

## MANY QUESTIONS BEFORE TOWN COUNCIL ON TUESDAY

Usual Grant of \$1000.00 Made to the  
V.O.N. Complaint About Water  
Flooding Property. Gordon  
Irving Appointed to H.S.  
Board.

There were many questions before the regular meeting of the town council on Tuesday. Mayor Geo. S. Drew occupied the chair and Councillors A. G. Carson, P. Dougall, R. Richardson and Alfred Caron were present.

A letter was read from Mrs. Laughlin asking for damages for injuries sustained when she fell on the sidewalk some weeks ago and broke her arm. The matter was referred to the local agents for the indemnity insurance carried by the town.

Mr. R. Dye, president of the local Victorian Order of Nurses, was present at the council meeting on behalf of the V.O.N. It was explained that the Victorian Order Nurse here answered 2600 calls per year on an average of 7 or 8 per day and did very useful and helpful service to the town. All of the questions arising from the reading at the last meeting of council of the report for the V.O.N. from the time it was established in Timmins were satisfactorily answered. The council was convinced that the V.O.N. was doing a useful work indeed and deserving of the fullest support. The usual grant of \$1000.00 was made to the local branch. In expressing appreciation to the council for the grant and for past co-operation, President Dye of the V.O.N. said that it would be the earnest endeavour of the V.O.N. to strive to make the nursing service of the greatest possible value to all.

Mr. Boviore appeared before the council in regard to the flooding of his property at the corner of Cedar street and Sixth avenue. This question had been before the council on several previous occasions, and the majority of the council were of the opinion that the town had no responsibility in the matter, the lot in question being low and the natural flow of the water striking it as a consequence. The remedy seemed to devolve on the owner of the lot. Town Engineer MacLean explained that the lot had been flooded frequently each year and that to help the owner the town had put in a pipe to carry off surface water. As a result the lot was flooded only when there was so much water that the pipe installed could not carry it off or the pipe was blocked. Mr. Boviore wanted a reduction in his taxes on account of the damage he said he sustained from flooding of his land. Council felt that they could do nothing at this time, and that if Mr. Boviore wanted to appeal his assessment he would need to appear at the court of revision. To this he replied that he had come before council as often as he intended to do, and that he would take other steps in the matter. This was quite satisfactory to them, council said.

Water frontage taxes applied in error were authorized to be written off. Payments on account were passed for the public, separate and high schools. The necessary by-law in regard to the \$21,000.00 required to pay for vocational equipment for the high school was given its due readings and formally passed.

Water rates charged in error were authorized to be written off.

Gordon Irving was appointed a member of the high school board to fill the unexpired term of C. G. Kemsky who resigned recently previous to leaving town.

The request of Mr. L. Halperin that the early closing by-law be amended to allow jewelry stores to remain open evenings under the law was acceded to. Mr. Halperin has been closing his jewelry store in the evenings under the by-law, but other jewelry stores located in stores carrying other lines have been remaining open. The regulation passed by the council provided that jewelry stores may remain open until 11 o'clock every day except Sundays and holidays. This will remove the disadvantage under which Mr. Halperin has been under the present by-law.

A grant of \$75.00 was made by the council to the Porcupine Poultry and Pet Stock Association to help along this worthy cause here.

## MANY ATTRACTIVE MEMORIAL WINDOWS HERE THIS YEAR

There were many very attractive memorial windows this year in connection with the Armistice Day observance and the encouragement of the sale of wreaths and poppies made by the disabled returned soldiers. There would be about fifteen or twenty window designs in Timmins and Schumacher. Two of them, the Hollinger window and the W. R. Sullivan window at Schumacher were particularly commented upon for their artistic design and suitability. The Hollinger Stores window for this year the A. J. Shrage trophy donated last year to the Canadian Legion here for competition in memorial window displays at Armistice time.

A large number of children were examined at the free clinic for tuberculosis held here last week. The clinic which was in charge of experts in pulmonary cases will undoubtedly prove of great value to the town and district.

