will be missed in every way from the community.

Appointed Resident Engineer
Mr. A. T. Hurter who has been assistant mill engineer to H. J. Buncke, has been appointed resident engineer in charge of all engineering.

Toronto Globe—Of the Young plan it was said: It satisfies no one, yet is agreeable to everyone. Compromises must be made, but why should Britain make them all?

The New Liskeard Speaker last week says:—"The three-year-old daughter of Mr. and Mrs. Boscquet of Kirkland Lake met on Monday, with a cut in the forehead which required five stitches to close. Mr. and Mrs. Boscquet with their three children were on their way south by motor. The car jolted over a bump in the road, near Earleton, which threw the little one against the windshield, inflicting the injury which was attended to by a doctor in New Liskeard.

Huntington Gleaner—A friend of ours admits that he is a poor speller and among others, can never remember how to spell the words "receive" and "believe," finding it hard work to make up his mind whether the "i" comes before the "e" or contrariwise. He gets around the matter, however, by making the "i" and "e" exactly alike and sticking the dot in the middle.

DELICIOUS DAINTY, containing an astonishing amount of nourishment is Quaker Puffed Rice. Tempting morsels that no appetite can resist, yet full of food elements in a form for easy digestion.

Quaker Puffed Rice is the rice grain thoroughly cooked and steam exploded to eight times normal size. The millions of tiny food cells in each grain are broken down, thus releasing for easy assimilation all the energy of fine white rice. The puffing gives the grains a crunchy, toasted texture with the flavour of nut meats. It tempts the appetite and satisfies it, too.

Both children and grown-ups relish Quaker Puffed Rice. When other foods fail to entice, it stirs up lagging appetites. Serve at any meal or between meals, direct from the package or warmed. Use milk or cream, or fruit, jelly or jam. You will have delicious variety from ordinary foods.

A New & Larger Body ON THE Whippet SIX DE LUXE SEDAN

NEVER BEFORE has an inexpensive car been distinguished by such stylish lines, rich colors and artistic finish as are now winning sweeping success for the new Whippet Six De Luxe Sedan.

The new larger body of the De Luxe Sedan was designed by a creator of custom-built cars. Its beauty is a triumph of modern design. Its spacious interior a revelation of restful riding.

Exceptionally wide doors on all models afford easy entrance and exit. The broad, deeply cushioned seats have form-fitting backs, so that passengers enjoy restful, relaxed positions at all times.

Vital engineering advantages—and Whippet is the only low-priced car that has them all—include full force-feed lubrication, silent timing chain, big four-wheel brakes, invar-strut pistons, "Finger-Tip Control" and in the Six, a heavy fully drilled seven-bearing crankshaft. Whippet's dependable performance, and low consumption of gasoline and oil, make it a decidedly economical car to operate.
