

DEATH OF MR. MILTON CARR PIONEER OF NORTH LAND

Father of Mrs. A. S. Porter and Mrs. W. R. Sullivan Passed Away at Toronto on Monday This Week

There will be very general regret here at the news of the death of Mr. Milton Carr at a Toronto hospital this week. The late Mr. Carr was a well-known and much admired figure in this North Land. He helped to do some of the pioneering in the opening up of the country, and in recent years has also been a frequent visitor here, especially during elections, his gift of humour and his ability to make a first-class political address making him in great demand. He could always get an audience on his side by the originality of his way of thinking and his good-natured methods of attack. The late Mr. Carr was well known in Cobalt and other centres of the North where he had carried on business in the earlier days. He was the father of Mrs. A. S. Porter, of Timmins, Mrs. W. R. Sullivan, of Schumacher, and Mr. Chas. Carr, formerly of South Porcupine. To these and to the other members of the family and the other near relatives and friends the sympathy of all will be extended. In referring to the death The Toronto Star on Tuesday of this week, said:—

"The death of Milton Carr, one of Canada's picturesque and best known citizens, occurred yesterday at Toronto General hospital, after a brief illness at the age of 71.

"The late Milton Carr was born in Oxford County, Ontario, but when still in his teens he moved to Parry Sound, where he started a career that was to embrace almost every activity synonymous with the growth of the north country, from politics to merchandising.

"Mr. Carr was elected as a provincial Liberal member for the riding of Parry Sound. When the Ross government was swept from power by the late Sir James Whitney, Mr. Carr retired from active political life and confined his labour to the lumbering business in the district.

"He later moved to Cobalt, where he carried on the first general store in that town at the time of the Porcupine gold rush. Being in the thick of the mining boom it was only natural that he became interested in many developments in the north country with which he was still identified at the time of his death.

"A lover of Canada, there were few Canadians who have travelled the country to the same extent as did Mr. Carr. Only a year or two ago, the pioneering spirit still surging in his veins, he made a trip 600 miles up the Peace river with a small party, exploring that section of Canada.

"Everywhere he travelled he made friends fast and through his magnetic personality he retained them.

"The aged Canadian spent last winter in Oklahoma, returning to his summer home at Powassan, Ont., where he was seized with heart trouble. He is survived by five daughters, Mrs. Porter of Timmins, Ont., Mrs. Wilber Sullivan, Mrs. William Asseline and Mrs. Chinoth of Watford, Ont., and Mrs. Cristdale of Kirkland Lake, and two sons, Charles and Russell of Detroit, Mich."

Popular Couple Wedded at Church of Nativity

A pretty wedding took place at the Church of the Nativity on Wednesday afternoon of last week, Aug. 21st, at 4 o'clock when Miss Hazel Cornwell, daughter of Mr. and Mrs. M. O'Leary, and Mr. Thos. Jones, were united in the holy bonds of matrimony, Rev. Fr. O'Gorman officiating.

The bride, who was dressed in a pale blue crepe de chine gown trimmed with silver, and with hat to match, carried a shower bouquet of roses and sweet peas. The bride was given in marriage by her father.

Miss Elsie Wilford was the bridesmaid and was dressed in baby pink silk, with hat to match, and carried a bouquet of pink roses.

Mr. Ralph Rochfort was the groomsmen.

After the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. O'Leary, 160 Spruce street, south, where a delightful wedding supper was served. About fifty guests were present. Mr. Wilford proposed the toast to the bride, the groom responding.

The young couple were the recipients of many beautiful and valuable wedding gifts, testifying to the high regard in which they are held and the many good wishes extended to them. Mr. and Mrs. T. Jones will take up residence in Timmins.

Subject to approval of the Northern Development Branch the Township of Teek, at a special meeting recently awarded the tender for the construction of a permanent pavement through the business portion of the town of Kirkland Lake, from K. L. Gold Mine east to Station road, to the McNamara Construction Company, Limited, for the sum of \$79,460 the tender of this firm being the lowest received.