## Death and Injuries Result From Fire at Iroquois Falls

Mrs. Ed. Stover Succumbs to Shock and Burns Following Fire at her Home. Mr. Stover in Hospital from Burns and Injuries Received in Rescuing His Wife. Harold Gosnell, Though Suffering Broken Arm Made Gallant Rescue from Burning Building.

Friends in Timmins and throughout the North Land will be deeply grieved to hear of the death last week at the Anson General hospital of Mrs. Ed. Stover for many years a highly esteemed resident of Iroquois Falls. On Sunday, Nov. 3rd, at about eleven o'clock at night, Mr. H. Gosnell, who was staying with Mr. and Mrs. Stover was roused by the sound of fire crackling. On opening the door of his bedroom he saw that the walls of the lower part of the house were in flames and escape was impossible by the stairway. He roused Mr. and Mrs. Stover, warning them not to open their bedroom door but to escape by way of the window onto the balcony. He then jumped from the window of his own room, sustaining a badly-broken arm in the fall. Securing a ladder he got up on the balcony next to Mr. and Mrs. Stover's room and succeeded in carrying Mrs. Stover to safety, despite his broken arm. In the meantime Mr. and Mrs. Stover had had difficulty in escaping from their room. Both were badly burned by the flames which filled the house in an incredibly short time. They were also cut by the glass in the windows, and suffered from severe shock as well. Both Mr. and Mrs. Stover were hurried to the Anson General hospital, where high hopes were held for their recovery. Mrs. Stover, however, succumbed on Thursday last to the shock and burns, while Mr. Stover's condition was also critical for some time. However, at latest reports Mr. Stover, though badly injured, is making good progress to recovery. He was badly burned and cut with window glass in the work of rescuing his wife from the burning building.

Word was at once sent to Mr. and Mrs. Stover's daughter, Mrs. Thomas at Toronto, and she and Mr. Thomas came to Iroquois Falls on the first available train. Mr. Thomas had the sad task last week of taking the body of Mrs. Stover south for interment at her old home, while Mrs. Thomas, who is a trained nurse of rare skill, remained to assist in caring for her father.

## JAMIESON BROTHERS BUSY AT WORK IN KAMISKOTIA

T. A. Jamieson Working on Property in  
Byers Township. Geo. Jamieson  
at Work on Gold Claims in  
Godfrey, Jamieson and  
Robb.

Messrs George and T. A. Jamieson, noted for their long belief and faith in Kamiskotia, are firmer than ever in their confidence in the richness of that country. They are backing their faith by further work on the properties they own in Byers, Godfrey, Jamieson and Robb townships.

This week supplies were taken in from Timmins to Kamiskotia to carry on the work planned for this winter, and the Jamieson brothers went in themselves to see that work is carried along as it should be.

Mr. Geo. Jamieson left on Wednesday morning to go in to Kamiskotia. He plans to work on some of his gold claims in Godfrey, Jamieson and Robb townships. Work has been in progress all summer on these claims with very gratifying results. Work this winter is expected to further prove up the richness of these claims.

Mr. T. A. Jamieson also left Wednesday morning to go into Kamiskotia. Mr. Jamieson intends to carry on work on his property in Byers township. This is a gold property that holds very considerable promise. There are three well-defined veins on the property and considerable work on the property has shown the high promise of these claims. No. 1 vein has been uncovered for 525 feet through a swamp. The vein is ten feet wide where work has been done. No. 2 vein is no less than 24 feet wide where the work is now being done, and the vein has been proved for a mile in length. No. 3 vein, which is seven feet wide where the work is now in progress, has been traced for a full half mile. J. D. Johannsen has been given full charge of the detonator work to pick up the copper and this is assurance that this part of the work will be carried through with skill and efficiency by a man thoroughly skilled and competent and well acquainted with the Kamiskotia country.

## Central School Concert Draws Crowded Houses

The concert given in the Central public school on Friday evening last drew so large an attendance that numbers had to be turned away on account of lack of further room. As a consequence the event had to be repeated on Wednesday evening of this week when another good crowd enjoyed the event. The programme presented was an interesting and pleasing

one. There was a variety programme of choruses, dances, instrumentals and readings by the pupils of the Central school. All the young artists did especially well. This was the first time that the new stage equipment recently procured was used.

