CANADIAN NATIONAL RAILWAYS

Locals

Mr. E. Moore, Sr., of Latchford, was a recent visitor to Kirkland Lake.

Porcupine Fair will be held this year on Sept. 10th and 11th at Golden City.

Mr. and Mrs. R. Fraser motored to Matheson during the week-end.

Mrs. W. D. Cuthbertson, of Ottawa, is on a visit to the camp.

Mr. Wes. Bradley, of Haileybury, was a Timmins visitor this week.

Mr. and Mrs. R. Wolfe, of St. John, N.B., were visitors to Timmins last week.

Mr. and Mrs. J. Berini and children are on a motor trip to the South and East.

Mrs. James, of Schumacher, was a visitor with friends at Kirkland last week.

Mrs. W. W. Orr and son, Weldon, left last week on a visit to friends at Haileybury.

Mrs. J. W. Fogg and Mrs. J. R. Todd left on Thursday last on a motor trip to the south.

Mr. J. L. Brown is spending two weeks with relatives and friends in Toronto.

Miss Dora Morris left this week for Cobalt for a week's vacation with friends there.

Mr. and Mrs. J. E. Sullivan returned this week from an extended motor trip in the South.

Mr. and Mrs. Alf. Holland and children returned on Saturday evening from a motor trip to the south.

Mr. and Mrs. T. L. Baker, of Seranton, Pennsylvania, were Timmins visitors last week.

In the column of extracts from its files of 15 years ago, The North Bay Nugget last week publishes the following under date of Aug. 20th, 1914:— "Ten of the twenty stamps in the addition to the Hollinger mill, Timmins, are now dropping and the output of the mill will be raised accordingly, although there will be no disposition to increase tonnage very materially until the changes to the cyanide process are completed and the big new plant is completed."

Mrs. T. Emig has returned to St. Clair, Michigan, after visiting her brother, Mr. N. McIvor, of Timmins.

Born—In Timmins, on Wednesday, Aug. 21st, 1929, to Mr. and Mrs. John Easterbrook, 166½ Pine street, south—a son.

Mrs. Hull, of Haileybury, was the guest this week of her sister, Mrs. E. M. Condie, matron at the C.A.S. Shelter.

Mrs. James Conroy and children, Flora and Jack, of Cobalt, are spending the week with Mrs. Mahar, 76 First avenue.

The next regular meeting of the Timmins town council will be held on Monday, Sept. 9th, commencing at 4 p.m.

The Cochrane Northland Post last week says:—"Mr. Donald Wingrove of Timmins is in town visiting his parents, Mr. and Mrs. Geo. Wingrove."

Mr. and Mrs. R. Sinclair and daughter motored to Iroquois Falls over the week-end and report the roads as in excellent condition.

Mr. and Mrs. J. McKinnon, Mrs. Earl Lusk, and Mr. William Constant returned last week from a motor trip to the south.

Mrs. Geo. Frost and son and grandson visited the former's sister, Mrs. W. P. Olton at the Ankerite Mine last week, motoring up from their home at Sundridge, Ont.

Mr. and Mrs. E. C. Hillier and daughter, Muriel, of Sault Ste. Marie, are visiting Mrs. Hillier's parents, Mr. and Mrs. W. P. Olton at the Ankerite Mine.

The Latchford correspondent of The Nugget last week says:—"Mr. and Mrs. Allen Mortson, and children, Timmins, are visiting at the home of Mr. Mortson's parents."

The North Bay Nugget last week says:—"Miss Jean Ranger, 29 York street, and Mr. Ernest Chenier, have returned home after visiting in Timmins."

Mrs. Cockburn left this week for Montreal where she will embark on Thursday for a visit to her old home in England, where she will spend a couple of months before returning to Canada.

The North Bay Nugget last week says:—"Misses Annie and Edna Baker, Maniwaki, Que., have returned home after visiting friends and relatives in Timmins, Porquus Junction, Iroquois Falls and North Bay."

The Haileyburian last week says:—"Miss Rita Burns, nurse-in-training at St. Mary's Hospital, Timmins, returned to her duties after spending a two weeks' vacation with her parents, Captain and Mrs. McC. Burns."

Dr. and Mrs. C. W. Haentschel, of Haileybury, who have spent the past two months on a tour of European countries, have returned to Canada and are now visiting in Eastern Canada.

A correspondent from Matheson writes to say that Iroquois Falls and Englehart visitors, as well as many tourists are having much pleasure these days fishing for trout in the Matheson district streams.

In the popularity contest staged by the North Bay Agricultural Society, Miss J. Corbeil was elected as "Miss North Bay," and will be queen of the "Pageant of Progress" to be staged at the fall fair at North Bay next month.

