HALLOWE'EN EVENT TO BE UNDER KIWANIS AUSPICES

Big Time Planned for the Youngsters Here on Thursday Evening of Next Week, October 31st.

Preparations are about perfected now by the Timmins Kiwanis for the big Hallowe'en event on Thursday evening of next week, Oct. 31st. The event will follow along much the same lines as last year. There will be a big parade, followed by a bonfire on the cyanide. This bonfire is expected to put last year's one completely in the shade. Candies also will be distributed to all the children at the event and arrangements for this are now being worked out on a system that will prove very satisfactory. Full details of the Hallowe'en event are not yet ready for announcement, but the same plan as used last year will be adopted this year, the notifying of the youngsters through the schools as to the time and other features of the event. Accordingly, all youngsters should make a special point of attending school without fail in the

The Hallowe'en event staged last year by the Kiwanis proved a very decided success and was very generally approved on all sides. It gave the youngsters a good time, and it also prevented unnecessary loss and annoyance to merchants and others. The understanding was that youngsters should enjoy the event and at its conclusion they should go home and consequently there would be no pranks played that night causing damage or injury to property. The youngsters played the game in sporting way and the result was that everyone was pleased

This year there have been a number of prizes donated for costumes and other features.

OF NEXT WEEK, OCT. 29TH

Everyone Should Contribute to Assist in This Good Work. Buy a Tag on October 29th for the V. O. N.

Tuesday next, October 29th, will be tag day in Timmins for the Victorian Order of Nurses. The nursing service given here by the Victorian Order Nurses has been of great advantage to the community. The popularity of the service is fully proven by the constant demands upon the nurse of the Order in town. The V. O. N. give a nursing service that is within the reach of all A moderate fee is charged but in cases where this is more than can be paid the rate is adjusted to suit the purse and where the patient is unable to pay at all service is given without cost. To maintain this type of service it is proval necessary, of course, that there should be voluntary financial support. Last die has been appointed convenor of the the Sinclair party propaganda. committee to look after the tagging, and has an active and abel group of workers to assist her. The V. O. N. will as usual do its part to make the tag day on Tuesday a success, and the rest will depend upon the public. Last year the response from the public was gratifying and this year it is hoped to exceed the amount secured last year. The V O. N. needs funds to carry on its good work and there is little doubt but that Immins, as usual, will make generous response for a worthy cause and one