Timmins Freemasons last night, at the regular meeting of Golden Beaver Lodge No. 528, A.F. & A.M., did honour to the fallen soldiers of the British Empire in the Great War concluded eleven years ago on Monday morning. After the sounding of the Last Post by Bro. F. J. Hornby, and the offering of a prayer for the comrades who passed on in the struggle, the members of the craft gathered in the hall, where after the singing of Grace, and the National Anthem, the brethren sat down to an excellent repast, put on by the veteran members of the Masonic Order, consisting of bully beef, rolls, cheese, jam, cooked ham (as a side issue) and coffee. After the inner man had been served, with Bro. Thos. Twaddle at the piano the whole gathering indulged in a few of the more popular of the trench songs.

The main attraction of the evening was a sketch, laid in a dug-out somewhere in France, where men of different types were brought together. Capt. Murray (P. Dougall), the officer commanding a company in the line, coming brutalized by the war, drinking neat whisky at all times, but with the comfort of his men upmost in his mind; Lieut. Crawford (J. Ralph), second in command, older than Capt. Murray, staidier, but with the same thoughts as his O. G. in the pride of company and regiment, and who was killed in a daylight raid; Lieut. Fraser (A. Wright) a young officer just out from England, former civilian friend of Capt. Murray, who died of wounds after the daylight raid; Lieut. Green (H. Parnell) fed up on the whole war and about to flunk it, but shows an unexpected exhibition of bravery; Sergt.-Major Black (G. Stirling) a living explanation to the old soldiers present as to the ultimate destination of short run rations; the Colonel and Private Mason (E. Richards) in the first, an officer of the old school, in the second an old soldier who can make good coffee, likes a drink and thinks soldiering is not what it used to be; the Runner (D. H. Groat) appearing only when called, and obeying his commands with promptness and despatch; the whole, war worn officers, a daylight raid under shell fire in which eight men were killed, and the death from wounds of Lieut. Fraser in his first trip over the top. The end of the sketch was heralded with the Last Post in honour of the fallen. The shell fire effects were by F. J. Hornby.

## TO BROADCAST THE TURKEY STAG AT TIMMINS, DEC. 20

Programme at Famous Charity Turkey  
Stag Will be Broadcasted at Tim-  
mins from 9 to 10 on Friday  
Evening, Dec. 20th.

Mr. A. LaPrairie, the famous manager of the equally noted Charity Turkey Stag at Timmins is forever thinking up and carrying out novelties and new stunts of one kind or another to spread the fame and assure the success of the North Land's outstanding winter event.

One of Manager LaPrairie's original plans for this year is the broadcasting from here of the programme of the Turkey Stag from 9 to 10 o'clock on the evening of the event here on December 20th. The broadcast will be heard all over the North Land by radio fans and will assuredly increase interest in the stag party before, during and after the year's event.

As noted in The Advance last week another special feature for the seventh annual charity turkey stag to be held in St. Anthony's parish hall on Friday evening, Dec. 20th, will be the singing of Charles Marchand and his gifted Habitant Troubadours. This famous group of singers will present the shanty songs in both French and English, and this extra special will greatly add to the popularity of the charity turkey stag. The Habitant Troubadours and their talented leader, Mr. Marchand, will be dressed in the regular Habitant costume. These singers are widely known for their musical talent and the way in which they present the old-time songs of the lumberjack and the Habitant. All who have heard the singing of Charles Marchand and his Habitant Troubadours agree that this one feature alone will be worth several times the admission price for the entire evening. And the items referred to form only a small part of the simply wonderful programme being prepared for the occasion.

Timmins golfers made a new record for the late play this year, the course being used as late as November 12th this season. From present indications it may be used even later than this date. There were many playing golf here on Monday, the holiday being partly employed in this way.

