KIWANIS CLUB SURPRISED AT THE EXTENT OF AIR MAIL

Address on Air Mail Services at Weekly Luncheon on Monday. Other Items of Interest About the Timmins Kiwanis

The speaker for the day at the Timmins Kiwanis luncheon on Monday at the Empire hotel was E. H. King, postmaster of Timmins, who spoke in very interesting fashion on the air mail services of to-day. Mr. King had maps which he used to illustrate his references and the talk was most interesting and informative. Mr. King has evidently given much time and study to the matter of air mail services and the members of the club were surprised at the extent of present day air mail service. Mr. King outlined the surprisingly large scale on which air mail service was now carried on. He mentioned the principal air mail services now in active operation, and indicated the increase in this form of mail service that might be expected in the future. Particular attention was paid by Mr. King to the daily service between Windsor and Montreal by air route and the daily air service for mail between San Francisco and New York. He also made special mention of the good work in mail delivery in the West through the Canadian Airways and other air forces.

Mr. Revelle, supervisor for the London Life Insurance Co., was the visitor for the day, being introduced by J. D. Brady.

Reference was made at the meeting to the Halloween celebration to be held on Thursday evening of next week, Oct. 31st, under the auspices of the Kiwanis. The event will be along the lines of the big success of last year. Arrangements are practically complete now for the event, and it is expected that it will be an even bigger success than last year. Announcements as to the time and other details of the Halloween celebration will be made through the various schools next week. This was the plan adopted last year.

ANNUAL MEETING IROQUOIS FALLS AND ANSONVILLE C.A.S.

The annual meeting of the Iroquois Falls and Ansonville Children's Aid Society was held in the Columbus Club hall, Iroquois Falls, on Thursday evening last with a good attendance present. Mr. F. E. Miller, president of the society, occupied the chair, and his address reviewing the good work of the year just concluded was one of the features of the meeting. The auditors' report was read and showed the society in excellent condition. Taken with the president's report it was evident that not only had the society done a large amount of excellent work but in addition the finances were in excellent position. Mrs. L. E. Kendall acted as secretary for the meeting in the unavoidable absence of Mr. Paul Dube, who has given such effective service as secretary during the past year. The officers for last year were re-elected by acclamation for the ensuing year, with the exception of the secretary. There was general regret at the possibility that Mr. Dube might be leaving town and so unable to take the secretary's position again. The matter was left in the hands of the president to deal with, securing Mr. Dube's services again if this were possible. There were several expressions of appreciation for the good work done by Mr. Miller and the other officers Mayor F. K. Ebbitt, of Iroquois Falls, voicing the general feeling in this regard in very effective way. The officers as re-elected by acclamation are:—F. E. Miller, president; Rev. Archdeacon Woodall, first vice-president; Mrs. L. E. Kendall, second vice-president; Mrs. T. H. Wilkes, third vice-president. It was decided to again ask the local unions to name a representative each for the executive, the president making special mention of the interest and assistance given to the work by the union representatives during the past year. Brief addresses were given by the re-elected officers and these were followed by brief addresses by Archdeacon Woodall, Rev. Mr. Woodhouse, Rev. Fr. Theriault, A. G. Carson, the district superintendent of the C.A.S., and G. A. Macdonald, president of the District of Cochrane Children's Aid Society, F. K. Ebbitt, mayor of Iroquois Falls, who has for many years taken an active and helpful interest in C.A.S. work spoke very effectively of the excellent work accomplished during the past year by the Iroquois Falls and Ansonville society through the deep interest and untiring work and earnestness of President Miller and his officers and executive. Mr. Carson, district superintendent, reviewed the work accomplished in the district and gave special appreciation for the co-operation and interest of the Iroquois Falls and Ansonville branch. Rev. Fr. Theriault made a decided hit with his humour and his brief but impressive outline of the value of the work for the children. The district president touched on the aims and objects of the Children's Aid and the effective work being accomplished and specially complimented the Iroquois Falls and Ansonville society on the fine work being done through the earnest and able effort of President Miller and the capable officers supporting him.

LIBERAL NEWSPAPER'S VIEW ON THE ELECTION ISSUES

(Cochrane Northland Post)
We shall under no circumstances be satisfied here to leave the liquor issue the outstanding issue in the present contest. We want the economic problems confronting the North discussed along the lines given distinctly to the politicians of various colours who have visited us here. We want action in the complete re-organization of an effective land and colonization policy. We want action in the exploitation of the unbounded wealth of our resources and means of access. We want action in the development of our vast water powers and industrial advancement. And we are thoroughly sick and tired of seeing and hearing the liquor issue belted up as the paramount issue in the present election and evade the main issues.

The Temiskaming local board of Old Age Pensions have had 70 applications to date. About half of these have been dealt with. A. K. Roberts, Cobalt, is the secretary of the board.

Opening of the Hunting Season in This North

Despatches from North Bay on Sunday said that the opening of the hunting season in the area of Northern Ontario, north of the C.P.R., found a large number of hunters in the bush waiting for the dawn of Monday when the season officially opened. Unlike the anglers the hunters are forbidden by law to indulge in their favourite sport on the Lord's Day. Reports from the bush indicate that game is plentiful. Bears are particularly numerous throughout the district.