The Northern Tribune, of Kapuskasing, last week says:—"Dr. Clarence Wright, who has been relieving his brother Dr. Albert Wright at the Sennebrenner Hospital during the latter's absence returned last week to Boston, where he is specializing in ear, nose and throat troubles."

Roy Curthoys, aged 19, son of Mr. and Mrs. J. T. Curthoys, of Buffalo, N.Y., was drowned in Lake Temagami, near Bear Island, on Thursday morning last when he went beyond his depth while bathing. He was not an experienced swimmer. The body was recovered in about two hours and shipped to Buffalo for interment.

According to The Northern Tribune, the entertainments presented at Kapuskasing recently by the Canadian Chautauquas, of Calgary, were excellent in every particular, and drew good crowds. The programmes were well-balanced and the interest was maintained throughout the series of afternoon and evening concerts.

Babies must be protected from flies. flies transmit their torment and torture, flies transmit over thirty different diseases, any one of which may prove fatal. Every fly you see must be killed. Insist upon and get FLY-TOX the scientific product developed at Mellon Institute of Industrial Research by Rex Research Fellowship. It is harmless to mankind but sure death to all household insects. Just follow instructions on blue label of bottle. Insist on FLY-TOX with its perfume-like fragrance.—Adv't.

KIRKLAND LAKE TEAM WINS NORTHERN CHAMPIONSHIP

Defeats The Classy Dome Team in Interesting Play-off Game at Kirkland Lake on Saturday.

Several from Timmins went down to Kirkland Lake on Saturday to see the play-off between the Lake Shore and the Dome, while there was a good crowd of football enthusiasts in attendance from the Dome and South Porcupine, in addition to the number from Kirkland Lake and district. All report the game as a very interesting and keenly-contested one, with the Dome upholding the honours of this part of the North in very effective way. A Kirkland Lake despatch this week gives the following report of the game:—

The football teams of Dome and Lake Shore met at Kirkland Lake in the second play-off game for the Northern Ontario district championship and the right to represent the Northern Ontario district in the provincial competition for the Ontario cup. Lake Shore won a hard game by one goal to nil. The game was played in good weather with a big crowd present.

Dome attacked but found Lake's defence sound. They continued the pressure and Welsby relieved. Lake Shore assumed the offensive and Jemmett was forced to clear. Lake forced a corner but the ball went over. Even mid-field play followed. Lake was given a corner and Jemmett saved brilliantly from the melee in front of goal. Archie Hamilton got the ball from a throw in and sent a low pass to Laing who shot the leather to the back of the net. Jemmett had no chance to save.

Dome rushed, Richmond and Smith scored easily but the point was disallowed for offside. Lake made a fierce onslaught on the Dome goal and got three corners in short order but no score resulted. Dome pressed and Ramsay cleared. Dome came back and got a corner but Sharp put the ball past. Lake's attack forced Jemmett to concede a corner, no score resulting.

Dome pressed hard and Cadman showed his skill in clearing. Dome at this period had a slight advantage in mid-field but Lake Shore occasionally broke through. Half time arrived with the score, Lake Shore 1, Dome 0.

Shortly after the second half started a free kick to Dome caused Cadman to tip the ball over but the corner kick was cleared. Dome attacked again but the ball went over. Clegg curved well but Jemmett cleared the attack. Webster worked through nicely but the onslaught failed. Welsby clearing in good style. Smith dashed along left and Dome got a corner but Richmond shot past. Dome continued pressing and gained a corner. Lake cleared and Welsby sent the leather up the field.

Laing charged Jemmett and from the kick Dome rushed and Gallagher shot past. Dome now dominated the play. Pete Sharp placed a nice kick and Cadman had to tip over. Whyte shot high. Lake attacked and Jemmett had to clear twice. Lake came back and Fernie missed an easy shot with only Jemmett to beat. Dome rushed and Ramsay back-charged Gallagher but was not penalized. A foul against Dome in front of the Lake goal preceded a score which of course was disallowed, the whistle having gone. Gallagher missed a lovely chance close in. Cadman saved brilliantly from Dome forwards and Lake went to the other end. Hamilton running the ball past. Full time arrived with Dome on the attack. Teams:

Dome—Jemmett, goal; Blair and Fell backs; P. Sharp, Whyte and J. Sharp, half backs; Rudkin, Webster, Smith Richmond and Gallagher, forwards.

Lake Shore—Cadman, goal; Ramsay and Welsby, backs; Simpson, Butt and Clegg, half-backs; Hamilton, Fernie, Lain, MacDonald and Connelly, forwards.

Referee—Joe Meath.