## PLAYING GOLF IN TIMMINS ON NOVEMBER 12 THIS YEAR

Timmins golfers made a new record for the late play this year, the course being used as late as November 12th this season. From present indications it may be used even later than this date. There were many playing golf here on Monday, the holiday being partly employed in this way.

one. There was a variety programme of choruses, dances, instrumentals and readings by the pupils of the Central school. All the young artists did especially well. This was the first time that the new stage equipment recently procured was used.

## VETERANS NIGHT AT THE TIMMINS MASONIC LODGE

Golden Beaver Lodge Does Honour to  
Soldiers Who Passed in the Great  
War. Programme Includes  
Realistic Sketch of War  
Days Overseas.

Timmins Freemasons last night, at the regular meeting of Golden Beaver Lodge No. 528, A.F. & A.M., did honour to the fallen soldiers of the British Empire in the Great War concluded eleven years ago on Monday morning.

After the sounding of the Last Post by Bro. F. J. Hornby, and the offering of a prayer for the comrades who passed on in the struggle, the members of the craft gathered in the hall, where after the singing of Grace, and the National Anthem, the brethren sat down to an excellent repast, put on by the veteran members of the Masonic Order, consisting of bully beef, rolls, cheese, jam, cooked ham (as a side issue) and coffee. After the inner man had been served, with Bro. Thos. Twaddle at the piano the whole gathering indulged in a few of the more popular of the trench songs.

The main attraction of the evening was a sketch, laid in a dug-out somewhere in France, where men of different types were brought together. Capt. Murray (P. Dougall), the officer commanding a company in the line, coming brutalized by the war, drinking neat whisky at all times, but with the comfort of his men upmost in his mind; Lieut. Crawford (J. Ralph), second in command, older than Capt. Murray, staidier, but with the same thoughts as his O. G. in the pride of company and regiment, and who was killed in a daylight raid; Lieut. Fraser (A. Wright) a young officer just out from England, former civilian friend of Capt. Murray, who died of wounds after the daylight raid; Lieut. Green (H. Parnell) fed up on the whole war and about to flunk it, but shows an unexpected exhibition of bravery; Sergt.-Major Black (G. Stirling) a living explanation to the old soldiers present as to the ultimate destination of short run rations; the Colonel and Private Mason (E. Richards) in the first, an officer of the old school, in the second an old soldier who can make good coffee, likes a drink and thinks soldiering is not what it used to be; the Runner (D. H. Groat) appearing only when called, and obeying his commands with promptness and despatch; the whole, war worn officers, a daylight raid under shell fire in which eight men were killed, and the death from wounds of Lieut. Fraser in his first trip over the top. The end of the sketch was heralded with the Last Post in honour of the fallen. The shell fire effects were by F. J. Hornby.

After the completion of the sketch, Bro. Arch Gillies, the chairman, called on "Skipper Nell" for a few words in reference to the activities of the British Mercantile Marine; this address showed some of the activities of this very useful arm of the Navy in time of war. Bro. Gillies then proposed the toast to the Navy and Army. In responding to this toast Bro. Boyce, principal of the Schumacher Public School and a former member of the C. F. A. recounted some of the incidents of the battle of Passchendaele, in progress twelve years ago this week, and from his own personal experiences recalled some of the seamer incidents of warfare. Bro. Gillies also added a few words on experiences he had in the same battle.

Bro. Gillies also added a few words of thanks to the brethren who worked so hard to put on the sketch, and added a word of tribute for the realism of the whole scene. Bro. Dougall, on behalf of the actors, thanked the chairman in a few words.

The whole gathering dispersed after the Junior Warden's Toast and the singing of Auld Lang Syne.

HEADS NEW LABOUR PARTY  
William Ivens, of Winnipeg, member of the Manitoba Legislature, who was chosen at Regina as President of a new Western Labour Party which will confine its efforts to the four Western Provinces and Northern Ontario.

## Impressive Observance of Armistice Day in Timmins

Special Service Both Sunday and Monday. Impressive  
Addresses Legion Buglers a Special Feature of the  
Occasion. Large Crowds at Cenotaph. Many Hand-  
some Wreaths Placed on Cenotaph by Societies and  
Individuals. Timmins Honours the Soldiers.