Another Good Labour Day Event at Iroquois Falls

Big Programme Arranged for Annual Big Day at the Falls on Monday Next, Sept. 2nd. Firemen's Tournament, Sports, Races, Novelties, Parade, Etc. Boxing Bouts to be Featured in the Evening. With Good Weather it Will be a Big Day All Day.

Programmes have been issued for the Labour Day celebration this year at Iroquois Falls, and these programmes show that the posters tell the truth when they suggest a big day all day. Iroquois Falls has been famous in the past for its Labour Day events, which have drawn big crowds from all over the district. As the train service is convenient, the roads good, motors many, and the programme attractive, it is likely that this year's event will draw a record attendance on Monday.

The Iroquois Falls Labour Day event is held under the auspices of the various labour unions in the town and the parade of labour unions may accordingly be expected to be especially good. Some years this feature has been a really remarkable one on a generally good programme.

Among the other events noted in the programme are—races for boys 3 and under, 9 to 11 years, 12 to 14 years, 15 to 16 years; and for girls in the same list of ages; open bun race for boys and girls under 16 years; 50 yards balloon race, open, girls 14 to 16 years; Boy Scout race, 100 yards, open, for men; 100 yards open, for Union men only; 50 yards race, for married ladies; 200 yards, open obstacle race; 75 yards, open, for single ladies; 200 yards, open, for men; 50 yards, open, egg race for ladies; 800 yds, open, relay race; 50 yards, open, thread needle race for ladies; open broad jump; 50 yards, open, balloon race for ladies; open running high jump; cigarette race; pole vault; tug-of-war; firemen's tournament, including ladder race, reel race, fire chief's race, open firemen's race, etc.; two softball games; baseball. In the evening there will be the now famous Pulp and Sulphite dance in the town hall, and the boxing bouts at the arena at 7 p.m., standard time.

The boxing bouts are confidently expected to be a big feature of the occasion, and as A. LaPrairie's assistance was secured in preparing for this feature it may be taken for granted that the bouts will be good.

There are seven bouts, listed as follows:—

A. Sandrin, of Iroquois Falls, versus Cowboy Geo. Taylor, of Schumacher. J. Moore, of Iroquois Falls, versus Honeyboy Dave Holland, of Timmins. L. Lafrancois, of Iroquois Falls, versus A. Pearce, Iroquois Falls.

L. Woodman, of Iroquois Falls, versus Thurston Toko, "the Flying Finn." The above four bouts are each four 2-minute rounds.

Fenchy Leonard Morris, of Quebec City, versus Kid Roy Hamilton, of Timmins High School. This bout will be six 2-minute rounds.

Comey bout—five funny fighters. No particulars; you have to appreciate the fun.

The final bout is to be ten 3-minute rounds between Mickey Watts, "the Welsh Terrier," now of Timmins, and Chuck Arthurs, of the Woods Dept. of the Abitibi.

The first bout in the list will be at 7 o'clock standard time and the others will be carried along in order and on schedule.

SCHEDULE TO SEPTEMBER 28 FOR TIMMINS GOLF CLUB

Two-Ball Mixed Foursome for Saturday This Week. Finals Club Championship on Saturday of Next Week.

The following is the schedule for August 31st and the month of September as announced by the Greens Committee:—

Saturday, Sept. 7th—Finals Club championship. Putting competition. Make up your own foursomes and play as usual, but keep a record of all puts. No handicaps allowed. Three prizes. No entry fee.

Saturday, Sept. 14th—Match. Mines vs. Town. A. G. Irving, captain for Mines; H. J. Fuke, captain for Town. Match play. Handicaps allowed.

Saturday, Sept. 21st—Monthly medal. Three prizes—No entry fee. Full handicaps allowed.

Saturday, Sept. 28th Open date. Details to be given later.

Interest in golf here seems to increase as the season advances. The recent Northern Ontario Golf Tournament at Iroquois Falls increased the general interest taken in golf in the North Land generally, while the Northern Ontario Ladies' Golf Tournament held at Timmins recently also added to the general interest here in golf.

Mrs. T. J. Kearns, of Montreal, was in town this week for a couple of days motoring back to-day (Thursday).

