FALSE FIRE ALARM HERE EARLY ON SATURDAY LAST

At 1:30 a.m. Saturday morning the fire brigade had a box call from the corner of Birch and Fourth. The call was promptly responded to, though the firemen all had to make a hurried trip from their beds to answer the summons. When the brigade arrived on the scene there was no one at the box and no signs of any fire. All possible investigation and enquiry failed to elicit any news of any fire or chance of fire. It is thought that someone noted the red curtains in one of the windows near the corner of the street referred to, and mistaking the appearance of these curtains as lit up by the electric lights were at a hurried glance deceived into believing that a fire was in progress. After sending in the alarm the mistake was discovered and the man or woman who had been so deceived was ashamed to stay at the box and admit the error made. It may be noted once more that every good citizen should particularly note the request of the fire chief that after sending in an alarm for fire should stay by the fire alarm box until the firemen arrive so that there may be no confusion as to where the fire may be.

SCHUMACHER FIRE DEPT. HOLD PLEASANT PICNIC

Happy Event on Aug. 18th. Schumacher Firemen Had Big Day. Other News from Schumacher Correspondent

Schumacher, Aug. 21st, 1929. Special to The Advance.

We are pleased to hear that Mr. William Capliss, who is in hospital suffering from injuries to the head, is recovering favourably, and we wish him a speedy recovery to health.

An unusual occurrence happened on Saturday evening when a car parked on First avenue (unattended) took off down the main street. Fortunately before the car could gather much speed it turned across the street and became stationary. The street so happened at that time to be clear, otherwise a serious accident might have occurred. Drivers should take the greatest care to see that their brakes are in good condition and well locked, before leaving cars unattended in the main streets.

Misses Byrnes left on Saturday night on a sad mission, to visit their brother at North Bay, who is seriously ill.

P. C. Fulton, Mrs. Fulton and family, returned to town on Saturday after spending a very pleasant holiday with their relatives and friends at Owen Sound.

Mrs. John Matthews left this week on a vacation to Toronto.

The McIntyre softball club were at home on Monday to the C.G.I.T. girls, and were defeated by 9 to 4. The young girls sure put up some fight against the Mac's and were fully justified in winning the honours.

Mr. and Mrs. F. Corris and sons, of Second avenue, left for Toronto where they will attend the Manx Convention which is to be held from August 20th to 24th. They expect about 7,000 to 8,000 Manxmen to attend the convention in the big city. Mr. and Mrs. Corris have a special invitation from the Mayor of Douglas, Isle of Man, to be present at the convention.

Mrs. A. Davis, of Lebanon, New Hampshire, and Mrs. H. Fairhurst, of St. John, Vermont, are visiting in town and renewing old acquaintances.

Mr. and Mrs. A. Noack, who have been the guests of Mr. and Mrs. C. Jucksch for the past week, have left for the Valley City of Pembroke.

Mrs. (Dr.) Weston, of Third avenue, has been removed to the hospital on account of illness. We all wish her a speedy recovery to good health.

The Schumacher Fire Department held their annual picnic on Sunday, the weather being ideal. A large crowd spent a very jolly time during the day. Sports were held under the direction of Chief Jucksch and his men.

Races—Boys, 6 yrs. and under—B. McDonald, first; J. Wilson, second.

Boys 8 years and under—Reg. Dillon, 1st; R. Webber, 2nd.

Boys, 10 and under—Eric Arnott, 1st; R. Webber, 2nd.

Boys 12 and under—R. Webber, 1st; C. Dillon, 2nd.

Boys 14 and under—D. Braithwaite, 1st; G. Barron, 2nd.

Girls 6 and under—Betty McMillan, 1st; Lalla Webber, 2nd.

Girls 12 years and under—Florence Dillon, 1st; Violet Innis, 2nd.

Girls 14 and under—Florence Dillon, 1st; Dorothy Innis, 2nd.

100 yds. Dash—C. W. McDonald, 1st; S. McMillan, 2nd.

Relay Race—C. W. McDonald, J. Dillon, F. Webber, C. Jucksch.

Father and Son Race—W. J. McKay and W. McKay.

Married Ladies Race—Mrs. A. Noack, 1st; Mrs. C. Jucksch, 2nd.

Fat Ladies Race—Mrs. W. Mansfield, 1st; Mrs. W. J. McKay, 2nd; Mrs. F. Webber, 3rd.

Single Ladies Race—Margaret McKay, 1st; Dorothy Innis, 2nd.

The softball game was won by Chief Jucksch's team after a very hard fight. The scores at the close being 20 all, it was decided that extra time should be played and finally the chief's team won by the odd run.

The last event, but not the least, was a peanut scramble, in which both young and old took part, and some of the members are still wondering if all the peanuts were picked up.

FRANCE WELL REPRESENTED IN FAIRBANKS' NEW FILM

Every country in the world was represented on the Douglas Fairbanks' set during the filming of "The Iron Mask" coming to the Goldfields Theatre on Friday and Saturday. France had the largest representation. In addition to Maurice Leloir and Ben Carre of the art staff there were many French actors.