OLD-TIMER OF THE NORTH MEETS DEATH RECENTLY

Isaac MacLeod, superintendent of construction at the dam and power house at Smoky Falls, in the Kapuskasing area, met death some days ago when he was thrown from a speed boat while travelling from an upper camp on Red Lake to Ear Falls. He attempted to swim to shore, but sank from exhaustion while close to land. In the meantime the speed boat upset and the other occupant had great difficulty in saving his own life. The late Isaac MacLeod was a real old-timer of the North. He was paymaster for Fauquier Bros. when the C. N. R. was built through Kapuskasing about twenty years ago. He was also a member of the firm of MacLeod and Rigby, that had contracts for building sections of the Transcontinental line. The late Mr. MacLeod was also superintendent of construction for the firm of Foley, Welsh and Stewart, who specialized in the building of wharves and terminals. The late Isaac MacLeod was a native of Bracebridge, where his father was a member of parliament for several years. He was well-known years ago for his skill in lacrosse and hockey, and other sports, being a member of the Bracebridge lacrosse club when that team won the Canadian championship for more than one year. He was also a member of the New Liskeard hockey team some twenty-odd years ago when that team was a leader at the winter game. The late Mr. MacLeod was about forty years of age. The body was taken to Toronto for interment.

Do not be tempted by the price of cheap teas. Only fine teas will give continued enjoyment. "SALADA" (GREEN) JAPAN TEA 'Fresh from the gardens'

SOUTH PORCUPINE PUPILS MAKE EXCELLENT SHOWING

(Continued from Front Page This Section)

The question came up re the slimes from mines that were coming into Porcupine Lake from the various creeks feeding it. It is a decided menace to the pumps here. If it continues to come in, in a year or so no water would be available to pump for fire purposes here. Various creeks, etc., were mentioned that might be draining it from Conlaurem, McIntyre, Dome, Paymaster, Ankerite, etc. The reeve asked the engineer to trace these sources carefully. Councillor Williams thought Engineer Hendry would not have time for this before taking his holidays but it was decided it could be managed and was a very urgent need at present with dire consequences to this part of the camp if not looked into.

The extension of water so that five families on 4th avenue in Schumacher would be served was passed.

The routine bills and accounts were passed for payment.

Among those in the party of daily newspaper editors visiting Timmins last week were Mr. and Mrs. A. H. Lowe, Kitchener Record, Kitchener, Ont. Mr. Lowe is a brother of Mr. G. S. Lowe, of Timmins, and so had a host of friends here as soon as he was known.

A handsome sign in black and gold has been placed just above the main entrance to the general hospital here. It bears the words, in gold letters, "St. Mary's Hospital," and adds a finishing touch to the appearance of the building, as well as informing strangers of the name of the fine big hospital building.

MORTGAGE SALE

UNDER AND BY VIRTUE OF the powers contained in a certain Mortgage which will be produced at the time of sale there will be offered for sale by Public Auction on Friday the 20th day of September 1929 at the hour of Two o'clock in the afternoon at the herein-after described mortgaged premises in the Settlement of Ansonville, by Herbert W. TIMMINS HIGH & TECHNICAL SCHOOL 1929-1930

Annual Announcement

The school is composite in nature, consisting of four departments:

- (a) The Collegiate Department (b) The Commercial Department (c) The Technical Department (d) The Home Economics Dept.

Requirements for Admission The courses in all departments are open to boys and girls who have passed the High School Entrance examination.

Registration Those who wish to enter any of the departments are requested to register at the Principal's office on August 29th, 30th, September 2nd, between the hours of 2 p.m. and 4.30 p.m. Registrations may be made by telephone, Phone No. 279-w-3.

Prospectus of Courses

The Collegiate Department offers four and five year courses. The Four-Year course leads to Normal Entrance and Pass Matriculation. The Five-Year course leads to First-Class Normal Entrance and Honour Matriculation or Pass First Year at the Universities. This department comprehends a Lower School course of two years, followed by Middle School course of two years, and an Upper School course of one year.

The Commercial Department This department is planned to meet the needs of boys and girls looking forward to employment in commercial occupations. It combines with Academic education training in business theory and practice, so that students will be able to adapt themselves to the needs of any business with which they may become connected. The course covers a period of three years.

The Home Economics Department This department is specially adapted for girls who do not wish to take a University course, or prepare for teaching or commercial work. It especially prepares girls for home-making, and admission to training schools for nursing and dieticians. Besides a general academic course in English, History, Geography, Science and Mathematics, it includes a practical course in cooking, dietetics, sewing, dressmaking, nursing, art, study of materials, food-values, etc. The course is a three years one and should prove of great value to every girl, no matter what avocation in life she plans to follow.

The Technical Department The purpose of this department is to give boys together with an Academic education, a training in the operations and processes of some vocation. It is a three years course and includes instruction in English, History, Science, Geography, Mathematics, Drafting, Metal Working, Wood Working, Practical and Theoretical Electricity, Metallurgy and Mining, and Physical Training. After the first year pupils can specialize in metal working, wood working, mining, or electricity according to their respective aptitudes and tastes.

J. W. TRELEAVEN, Principal