ANNUAL MEETING TIMMINS CONSERVATIVE ASSOCIATION

Event to be Held in the Oddfellows' Hall, Timmins, on Friday Evening This Week, August 30th.

The annual meeting of the town of Timmins Conservative Association is called for Friday evening of this week, August 30th, at 8 o'clock. The meeting is to be held in the Oddfellows' hall and a particularly large attendance is desired. All Conservatives in the town are cordially invited to attend this meeting. The chief business before the gathering will be the election of officers for the local association for the ensuing year. In view of the fact that likely both provincial and Federal elections will take place during the tenure of office of the officials elected to-morrow (Friday) night the importance of selecting the best men available is apparent. There is a feeling of unity and confidence in the party in Timmins at present and it is hoped at the meeting on Friday to rouse further interest and enthusiasm. A large attendance is anticipated and a successful gathering expected.

Plans and specifications in connection with the new building may be seen and forms of tender obtained at the office of the Chief Architect, Dept. of Public Works, Ottawa, the Super-Vising Architect, 59 Victoria street, Toronto, or Arch. Gilles, Architect, Timmins, Ont. The rules and regulations are suggested in the notice elsewhere in this issue.

TENDERS CALLED FOR THE BUILDING OF POST OFFICE

Department of Public Works Calls for Tenders for New Structure for Timmins Post Office.

Last week notices were sent out, after the issue of The Advance, calling for tenders for the construction of the new post office in Timmins. The notice to this effect will be found elsewhere in this issue.

The tenders must be sent in to S. E. O'Brien, Secretary, Dept. Public Works, Ottawa, not later than will reach there by noon Thursday, Sept. 12th. It is understood that prompt attention will be given to the tenders on receipt and the contract awarded at an early date. It is further understood that work will be started as soon as the necessary arrangements can be made and that the construction will be rushed forward to completion. There are those who yet believe that the building will be completed enough for use by Christmas this year.

Jes. Clouthier Badly Burned This Morning

While working at his boat at the river this morning at a early hour, some gasoline exploded, burning Mr. Jos. Clouthier quite severely about the face. He is in the hospital with some bad burns about his eyes and cheeks. This is the second similar accident suffered by Mr. Clouthier. While the burns are painful they are fortunately not as serious as they might have been. All will wish Mr. Clouthier a rapid and complete recovery.

Mattagami River Very Badly Blocked To-day

Logs jammed tightly across the river—a hundred yards of them—and all held securely by a boom stretching over the river from side to side—such is the description given by one settler, who attempted to use the river early to-day, of the situation this morning on the Mattagami. Traffic was held up, with consequent disregard of such details as passenger boat schedules. The general inconvenience to the public is not given sufficient consideration, this settler feels, and there is the accompanying feeling that too much consideration and privilege are given the lumbering industry and the becoming association. Other settlers and the general public will agree with this settler and the agitation will be renewed for more effective control of the river, unless special effort is made to avoid such affairs as that of this morning. "Government control" of the river has worked well this year. It should not be allowed to fall down now.

Second Instalment of Town Taxes Due Sept. 4

The second instalment of town taxes is due on Wednesday next, Sept. 4th, and all ratepayers should take notice to this effect. After next Wednesday a penalty of five per cent. will be added to the second instalment. Any of the first instalment unpaid is already subject to the five per cent. penalty, so it may be noted that after Wednesday, Sept. 4th, all this year's taxes unpaid is subject to the addition of 5 per cent. All who can manage in any lawful way to raise the money for their taxes due should do so at once and see that payment is made on or before next Wednesday so as to avoid the penalty on unpaid taxes.

Successful Dance by the Sons of England Jr. Lodge

A very successful dance was held in the McIntyre hall last night, the event being given by the Junior Sons of England lodge here. There was a large crowd in attendance and everybody had a good time. Burton Holland and his Club Royal orchestra played the best of music, which was enjoyed by all, and all the other features of the occasion were up to the same high standards.

Teek township tax rate for this year has been set at 53.8 mills in the dollar for Public School supporters in No. 2 School Section; for Separate School supporters in the same Section 78.4 mills, and for School Section No. 1 Public School supporters 70.9 mills.