Timmins had impressive observance of Armistice Day on both Sunday and Monday. On Sunday there was a parade from the corner of Cedar street and Third avenue to the cenotaph on Spruce street. This procession started at 3 p.m., and was headed by the Timmins Citizens Band, followed by a detachment of the Algonquin Rifles under command of Col. H. A. McDougall and Lieut. Keith Stirling. Then followed a large representation of the Timmins Post of the Canadian Legion, the St. John Ambulance Brigade, the Moose, the L.O.L., and various other organizations.

At the cenotaph the gathering sang, "O God, Our Help in Ages Past," the band playing the accompaniment. Mayor Geo. S. Drew in a brief but impressive address spoke to the large gathering of the citizens. The five Legion buglers played "The Last Post" and after the two minutes of silence

## LEGION NETTED \$433.50 FROM POPPY DAY THIS YEAR

Sale of Wreaths Realized Another  
\$350.00. Winners of Prizes Given  
for Leaders in the Good Work  
of Tagging on Poppy Day.

Poppy Day in Timmins and district netted the neat sum of \$433.50 on Saturday last. While this is not quite up to the high standard set last year by Poppy Day, it is nevertheless an excellent showing in view of all the conditions and circumstances. In commenting on the result, the secretary of the Canadian Legion this week says: "The amount collected showed that the citizens of Timmins and district had not forgotten to come forward to help on the noble work of the Legion. The Ladies' Auxiliary deserve great credit for their unselfish work in preparing for Poppy Day and for carrying it through so successfully. Our thanks also go to the young ladies who braved the cold to help this worthy cause, and last but not least Comrade W. A. Devine deserves great credit for the manner in which he handled the situation. Comrade Greaves and other gentlemen who loaned their cars to deliver wreaths are also worthy of praise."

The tagging on Poppy Day was under the auspices of the Ladies' Auxiliary of the Timmins Post of the Canadian Legion who organized and carried through the work with much effectiveness and skill. They had a very capable group of young ladies for the tagging and the assistance of Boy Scouts and others was also enlisted for the occasion. The taggers worked hard all through the day. President Mrs. D. Maxwell of the Ladies' Auxiliary and Mrs. L. McLaughlin, at Timmins, Mrs. J. G. Harris and Mrs. Charlebois, at Schumacher, and Mrs. Dr. Barry, at South Porcupine, did most effective work at organization and in the day's work. At Timmins the A. J. Shrage store was again very generously placed at the disposal of the ladies as headquarters for the day.

The sale of wreaths, also looked after by the Ladies' Auxiliary, was carried through with notable success, last year's high record being exceeded this year. The total netted from the sale of the memorial wreaths was approximately \$350.00.

Both the memorial wreaths and the poppies are made by disabled soldiers, and so the sale of the wreaths and the poppies served a double purpose. Not only was a handsome sum raised to help on the good work of the Legion relief fund, but as the wreaths and poppies are bought from the returned soldiers who are disabled and depend upon the sale of such novelties for livelihood and comforts, the big sale of poppies and wreaths was an excellent thing for the disabled veterans.

The Ladies' Auxiliary gave two prizes for those selling tags, while another prize was offered by the Legion. Miss Vivian Ray won the first prize for selling the greatest number of tags, her receipts for the day totalling \$37.00. Second among the tag sellers was Miss Ruth McMillan whose total sales were \$34.00. Third among the tag-sellers was Miss Bertha Harrison whose total receipts for the occasion were \$28.00.

## EXCELLENT PROGRESS IN BUILDING NEW POST OFFICE

Excellent progress is being made in the construction of the new post office building at Timmins. The main foundations have been completed before any severe frosts have arrived. The main steel framework is in place, and brick and tile is on the ground ready to proceed with construction. Hill-Clark-Francis, the contractors, have a large force of men busy at construction work.

and after the two minutes of silence had been observed, sounded the Reveille. Prayer was offered by ex-Mayor E. L. Longmore, and then the gathering joined in the hymn, "Onward, Christian Soldiers." A touching feature of the service was the placing of wreaths while the gathering sang "Abide with Me." An inspiring address by President Neame of the local Legion was also a feature of the service.