With the fine weather of the past two months prevailing prospects are exceptionally bright for a most successful season. Already a large number of licenses have been issued in this district. Tourist hunters predominate at this season as the local nimrods prefer the colder weather so that there will be no danger of the meat spoiling.

The dry season is said to have forced the deer near the larger lakes and rivers. Although the dryness of the bush will handicap those who use dogs

ELECTION RETURNS AT DANCE BY LADIES OF GOLF CLUB

Invitations have been issued by the ladies' section of the Timmins Golf Club for a Halloween dance to be held in the McIntyre Recreation hall, Schumacher, on Wednesday evening, Oct. 30th, at 9 o'clock. The event is sure to be a very pleasing one. The hostesses for the occasion are:—Mrs. A. F. Brigham, Mrs. J. R. Todd, Mrs. H. G. Skavlem, Mrs. C. G. Keddie, Mrs. Arch. Gillies, Mrs. W. S. Jamieson, Mrs. H. W. Darling.

The dance is being held on the evening of election day and for the convenience of those attending the election returns will be bulletined at the hall during the dance.

yet conditions are much better this year for this type of hunting than last fall when the heavy fall rains rendered the dogs almost useless.

The season south of the C. P. R. to the French river opens on Nov. 1 and in Parry Sound district on Nov. 5.

OPENING BAND CONCERT UNUSUALLY SUCCESSFUL

Grand Crowd Enjoy First of the Season's Indoor Band Concerts. Very Pleasing Programme at New Empire Theatre

The first of this season's indoor band concerts by the Timmins Citizens' Band was held in the New Empire theatre on Sunday evening after the church services. Owing to the inclement weather and some confusion on the part of the public as to the place for the event, the hall was not filled, but there was a good crowd and all present thoroughly enjoyed the excellent programme provided. The indoor band concerts in recent years have been held at the Goldfields theatre, but on account of the recent installation of the equipment for the talkies at that theatre it was not practical to have this opening band concert at the Goldfields as usual. The delicately-adjusted apparatus at the Goldfields for the sound pictures takes up so much of the stage that it would be necessary to move it to make room for a band concert, and at present this is not practical. Later when all adjustments are made and permanently settled, the clearing of the stage, suggested, may be possible. In the meantime Mr. Leo Mascioli kindly allowed the use of the New Empire theatre for the opening band concert.

The programme Sunday evening delighted all and was an auspicious opening for the indoor concerts which are held every two weeks during the winter season, so as to allow all opportunity to hear the band, and provide pleasing musical programmes for the people in general.

The selections by the band on Sunday evening were varied in character but all were well presented under the able leadership of Bandmaster Wilford. The opening selection by the band was the hymn, "Abridge." This was followed by "The Maple Leaf" and then the march, "Flying Squadron." Among the other selections by the band was the number, "Melodies of the Past," this selection as well as the "Flying Squadron" being quite popular with the crowd. A special applauded number by the band was the song and chorus, "Comrades in Arms."

The Four Jacks in their instrumental quartette won approval for their selection. They were ably directed by Mr. W. S. Johns, formerly of the Timmins Citizens' Band. The Four Jacks include Bandsmen C. Johns, S. Hancock, J. M. Docking and W. Bowden. Their selection, "Clouds and Sunshine" was very effectively presented.

Mr. Arthur George made his first appearance as a vocalist before a New Empire theatre audience and his pleasing voice and musical talent made very special appeal. His sympathetic rendition of the selection, "Not There, My Child!" brought the most insistent and enthusiastic encore. Mr. George in responding to the continued call for another number showered the versatility of his musical talent, he and Miss M. Harris giving a stirring pianoforte duet that was much appreciated and applauded.

Another particularly appreciated vocal selection was the duet by Messrs A. W. Snow and Jago. Mr. Jago also favoured the gathering with a vocal solo, "The Songs My Mother Used to Sing," given in excellent voice and expression.

One of the special favourites on the programme was the recitation by Capt. Jones who was very insistently encored. In response to the very definite demand for more, Capt. Jones won very general approval by his presentation of "Dangerous Dan McGrew." A gentleman in the audience who had spent several years in the Yukon said that this was the first time he had heard so effective a presentation of the spirit of this selection and its portrayal of Yukon days.

Probably the biggest popular hit of the evening was the playing of the Club Royal orchestra, this musical group including:—Carl Johns, trumpet; W. Morrison, saxophone; Douglas Craig, drums and traps; J. McFadden, piano; and Burton Holland, violin. The vocal solo parts in some of the numbers were very pleasingly taken by Douglas Craig who thus added to the attractiveness of the selections. The Club Royal orchestra furnished a generous supply of attractive music and were given repeated rousing encores. The audience was anxious for more even after the several numbers given by this clever orchestra.

The next band concert will be on Sunday evening, Nov. 3rd, after the church services. The event will be held in the New Empire theatre, and will be one of the National Nights that have been so popular in the past. It will be "Scottish Night" under the direction of Mr. Jas. Geils.

Rev. Dr. Noyes, for 26 years a missionary in China, was the preacher at the United Church on Sunday at both services. Rev. Dr. Noyes gave very interesting addresses on missionary work in China and in reference to China and its people. His long residence in China has given him a high regard for the Chinese people, and he dealt at some length with the many admirable qualities of the Chinese.