McIntyre Wins North Title To Play for Journal Trophy

In the First Game This Week at Kirkland Lake the McIntyre Baseball Team Added Another to Their Victories, Winning the Title of Champions of the Temiskaming Baseball League, the R. A. McInnis Cup, and Earning Right to Play for Ottawa Journal Trophy.

At Kirkland Lake on Tuesday of this week the McIntyre baseball team, winners this year of the northern group, and 1928 champions of the Temiskaming Baseball League, won the third of the series of games with the Lake Shore team, of Kirkland Lake, winners of the central group. The victory was an easy one for the McIntyres, as the score would seem to suggest, the final score being 11 to 5. By this win the McIntyre won the championship of the Temiskaming Baseball League, and earns the right to represent the North Land in the Eastern Ontario Baseball Association finals for the championship of that league and for the chance to contest for the coveted Ottawa Journal Cup. The McIntyre team will meet either the Rideau or the champions of the intermediate series of the E. O. B. A. in the middle of September for the Ottawa Journal trophy.

In passing it may be noted that the McIntyre team this season has put up a brand of good ball that fully justifies the idea that the lads from Schumacher have a real chance to bring home the honours from the Eastern Ontario Baseball Association this year. In the game on Tuesday at Kirkland Lake the weather was not good baseball weather, being somewhat too cold for the game. Nevertheless word from Kirkland Lake is to the effect that the match was full of pep and well contested throughout, the Lake Shore lads putting up a good battle on their own grounds. The best they could do how-

ever, was not good enough for the McIntyres, and the final score of 11 to 5 more or less closely represented the respective merits of the two teams. Nottingham for the Lake Shore pitched good ball, but the McIntyres touched him for 18 hits. Langdon, one of the talented McIntyre pitchers, who was on the job for the day, pitched fine ball just as he did at the recent game here. He only allowed six hits. The score by innings was as follows:— McIntyre - 1 0 1 0 3 5 1 0 - 11 18 6 L. Shore - 0 0 0 0 4 1 0 0 - 5 6 4 Batteries—McIntyre, Langdon and Bradley; Lake Shore, Nottingham and Scott.

It was intended to have four games in the T. B. L. series for the championship. McIntyre won the two at Timmins recently. McIntyre also won Tuesday's match at Kirkland Lake, which meant that further matches would not affect the matter. Accordingly, according to despatches from Kirkland Lake yesterday, the second game on Wednesday was turned into an exhibition match so that the services of players from Swastika could be added to the Kirkland Lake squad. The McIntyres made no objection to this, with the result that Wednesday the McIntyres played an all-star team at Kirkland Lake.

The progress of the McIntyres in future games this season will be watched with much interest as there is a general desire to see the Schumacher boys carry off the Ottawa Journal trophy.

REV. J. D. PARKS TO PREACH FAREWELL HERE ON SUNDAY

Popular Minister of United Church to Leave for New Charge at North Bay Next Week.

Rev. Fr. Ulric Roulier Promoted to Haileybury

Rev. Fr. Ulric Roulier, formerly of Timmins, has recently been promoted to the important charge of the parish of Haileybury in succession to Mons. Dupuis. Rev. Fr. Roulier was assistant to Rev. Fr. Theriault at Timmins in 1922 and 1923 and made wide circles of friends here. From Timmins he went to La Sarre, Que., where he was for about a year, then spending a year at Taschereau from which parish he went to Iroquois Falls. At the Falls Rev. Fr. Roulier was a very general favourite. Previous to leaving for his new parish at Haileybury, a banquet was tendered the reverend father at Iroquois Falls and he was also presented with a purse as a mark of esteem in which he is held by all who know him.

Mr. and Mrs. E. C. Hillier and daughter, Muriel, of Sault Ste. Marie, who are the guests of Mrs. Hillier's parents, Mr. and Mrs. W. P. Oton, at the Ankerite, motored to Cochrane on Friday to visit Mrs. Thos. Howard, sister of Mrs. Hillier.