On Monday at 10.30 a.m. the parade started from the corner of Fourth avenue and Cedar street and marched to the cenotaph. The Timmins Cubs, the Boy Scouts and Girl Guides, to the number of about one hundred, led the procession, followed by the Legion buglers, the Ladies' Auxiliary of the Legion, Legion members, and others. The children of the public school also gathered at the cenotaph for the occasion. (Continued on Page Five)

## VICTORIAN ORDER NURSE MADE 262 VISITS IN MONTH

Matter of Nurse's Car Taken Up. Of-  
ficially Appointed. Recent Tag-  
Day Proved Good Success.  
Other Matters at Monthly  
Meeting.

The monthly meeting of the Victorian Order of Nurses was held in the clinic room on Tuesday evening last at 8 p.m. and was well attended. After the minutes of the previous meeting had been read and approved the treasurer reported that the response on the recent tag day was very pleasing, the sum of \$419.11 being collected on the street and from a few of the business men. Through a misunderstanding all of the latter had not been interviewed and it was suggested that a committee be formed to see those who had been missed. The treasurer also read a letter from the T. Eaton Co. enclosing a further donation of \$25.00. He had replied to this thanking them for the generosity. After all accounts due had been paid there would be nearly \$200.00 in the bank.

Mr. R. Dye, the president, stated that he had attended the council meeting that afternoon and was glad to announce that the city fathers had voted their usual annual donation of \$1,000 to the cause.

On the accounts being gone into it was remarked that the garage bill for repairs to the car, etc., was very high, and the suggestion was made that a car committee be formed. The president in reply said that this question had come up at the last meeting and had been tabled, but he thought now was a good time to go into it thoroughly. The nurse was asked how the car was acting now and in reply stated that new piston rings had been put in but the garage people had said that the cylinders needed re-boring. Mrs. Darling suggested that in view of the repairs needed it might be advisable to turn in the car and purchase a new one. It was moved that a car committee consisting of Messrs E. L. Longmore and W. S. Jamieson should examine the car and obtain figures for the necessary repairs on the car as well as the cost of a new car. The committee is to submit their report at as early a date as possible.

The nurse then reported her activities for the past month. Forty cases were treated. In all 262 visits had been made. The sum of \$161.50 had been collected by the nurse from the patients, with \$50.75 to be received from the insurance company. Miss Elliott then gave a number of extracts from the various addresses and discussions at the Cobalt V.O.N. conference. The proceedings of this conference have already been reported at some length in The Advance.

Before the close of the meeting Mr. Jamieson moved that a vote of thanks be tendered to the convener of the tag day committee, Mrs. Keddie, to the ladies and others who so ably assisted her, to the taggers who had done such good work, and to the public for the ready response given.

In closing, Mr. Dye, drew attention to the date of the next meeting, Monday, December 9th, at 8 p.m.

## Rev. Bruce Millar to be Inducted Here Nov. 29th

The Presbytery has called a congregational meeting for Friday, Nov. 29th, at 8 p.m., in the United Church Timmins, when Rev. Bruce Millar, B.A., B.D., will be inducted as minister to this pastoral charge.

Rev. Mr. Millar will preach his first sermon here as pastor of the Timmins United Church on Sunday, Dec. 1st.

Born in Timmins, on Saturday, November 9th, 1929, to Mr. and Mrs. William Perreault, a son (Ivon Perreault).

## POPULAR YOUNG ATHLETE PASSES AWAY SUDDENLY

Lloyd Giallonardo, Well-Known and  
Highly Esteemed Young Man, Pro-  
minent in Hockey and Baseball,  
Dies Last Week. Big At-  
tendance at Funeral

Lloyd Giallonardo, widely-known and popular in Timmins and district, and esteemed in the finest sense as a good sport, died suddenly on Saturday evening last at the home of his parents, Mr. and Mrs. E. Giallonardo, 5 Main avenue. The late Lloyd Giallonardo had been ill for about three months past with some form of bowel trouble but until shortly before his death his condition was not considered critical. Accordingly his death came as a decided shock to hosts of friends and acquaintances.