ATTENDING ANNUAL MOOSE CONVENTION IN DETROIT

Mr. and Mrs. Karl Eyre, Mr. and Mrs. T. W. Bevan, and Messrs L. Griffiths, Albert Paquette and A. Odgers are in Detroit this week attending the annual convention of the Loyal Order of the Moose. The ladies are representatives of the local Mooseheart Legion, while the men are the delegates from the Timmins L.O.O.M. lodge at the big convention. The convention will be attended by thousands of delegates from the Moose lodges throughout the United States and Canada.

SOME OLD COINS ARE WORTH CONSIDERABLE IN MONEY

In recent issues of The Advance there have been many references to collection and old coins held by residents of the district. There has also been great interest in these articles, one reference giving rise to another, and readers doing their part to keep up the interest. The most of those with collections of old and rare coins have expressed curiosity as to whether any of them were valuable or not, though none of them were anxious to part with any of their coins or tokens, most of them being keepsakes coming down to them from older ones in the family. It is likely that some of the coins noted in recent issues of The Advance are valuable, and there would seem to be a possible field here for old coin collectors. In the meantime the following paragraph is given from last week's issue of The Huntingdon Gleaner to show the value that may be attained by the odd old coin on occasion:—

"Back in 1849 when the gold rush to California filled the imagination of the day, cash money was scarce and sometimes private individuals minted their own coins. Among them was one who engraved on the face a shield of a cowboy throwing a lariat, on the reverse a bear. This coin while much admired, was valued at \$5.00 and was accepted as such which, bearing in mind the prices of that day, was not so much. The other day the same coin was put up for auction in New York and an expert, buying for a private collector, secured the coin for \$7,900. This is a fairly good return for an investment, even on the basis of compounding interest."

NEW DIRECTORS ELECTED BY TRIPLEX GOLD MINES

The Mail and Empire last Friday said:—
"At a meeting of the Triplex Gold mines, held in this city, a change in the directorate was made, with the following directors elected to the board: Charles B. Post, Chris Nelson and George Greenwood, all of Worcester, Mass.; James Crookston and J. A. Thomas, of South Porcupine.
"Plans were formulated at the meeting to reopen the company's mine located in the Porcupine district, and finances have been arranged for a diamond drilling campaign to be started at once. The shaft will be dewatered and underground work started in addition to surface drilling."

TO PRESENT GOOD REPORT
M. M. McLean, who, except for a short period during the war, has been secretary-treasurer for the Canadian Brotherhood of Railroad Employees, will have an encouraging report to lay before the convention of that body when it meets in convention at Moncton, N.B., during the week of Sept. 9. During the past two years the number of local divisions has grown to nearly 250.

WEEKLY NEWSPAPERS ARE CONTENT WITH OLD FLAG

The Perth Expositor last week says: The action of the Canadian Weekly Newspapers Association in going on record in favour of a Canadian flag at the London convention, is simply another call to foolishness. It would appear some publishers embued with those exaggerated views of Canada's status affected by certain politicians are using the weekly newspapers' association to put over something that politicians cannot do. The motion was decidedly ill-advised and if the association persists in promulgating it the days of its usefulness are numbered. The Perth Expositor does not subscribe to an idea, even mildly drawn, but most dangerously suggestive:—"Whereas we believe it is desirable to adopt a distinctive Dominion flag for Canada, the design of which should include the Union Jack, resolved that we appeal to the Parliament of Canada to treat this matter on a non-party basis, and we further appeal to all Canadians, irrespective of race, creed or origin, to co-operate toward the solution of this vital national question."

PUBLIC NOTICE

To all persons having registered claims or claims of which no notice has been registered existing prior to June 1st, 1890, against lands in any Registry Division in Ontario.

Whereas "The Investigation of Titles Act, 1929" enacts inter alia:—

3 (1)—From and after the coming into force of this subsection, no person in dealing with land shall be required to show that he is lawfully entitled to such land as owner thereof through a good and sufficient chain of title, save and except during the period of forty years immediately preceding the date of such dealing as aforesaid, and no claim which has been in existence longer than the said forty year period shall affect such land, unless such claim shall have been acknowledged or specifically referred to or contained in an instrument registered against such land within the said forty year period or unless a notice is registered against such land as provided in subsections 3, 4 and 5 hereof.

3 (2)—Subsection 1 shall come into force on the 1st day of June, 1930.

3 (3)—Upon the coming into force of this Act and within one year thereafter, any person having a claim against any land, which claim has been in existence for forty years or more prior to the coming into force of this Act, but in respect to which claim no notice of its existence has been given, acknowledged, or specifically referred to or contained in an instrument registered against such land within forty years prior to the coming into force of this Act, or any person on his behalf may register in the proper registry office a notice in which shall be set forth the claimant's full name and address and a description of the land and a detailed statement of such claim, verified by the affidavit of the person registering such notice.

3 (6)—The registration of a notice as provided in subsections 3, 4 and 5 shall not in any way validate a claim which has otherwise expired.

Therefore Take Notice that any person having a claim against any land as above set forth must register notice thereof in the proper registry office before June 1st, 1930. If this is not done, except under certain conditions, then any land which is subject to such claim so registered prior to June 1st, 1890, or any claim existing prior to June 1st, 1890, of which no notice has been registered, shall be absolutely freed and released therefrom.