NEXT KIWANIS MEETING TO BE HELD ON TUESDAY NOON

Members to Say Farewell to Rev. J. D. Parks, who has been One of the Most Helpful to the Club

The next meeting of the Kiwanis Club will be held on Tuesday of next week, the luncheon being at noon as usual, but the day being changed on account of the regular day, Monday, being Labour Day. Next Tuesday the club programme will include the saying of farewell to Rev. J. D. Parks, for over ten years pastor of the Byrnes church here, and a very active and helpful member of the Kiwanis Club practically since its inception here. The club owes much of its progress and usefulness to the talent and interest of Rev. J. D. Parks and he will be greatly missed here in Kiwanis circles. On Tuesday next at the regular weekly luncheon attempt will be made to express the affection and esteem in which Rev. J. D. Parks is held by all Kiwanis and the general regret felt at his early departure from Timmins. Rev. Mr. Parks is leaving here next week for North Bay where he has been chosen as minister of the largest United Church in that city. Rev. Mr. Parks will preach his farewell sermons at Timmins United Church on Sunday and will leave later in the week to take up his new duties at North Bay. There will no doubt be a large attendance at the Kiwanis club next week to say an revoir and give good wishes to this able and helpful Kiwanian prior to his leaving Timmins.

At the luncheon of the Kiwanis club at the Empire hotel on Monday of this week there was no special speaker for the day, and no visitors from out of town. The club, however, had an active and interesting discussion on more than one topic of the moment. Among other matters discussed was that of the Ontario-Quebec-Maritime convention of the Kiwanis to be held at Bigwin Inn, Muskoka, on Sept. 3th, 9th, and 10th. The programme as outlined for that occasion promises a most interesting and valuable convention. As will be noted by a reference elsewhere in this issue, Rabbi Isserman will be one of the special speakers on the Sunday event during the convention. Other speakers for the convention include Hon. E. C. Drury, former premier of Ontario, and several of the leading officers of the Kiwanis International. Several from Timmins have intimated their intention to be at Bigwin Inn. Among these are—Dr. Lee Halsey, Jack Walker, Jos. Weston and "Chip" Ball. It is expected to be one of the biggest and best conventions held in Canada by the Kiwanis.

At the suggestion of some of the members C. G. Keddie reported on a recent meeting of the Toronto Kiwanis which he had attended. He said that Jack Near, past-president of the Toronto club, expressed himself as very keen for the Toronto club to pay another visit to the Timmins club. Mr. Near had organized and arranged the last visit of the Toronto Kiwanis to this town, and was so delighted with the reception given them here and the pleasant time enjoyed that it was generally agreed that the Toronto club should have a similar trip to the North in the near future. Mr. Keddie said that he assured the Toronto club that Timmins would be delighted to have them as guests at any time that would be convenient. At the time of the last visit of the Toronto Kiwanis to the North, the Cobalt Kiwanis club was the only other club in the North. Now, there were flourishing clubs at New Liskeard, Kirkland Lake and Rouyn, and Mr. Keddie in his address to the Toronto Kiwanis pointed out that the visit to the North would accordingly be much more interesting and inspiring. Visits could be arranged to several or all of the clubs in the North, and Mr. Keddie assured the Toronto club that a visit now to the North Land would prove especially interesting and inspiring.

Canadian Legion Ladies Plan Big Dance Event

Announcement is made of the big opening dance to be held in the McIntyre Recreation hall on Wednesday, Sept. 11th. The event will be given under the auspices of the Ladies' Auxiliary of the Timmins Post of the Canadian Legion.

The ladies have been doing some very good work among the wives of unemployed and distressed ex-service-men, and it is to this work that the proceeds of the dance will be placed.

Another feature that should make a large attendance is the splendid luncheon that the ladies always provide. This feature is always appreciated at events by the Ladies' Auxiliary.

The music for the big opening dance will be supplied by Burt Holland and his classy Canadian Legion orchestra in their fifty new suits.

The Ladies' Auxiliary dance promises to be an opener that will be hard to beat.

Monday being a legal holiday, the Government Liquor Store, Brewery Warehouse, brewery, etc., will be closed all day.
