### BIG CRIBBAGE BONSPIEL IN PROGRESS AT SCHUMACHER

Twenty-six Entries in Life and Death Struggle for Turkey at Schumacher. Other Schumacher News Items

Schumacher, Ont., Oct. 23rd, 1929. Special to The Advance.

They're off! Twenty-six cribbage hounds broke the barrier to-day in quest of the prize turkey in the Schumacher cribbage bonspiel. Every starter is a sure winner (so he claims), but when the curtain falls at the final, Mr. Pennie, who lost his laurels as "champion of the North" in 1928, displaying the form he has been displaying of late, may be carrying home the bird. Each draw is the best three games out of five, a loss to two men means elimination. The following is the first draw:—Russ Brown v. W. Briden, D. Cotcher v. Lloyd Hall, C. Pennie v. W. White, Jack McNeil v. W. C. Arnott, Les. Hall v. F. Dwyer, Joe McNeil v. Jim Campbell, J. C. Shoemaker v. Dr. Weston, Bert Cooke v. J. Gray, C. Booker v. E. C. MacDonald, H. Hoffman v. Geo. Elliott, W. Byron v. Lorn McNeil, Dr. Honey v. Dan Sutherland, Geo. Robertson v. N. Tario.

Second draw:—Russ Brown v. F. Dwyer, Geo. Robertson v. C. Booker, Jack McNeil v. Jim Campbell, Joe McNeil v. Geo. Elliott, W. Byron v. W. Briden, J. Gray v. D. Sutherland, H. Hoffman v. Bert Cooke, C. Pennie v. Lloyd Hall, W. White v. N. Tario, Les. Hall v. W. C. Arnott, J. McNeil v. Dr. Weston, Dr. Honey v. D. Cotcher, R. C. McDonald v. J. C. Shoemaker.

The Liberal political meeting held here on Monday was fairly well attended. Mr. A. Carveith, chairman, carried out the duties of his usual efficient manner. #### FOURTH FIRE IN FEW DAYS BURNS NORTH COBALT HOUSE

Elsewhere in this issue will be found a reference to a house at North Cobalt where there were three fires inside of four days. The sequel to the item elsewhere is given in the following despatch from Cobalt on Tuesday of this week:—"On fire in the early hours of Sunday morning for the fourth time within six days, the two-storey frame building at Mileage 104, owned by Isadore Jacquette, and formerly occupied by three families, was totally destroyed. A spark which probably originated from the first blaze on Monday of last week, and which lodged between the walls, the space being filled with sawdust is believed to have caused the final destruction of the property. Insurance of \$500 was carried. Cobalt fire brigade was called out four times to the place, and men from the department responded on three occasions, refusing on the other call because the township of Bucke would not guarantee the cost of the run. On Sunday morning, men and chemical tanks went out and helped to save other buildings nearby. On the previous Monday, overheated stove pipes caused a fire at the place, and on Friday morning flames broke out again in the sawdust filled space. These were extinguished but in the afternoon fire again burst out, and this time the walls and roof were damaged. Sunday morning, about 2.30 the final outbreak was reported, but at this time the building had been vacated.

#### Fined \$10.00 and Costs for Begging on Street

At police court this week a man who had been begging on streets was fined \$10.00 and costs, and failing to raise the amount so far is likely to spend some days in jail. Four drunks paid the usual ten and costs. One local man charged with illegally having liquor in a public place, being found in a lane-way with a couple of bottles of beer in his pockets at an hour when all but the police are supposed to be at home, was fined \$100.00 and costs, and as the money is not yet in sight to pay this fine, he is likely to go to jail for a month. A drunk and disorderly charge resulted in a fine of \$20.00 and costs. A Connaught man was fined \$10.00 and costs for being drunk, while a charge of having liquor in a public place was dismissed, and another charge against him of supplying liquor to minors was withdrawn. A case of wife desertion was withdrawn, the couple settling their differences. A man, who used a taxi and on returning to Timmins told the driver to wait outside while he got the money and then failed to even answer the taxi driver's calls at the door, was charged with obtaining credit by false pretences. The taxi driver was advised to take the matter to Division Court to collect the money due him. The man hiring the taxi pretended to go inside the house to secure the money to pay the bill; after waiting some time the driver knocked at the door, but was told the man was not in, and all he got for his services was abuse.

A man who was charged with riding a bicycle on the sidewalk was warned against this practice and he and other bicyclists should heed this warning. Luigi Anfuso was charged before the magistrate with illegally having gold in his possession. The charge was laid by R. J. Ennis, of the McIntyre Mine. Anfuso was committed for trial at a higher court.

Born—In Timmins, on Sunday, Oct. 20th, to Mr. and Mrs. S. L. Lees, a son (Stanley Wilfred).

Burton Holland, teller at the Bank of Montreal, Timmins, has been transferred to the relieving staff working from head office and left this week to take up his new duties. Burton will be much missed in town in many circles, especially on account of his connection with the Club Royal orchestra which he founded and directed. He is a violinist of much ability. As a real North Land young man, spending most of his life in Timmins there is much interest in his progress in the bank and he will be followed with the sincerest of good wishes, as a young fellow of fine character and good disposition who is winning promotion on merit and attention to his duties