The late Lloyd Giallonardo was born in Boston, Mass., nineteen years ago, and came to Timmins with the family thirteen years ago, living here from then until the time of his death. For years he has been prominent in hockey and baseball and his cheerfulness and good sportsmanship no less than his skill in sport won him wide circles of friends. For the past four years he had been on the temporary staff of Moisey & Ball, working after school and on holidays, and thus coming in touch with the public, people in general developing a genuine affection for this bright, courteous and ever-cheerful and friendly young fellow. Recently, he has been attending the Timmins high school and hoped to graduate this coming year and enter regular apprenticeship to the drug business. For the past two years he was captain and centre on the Timmins Junior hockey team and captain and second baseman for the Timmins Junior baseball team. His efficiency in sport and his geniality made him a general favourite. He was a member of the first Trail Rangers formed in Timmins. In addition to the bereaved parents, one brother, Harry, and one sister, Mary, survive to mourn the loss of a particularly clever and lovable young man. To the bereaved relatives the sincerest sympathy of all is extended.

The funeral on Monday at 9 a.m. to the Church of the Nativity was one of the largest ever seen in town, the attendance indicating the high regard felt for the late Lloyd Giallonardo and the deep sympathy felt for the family. All walks of life were represented at the funeral of this popular and esteemed young man who by sheer merit and high character made a place for himself in the community. The Moose Lodge, the Junior Moose, a group of male Italian friends, the Junior Baseball and Hockey clubs, the Tuxis, the coaches of the Junior Hockey and Baseball, Messrs Geo. Gray and W. D. McIntyre, and P. T. Moisey, representing the Timmins Boys' Amateur Athletic Association, as well as large numbers of individuals. There were about sixty cars in the funeral cortege. Interment was made at the family plot in the R.C. cemetery after requiem high mass had been said at the Church of the Nativity. The participants were Sam Elmes, Roy Hardy, Ken Newton, Luke Morin, Dan McLaughlin and Douglas Carriere.

There was a profusion of beautiful floral tributes, including flowers from: Jr. Moose, Timmins Junior Baseball club, Junior Hockey club, Timmins Softball association, staff and pupils of the high school, Room 5 school-mates of high school, Timmins Lodge No. 1658, L.O.O.M., Excelsior Tuxis Square, A. F. Kenning, M.L.A., A. Delmonte, M. Fox and R. Hudson, the Carriere family, Z. Ostrowsky, Monarch Softball team, M. Rupert, W. G. McHugh, Sam Elmes, Mr. and Mrs. P. T. Moisey, T.A.A.A., Eugenia, Kathryn and Ann Young, Peggy Macpherson, Mr. and Mrs. J. W. Faithful, T. Berlingieri, D. DeLuca, P. Eraninio, A. and M. DeLuca, A. Delmonte and family, N. Baptist, A. DeLuca, V. Spada, R. DeLuca, Keith Stirling, Harry Boyd, Mr. and Mrs. W. W. Orr and family, Moisey and Ball.

## MR. KENNING'S MAJORITY OFFICIALLY GIVEN AT 564

A letter from Gerald D. O'Meara, returning officer for the riding of South Cochrane in the recent provincial election, gives Mr. A. F. Kenning's majority at 564. This is the official figure. Through the adding machine used for the totalling of the figures for the various sub-divisions being out of order a wrong total was first given out, but this has been rectified. The final figures were very carefully checked and re-checked and are now absolutely correct. The official figures accordingly are as follows:—A. F. Kenning, total votes 5686; Dr. J. A. McInnis, 5122; majority for Kenning, 564.

The many friends made by Mr. W. Mitchell, manager of the Timmins branch of the P. Burns Co., during his stay in town, will regret that he is leaving here to return to Winnipeg. Mr. Mitchell's fine voice and outstanding talent as a vocalist made his services here in great demand in musical circles and he will be much missed here. His place as manager here is being taken by Mr. Jago.
